**AFGHANISTAN WON'T GET ANYWHERE WITH THE TALIBAN BRAND.
THE TALIBAN IS A FALSE MESSIAH AND MAHDI MOVEMENT.
THE TALIBAN IS A REAL DAJJAL (ANTICHRIST) MOVEMENT.**

Afghanistan won't get anywhere **with the Taliban brand**.

The only way Afghanistan can solve its problems **is democracy and republic**.

The Taliban is a terrorist organization under the control of Zionism and Jews **from A to Z**.

Afghan people should **not be slaves and free soldiers of the Taliban**, Zionism and Judaism.

WHAT IS THE AFGHANISTAN PROBLEM?

On planet Earth, **two great deep powers have been fighting** for the possession of the earth, especially for the last seven thousand years.

These two deep powers are **the Rockefellers and the Rothschilds**. These two deep forces are each other's nemesis. All wars on earth for the last seven thousand years have been **organized by** these two powers.

The Rothschilds have always been **clearly superior to the Rockefeller group** with their dominance of Central Banks, money and financial systems around the world.

We can express this wealth domination on earth **as 85% Rothschilds, 10% Rockefeller, 5% Christian USA**.

In order to close this gap, the Rockefeller Group had to specialize in much more tiring industrial and commercial areas, especially oil, natural gas, medicine, food, drugs, human trafficking, terrorism and wars.

The battle of these deep forces to dominate the earth **is extremely brutal**.

Mankind is the **free soldiers, labor and slaves** of these two powers. In the eyes of these powers, human beings have no value and no importance. **Humans are a locust swarm for these powers.**

The common denominator of these two forces, which are hostile to each other, is not to allow a third power **to have possession of the Earth.**

The Protocols of Zion are agreements between two enemies to protect planet earth from human domination. The purpose of these agreements is to prevent the Rockefeller and Rothschilds **from running out of power by fighting each other.**

Three basic elements are needed to have a planet. These elements are capital, labor and raw materials. **Afghanistan is a region** with the richest mines on earth. All elements, especially gold, silver, copper, lithium, are more or less present in this region.

Afghanistan was not invaded by Russia in 1979. Afghanistan was occupied by the Russian Rothschilds in 1979. Russian soldiers were free soldiers who fought for nothing for the Rothschilds.

The Rockefeller family, who was afraid of losing the biggest raw material resources on earth, started to use the US army to take the Rothschilds out of Afghanistan and invade.

The scene we saw on August 15, 2021 is **Rockefeller expelling the Rothschilds from Afghanistan 42 years later. The Taliban is a Rockefeller army.**

The groups that the Taliban are fighting are all the armies of the Rothschilds.

Terror, war and drugs are a source of income for the Rockefeller group.

Wherever there is terror, war and drugs, **there is the Rockefeller band.**

Hundreds of terrorist organizations, especially Antifa, BLM, Taliban, Al-Qaeda, ISIS, Hezbollah, PKK, FETO, PYD, YPG, Boko Haram etc, are the income sources of **the Rockefeller group.**

A similar reality to Afghanistan took place in Myanmar on February 1, 2021. The Rockefeller family has taken power in this country.

Turkey has been a colony of Rothschilds from A to Z since 1909. Despite the 5 military coups they have carried out since 1950, **the Rockefeller group failed** to take Turkey over from the Rothschilds.

The USA, Donald Trump and his administration, who left Afghanistan on August 31, 2021, put an end to the Christian US soldiers being free soldiers **to Zionism and Jews and their deaths for no reason.**

The US has 800 bases and war zones on earth, in the oceans and in space, similar to the base in Afghanistan.

These bases and wars are funded **by the US people, their soldiers, taxes, and labor.**

Undemocratic military spending is the reason why US citizens are struggling to make ends meet despite great wealth.

The Christian USA, Donald J Trump and his administration have started to dry the 7000-year-old Rothschilds and Rockefeller **swamp** on earth with their decisions similar to Afghanistan.

The Rothschilds-Rockefeller struggle, in which the Christian USA has lived for nearly 200 years, **is now active in every country** on earth with all its might.

Nations that understand the Christian USA and its struggle well will understand much better what is **going on in their own country.**

How do the Rothschilds and Rockefeller **families penetrate a country and nation?**

The biggest capital of the Rothschilds and Rockefeller families **is to prepare the state and government managers in the target country** and bring them to power.

These groups **have no other business** than preparing state and government administrators and are not interested in other work. For these preparations, work begins **at least 50-100-200 years ago.**

It takes an average human family 100-150 years **to reach a fortune of 100,000 USD.**

For Jewish families, this period is at most one day. Money is not a problem in the life of Jews.

On average, **300-400 Jewish families** are enough to take over all institutions and organizations in a country. Jewish families without money problems **will take all the corners and not let the nations breathe.**

These 300-400 families will mature for at least 100-200 years and take their place in the society. They will not be seen in society **like white stones in rice.**

Most people don't know **that their best friend is a Jewish traitor, thief, murderer, Rothschilds and Rockefellers poodles.**

This is the essential rule of the game.

The greatest capital of Rothschilds and Rockefellers **is people's love of money and authority, greed, arrogance, selfishness and bad morality.**

The rest is very easy.

The Taliban is a false Messiah and Mahdi movement.

The Taliban is a real Dajjal (Antichrist) movement.

The Taliban are no different from **Adnan Oktar**, the fake Mahdi, who occupied the agenda of Turkey for 40 years and **claimed to be the Mahdi.**

The Prophet Muhammad warned all humanity to beware **of the frauds and destruction of false Messiahs and Mahdis.**

What **good will come to humanity** from people whom the Prophet Muhammad called false and dishonest ?

Throughout history, false Messiah, Mahdi, and spiritual leaders **have claimed to be descendants** of Abraham, Moses, David, Jesus, and Muhammad. These people claim that they are shepherd-rulers **and the rest of the people are sheep and cattle.**

The false Messiah, Mahdi, and spiritual leaders **try to become rulers of people with empty promises that have no basis and no proof.**

Where are the descendants of the murderers who tried to kill and killed the Abraham, Moses, David, Jesus, Muhammad and Ali ?

Those who claim that their ancestry is based on the prophets also know very well the ancestry of the prophet killers and companions **living today.**

They need **to prove** to people **where and who they are** :

Descendants of Nimrod, the commanders **who captured Abraham to burn him**, the soldiers and the workers who carried wood for his fire ;

The lineage of Pharaoh and his soldiers ;

The descendants of the Jews who complained about Jesus to the Roman emperor and governor, the soldiers who captured them, **the executioners** who hammered nails into their hands and feet ;

The descendants of those **who (try) murdered** Muhammad, Ali, Hasan, Hussein and all the companions.

We expect spiritual leaders and the Taliban, who claim to be descended from the prophets, **to prove their claims to humanity.**

We expect spiritual leaders and the Taliban **to introduce humanity to the living descendants of the murderers** who killed prophets and companions throughout history.

There are two Taliban.

i) Honest, sincere and Muslim Afghan citizens,

ii) Zionist, Jewish, Freemason, Traitor, Rothchilds and Rockefeller poodle Afghan citizens.

The Muslim Afghan people have to know the **Zionist and Jewish Afghans very well.**

Zionist and Jewish Afghans :

i) He has no love or respect for the Afghan people, state and flag.

ii) They hate the Afghan people.

iii) Their duty is to control the Afghan people at all times, to poison or accidentally kill Afghans who are strong enough to rival them.

There are approximately 200 Rothschilds and 200 Rockefeller families in Afghanistan. **Hamid Karzai is a Jew.** It is possible to count hundreds and thousands of examples like these.

Zionism and Jews mostly use **the hadiths of the Mahdi** to infiltrate the Islamic world.

It is Jewish art to bring watermelon peels to the mind of a donkey.

Jews find naive, ignorant, greedy Muslims and deceive them as **"You are the Mahdi, the Messiah, you will rule the whole world and you will own the earth."**

Jews are disguised as Mahdi, Messiah, Imam and spiritual leaders **in the Islamic world.**

The Taliban is Afghanistan's FETO. False Mahdi and Muslims, like Fetullah GULEN, rule the Taliban.

Fetullah GULEN is a fake Mahdi, freemason and Jew working for Rockefeller and the Zionist CIA.

Fetullah GULEN is a terrorist.

Terrorists such as Fetullah GULEN rule Afghanistan and the Taliban.

The first duties of Muslim Afghans :

i) To save their country from the Zionists, Jews and Freemasons who have invaded their country.

ii) To choose honest and reliable international partners for the development of Afghanistan.

Muslim Afghans:

i) They have to stay away from the European Union. The European Union is a political and economic terrorist organization from A to Z.

It is European Zionism and Jews who have been exploiting and killing the people of Afghanistan for centuries. Europe has been a Rothschilds, Rockefeller and Vatican colony **for thousands of years.**

ii) They have to stay away from China. The Chinese people are the slaves of the **CCP of the Chinese Communist Party.** CCP is a Rothschilds and Rockefeller partnership.

Zionism, Nazis, and Jews had to move from the United States, their 200-year-old world capital, in 2008. The people of **the USA have awakened and forced to flee the country to the evil establishments.**

The Chinese people will be slaves and free soldiers for the victory of Zionism and the Jews, just as **in the history of Europe and the USA.**

The Chinese people should be very careful about the **CCP policies** of the Chinese Communist Party.

The European Union and China own the Taliban.

The Afghan rulers of the Taliban will sell the Afghan people **to the European Union and China.**

Afghan people should be very careful about whoever among the Taliban strongly advocates cooperation with the European Union and China.

There is no doubt that **these people were Jews.** The Taliban's cooperation with the European Union and China **will never bring freedom and independence to the Afghan people.**

It is not possible for the Afghan people to find the peace and tranquility they seek with the cooperation of **the European Union and China.**

iii) The best choice of the Afghan people for political and economic development will be **to act under the guidance of the USA, Russia, Turkey and Pakistan.**

The USA, Russia and Turkey are the three leading countries in the world that **have cleared the Zionists and Jews from the state administration.** There are very strong preparations in this regard in Pakistan.

iv) The Afghan people cannot get rid of the Taliban, Zionism, Jews and Freemasons **without making democracy and republican elections.**

The best example for the Afghan people is **the Republic of Turkey and its democracy.**

We have no doubt that the Afghan people, who have overcome great difficulties throughout history, will overcome this difficult period **in the most successful way.**

As the family of humanity, we declare that we stand with our Afghan brothers with all our might.

In the name of humanity, **we wish the Afghan people success** on their path to full independence and freedom.

We greet Afghanistan and the Afghan people on behalf of humanity with love, respect and heartfelt affection.

May Allah protect you and help you.

My Dear One's

As you know, I asked you to be ready. **For what ?** For my **Turkish Got Talent** competition.

In the 2011-2012 season, I applied to be a competitor for **Turkish Got Talent**. I participated in the qualifiers 6 times, I took the stage in the qualifiers 5 times.

But I failed to appear on television **as a contestant** by passing the eliminations.

Many young friends who organize the qualifiers are also the preliminary jury. To be a competitor, **the recommendation of the jury is sufficient**.

I always lost the qualifiers **4-5, 5-6, 3-5 etc**. Young jury friends constantly **quarreled among themselves**. After all, I was not a competitor.

The play I staged (was) **is the best talent in the history of Got Talent Competitions. (for me)**

It broke my heart not to be a competitor with such a play and talent. I have been suffering from not being a competitor **for ten years**.

I want to try my luck again to be a competitor in the 2021-2022 season.

I expect a big support noise from you in order to be a competitor.

I have great faith that you will watch **me as a contestant in Turkish Got Talent this season**.

**DOORS
INVITE
EVERY NATION TO ESTABLISH AN
"INTEREST IS A SIN PARTY"
IN THEIR COUNTRY
(1)**

Doors established **Interest is Haram Party** in Turkey.

(Interest is Haram Party= Interest is a Sin Party, Haram =Forbidden by Religion)

Doors invite every nation to establish an "Interest is a Sin Party" in their country.

Doors are launching a campaign to establish a **Interest is a Sin Party** for every state and nation in the world.

Democracy is the most powerful political institution for solving people's problems and improving their well-being. Political Parties are the soul of politics.

For the last 200 years, political parties, whose names are Republic, Democrat, People, Justice, Peace, Freedom, Development, Independence, Equality, Worker, Labor, Trust, etc., have been very weak in conveying their truth messages to people.

None of these Parties make money for people.

None of these parties have given people freedom, peace and justice.

None of these parties have been able to end the slavery and exploitation system in the world.

Interest is a Sin Party - It is a political movement that tells everyone about 7000 years of human history in just 5 words.

Interest is a Sin Party - It is a political movement that ends mankind's 7000 years of suffering and troubles with 5 words.

Interest is a Sin Party - It is a political movement that breaks down the 7000-year-old slavery and exploitation order of Satan, Zionism, Vatican and Jews in just 5 words.

Interest is a Sin Party- is the political movement that wiped out the Federal Reserve and all Central Bankers, Interest and 13 Families, including Rothschilds and Rockefeller, in just 5 words.

We all know that it is very difficult for Christians, Muslims and honest people to win elections and stay in power for a long time.

Interest is a Sin Party - a political movement that destroys all the satanic and masonic castles and headquarters.

Interest is a Sin Party- It is a very powerful political movement that gives Christians, Muslims and honest people election and keeps them in power forever.

Doors Idea and all information, offers, projects, laws, regulations on www.islaminnuru.com and www.spectrumofislam.com **are the intellectual property of -Interest is a Sin Party- managers free of charge.**

Developments in the politics of the **Republic of Turkey forced me** to intervene in the politics of the Turkish State by establishing **a new political party under the chairmanship of Halil Coşkun Beyoğlu.**

Establishing a new political party as the representative of Muslims in Turkey is not only mine, **but a decision taken by the Turkish State Officials and the AK Party Board of Directors.**

The name of our newly established Party is **Interest is Haram Party.**

Interest is a sin Party = Interest is Haram Party. Haram =Forbidden by Religion

Why did the Turkish State and AK Party **decide to liquidate Recep Tayyip Erdoğan ?**

The rate of Turkish Muslims awakening to the world truth was **10% in 1980, 21% in 1996 and 52% in 2018.**

With the Doors Idea delivered to Recep Tayyip Erdogan and the AK Party in 2013, **this ratio increased to 100%.**

The Doors Idea has been accepted with great satisfaction **in all units of our State and in the AK Party administration.**

With the **Idea of Doors;** Satanist, Zionist, Masonic, Jews = **Bullshit Alliance's** chances of success have been zeroed.

Before 2013, opposition parties in Turkey **were at odds with each other and rivals.** This fighting environment benefited the AK Party and increased its votes to 52%.

The Zionist CIA and the Pentagon determine world politics on behalf of the Vatican, with the capital and taxes of US citizens.

After 2008, this task was taken over by China.

After 2013, the Zionist CIA and Pentagon **decided to unite the opposition parties in Turkey against the AK Party**. In the same year, the Turkish State Officials and the AK Party Administration, seeing this danger, warned Recep Tayyip Erdoğan to protect the Doors Idea.

Recep Tayyip Erdoğan was informed that a 50% success would not be too risky and sustainable for the AK Party.

Despite our warnings hundreds and thousands of times between 2013 and 2019, RTE filled 9 metropolitan cities, especially Istanbul, Ankara, Izmir, Adana and Antalya, **with masons** in the 2019 local elections.

RTE puts the 2023 Presidential and General Elections at great risk on behalf of the Muslims. We all know very well that Recep Tayyip Erdoğan **has no chance of winning** the 2023 election.

(1) Why doesn't Recep Tayyip Erdoğan introduce the Doors Idea to Turkish and World nations ?

What is the reason for this delay in Turkey ?

Reading, analyzing and understanding the events on earth **is a matter of the quality of the human soul**.

Recep Tayyip Erdogan **is a weak soul**.

Weak souls **cannot properly read**, analyze, and evaluate events and ideas.

Mature souls are free from all negative emotions, thoughts and behaviors.

Weak souls cannot build ships like Noah, they do not work in shipbuilding and do not get on ships.

Recep Tayyip Erdogan **is a fake Mahdi and Messiah**. RTE is a false Muslim spiritual leader. RTE is a person who has lived for 40 years thinking of himself as the Mahdi and the Messiah. RTE is a person **who has had a hard time accepting the events** in Turkey in the last 10 years.

Since RTE expects God and the Turkish Nation to declare him as the Mahdi and the Messiah, **his eyes see nothing, including the Doors Idea**.

False Muslim spiritual leaders are no different from **the Pope** in the Vatican. Every Pope in history is a fraudster who thinks he is Jesus Christ and the owner of the world. This is a well-known fact.

Like the Popes, RTE thinks that for 40 years he is a Messiah who will own the whole world and rule the world. **RTE is a Don Quixote like all false religious spiritual leaders.**

RTE and similar weak souls are ungrateful, selfish, egoistic, jealous, envious and greedy.

RTE and similar weak spirits worship as if they believe in God and his laws. In reality, they worship themselves.

Weak souls are pagans who worship themselves.

The god of weak spirits is money, power, rule, seat, and throne.

(2) Why doesn't Recep Tayyip Erdoğan introduce the Doors Idea to Turkish and World nations ?

Recep Tayyip Erdoğan has been **expecting me to be a sheep, cattle, donkey and slave for himself** and the government for eight years.

I said to Recep Tayyip Erdoğan **"A worker cannot instruct an engineer, don't talk too much and do what we tell you"**.

This is the reason for the 8-year delay in Turkey.

Weak souls **do not like intelligent people** and see themselves **as rivals**.

For the weak souls, humans are herds of sheep, cattle, donkeys, and mules. Weak spirits expect people to be cattle and slaves and try to enslave people.

Weak souls believe they know everything but humans know nothing.

In Anatolia, this type of people is called "Yobaz"= "Bigot"= In the West, Yobaz = "I know everything, you know nothing go to hell".

Recep Tayyip Erdoğan **is an ignorant person at primary school and high school level**. He is a good worker, but not an engineer.

God grants weak souls **great and high positions**. Very poor quality people fill important positions, such as the kingdom, queenhood, presidency, ministry, etc. History is full of stories of very poor quality weak souls.

God's purpose here is to introduce weak souls to people **and to disgrace them**.

No one knows about the weak souls sitting **at work at home, in the cafe and in the park**.

Nothing happens to people falling from a height of 0.5-1 meters. However, everyone knows what will happen to those who fall from 30-100 meters.

The State is not the seat and the place where **personal impulses, dreams and fantasies can be satisfied**.

Recep Tayyip Erdoğan loves to see the Turkish State and **Nation as sheep, cattle and donkeys**.

As the Turkish State, we knew very well that Recep Tayyip Erdoğan **was a spiritual Adnan Oktar**.

As the Turkish State, we knew very well that **Recep Tayyip Erdoğan is the number one Pimp** living in the world. **RTE is the master of Pimps**.

RTE sells the sons and daughters of the Turkish State to Jewish human traffickers. RTE cooperates **with human and child traffickers**.

We were patient. Time justified us.

(3) Why doesn't Recep Tayyip Erdoğan introduce the Doors Idea to Turkish and World nations ?

RTE's greatest chance is that it **is a student of the Turkish State**. RTE sees the success of Muslims in the last 19 years as only its own success. It ignores the Turkish State, which raised itself.

The Turkish State prepares a thousand RTEs for the Presidency in one hour.

Recep Tayyip Erdoğan **is a reincarnated Judas Iscariot**. Recep Tayyip Erdoğan is a reincarnated **Archer on the Hill** (Battle of Uhud 625 A.D). Recep Tayyip Erdoğan is a biblical person who is introduced as **The Man of**

Lawlessness, which Christians are very curious about. RTE is the Antichrist.

Turkish President **Abdullah Gül**, Prime Minister **Ahmet Davutoğlu**, Minister of Treasury and Finance **Ali Babacan**, Minister of State **Bülent Arınç** were **beheaded** by Sionist CIA in the last ten years and **replaced by their Clones**. These remote-controlled biological machines turn 180 degrees and betray their nation. These souls were traitors who sold **Muhammad and Humanity in the War of Uhud 625A.D.** There is no time and place for divine justice.

RTE is the enemy of the Turkish nation, state and Humanity. RTE is one of the most important puppets of the Rothschilds on earth. **The Rothschilds destroy their rivals and their puppets by enriching them.** Getting rich also causes distractions.

RTE is the Rothschilds' colonial governor in Turkey. RTE sold the Turkish State and Nation to the Rothschilds in exchange for staying in power.

RTE is the enemy of Humanity. RTE is a weak soul like Nimrod, Pharaoh and Abu Jahl. **Such spirits cannot be recovered.** As the Turkish State, we have been patient with Recep Tayyip Erdoğan for 8 years. For eight years, our loss has been enormous.

Donald J Trump has sent multiple messages over the course of two years, warning the RTE to promote the Doors Idea. (2019-2020).

Vladimir Putin and many country leaders continue to send messages to RTE for the promotion of Doors.

Everyone **has seen how respectful** Recep Tayyip Erdoğan is to the Turkish State, its Nation and Humanity.

RTE is a traitor and an enemy of Humanity. **Both word and patience are up to a point.**

According to the Turkish State tradition, Recep Tayyip Erdogan will be punished by pulling his ears. There are many examples of this type in the history of the Turkish state.

Recep Tayyip Erdoğan is not my friend and leader after March 31, 2019. RTE is my worst enemy. **Recep Tayyip Erdoğan has chosen to be hostile to me and will bear the consequences.**

DOORS

THANK

Vladimir PUTIN and Volodymyr ZELENSKY

The Vatican has targeted Russia and Ukraine in order to start the Third World War and enslave humanity forever. On behalf of humanity, we would like to thank **Dear Presidents Vladimir Putin and Volodymyr Zelensky**, who did not allow the Vatican, Satanist and Zionist powers to start the Third World War.

Those who insist, "**Let's fight, let's fight, we must fight, we have no choice but to fight, we must definitely go to war**" to the heads of state and their army commanders are the Freemason agents of the Vatican, Rothschilds and Rockefellers. These freemasons are people who have sold their states and nations to Zionism for war, **1-5-10-50-100 Million USD.....etc.**

Pakistan-India, India-China, China-Japan, China Taiwan, North Korea-USA, Turkey-Israel and those who want war in similar **tension points** are **freemasons who have sold their countries and citizens** to Vatican, Rothschilds and Rockefeller.

It is essential for the World Rulers to be careful and alert **to such traps of Vatican and Zionism.**

On behalf of Humanity, we thank the presidents, armies, rulers and citizens of the world **who act with common sense and wisdom.**

Heads of state who conveyed their love to the Doors Idea and sent messages to me: Qatar President Emir Sheikh **Tamim Bin Hamad Al Thani**, Prime Minister of Pakistan **Mr. Imran Khan**, Azerbaijani President **Mr. Ilham Aliyev**, President of Iran **Mr. Hasan Rohani** and Foreign Minister **Mr. Cevat Zarif** and Libyan Prime Minister **Abdulhamid Dibeybe**, **I thank you very much and I wish you success in your state and political duties.**

NATIONALIZATION DECLARATION OF EXCHANGES

All Exchanges in the world have been Nationalized in the name of Humanity.

Stock Exchanges and their managers are the greatest thieves on earth.

Stock Exchanges are **much bigger thieves than Central Banks on earth.**

What good are the stock exchanges like New York, London, Frankfurt, Tokyo etc. that we see on TVs every day? Have we ever thought?

The thief enters your house, steals your property and goes.

In the stock exchanges, you go to the thieves' houses and you donate your goods to the thieves.

Because thieves are tired of entering houses and **have developed technologies** that are **much less risky**. These technologies are called **Stock Exchange**.

The owners of the world stock exchanges are **Vatican, Rothschilds, Rockefeller Families**.

What is the stock market ?

Your bank steals your money and gold.

The stock market steals your deeds.

The Stock Exchange is a Bank where deeds are collected.

People in the class of sheep, cattle and camels think only of themselves. They are the smartest people in the world. They believe that there **are no intelligent people** in the world other than themselves.

A person who invests in the Stock Exchange and the Bank and belongs to the sheep, cattle and camel classes calculates **how much dividend and interest he/she will earn**.

A person belonging to the Prophet's Ethics (Good Morality) class, **how much money do 8 billion people have in banks? What's going on** with this much money? He/ she thinks.

In Anatolia it is said that "the dog works for the bone, the Patriot for the state".

In Anatolia, it is said that "even if the camel went to Hejaz for forty years, it would not be a pilgrim."

Stock markets are thieving gangs and mafias that steal entire factories in a country.

How does the stock market work ?

For example, you have a 100-decare farm.

This is also your factory. As a farm, you need money.

i) The Exchange offers you to collect 100 USD from the public and pay 0-2% dividends annually for a lifetime.

This offer is spoken into the farm owner's ear.

The exchange will advertise itself by distributing a 100% dividend for the **first 1-2 months (sometimes 7-15 days)** to shareholders who will invest in your farm.

10 -100 Farmers who hear this news will come to the Stock Exchange **in a hurry.**

ii) The Stock Exchange receives 10% of the title deeds from the farmer against the farmer's 100 USD earnings.

The farmer has had a capital of **98-100 USD per year from nothing.**

The Stock Exchange tells the Farmer that his **10% title always belongs to him**, that he can always buy his share, which is worth 10 USD, and he has no loss. Because the farmer has 98-100 USD.

This is the Broker's lie. Lying and fraud is Jew's greatest capital.

iii) If the farmer purchases 10% of his shares and wants to exit the Exchange, the Stock Exchange will request 1000 USD from the Farmer.

Farmer, who starts to work with the Stock Exchange, **can never leave the Exchange.**

iv) The farmer grows his business with 98-100 USD. By selling 50% more shares in total, it becomes **a much bigger and more valuable business.**

v) If the share rate exceeds 50% according to the Exchange laws, the Exchange is entitled to manage the Business.

vi) At the end of the game, the farmer **becomes a worker in his farm.** This is what the Jews call "return". The aim of the 7000-year-old Vatican Zionist plans is to take away all people's property and freedom.

After all, Mankind will be Satan's cheap workers and soldiers.

In this game Central Banks **are the throne** of these plans, and Stock Exchanges **are the crown.**

vii) Stock Exchange- Vatican, Rothschilds and Rockefeller become the owner of that business.

For example, all Japanese brands and title deeds belong to the Vatican, Rothschilds and Rockefeller. Toyota, Honda, Mitsubishi, Nissan, Suzuki, Yamaha, Komatsu, Kawasaki, Sumitomo, Toshiba, Sony, Hitachi, Sanyo, JVC etc.

Japan is a herd of 125 million sheep, cattle and camels on earth.

The Japanese state and people **do not have a single penny to spend other than their salaries.**

Similar tables **are valid for the whole world**, especially USA, Europe and China.

90% of the World Stock Exchanges are owned by the Vatican, Rothschilds and Rockefeller families. **10% shares are in the hands of people.**

The 10% shares held by humans are nothing more than feed poured in front of sheep, cattle, and camels.

All of the Stock Exchanges in the world have been nationalized in the name of Humanity. Shares held by sincere and honest people will be paid for their value.

All stock markets in the world will be closed and abolished.

The shares stolen by the Vatican, Rothschilds and Rockefeller from the people **will be returned to their owners.**

We call the period when Humanity gained economic independence as **"Complete Independence"**.

In the period of **"Complete Independence"** of Humanity (Reset, Gesara, Nesara, Event...) sincere and honest people will not have the slightest economic loss.

BITCOIN and CRYPTOCURRIENCIES

Do not invest in any cryptocurrency. Cryptocurrency is a Vatican, Rothschilds, and Rockefeller **scam**.

Crypto money is the project of seizing 90% of the money that humanity has accumulated in banks in the last 100 years. Those who buy cryptocurrency **will lose 90 percent of their money and wealth.**

What do you earn when you invest in crypto money? What do you get?

Such a trade in Anatolia is called "selling drum dust, minaret shadow, buying drum dust and minaret shadow".

People should stay away from all cryptocurrency markets and fraudsters such as Bitcoin, Ethereum, Litecoin, Namecoin, etc. The biggest capital of fraud markets is **that people are very prone to sheep herd psychology.**

On April 20, 2021, a cryptocurrency fraudster collected USD 2.0 billion from 391 thousand people in Turkey and fled to Europe. Of course all of these 391 thousand **people belong to the sheep, cattle and camel class.**

Similar dangers apply to all countries of the world. It is the Vatican and Masons who give this mind to these people. The money is collected in the Vatican as usual. This is the meaning of the sentence **"All roads lead to Rome"**. All the money, gold, silver, copper, platinum, etc. in the world are collected in Rome. There is an underground city, 30km below the Vatican, larger than New York City.

David Rockefeller is the dominant owner of crypto money and markets. The Vatican, Zionism, Judaism, and Jews are best described in David Rockefeller's words.

Here is the life lesson and advice **David Rockefeller** gave to the masons and his students.

"The best money is made when people's blood flows in the streets".

David Rockefeller

"The best justice is achieved when Jews are beheaded in the streets."

WORLD BELIEF SYSTEMS CHRISTIANITY and ISLAM

Religions are universally the **largest sociological structures**. There is no greater sociological structure in the universe than religions, including science. Science may not be in every home. **But religion enters every home and heart.**

Religion is God's greatest message in the universe.

Christianity and Islam, which are true religions, fill the shortcomings of other religions and correct their mistakes. The 7000-year-old End Times that is happening on planet earth today is the most valuable period in the history of the universe.

As of the 21st century, **there are 21 dominant religions in the world.** **Numerous sects** belonging to these religions are also active.

In order to understand the planet Earth in the 21st century: What would the state of Humanity be **if Christianity and Islamic religions were not on earth** ? It would be the best approach to ask.

7000 years of human history is the sociological, economic, political, cultural, military, chaos and consequently an eternal slavery program **prepared by Satan.**

This program of chaos and slavery is universal.

The entire universe is threatened by exploitation, destruction, and enslavement by the **technologically superior races.**

Planet Earth and Humanity have successfully destroyed **Satan's 7000-year-old order of exploitation, destruction and enslavement.**

What is the secret of this success?

The secret to this success is **galactic aid, support, churches and mosques.**

The secret of this success is the guidance and leadership **of Christian and Muslim Scholars to Humanity.**

The ability of every race in the universe to destroy the exploitation, destruction and slavery of the evil races **depends on their understanding of Christianity and Islam**. The liberation of humanity from exploitation, destruction and slavery is the **liberation of the entire universe from slavery**.

What are the solutions offered by other religions other than Christianity and Islam for the salvation of humanity?

Religions other than Christianity and Islam **have no positive offer to humanity** other than slavery and submission to the Satan.

What is a Christian ? What is a Muslim ?

Christian and Muslim literally means teacher and engineer.

Christians and Muslims are people who work as teachers and engineers by taking God's books, prophets and teachings **as a guide and reference**.

Christian, Muslim teachers and engineers are people who reject the teachings of the Devil as follows. $1 \times 1 = 11$, $2 \times 2 = 22$, $3 \times 3 = 33$, $4 \times 4 = 44$, $5 \times 5 = 55$

The religion that God proposes to humans and galactic races is like mathematics.

The measure of Christian, Muslim teachers and engineers is God's books, prophets and their teachings.

Christian, Muslim teachers and engineers measure the past, present and future with **the religious art of God and are never wrong**.

TUBA TREE

Why did the prophets work as shepherds?

One of the professions of prophets is being a shepherd.

Prophethood is also the art of "I tell you my daughter, you understand, my bride."

Shepherds own and protect three types of animals.

1. Sheep, Ram, Goats and similar: **Sheep class**

2. Cow, Ox, Bull, Deer, Bison, Lama and the like: **Cattle Class**

3. Camel, elephant and the like: **Camel Class**

Humanity is divided into four classes in terms of its capacity to understand God and the truth of creation.

The feature of these classes is to believe in only one God, who created the universe out of nothing.

These classes represent goodness and are positive.

1. (0.25) Sheep Class: Has knowledge at primary school level.

2. (0.50) Cattle Class: Has knowledge of middle school and high school level.

3. (0.75) Camel Class: Has knowledge at university, master and doctorate level.

4. (1.0) Class of Prophets' Ethics (Good Morality): the owner of divine wisdom and knowledge

Humanity is divided into four classes in terms of its capacity not to understand God and the truth of creation.

The feature of these classes is not to believe in only one God, who created the universe from nothing.

These classes represent evil and are negative.

1. (- 0.25) Sheep Class: Has an ignorance at the primary school level.

2. (- 0.50) Cattle Class: Has an ignorance at the secondary school or high school level.

3. (- 0.75) Camel Class: He has an ignorance at the university, master, and doctorate level.

4. (- 1.0) Devil's Morality (Bad Morality) Class: He is the owner of theft, murder, destruction, slavery and evil sciences.

If we arrange **this table on Cartesian Plane with 0-1 unit interval** -1.0 - 0.75 -0.5 -0.25 (0) 0.25 0.5 0.75 1.0, the resulting graphic is the Tuba Tree. The X coordinate is time (t), the Y coordinate is the 0-1 unit interval.

The Tuba Tree is a chart showing humans and galactic races, soul grade and spiritual class to which they are included.

The Tuba Tree is a spiritual map showing where humans and galactic beings are located. Everyone can easily find their place on this chart.

The sheep, cattle and camel classes are briefly referred to as **the sheep and cattle classes**.

In God's eyes, positive sheep, cattle and camel classes are **no different from** negative sheep, cattle and camels.

These classes are born, they go to school, work, market, hospital, match and vacation, they watch television from morning to evening. They marry, grow old and die.

Classes of sheep, cattle and camels **do not work with Noah** in shipbuilding. They refuse to board Noah's Ark.

Spirits who worship God and take responsibility for the development and growth of God's religion **are promoted to the class of Prophets and Good Morals**.

Spirits that do not believe in God, do not take responsibility, imply and claim that they are God, **fall into the pit of the Devil's Morality (Bad Morality)**

EVERY YOUNG GIRL AND FREEMASON
SHOULD READ
THE DOORS IDEA

Jews are prostitutes of Satan. Freemasons are prostitutes of Jews.

Freemasons are people who know everything **but do not know what Freemasonry is.**

Masonic lodges, buildings, halls, gardens on earth are Jewish brothels.

In these places, not only the human body but also the soul, honor and chieftain are bought and sold.

Who is Satan ? What is Satan ?

Satan is biggest Pimm. Satan is biggest Pimm who sells Humans.

Satan is biggest Pimm who sells Humans and Galactic Races. (Races : is in the meaning of Galactic Sipiritual Beings).

Satan is biggest thief, killer and destroyer.

Satan who tries to enslave humans, races and souls forever.

There are two kinds of Satan in God's creation and laws.

1. Satan is a total evil spiritual program in soul which directs, drifts humans and races into bad moral, wrong behavior and sins.

2. Satan is a Human or a Race who carries no Good Moral in his or her soul.

Every human and a Galactic Beings is half angel and half Satan.

Satan claims to knows eveything. **To feel know everything easily traps Souls** to declare themselves as God and to be owner everything.

Satans are proud of themselves to know everything.

To know everything other than **-God-** is to know nothing.

One who claims and acts as to know everything other than **-God-** is called **“Abu Jahl”** which means **“Father of Ignorants”**.

The end of **Abu Jahls** is very clear in God's Laws.

Satan and their every corporations have pyramidal management structures like Freemasonry. In Freemasonry, the last one carries the **previous one on his back**. There is no equality in Satanism and Freemasonry. In Satanism and Freemasonry, **the most equal are those at the top**.

All human beings and galactic beings are equal in God's laws. This law is called **“Sırat-ı Müstakim”** and it means **the straight path**. In the laws of God, no one carries each other on his back.

Masons are people who sell their nation and state to the Vatican, Satan and Zionism.

Judaism and Freemasonry **is a contract of theft** and the division of theft property. Earth and similar planets in the universe are very rich and very large. Every street and corner of the world can only be reached by organizations such as Judaism and Freemasonry. Everyone will do their duty and get their rights **from the wealth stolen from innocent people**.

Freemasons are people who sell themselves and their souls to the Vatican, Rothschilds, and Rockefellers **in order to have great offices**.

The aims of the masons from this sale are to seize the kingdom, queenhood, principality, princessship, president, prime minister, minister, deputy, chief of staff, governor, mayor, association, foundation, trade union, banks, chambers of industry and commerce, etc.

Masons are like white stones in rice. They are never visible. **But they always break a lot of teeth, hearts and heads**.

Jews are the bosses of all masons on earth. The 5-year-old Jew is more senior than an 85-year-old Mason and is his boss.

Freemasonry is 33 degrees and is like 33 stair steps.

The degree of Masons depends on their being dishonest, traitor, mean, evil, thief and murderer. As the Masons are dishonest, treacherous, evil, thief and murderer, their rank rises. **In other words, the degrees of masons rise with ignorance and stupidity.**

33 stair steps are approximately 7 meters high. The living area that Vatican and Satan recognized as height and width in life to Jews and Masons is at most 7 meters. This distance is the same as the distance and right to life **that the owner has given a poodle.**

Not everyone can be a Mason. Freemasonry is an organization open to the well-educated people of the nations and their senior families.

Freemasonry's purpose is not to make masons rich and distinguished. On the contrary, it means discovering open-minded, well-educated and high-level families before themselves, taking control and confining them to a volume of 7 cubic meters.

The Vatican, Rothschilds, and Rockefeller know that if they cannot identify well-educated people and high-level families in time and make **poodle**, they **will become huge competitors to them** and their organization **in the future.**

The highest Freemasonry degree a US president can emerge from is 28th degree. **Adnan Oktar** became a 33rd degree mason in a year. Because he is a very good pimp.

Judaism and Freemasonry are slavery. Money, gold, silver, property, high-ranking officials, etc., are **heroin and cocaine that the Vatican and Satan drugged Jews and Masons.**

There is no equality, freedom and independence in the order of the Vatican and Satan.

The simplest algebra rule says that **to find the unknown (truth)** requires as many equations as the number of unknowns. If there are four unknowns as **X, V, Y, Z** you need at least four equations. In three or less equations **you will not find the unknowns and the truth.**

Satanism is a large number of unknown and few equations.

The Vatican and Satanism are an evil system **doomed to not know and to perish in insolvency.**

The fate of the Jews and Masons is the same as the fate of the Vatican and Satan.

This destiny is to go to the bottom of hell like Pharaoh, to be a disgrace and a museum item forever.

**DOORS
INVITE
IRAN TO BECOME A MUSLIM COUNTRY**

Iran is not a Muslim country. The Shia Iranian people are not a Muslim people.

Doors invite **Iran to be a Muslim** country and the Shiite Iranian people **to be a Muslim people.**

Shia is a Jewish religion. Shia is the Judaized religion of Islam.

According to Shia, Islam $1 \times 1 = 11$, $2 \times 2 = 22$, $3 \times 3 = 33$, $4 \times 4 = 44$, $5 \times 5 = 55$... is a form of religion. Buildings and bridges built in this way will definitely collapse one day. There is no addition, subtraction and division in Iranian Shia mathematics. It is only through multiplication that only that much distance is taken in life.

The problems that the Iranian State and its nation have experienced as of 2021 are the **result of this type of mathematics.**

Shia is a Vatican religion. Iran has been a slave and free soldier of the **Vatican and Jews for 1000 years.**

Islam is the worst enemy of the Vatican and imperialism on earth. The Vatican wages a civil war by dividing its enemy into two and makes a nation enemies.

Vatican makes its enemies fight their enemies. **Iran has not fired a single arrow and bullet at the Vatican, Zionism and Jews in its last millennium history.** Iran has no war with imperialism in its history.

Iran is a country that only fights and kills Muslims. Iran has always been the free soldier and army of the Vatican in the liberation war that humanity has waged against imperialism for the last thousand years. Iran looks like an enemy to Humanity.

The aim of Iran is to conquer the religion of Islam **with the Shia philosophy** and to become the leader of Islam. The purpose of the Vatican is to make Iran the leader of the religion of Islam. Iranian Shia philosophy is

an understanding **that ignores the basic principles of Islam such as Omer, Osman, Abu Bakr and Ayse.**

Iran's aim is to conquer the Middle East first and then the entire Islamic world with the Shia philosophy. **This is not a serious state policy but a cheap dream.**

The Vatican and Israel are killing Muslims in all Islamic geography, especially in Iraq, Syria, Lebanon and Yemen, **using Iran.**

The photographs given by Pope Francis, who visited Iraq for the first time in history, together with **Iraqi Shiite leader Ayatollah Sistani,** describe very well **who the real owner of Iran is.**

In these photos, **Pope Francis told Ayatollah Sistani,** "We paid you a lot of money, why don't you kill more Muslims, Christians and innocent people "? **he asks for an answer.**

Shia can find 10-% 80% supporters in every Islamic country. **The distance that Shia can take and travel within Islam for a thousand years is not more than 10%.** Iran Shia philosophy can find a place for itself in every Islamic country with different names. Iran Shia philosophy has found a ground in Turkey called **Alevism and Bektashism.**

Alevism and Bektashism are not Islam. Alevism and Bektashism do not belong to Islam.

Alevis and Bektashis are not Muslims. It is a political discourse to say that Alevis and Bektashis are Muslim. **Political discourses have no meaning or value in the word of God.**

The qibla of Alevi and Bektashism **is not the Kaaba but Vatican.** Alevis and Bektashis are the soldiers of the Jewish army that the Vatican has recruited from Islam.

All the Shia members in the world, whether they know it or not, are citizens of the Vatican and Israel. **They are also the soldiers of the Israeli army who died and killed for free.** All of the leaders of the Shiite organizations that Iran supports on earth are **Vatican, Zionist CIA, Rothschilds, Rockefeller, Israel Mossad Agents and Freemasons.**

Iranian Spiritual leader Ayatollah Ali Khamenei is a Jew and a Vatican, Zionist CIA, Israeli Mossad agent.

Like Jewish Presidents Süleyman Demirel and Ahmet Necdet Sezer in Turkey, Iranian spiritual leader **Ayatollah Ali Khamenei** is also a Jew, Vatican, Zionist CIA and Israeli Mossad agent.

Hasan Nasrallah, the leader of the Lebanese Hezbollah, is a Jew. And he is an agent for the Vatican, the Zionist CIA, and the Israeli Mossad.

The Iranian Revolutionary Guards army is a Vatican, Zionist CIA, Rothschilds, Rockefeller and Israeli Mossad army. The task of the Iranian Revolutionary Guards is not to protect Iran, **but to permanently enslave it.**

Iran is not a Republic but a theocratic dictatorship. The theocratic dictatorial regime of Iran will soon collapse and fall.

The Iranian army is also an Armenian army like in Syria. The people of Iran should be very careful about the crypto Armenians who are coiled into the Iranian army. **Armenians are the second largest terrorist nation on earth, after the Jews.** If there were no Jews on earth, Armenians would have taken their places.

Regime change in Iran will take place in a democratic way. The Iranian State and its people **will never give an opportunity to the Vatican and Zionism, who dream of a civil war in Iran.**

As the Republic of Turkey and Doors Idea, **we declare that** we will always stand by the friendly and **Muslim Iranian people in their democratic struggle.**

As the Republic of Turkey and Doors Idea, we declare to the world that we will not allow any civil war and terror destruction projects that the Vatican, Zionist CIA, Rothschilds, Rockefeller, Mossad and the Israeli army **have dreamed of against the Iranian State and its people.**

I would like to thank **Iran's President Hasan Rouhani and Foreign Minister Cevat Zarif**, who sent me messages and conveyed their love to the Doors Idea and I wish them success in their political life.

CREATION (4)

God created the universe. Who created God ? This question is a Jewish project designed to keep people away from religion.

The brains of humans and races are not programmed to understand what, who and how God is. It is an empty pursuit for people and races to try to understand what kind of being God is.

Understanding that God exists and is one is an axiom. Mathematics is based on axioms. Axiomas are unquestionably the simplest propositions. $A = A$, something is the same as itself. **There is no logic in denial and rejection of axiomas** that are built upon benefiting from the blessings of mathematics.

It is the beginning of the road to accept that **God is One, Unique, and a power and creator that does not need anyone.** Starting to walk is half the way to finish.

God is a force that creates trillions of universes in a pinhole.

We and all of the races in the universe live in just one of the trillions of universes **that exist in a pinhole.** All of God's laws that are valid in this universe are also valid in other universes.

There is no concept of time, space and size for God's laws. The universes that exist outside of us **are called parallel universes.** All the universes we know and do not know revolve **on God's laws, 4 books, prophets and their teachings.**

Cosmos are all existing universes.

Every human and galactic race is a part of God. **The purpose of these pieces is to return to the source, God.** It is possible for souls to turn to God by possessing all the attributes of God. The soul grade of those who succeeded in returning to God and being one is (+1). This degree is the rank of prophets and those who follow their way. The human and galactic soul that reaches this degree has the right to organize and live the life they want. **This applies indefinitely to those who qualify.**

A universe is built on 12 technological levels. 12th level is the highest technological level. 12 families rule the universe.

The reason why the number 12 is frequently mentioned and indicated in the book of God and in the teachings of the prophets is to draw attention to this fact.

In the universe, the bads destroy and the good fixes. This structure is necessary for the balance of good and evil.

One of the biggest fundamental mistakes of people is that they believe that **they will have a perfect life after death.** This belief is briefly "I lived in hell in this world, I will go to heaven when I die". No. You will go back to where you came from and continue life where you left off. A hadith expresses this fact as follows. **"How you live, you die, how you die, you will be resurrected".**

Life is like a city bus and metro ride for weak souls. **No red or green carpets are laid in front of anyone** getting off the city bus or subway.

God is Rahman. Rahman is a mother's love and affection for her baby. God loves every human and galactic beings he has created much more than a mother. **God is Rahim. Rahim,** is like a mother lion protecting her cub.

If you kill a human and a galactic beings for no reason, a horde of lions surround you and **it is impossible to get out of this circle.**

God created all galactic beings in the universe from **a parent like Adam and Eve.**

Galactic beings in the universe are the offspring of **a powerful father like Adam and a beautiful mother like Eve.**

The universe is built on goodness and beauty. The cruelty and enslavement ambition that exists in the universe is the result of underestimating and ignoring the existence of God.

If you say that "God is One", There is no god but Him, and God says "My servant is One, I exist for Him/Her".

The greatest wealth for human beings and galactic beings is to know that God is a servant and a part of it.

The real power and strength for human beings and galactic beings is to know that God is a servant and part of it.

Zionism and Freemasonry offer people 7 cubic meters of living space. On the other hand, God offers people and galactic beings who believe in him, to have the leadership and property of all universes we know and do not know.

The spirit of human and galactic beings has 4 basic characters.

Good-Good, Good-Bad, Bad-Good and Bad-Bad.

Recep Tayyip Erdoğan was a person of **Good-Bad class**. It took time to prove this process. This is the main reason for the delay in Turkey.

Life is an invitation **to be in the Good-Good class**.

My Dear One's

Do not be upset because of the delay in Turkey. **Do not worry about myself.** Everything is very good and fine in Turkey.

Every square centimeter of **Turkey is under the control of the Turkish state and me.** The Turkish State has the power to kill 200,000 Zionists, Jews and Freemasons who have been coiled in Anatolia for centuries in an hour.

We have been waiting these days for centuries. We have been preparing for these days for a full century. **These days are holidays and weddings for us.**

Walking timbers like RTE have no power or chance against the Turkish State and myself. If we want, we can destroy all of these and similar persons within half an hour. RTE is isolated and controlled by the Turkish state. **RTE's presidency has been de facto terminated.**

It is in the position **of a flower pot in Ankara.**

As of April 2021, **the President of Turkey is Mr. Binali Yıldırım.**

As of May and June 2021, **the Turkish state will begin to pull the ears of Zionists, Jews and Masons.**

Do not miss the ear pulling shows in Turkey.

My Precious One's

As you have witnessed for the last 2.5 years, we have shared with you all the information, documents, regulations and laws **necessary for the freedom of humanity and a fully independent world economy.**

Mankind has won the material and spiritual war that it has fought for freedom and a fully independent world economy.

From this point on, **our task will be to announce and herald this victory to the people.**

My Precious One's

After this date, I will be here with you as the presidential candidate of Turkey. We all know very well that the FHP I founded - Interest is Haram Party - will be a worldwide political movement.

The first thing I will do as **Halil Coşkun Beyoğlu** and FHP is to have **Mr. Donald J Trump** return to **his presidency**, which he won with 75%.

This duty is not only mine but all responsible people. I am also one of these people.

Mr. Donald Trump will most likely have returned **to his Presidency by June 15, 2021.**

My Precious One's

Halil Coşkun Beyoğlu -Interest is Haram Party-FHP political movement **is a great news for world politics.** Let's discuss and share the name of Halil Coşkun Beyoğlu-Interest is Haram Party, the political mobilization in Turkey, the Doors-News idea **in all of our internet and social media accounts.**

You can use my name in your social media accounts **as Halil Coşkun Beyoğlu without hesitation.**

You can show Doors-News and my websites **as source and reference** in your internet and social media accounts.

My Dear One's

In the last few years, I have received news that in-depth research has been done **to find +18 videos and photos about me.** I would like to help people who do this type of research about me, as well as everyone else.

I have 3 +18 videos that I uploaded on the internet on 22.10.2020 and **one +18 photo** on my website. You can share these videos and photos with anyone you want.

My websites and Doors-News Intellectuals are all about mind and intelligence. It is not open to everyone. **I am very sorry that I will not help you in this matter.**

I would like to thank everyone who watched the +18 videos on my website and followed my love story and fantasy texts.

My Dear One's

Let's make a big noise. Let **FHP and Halil Coşkun Beyoğlu** announce the **candidacy for the Presidency of Turkey** to the whole world.

Let's **bring back our money and property** stolen from us in the last two centuries.

Let us support Mr. Donald J Trump's return to the White House and his post as President.

This Heart loves you very much

See you soon

God bless you all

With my love and respect

**DOORS
INVITES
PRESIDENT RECEP TAYYIP ERDOĞAN
TO BE RESPECTFUL TO THE TURKISH NATION AND HUMANITY
AND
TO ANNOUNCE THE DOORS IDEA.**

Dear President Recep Tayyip ERDOĞAN

As you know, **Doors Idea** was distributed as a report to all state institutions, including yourself, following the **June 1, 2013 Gezi Events**.

The Doors Idea was received with great interest in all units of our state.

It was our common belief that **at least a 5-year examination period** was needed in order to fully understand **the Doors**, which is a very powerful Intellectual, and to eliminate the worries, fears **and question marks in the hearts**.

At the end of 2018, **it has been accepted in all units of our state** that the **Doors are an Idea** for the good of **not only the Turkish Nation but all Humanity**.

In accordance with **Turkish state manners**, it was deemed appropriate to **declare the Doors Idea** to the Turkish Nation and the World **by Yourself**.

In the past 3 years, **there has been no progress** in the introduction of the Doors Idea to the Turkish Nation and Humanity.

Doors are an idea that is followed hour by hour, minute by minute by 2 billion people around the world.

Our followers are seeking to understand the true nature **of the event** and it was very curious to **why this delay in Turkey**.

Dear President Recep Tayyip ERDOĞAN

As you know, **in the Turkish state tradition**, the duty of the **Turkish head of state falls** if one of **the three conditions** is met.

Head of State :

i) Leaving the religion of Islam;

ii) Loss of mental health;

iii) High treason

It is the common opinion of all Turkish State Officials that you have a lot of these three states as of 18.04.2021.

Dear President Recep Tayyip ERDOĞAN

As the Supreme Turkish Nation and Humanity

We do not accept your mentality :

i) To Koç Holding and Tüsiad Terrorists who have smuggled 650 Billion USD abroad in the last 10 years (2010-2020) :

Do not make any accusations, do not sue

ii) The Anti-Interest Economy, which erased the interest rate, Zionist Central Banks including **the FED** and Banking systems from the earth :

Those who do not understand, cannot explain to the Turkish Nation and Humanity

iii) Light and Water Games in Mosques; To the Turkish Nation, the Islamic World and Humanity :

Non-introducing, non-promoting

iv) Despite our warnings hundreds and thousands of times between 2013 and 2019, in the 2019 local elections, 9 metropolitan cities, especially Istanbul, Ankara, Izmir, Adana and Antalya, filled with freemasons and lost them to the Bullshit Alliance;

v) Putting the 2023 Presidential and General Elections at great risk on behalf of Muslims,

vi) Despite our power to win every election with 90-95% of votes between 2013 and 2019, our President, who fooled the AK Party staff, executives and 11 million members.

Our President, Our Leader Mr. Recep Tayyip ERDOĞAN

i) We invite you....

ii) To understand that the seat you are sitting in is not the property of your father.

iii) To stop carrying water to the mill of Zionism, Jews and Tüsiad, especially Koç Holding.

iv) Not being silent in the face of injustices, playing 3 monkeys, not being a mute devil.

v) Be a Muslim and live like a Muslim.

Dear President Recep Tayyip ERDOĞAN

A President with Down Syndrome and AK Party Leadership

do not suit you at all.

I kindly submit to your interests and information.

With my love and respect

My Dear One's

As you have observed, **the big picture is completed** with great speed. We **place the last pieces** of the puzzle one by one.

This process is necessary for the facts to be **fully understood**.

I know you are very tired, in great pain and bored. There are many questions you want to ask. How, when, what is happening, **how long will we wait ?**

There were no cameras, microphones, and videos in the 7000-year history of prophets. We all read **this magnificent history** from the Bible and history books.

Today, we are all living witnesses of the events described **in the Bible and the Qur'an**.

We thank our Lord who brought us together with these great blessings.

Intellectual work is fun for road builders, long and boring for travelers.

My Dear One's

As you know, I haven't had the chance **to chat and talk with you today**.

I want to have my first conversation with you, **even in writing**.

Let **Love** be the subject of **our first conversation**. Say what ?

Then Let's go

What is Love?

3. Love is embracing the Himalayan mountains and **taking them home**.

2. Love is money. Does not like **to be spent**.

1. Love is Light. It starts with **red** and ends with **purple**.

My Dear One's
For me, Love, is You.
This heart loves and misses you all.
God bless you all.
With my Love and respect

**DOORS
INVITE UKRAINE and RUSSIA
TO THE PEACE TABLE**

Dear President Volodymyr ZELENSKY

As humans, our **biggest mistake** is not to check and look for third parties before wars.

Almost every war on our planet throughout history **has been scripted by an invisible enemy**. Humans have been **victims and losers** of all their wars with each other. The **war machine** is a very powerful **money machine** for the third party.

Our states, governments and peoples are ruled by beings who live in the human body **but are not human**. Most of our closest friends working in the government are not human beings, **but biological robots that work for the Vatican in the human body**.

Money is a universal value. **Humans are traded in the sheep and cattle class** on our planet Earth.

Battlefields are marketplaces where Satan can make money.

This is a very brief summary of **why Ukraine and Russia are on the brink of a major war in 2021**.

According to the New World Order, a Third World War like the First World War and the Second World War must be started and ended.

Our planet is ruled by Nazis, especially controlled and **directed by the black-robed Vatican Rabbis**. The Vatican always **has at least 200,000 Nazis** available in each country. (For a population of 50 million)

Adolf Hitler(s) and his mentality did not die. Like many armies in the world **Ukraine Army is a Nazi controlled and owned army**.

People should know that **war** is our worst enemy.

The first person to say "Yes" to a possible war between humans **is the first to lose**.

The 2021 Ukraine and Russia war will be another Nazi and Russian war, just like the Second World War.

Of course the Vatican is not **on the world stage as the Vatican**. The Vatican walks and lives in **masks such as NATO, UN, IMF, World Bank, WHO, Red Cross, European Union, USA, and recently China.**

Starting World War III in the Middle East was one of the credible plans of the Nazis-NATO between 2000 and 2020.

Vatican City (NATO) has made very strong plans to launch the 3rd World War, Turkey with war with Russia. **On November 24, 2015**, the Turkish Air Force shot down **a Russian Su-24 jet** on the Syrian border **for almost no reason**. For a few days tension escalated and relations reached the breaking point.

Turkish Government made a deep research and realized that was not a Turkish Air Force decision. To shot Russian Jets for fake reasons and start third world war **was a NATO operation**. The soldiers who shot the Su-24 were **Vatican-NATO agents traitors in Turkish Army Uniforms**.

The Turkish government apologized to Russia for this heartbreaking incident. Then, as everyone observed a very strong **relationship was established between Russia and Turkey**.

The First World War, World War II, the Vietnam Wars, and most of the wars began **with fake scripts written by the Vatican and Nazis**.

A war between Russia and Ukraine **will be ignited by the spark of the Nazis and Ukrainian masked Vatican agents in the Ukrainian army**.

This is **a basic classic Vatican-Nazi principle** for starting wars between people.

Every country has to be very careful about **the invisible Vatican Nazi armies** that have been placed in their own armies **with centuries-old plans**.

Dear President Volodymyr ZELENSKY

The Ukrainian Army **is not a national Army and is not led by Ukrainians**. **The Ukrainian Army is a Nazi controlled army.**

We have a great history hidden from all of us as humanity. **This history is not a movie, science fiction, or a joke; it is the truth itself.**

Russia is the first country in the world to break the evil Vatican-Nazi invasion. **A great deal of research and wisdom** is needed to break Nazi invasions in a country in the 1990s and early 2000s.

Vladimir Putin and his administration know everything about the secret history of humanity and our planet.

Vladimir Putin and his administration established a state policy to cleanse and destroy all satanic, evil and Nazi forces in Russia and its neighbors. **This policy is a true and correct state policy.**

To remain silent towards the occupation of countries such as Crimea, Ukraine, Georgia, Belarus, Latvia, Estonia, Lithuania etc by Vatican and Nazis **means to approve the invasion of Russia.**

Most countries and governments **do not know anything about the reality** of the deep state or cooperate with them in secret..

The policies of Vladimir Putin's administration and state are **not to invade neighboring countries, but to inform and awaken them.** If it fails and is impossible to awaken neighboring peoples and governments, **it is natural that military solutions will become necessary.**

If someone **is a source of great problems**, they cannot be a source of solutions and **happiness for humanity.**

Government policies need to be based on **correct mathematical and engineering principles.** Every country and government **should carefully study** the hidden history of Humans and the realities of our planet.

In 2021, there are 3 countries in the world that destroyed the 7000-year-old Vatican Rabbis curse and the New World Order **enslavement mentality.**

These are Russia, Turkey and the United States. These three countries have begun working as one Nation for the freedom of Humanity.

We believe this seed collaboration will take place worldwide.

Dear President Volodymyr ZELENSKY

Ukraine has not been a free country for centuries. Ukraine and Ukrainians are slaves **of the Vatican**, like many states and people around the world. The Ukrainian **people and army are free soldiers** of the Vatican **ready to die for nothing** like the **German people** in the First and Second World Wars.

Dear President Volodymyr ZELENSKY

Do not trust NATO. NATO is the world's largest military **terrorist organization** that invades and enslaves nations **with lies of defense.**

Do not trust the European Union. The **European Union** is the world's largest political terrorist organization that **invades and enslaves nations with political lies.**

Do not accept NATO generals in your country, government and army. **NATO Generals** are Humanity's **greatest fools**, marching timber and wood.

Do not accept any political cooperation and military warfare material assistance from **Joe BIDEN(s)** and his administration.

As Sons and Daughters of Adam and Eve, we **invite** our Ukrainian brothers and sisters to the peace table **to discuss everything with Vladimir Putin and his administration.**

This Heart loves you all very much.

God bless you all

See you soon in Ankara

With my love and respect

My Dear One's

As you all know, the **7000-year-old** Satanic, Zionist Interest and Central Banks slavery mentality has been **demolished, destroyed and ruined globally in 2020.**

Second step is :

i) As humans, we are closing our accounts in all evil and Zionist banks around the world.

ii) We collect all our bank accounts, money and power in our National Banks.

You are invited

to our interest-free and national banking campaign

that we started

around the world.

Turkey has a **powerfull National Banking System** which is controlled and run by Turkish Republican State and Government especially after 2002.

Halkbank, Ziraat, Vakıfbank, Emlakbank ... is managed by the sons and daughters of Adam and Eve.

The Republic of Turkey is a state free from evil forces. In recent years, all secret zionist and evil forces that have settled in our state have been **destroyed and purged by the Turkish Nation.**

The transition into a **total interest free National Banking System** will be very easy in Turkey.

Countries that do not have an adequate National Banking System **will be very successful** in establishing their National Banking Systems **in a very short time.**

Turkish National Banks will be the pioneer and catalyst for the transition to interest-free and national banking systems **globally in the spring and summer seasons of 2021.**

Turkish National Banks will invite millions of customers to their own banks. During this invitation process, our national banks will direct people to **Doors Information** to persuade people.

These efforts will greatly accelerate the recognition of **DOORS at home and abroad.**

My Dear One's

The clock works healthily and vigorously on behalf of the Sons and Daughters of Adam and Eve.

As you all feel deeply, the bell is about to ring for all of us.

This Heart loves you and misses you so so so much.

**God bless you all
With my Love and Respect**

**DOORS
WILL NOT ALLOW
JOE BIDEN(s)
FOR
THE U.S. PRESIDENCY
(3)**

**U.S. PRESIDENTIAL CANDIDACY OF JOE BIDEN(s)
IS ILLEGAL AND VOID.**

**THE NOVEMBER 3, 2020 ELECTIONS
WERE CANCELED
BY
DOORS.**

**NOVEMBER 3 2020 ELECTIONS
WILL BE REPEAT.
(3)**

Doors will not allow **Joe BIDEN** for the U.S. Presidency

Why ?

******* Joe BIDEN is the second most famous Pimp in the world.**

The US constitution does not say that the US presidential candidate must be **one of the most famous Pimps in the world.**

US citizens can find unlimited evidence on social media **about the second most famous Pimp in the world.**

Dear President Donald J TRUMP

You are the Moses of this time.

**The Great American People are your children of Israel.
God's people and the 8 billion people on earth are your Red Sea.**

Every constitution in the world is written by Rabbis in the Vatican. Every constitution in the world is demonic legal slavery texts arranged according to Zionist laws.

The first condition of enslaving a country and nation is to dictate a Zionist and satanist constitution to that nation. This is what has been done in the history of constitutions.

A constitution that secretly advocates slavery would make things easier on the road to slavery.

The American constitution is a slavery plan and map prepared in the Vatican.

The High Courts are small Vatican City found in every country in the world. All presidents and members of the High Courts are high ranking Rabbis.

Like many institutions and organizations, Supreme Courts are the largest secret terrorist organizations in a country.

These institutions are the legal masked mafia designed to overthrow democratic governments in a country without causing conflicts or coups.

God's People are the greatest teachers in the Universe(s).

It is not for anyone in the universe to teach law, justice and constitution to human beings.

The constitution of man is the word, books, prophets and teachings of God.

We measure every constitution, law and word by the word of God.

We tear all kinds of Zionist arrangements that do not conform to the word of God.

Vatican constitutions say that heads of state must change every four years. How many times have the owners of **Central Banks changed in the last 250 years ?**

Law is not justice.

Law is written and lined documents required for justice. Just as the law can provide one hundred percent justice, it can kill one hundred percent.

Justice is the foundation of the State in the laws of God.

Dear President Donald J TRUMP

The oath to be held on January 20 has no constitutional validity.

Joe Biden(s) will go as they come.

Joe Biden(s) is a biological garbage dump.

The place of the garbage is clear.

You are the winner of the 3 November 2020 election. **You are the legal President of the USA.**

Don't bind yourself to the evil sentences the Vatican makes in the US constitution. There is no law that terrorists cannot leave the **White House** after January 20, 2021. **Joe Biden(s)** will be sent from the White House **before or after January 20.**

The Red Sea is waiting for Joe Biden(s).

Dear President Donald J TRUMP

I pray for You, Your Family, Friends, the United States of America and the US Army who love Jesus Christ.

I am confident that you will celebrate the electoral victory you and the American people have won as soon as possible.

This heart loves you very much, It will never leave you alone.

See you at the exit of the Red Sea.

God bless you all

With my Love and Respect

CREATION (1)

God created the universe(s). God created the Djinn. Djinn are conscious beings in physical and spiritual bodies. God chose a group of Djinn and named them **Humans**.

There are many common questions in the universe **that do not have satisfactory explanations by all races.**

God did not answer some universal puzzle-type questions **to connect all races to Planet Earth.**

God chose Humans to teach and explain **the unanswered questions of all races in the universe.**

Being a race, group, or Human, other than God, **does not mean** privilege, honor, nobility and royal privilege **of another race.** God chose Humans as a messenger **to teach his laws, principles, and wisdom.**

We choose our fruits and vegetables in the greengrocer. The chosen tomatoes, potatoes, and cucumbers are not the **chosen ones**, the nobles **and the masters of humanity.**

The most frequently asked question in the entire universe, Who are we? Why were we created? Where did we come from and Where are e Going?

What is the purpose of creating people and races?

God answered all these questions **in Quran in Surah Zariyat verse 56 as: "I have created Djinn and humans just to know me and to worship me."**

God is the greatest Boss.

This means that God invites all Humans and Races, all kinds of professionals, workers, technicians, clerks, teachers, and engineers to work in his company, **to reconstruct the planets and the universe.**

The Universe and Planets will be physically and spiritually constructed **by God's** workers, technicians, officials, engineers, and teachers.

God first created spirits. God covered the souls with physical bodies. Every soul is a part of God.

All races have very similar and dissimilar characteristics of different physical bodies. Physical bodies are different, **but the soul is the same in all races.**

God sees the spirits, not the physical bodies of the races.

The physical body dies, but the soul lives forever. The physical bodies of the races are like a few pages of information. But spirits are like books and libraries.

The soul **is a type of energy** that includes the physical bodies of the races.

The eyes of the physical body are the **mind**. **Logic** is the letters, sentences and elements of the mind.

Mind creates sciences and technologies.

The physical eye is not enough to understand **reality** and **read the universe(s).**

The spiritual eye is the true eye and mind for understanding **truth** and **reading the universe(s).**

Humans and races to have a spiritual mind:

i) He must believe and worship **One God.**

ii) Examine and learn **God's Word and Books.**

iii) Study and learn the words and teachings of **God's Prophets.**

iv) Study and learn the teachings of the **God's People of churches and mosques,**

v) should stop watching **Satanist mainstream media** MSM, t.v. sets and demonic social media platforms. **The evil media are the enemies of people, not friends.**

"Tell me your teacher and I will tell you who you are"

God created souls according to the **principle of opposites on two grounds.**

Like good-evil, faith-blasphemy, eternal-mortal, scholar-ignorant, fellow-enemy, faithful-traitor, free-slave, trust-betrayal, righteousness-deceit, good deed-sin, light-dark, truth-lie, true-false, positive-negative, hot-cold, heavy-light, high-low etc, etc

The principle of opposites is a vital requirement when creating souls for three reasons.

- i) Opposites create energy for operating systems.
- ii) Humans and races learn faster by comparing items.
- iii) For free will.

Free will is essential for souls to rise, evolve and descend.

Every soul has a total grade.

Each soul has a value between -1 and +1 (-1.....0.....+1).
This is the vertical axis. The horizontal axis is time (t).

-1 Satan and His Wife, 0 Atheists, +1 Adam and Eve

Every good, attitude is a positive grade - every evil, sin is a negative grade.

Adam and Eve Souls is an eternal civilization creator.

Satan and His Wife Souls is the creator of a cruelty-based civilization with an expiration date on it.

The Atheistic Spirit claims and teaches people that "there is no God and religions destroy life.

Atheists reject the Word of God, His Prophets, His Books, God's People and teachings, and all the facts of religion.

When an **Atheist** says, "**There is no God,**" we realize that they have the greatest wisdom that **no one else in the universe has.**

When an **Atheist** says "There is no God," we understand and expect that **they will prove their claim to us.**

When an Atheist says "There is no God" **means "I know everything"** (you know nothing, you are ignorant, go to hell!)

"If An Atheist Knows Everything", We invite **Atheists** to answer all the questions **that all university professors will ask.**

When a body dies, the soul takes its new body and place according to **its total grades.**

If you have enough worship for God **in your Soul Account**, free will, will always choose the right options and **make the right decision.**

If there is not enough worship for God **in your Soul Account**, free will, will always choose the wrong options and **make the wrong decision.**

By worshiping God, **souls must be recharged every day**, just like cell phones and every electrical device.

CREATION and END TIME(S) (2)

The Milky Way Galaxy is the heart of the universe. **Planet Earth** is the heart of the Milky Way galaxy.

God created the universe(s) according to the principles of opposites. The battle of Good and Evil is the main struggle frame of the universe(s).

The End Time(s) is the most special time in the history of the Universe when God taught everything to his souls.

This period is 7000 years. 7000 (+, - 30) years before (2020).

The last 200-100-50 years are the end periods of the **End Time**.

7000 years ago there were **no Jews on Planet Earth**.

There are countless Jewish groups throughout the universe.

Judaism is an universal imperialist enslavement tool program.

Jews are slaves of advanced races.

Earth Jews are the slaves of Draconian race(s).

Jews are universal evil group of peoples.

Most of the planets in the universe have life and civilizations **like planet Earth**. Planet Earth has been **battling evil forces for 7000 years**.

The war of good and evil that has been going on for 7000 years on Planet Earth is staged on almost many planets in the universe. Most battles are won by the advanced evil races and end with the enslavement **of the weaker races**.

Suppose you are an advanced race and you **need a planet like planet Earth** for raw materials, minerals, and geostrategic location.

But you **cannot land on planet Earth** due to high daylight radiation, unsuitable atmosphere, and oxygen levels. What should you do? These and

similar problems are fundamental universal problems for all advanced races.

You need a group of people who work for you to enslave the planet.

This type of treacherous group of people is called the Jews.

You cannot force people or races **to do anything**. At this point, you need to choose your partners (slaves) using advanced brainwashing and mind control programs. **These programs are built on the weakest points of humans and races**, such as possessing everything, being rich and famous, holding the highest posts and ranks, greed, selfishness, contempt, desire for privilege, and so on.

Rabbis are the **Master Mind** of Jews.

Master Mind's greatest offer and reward to the Jews is to own the entire planet at the end of the game.

Trading (to sell and buy!!!) is the main characteristic of the Jews.
Jews are the group of peoples who sell their souls to advanced races.
Jews are the groups of people who sell their own race to other races.
Jews are creatures that sell their planets to other races.

Rabbis cannot persuade honest people to be Jews.

To be Jewish the soul must be **stupid and treacherous**.

The advance races must choose garbage souls to establish a Jew community.

Jews are chosen people of their masters.

Jews are people chosen by their masters. Rabbis have heralded the Jews that they **are a chosen people**.

Jews are proud of **to be chosen people**. **Jews** pride themselves on being **stupid, treacherous, and having garbage spirits**.

**CREATION END TIME(S)
and
JEWS
(3)**

The enslavement of humans - **the sons and daughters of Adam and Eve** - and Planet Earth **began 7000 (+, - 30) years ago (2020)**.

You cannot rule the world from Alaska, Argentina, South Africa, Austrailia, Japan, Sweden and Canada.

To rule the world, you have to settle in the middle east region, which is the center of the world.

The physical body of humans and races is a vessel.

Soul is a form of energy and can **easily be transferred** from another body to a body.

This is called **Walk-in Technology**.

Walk in Technology is one of the oldest arts of living by entering the **bodies of other races**.

Jewish Rabbis, Vatican Black Popes, Popes and Cardinals are **Engineers and Agents of Orion Draconians in human bodies**.

Their mission is to establish a Global Evil State and **enslave Humanity** forever at the end of 7000 years.

They called this global government the New World Order. **Jerusalem** has been named the capital of the Evil Empire.

The First Temple site was chosen as the Rabbis' headquarters and parliament building.

The Zion Protocols are one of the Books of Evil that are maps, guides, and programs for the enslavement of races.

Evil : Satan, Books of Evil and Rabbis **Good**; Adam, God's Books, and People of God battle began **7000 years ago**.

Rabbis began selecting garbage spirits from around the world and brought them to the Middle East.

These garbage spirits are called **Jews** and they are proud to be **chosen people**.

Jews were enrolled in mind control and brainwashing programs called education. **Jews do not like abel but cain.** Jews pride themselves on being the descendant of the killer Cain. This is only one of the results of **brainwashing techniques**.

Rabbis began educating Jews under the guidance of the **Talmud, Zohar, and Zion Protocols**.

*The early teachings were: "**The Jews are the kings of Men**".

*Non Jews are not human beings and **are animals** that live in the human body.

***Non Jews are slaves of Jews.**

*The Jews **will own the entire Planet Earth** and rule the Non Jews as **slaves forever**.

The purpose of the Rabbis' early teachings was to hold, unite, and dissolve garbage spirits together and **prevent the disintegration of Jewish communities**.

These four evil fundamental principles became the eyes and minds of the Jews. Jews were **blinded by Rabbis and enslaved**.

According to these mind control and brainwashing programs, the Jews were convinced that their state, **whose capital was Jerusalem**, and the entire Planet Earth, would "someday" be their own.

This someday dream will come true after 7000 years.

This is a brief summary of the **beginning periods** of the 7000 year end times.

Peoples with wisdom and strong financial resources develop **much faster**. It takes a long time to have wisdom and strong financial resources in social life. **Freed from this burden**, the Jews were always ready to move fast across the earth.

The Jews were ready to infiltrate any society and government for their masters. The Jews had learned to be invisible and leave almost zero evidence in their destruction. They started stealing **in the Middle East, killing and destroying people and societies.**

Rabbis are atheists and pagans by nature. They don't believe in God. But faith is a supreme power to bring people together. Rabbis created countless Idols to control Humans.

God **reacted to this demonic and Jewish destruction** and began to send his messages and messengers.

7000 years ago, the first message God gave people to people **was to believe in one God, his words, his messengers.** The next message is that they fight evil to take responsibility, **to become one nation and one voice.**

The average people's indifference to God's religion and books makes it difficult for the Prophets.

Every prophet worked **as a shepherd** by God's command. The shepherding of the prophets gives very serious messages to people. **The average people** who do not care and take responsibility for God's commands are sheep and cattle in the eyes of God.

After the **Flood of Noah**, the messages of God and his prophets became more visible and understandable.

All the animals responded to Noah's invitation to the ark, but most of the people did not.

The purification of Noah's Flood was a great victory for believers to unite people against evil as **one nation and one voice.**

Noah's Flood killed all rabbis, Jews, non-believers and all less believers. After the flood, the demonic deep state launched Plan B, using rabbis and Jews as it had originally.

Abraham's sons, grandchildren, Ishmael, Isaac, Jacob, their 12 sons, their miracles and teachings made God's People a great force against evil mind control invasion.

In this age, the **People of God** became **"One nation and One Voice"** as believers in the **One God** for the **first time in its history.**

God honored the believers for their great achievements and said that he called this nation "**Israel**," which means the **Prince of God**.

During these times, the **People of God** completely destroyed the pagan mentality of the Rabbis. The Rabbis lost all their physical and spiritual foundations and fortresses.

Rabbis are liars. The rabbis continued to lie and started disinformation. The rabbis **began to spread the lie** that **the Jews** were the descendants of **Abraham, Isaac, Jacob and their 12 sons** throughout the Middle East.

Rabbis believe that if you tell a lie a thousand times it will be true.

The People of God never believed these great lies that the Jews were the descendants of Abraham, Isaac, Jacob, and their 12 sons.

Rabbis and Jews continue to infiltrate every country and corner for 4000 years, using the lies of **Abraham's descendants as masks**.

Moses, the Torah, the ten commandments, the crossing of the **Red Sea**, **miracles**, and the return to the homeland, raised the power of **being a State with Jerusalem as the capital** of the People of God.

The corruption of the Torah and the word of God, based on the Tamud, Zohar demonic books, began in this period.

After the wars and miracles of David and Solomon, the People of God established **their first State, with Jerusalem** as its capital, after 5000 years of struggle.

The imperialist building-synagogue of the Rabbis was demolished and the first parliament building, which we call the **First Temple**, was built by **Solomon in Jerusalem**.

People of God's State and its parliament **First Temple** became a great power against **Rabbis** and **New World Order** agenda.

David and Solomon's State was a democratic state which means peoples love their leaders and accepted them as their **Presidents**.

David and Solomon's State treasury was very rich and run the economy without any **financial** and **Interest** tranny.

The Rabbis organized the Jews. Jews corrupted the **First Temple** in the directory of demonic books such as human trafficking, victimization, torture, drug dealing, usury, money laundering, banking, black market and financial transgender. Jews are Rabbis' brooms and hand tools.

The Rabbis organized the Babylonian puppet dictator **King Nebucadnezzar** and the **first State and Parliament building** of the People of God was destroyed in **586 BC**.

Jesus Christ and the New Testament were a new great force and threat to the Rabbis and New World Order agenda. 30-70 A.D

The Rabbis organized the Roman puppet dictator **Emperor Titus**, and the first state and parliament building of the People of God was destroyed for the **second time in 70 A.D.**

The Third Temple, which Ezeiel told in his prophecy, **was built by Caliph Omar in 638 A.D. called Al Aqsa Mosque.**

The "People of God" destroyed the **evil invasion in Jerusalem for the third time.** The Democratic State of David and Solomon is rebuilt.

Dome of the Rock - Qubbat As-Sakhrah was built near Al Aqsa Mosque in 691A.D as a new parliament building by order of the **Umayyad Caliph Abd al-Malik.**

Dome of the Rock - Qubbat As-Sakhrah is one of the greatest symbols of victory for **the sons and daughters of Adam and Eve.**

Nimrod(s), Pharaoh(s), Goliath(s), Titus(s) etc. They are the Rothschilds of their time who were the puppets **of the Rabbis.**

Rothschilds and Jews are planning and dreaming of building a **synagogue** on the **Dome of the Rock**, which they call the **Third Temple.**

The Third Temple will symbolize the completion of the Rabbis **enslavement** of Humanity and Planet Earth.

The **"People of God"** are on **duty 24/7.**

The sons and daughters of Adam and Eve will not allow to create prison planets on Earth and in the Universe.

ISRAEL

What is Israel ? Who is Israel ?

Israel in a 7000-year perspective :

1. Israel : is Planet Earth.

2.i) It is the "**People of God**" who believe in One God, his prophets, his books, teachings and **take responsibility** for Humanity.

ii) They are people who work for the freedom and sovereignty of the people and the **Planet Earth**.

3. From a more specific point of view, **Israel** has been **all Christians and Muslims** throughout history.

4. Open the most special view : People of Israel, according to Scripture, is the **Turkish people**, the Nation of Israel is the **Republic of Turkey**.

The Old Testament, New Testament and Quran tell us how the Planet Earth will shape in 7000 years to come, and especially at the End Time. There are many scriptures about the events of the End Times **regarding the final structure of the world**.

A scripture in Israel-Rabbis Bible says : **Genesis 12:2** : "I will make of you a great nation and I will bless you ; I will make you great and you shall be blessing "

These verses describe **a nation and a people** who will fight for the **Independence of Humanity** more than any other nation and people on earth. **This is the Turkish nation**.

According to the scriptures: God promised Abraham and his descendants, a nation, a land to the people of Israel, the fall of Israel, the salvation of the national Israel, the landing, a new country, the capital Jerusalem (city of peace), Israel's restoration, the new Jerusalem, the third temple, the home of Israel, the land of Israel, the great national Israel are some of the titles of the events that will take place in 7000 years, especially in the end times of 200-100-50 years.

Throughout history, **the concepts of Israel**, the People of Israel, **Children of Israel**, Israelis and Jews have been a very complex puzzle for people to set the pieces correctly.

There are(were) many questions **about Jews** that we do not have satisfactory answers. This environment of uncertainty prevents establishing a healthy and fair policy for the world, especially the Middle East.

People of Israel =Turkish People , Nation of Israel = Rebuplic of Turkey.

These are biblical truth about Israel, people of Israel, children of Israel, Israelites and Jews.

The Scriptures: **i) Ezekiel 37: 1-13 ii) Ezekiel 38: 1-39: 16** clarifies all the gray questions.

These verses tell about the **Turkish People** and **Turkish States** in history. **Ezekiel 38: 1-39: 16**, tells **the invasion of Gog and Magog** in the end times in **Turkey (Israel)**. This invasion attack took place on **July 15 2016** under the command of Rabbis, NATO, Jesuits and Freemasons.

Turkish Army is 2230 years old and has destroyed countless evil forces in its history .

Ottomans never call themselves "**Ottoman Empire**". Ottoman Empire is a Zionist term. The official name of the Ottomans is **Devlet-i Aliyye** and it means the **continuation of the State of David and Solomon**.

The Turkish people and armies **have been the best servants of humanity** throughout **its history**.

Turkish people have been hosting millions of refugees, especially since 2011. Turkish armies and government forces have destroyed countless evil forces, terrorist organizations and saved millions of christians, muslims and innocent people from the persecution of the Jews.

People of Israel : **is Turkish people**, A nation : **is Turkish nation**, Promised land : **is Anatolia**, Fall of Israel : **fall of Ottomans**, Salvation of national Israel : **Turkish independence war 1920-1923, 1938-2002**(destruction of jewish and satanic government al invasions) , regathering into land : **returning of Ottoman citizens into Anatolia**, A new born country : **Turkish Republic 29.10.1923** A new capital

Jerusalem: **is Ankara** -Jerusalem means “**city of peace**”. M.K.Ataturk’s universal policy : **Peace at home, Peace at world (Rev.21:10-15 Rev 3:12)** Glorious national Israel : **is Turkish Rebuplic**

After **632 AD**, the birth of **Islam and Arab civilization** began to destroy **Satanic Empires**.

The Arab Islamic conquests have been the worst destruction the **Rabbis** have seen in the last 6200 years.

Rabbis organized the **Mongol Armies**, and the **Mongol Invasions** destroyed the Islamic and all humanitarian forces around the world between **1200 and 1300 AD**.

In 2008, **the Rabbis** left the **US** and **settled in China**. The Chinese were completely enslaved by the **Chinese Communist Party CCP**.

Members of the **Chinese Communist Party** are **not Chinese**, they are **Rabbis** living in **Chinese bodies**.

As in history, the **Chinese Communist Party CCP** is preparing a **second Mongol Invasion** that will come around the world between 2000-2100.

The Chinese must be very careful when preparing their national policies. The Chinese should not be a cheap and free soldier **for the Chinese Communist Party CCP** like the Mongolian people in history.

Humanity must carefully research and study the **Mongolian Invasions** and their consequences to better understand the 2021-2121 date.

The Mongolian Invasions of 1200-1300 AD **were the Gog Magog invasions**.

CREATION - END TIME(S)
SECRETS OF SUCCESS FOR HUMANS
JEWS
(4)

Who are the Jews?
According to Jewish beliefs :

The Jews reject Adam. Jews do not agree to be sons and daughters of Adam. Jews hate Adam.

Satan is the father of the Jews.

Jews do not know Satan like Christians and Muslims do.

Jews love and respect Satan just as Christians love **Jesus Christ** and Muslims love **Muhammad**.

Jews were created from **Satan's sexual relationship with Eve**.

The Goyims were created **from the sexual relationship of Adam and Eve**.

(Goy singular, Goyim plural)

Goy means **Animal (Goyim plural)** **Goyim=Gentiles in english**

These are the first laws of **the constitution of being Jewish**. With mind control programs, the rabbis **isolated** and **enslaved the Jews** from the Humans and made them useful tools **for their dirty work**.

**JEW IS A JEW
HERE ARE THE RESULTS :**

A Brief Review of Talmud :

“ Non –Jews were born only **to serve us**.Without that, they have no place in the world-only to servet he People of Israel...**This is servant..**That’s why he getsa long life,to work well fort his Jew.. why are gentiles needed ?They will work,they will plow,they will reap ; and **we will sit like an effendi(master) and eat...** That is why gentiles are created. ”

*Non-Jew is not human. They are monsters, animals and ugly creatures.

* Whoever disobeys the rabbis deserves death and is punished by boiling in pus in Hell. **Erubin 21**

*All goyim children are animals. **Yebamoth 98a**

*All Goyim girls are scum. **Abodah Zarah 3b**

*If a Jew finds a goyim's lost property, he does not have to return it. **Baba Mirza 24 a**

*If a goy hits a Jew he must be killed. **Sanhedrin 58b**

*If a Jew kills a goy, he cannot be sentenced to death. **Sanhedrin**

*If a Jew steals a goy's property, he will have it. **Sanhedrin 57 a**

*Eating with a goy is the same as eating with a dog. **Tospoth Jebamoth 84b**

*Even the best goyim must be killed. **Saferin 15**

*Do not save a goyim who is in danger of death; show him zero mercy. **Hikkot AkumX1**

*When the Messiah comes, each Jew will have 2800 slaves. **Simeon Haddersen 56 D**

*It is an essential sacrifice worship that Christians should be killed. **Zohar, Shemoth**

*Yahweh created non-Jews in the form of humans. Jews cannot serve animals and creatures. Non-Jew is an animal in the form of human beings. It is doomed to serve the Jew day and night. **Midrash Talpiotp.225L**

*Keeping in touch with a goy with our religion relations is like killing all Jews. If they learn what we teach about the Goyim, they will kill us in front of everyone. **Libbre David 37**

*A Jew can do whatever he wants to a goy woman. It is his right to treat it as a piece of meat. **Hadarine,20,Choszen hamiszpat 348**

*A Jew may inflict violence on a goy girl, but cannot marry her. **Gad.Shas2.2**

*Every day a Jewish man should be thankful that Yahweh did not make him woman, goy, and slave. **Hikkot Akum X1**

*The Jew must swear perjury when a goy asks whether our books contain something against them. **The Book jare Dia 17**

*What a Goyim who studies the Talmud and Torah deserves **is death**, because **it was written for us**, not for him. This is the legacy left to us.

*In the eyes of those who believe in Talmud, all non-Jews are atheist.

* A Jew to shed goy blood is the same as to worship Yahweh.

In Jews, ancestry continues **from the mother**. The Rabbis say, "You always know who the mother is, but this is not true for the father."

Jewish mothers believe that intelligence genes are passed from mother to child.

Jewish mothers believe that for 7000 years they have brought the most intelligent people!!! to humanity.

Jewish mothers are always very happy and **proud of their achievements**.

In reality, **Jewish mothers** pride themselves on being a **walking terrorist and prostitute factory**.

Jews are a group of souls boasting their landfill genes that have not changed for 7000 years.

The Jew is a Jew. This is the only correct sentence in Jewish history.

The secret of success for people is understanding Jews and Judaism.

Jews are coronaviruses. You can see animals, plants, stones, but not microorganisms. You can see bacteria in manual microscopes, but you need **an electron microscope to see viruses.**

Electron microscopes are **churches and mosques** for Human Beings. Within 7000 years, the Jews were carried to every corner of the planet by the Rabbis. All over the world, Jews do **every task the Vatican delivers.**

Rabbis, Judaism, **Jews, Talmud, Zohar, Zion Protocols** and **Deep States**, Satan's evil arts will be taught to our children from primary school to universities.

Young people **should know their enemies** very well. Young people should know how Jews mined their near and distant future.

In his famous speech **Addressing the Turkish Youth** in 1927, **Ataturk** warned the Turkish youth against the traps **of Jews and imperialism** for the next 100 years.

Rabbis tortured and persecuted Jews for centuries, **driving them to every corner of the world.** Rabbis have loaded the Jews with grudge, hatred, anger, and revenge for centuries.

Jews are a people full of hatred, revenge and anger towards non-Jews.

The Rabbis forbade Jews **from marrying non-Jews.** The aim of the Rabbis with this prohibition is to prevent the dissolution and extinction of the Jews Slaves.

Jews are a people who know and **introduce themselves as lions.** There is no animal that does not consider itself a lion. What **Jewish lion's roar** has humanity heard for 7000 years ?

God created the Jews, and by looking at the **Jews, he created sewer rats.** Sewer and Evil Arts **is the paradise of the Jew.**

Wherever there is evil, there is the Jew; wherever there is a Jew, there is evil.

Immorality is the Morality of the Jew.

Jews are a people who paint their **mother and sell them to her-his father.**

It is said that good Jews are good people and evil, Zionist Jews are bad Jews, this **is untrue and a political speech.** Good Jews are the air, earth, soil and fire of the Satanic Jews. **Jew is a Jew.**

A Jew can not be Good. Good can not be a Jew.

Jews are thieves. Jews are a terrorist nation from A to Z. Jews are **prophet murderers.**

Jews have no history. The Jews mask the history of God's People, owning their trauma and persecution, and masking their crimes.

There is no history of thieves, killers, rats and parasites.

The thief is the king of the Earth **until the host awakens.**

These are universal sociological and psychological **scientific facts** about Judaism and Jews in **races libraries for billions of years.**

CORONAVIRUS

The half-life of genetically and biologically modified viruses to return to their original form is maximum 2-3 months. Genetically and biologically modified viruses **cannot carry their aggressive nature** for more than **12-18 months**.

The half-life of large modified organisms such as fruit flies is 2-3 years.

Quarantine, isolation, hygiene, use of masks and antibiotics are the main **measures to overcome** these types of viral infectious diseases.

HQC -Hydroxychloroquine- is the perfect cure of coronavirus. Coronavirus(es) types of viruses have thick fat cell walls. Waterbased based antioibotics are not effective to these sort of microorganisms. **HQC** easily penetrates **fat cell walls and destroy all viruses in a very short time**.

All epidemic diseases that we have seen throughout history as humanity are **economic and biological weapons** produced in the laboratory by Rabbis.

Black plague, tuberculosis, typhoid, pneumonia, sars, mers, ebola, AIDS, meningitis, hepatitis, cholera, scarlet fever, measles are some of the **economic and biological weapons**.

These epidemics are preparing for the big pharmaceutical industries **to gain 8 billion customers**.

You cannot make money from a simple cold.

Epidemics **take customers to** big pharmaceutical industries.

For big pharmaceutical industries cancer, autism, stroke, parkinson, alzhemier, diabetics, all kinds of neorological and heart diseases are much **better than simple colds**.

Designed for big pharmaceutical industries, **the coronavirus is the king of all epidemics in history**.

Big pharmaceutical industries knows that the coronavirus epidemic has nothing on their agenda. Rabbis rub their hands awaiting 8 billion potential cancer customers who will come through **vaccination programs**.

Bill Gates, Anthony Fauci, and George Soros and many are Rabbis in plain clothes who work hard for **vaccination programs** all over the world.

Rabbis=Nazis=Pagans=Atheists

The Vatican is the Rabbinic school. Pope Francis is a Rabbi and a Nazi. Vatican cardinals are Rabbis and Nazis. **Pope Francis and the Vatican Cardinals** pray to God and Jesus Christ for the success of Bill Gates, Anthony Fauci, George Soros and their friends.

My Dear One's

Vaccines are Mark of the Beast
Vaccines are medium and long term poisons.

Do not accept **Vaccination Programs** that will be offered to you during pandemic periods.

Big pharmaceutical industries **Vaccines are full** of complex genetic, electronic, biological, physical and chemical toxins.

Pfizer, Moderna, Biontech, Sinovac and the like are the legs of the same Demonic Octopus.

Genetically and biologically modified viruses draw bell curve. **Zero Top zero.**

We are at the peak of the coronavirus epidemic as of **1.1.2021.**
After this date, the cases **will begin to decrease at the rate of increase.**

Compare two vaccinated and unvaccinated cities.
We will see the same results come. After this date, coronaviruses that have been genetically and biologically modified **will begin to return to their original form.**

All high-degrees freemasons were ordered to advertise the coronavirus vaccine **in the autumn.** Nobel prized artists, scientists, presidents, prime ministers, politicians, journalists, artists, showmen, athletes, celebrities etc, etc **share photos of being vaccinated.**

The coronavirus **will start to die naturally** in the body. The big pharmaceutical demons will become the heroes !!! of eight billion people and will be on television **to receive applause**.

This is the plan. Let's be careful.

Corona Virus - Covid 19 = Central Banks and Interest Incomes

God is teaching Central Banks and Interest Incomes to Humanity by coronavirus pandemics.

For Example : 1-10% interest income = %100 coronavirus, cancer, divorce, alcohol, drugs problems, riots, coups, robbery, civil wars, terrorism, racism, inflations, economic crisis and collapsing,wars and all kinds of suffering sources.

My Dear One's

I will be a supporter and participant of Donald J. Trump's 2020 election campaign in the coming days and hours.

**ADAM & EVE
ECONOMY TEACHINGS
ANTI INTEREST ECONOMY
(AI ECONOMY)**

How can States and Governments **get rid of the** Economic and Financial System based on **Interest-Center and Private-Banking slavery** ?

How can States and Governments establish the **Anti-Interest - Central and Private Banking** Economics and Financial System ?

It is the duty and right of Democratic States and Governments to create, print and control money.

Private individuals and companies cannot create, print, or control the **Money-Monetary System of Nations**.

No other power in the people is greater than the Democratic State.

The Democratic State is a reflection of "God" on earth.

Nobody can go against God and His Laws.

Interest-based Money and Banking Systems are prohibited by God's Laws.

Interest and Usury is the biggest economic sin.

**To tear down and ruin
Interest- Central and Private Banking Systems:**

1. States need Anti-Interest Laws in their Constitutions.

States and Governments should establish their **National Banks and Banking Systems**.

i-Every citizen over the age of 18 must be a "True Taxpayer" for the Ministry of Finance

ii-Every True Taxpayer, company, business and institutions must pay 20% (twenty percent) tax for their monthly and annual earnings.

iii-States and Governments will pay taxpayers 10% - "Tax Refunds" - Tax Refunds - within the next 15-30 days or months.

Tax Refunds will be paid and sent to the **"National Banking Accounts"** of citizens and taxpayers only.

Every citizen, taxpayer, corporation, enterprise and institution should choose and support **the National Banking and Financial Systems** for their benefits.

Tax Refunds are true **Anti-Interest Tools** for Democratic States and Governments.

Tax Repayment is Anti-Interest Law.

No citizen, taxpayer, company, business or institution earns money from Interest and does not work with Private Central Bank Cartels.

2. State and Governments double, triple, ten, one hundred and so on. The taxes should take:

i-Money earners and people working with Interest-Private-Central Banking Companies.

ii-buying, selling, home, car, fuel, gas, electricity, communication, education, travel, justice, export, import etc. to all Government Services.

Citizens and Taxpayers who choose **National Banking Services** will not be exempt from extra tax fees.

"Receiving Taxes" is another Anti-Interest Law.

3. It is very easy for Private and Central Banking Companies to earn and collect money from States and Governments.

Because States and Governments are afraid to tell people **"there is no money"**

Borrowing and delaying debt at much higher interest rates are the primary preferred financial policies of States and Governments.

States and Governments are buying **\$ 1.0 Billion** today and paying **\$ 2.0 Billion** to **Money Changers-Bankers** tomorrow.

Interest-based Central-Private Banking is a negative system that creates mountains of debt every hour, day, month and year.

Match Taxpayers and **Money Changers** around a table and tell **Money Changers** "Go and get your money - **\$ 2.0 billion** - from real debtors and taxpayers."

Pairing debt holders and taxpayers with Central-Private Banking Cartels is another **Anti-Interest Law**.

4. Teaching and Informing People about Central-Private Banking and Interest Illusions is another powerful **Anti-Interest Law**.

For Example : 1-10% interest income = 100% corona virus or cancer

Enlightened People, States and Governments can easily Nationalize Private-Central Banking and Interest Cartels **with Referendum Solutions**.

for them.

Until 2020

We protest as people and do not receive any products and services

**FEDERAL RESERVE
CENTRAL BANKS-PRIVATE BANKING CARTELS
(1)**

Central Banks-Private Banking = Theft = Imperialism = Slavery

How Do Central Banks -Federal Reserve- Work?

1. 1,10,100 in the Morning... etc. Tons of paper, newsprint come to FED printing facilities.

In the Afternoon, these papers are **1, 10, 100, 1000... etc. Billions of USD**
That's it.

Suppose you do the same things !!!

Then you need wars, terrorism, chaos, riots, tv sets, football, fashion, Hollywood, music, cigarettes, alcohol, drugs, etc. **and**

A lot of Idiots in every corner

Politics, governments, television programs, newspapers, magazines, universities, companies, institutions, social media, etc. to mask, cover and avoid focus,

"Hey! What are you doing here"?

Many Fools trying to teach people during these periods will be very useful :
"Black is the best White color"

States and Governments are the best clients of **Central-Private Banks**.

States and Governments have endless needs.

Central Banks sell their Money (newsprint) to **States and Governments** at
1-10% -100% Interest.

States and Governments give Central Banks **"Bonds"** Rothschilds for **Cash**.

At Night these papers are **2, 20, 200, 2000 ... etc. Billions of dollars**

Tomorrow this cash will be in the accounts of Rothschilds Banks.

These interest-based financial system wheels are spinning like this forever.Thanks to this bad financial system, States and Governments always have Cash.But the Rothschilds Banks accumulate **"Bonds"** in their hands that enslave States, Governments and People.

States, Governments have millions of **never-ending** payments, billions of dollars every minute, every hour, day and week, etc.This picture is the same for every country in the world.

4 July 1776-31 January 2020
USA Total Treasury Debt:
4200 Trillion USD (Forty Two Hundred Trillion) = 4.2 Quadrillion USD

Dear President Donald J. TRUMP

We thank you as people
Mr. President Donald J. TRUMP and His Management

Nearly 250 Years of US Financial Bullying
Terminated by You and Your Administration.

Satanist, Zionist, Rothschilds owner

Federal Reserve

It was fully nationalized in March 2020.

There is no satanist, Zionist, Rothschild owner **MSM**, it cannot make this
historical news public.

FEDERAL RESERVE, the great terror organization in the world, was
destroyed and nationalized.

The expropriation of **FEDERAL RESERVE** is the first valuable step in
opening the Gates for **Interest-Free Economy and Financial System on
Earth.**

The US Treasury, Citizens and Taxpayers have to pay **4200 Trillion USD**
for "Bonds" to arrive.

Mr. President Donald J. TRUMP

i) Do not pay -Any Cent- "Money Changers" for these "Bonds".

What did the **USA**, Citizens and Taxpayers buy and receive in exchange for
4200 trillion US dollars of debt? !!!

ii) Check "Bond Holders": If Real and Honest Persons, Pay.

**FEDERAL RESERVE
CENTRAL BANKS-PRIVATE BANKING CARTELS
(2)**

Central Banks-Private Banking = Theft = Imperialism = Slavery

How Do Central Banks -Federal Reserve- Work?

Central Banks and Private Banking Cartels **have two main Nutrition Sources.**

1. Money and financial needs of State and Governments.
2. Satanist and Zionist "**Tax Laws**" infiltrating the State Financial Systems.

Came to Turkey in 1936, an **Economist** named **Fritz Neumark** and prepare the Turkish Tax Law in 1950. !!!

Fritz Neumark was the Satanist-Zionist Rothschilds Agent.

A Nation has four sources of income tax.

1. Workplaces and Store **Owners**
2. Government Officials
3. Workers
4. Retirees

Each group of citizens has to pay cash tax to the Ministry of Finance Cashiers.

Provides **4x25 USD, 100 USD Tax income.**

100 units of tax revenue is enough for the State and Governments.

With these Fair Taxation Laws, States and States no longer need to borrow high Interest-Bearing Money from Central Banks.

Economist Fritz Neumarks' mission is to destroy "Money Changers" - **Fairness and Justice** - to force them to take money from the Rothschilds and **their Puppet Friends.**

Economist Fritz Neumark wrote the Turkish Tax Laws and told the Turks :

- i) 1. Businesses and Shop Owners will pay their taxes and labor taxes to the Cashiers of the Ministry of Finance in cash.
- ii) 2. Government Officials 3. Workers 4. Retirees:

**125 USD Your Salary, You Have Wages
and**

25 USD advance tax paid

fees when you receive your salary.

"Here is your **125 USD** salary and wages

You have already paid your **25 USD tax at source**".

Receiving salary and wages-**at the same time- = Paying Tax !!!**

according to this devilish, zionist mentality.

Government Officials - Workers - Pensioners :

Do not go and get to know the Ministry of Finance Cashiers and buildings
throughout their lives.

Government Officials, Workers and Pensioners do not pay "**Any
Percentage Tax**" to their countries.

"You have paid all your taxes in full, to the last penny and on time,"
Economist Fritz Neumark told government officials, workers and retirees.

Government officials, workers and retirees **are very happy and proud to
pay nothing and pay everything.**

These Satanic, Zionist Tax Laws :

Collect **25 USD** instead of **100 USD**

forces States and Governments to fall on the knees of Rothschilds Central
and Bankings to receive **75 at 75 +75 Interest = 150 USD**

These Satanic, Zionist Tax Laws :

Fundamentals of the **Informal Economy**

It forms the basis of non-transparent **Black Budget Economies.**

As human beings, we must break these devilish and Zionist curses of
enslavement **as a True Taxpayer.**

Becoming a Real Taxpayer

Government Officials, Workers and Retirees:

- 1. Write and create Invoices** for every penny of income, such as
Businesses and Shopkeepers.
- 2. They must be registered** with the Ministry of Finance, obtain a tax
number and **be a real taxpayer** such as Businesses and Shop Owners.

3. You should **stop being an angel** and **pay nothing** for the satanist and Zionist mentality.
4. Go to the Ministry of Finance offices and pay taxes **such as Businesses and Shop Owners.**

2020**

3 November 2020 Elections

It has been the most important political Event in the **US** and **Human History** since **1776**.

The United States has a great mission for **Humanity** on Earth, which is mentioned in prophecies, signs and symbols in the Bible and the Word of God.

After **9/11**, we see a great awakening in the US public opinion, which was a great message to the USA, Humanity and Planet Earth.

Dear US Citizens

9/11 was organized by evil spirits mainly concentrated in **Democratic Party**.

Do not vote for the **Democratic Party and Joe BIDEN**.

The Democratic Party is a NAZI Party that occupied the USA after the Second World War.

Voting for the **Democratic Party and Joe BIDEN** is a **9/11**.

Voting for the **Democratic Party and Joe BIDEN** will be another **9/11**.

Voting for the Democratic Party and Joe BIDEN means **to demolish and destroy Humanity** like the Twin Towers in **9/11**.

Voting for the Democratic Party and Joe BIDEN means to destroy and ruin **Christianity, Christians, Churches, Pastors, Priests, the Bible and the Word of God, as it did in 9/11**.

The people of God never had the evil, Zionist Agenda and evil spirits like **Joe BIDEN (s)**

Who is the US Democratic Party and Joe BIDEN(s)? (1)

The Democrat Party and Joe BIDEN(s) are NAZIs who immigrated with **"Paperclip Operations"** after World War II and occupied the **USA**.

In the November 3, 2020 elections, US citizens **will decide** for their President **between Donald J. TRUMP and Adolf HITLERs like Joe BIDENs**

The USA has become a **superpower** in the world after the Second World War.

Ancient Sumerians, Egypt, Babylon, Rome, and the Empires of Great Britain were some of the **superpowers** on Earth before the United States.

The superpower that sounds great is indeed the greatest enslavement organization and **enemy for God's People throughout history**.

The mission of the superpowers is to make preparations to enslave the Human race, **such as cattle and sheep**, using all the resources in the target country.

The superpowers who enslave, kill and torture people in every age are the greatest enemies of **Humanity**.

The main feature of Super Powers is stealth and invisible **like Thieves**. Superpowers showed themselves to Humanity in World War I, World War II and /911.

These are very experienced !!! superpowers are the same noble families who **killed millions of Christians and people** want to **complete their mission** to win the November 3, 2020 election.

George H-W Bush(s), Bill-Hillary CLINTON(s), Barack OBAMA(s) and Joe BIDEN(s)

FEMA prepared facilities as Concentration Camps, Bulk Coffins, Incinerators, Clamped Wagons and Guillotines **to kill 300 Million US citizens**.

These operations failed and were destroyed **by Donlad J.TRUMP and Friends in the 2016 Election**.

Democratic Party and Joe BIDEN (s) – Mission is WW III if the **NAZIs** come to power in the 2020 elections.

They will try to activate the World War III scenarios.

Who is USA Democratic Party and Joe BİDEN(s) ?

(2)

All vital US government offices occupied **by NAZIs** such as CIA, FBI, NSA, Pentagon and US Army after **WWII**.

Europeans became a great resource for **NAZIs** in their entire history until the **WWI**.

After the Second World War, **NAZIs** began to play their **European role in the United States**.

World War II is not over for the NAZIs, they are **fully active to realize** their Imperialist Agenda all over the world.

NAZIs have been **expanding their domination circles** such as cities, countries, continents, planets **for the last 7000 years**.

The USA was the biggest occupation **of the NAZIs**.

The great awakening of the American people after the **JFK assassination** and **9/11**, **NAZIs** forced themselves to migrate and settle in another Headquarters Country and Continent **for safe work**.

As always, **the NAZIs staged a fake** economic crisis in 2008 to cover up **their thefts**.

NAZIs stole tens of trillion dollars of American People and immigrated to **CHINA**.

After 2008, CHINA became the new center of **NAZIs**.
CHINA and the Chinese must be very careful about the **occupation of the NAZIs in their country**.

CHINA and the Chinese will be the **new free human resources and soldiers of NAZIs** such as Europe and the USA in history.

The NAZIs thought **CHINA** was a very large and secret country that they **can rule the world**.

The NAZIs prepare the CHINA and the Army to attack their enemies in every corner of the world.

As free soldiers the Chinese will die for the NAZI agendas like the Europeans, the people of the USA and the rest of the world.

In the 7000 era, NAZIs placed Joe BIDEN(s) and Hillary CLINTON(s) in every corner of the world.

Not only the US, but also Humanity must be very careful with :

Joe BIDEN(s) and Hillary CLINTON(s)

in their own countries.

**Who is USA Democratic Party and Joe BIDEN(s) ?
(3)**

Dear American Citizens

George H-W **Bush(es)**, Bill **CLINTON(s)**, Hillary **CLINTON(s)** Barack **OBAMA(s)** and **Joe BIDEN(s)**

There are many "**Friends**" all over the world just like themselves.
They finance all of their bad art mainly through Drugs and Human trafficking.

They are the world's largest drug traffickers, and especially cocaine and heroin producers.

Bush(es), **CLINTON(s)**, **OBAMA(s)** and **Joe BIDEN(s)**
are the sipiritual fathers, mothers, founders of terrorist organizations
especially **in Middle East**.

All wars and conflicts in **Middle East** are orchestrated by **Joe BIDEN(s)**.

Joe BIDEN(s) is one of the greatest **Christian killers** in Middle East.

Joe BIDEN(s) and his "**Friends**"

Joe BIDEN (s) and "**Friends**" have killed thousands of **Christians** in the last 40 years.

Joe BIDEN (s) essentially have two "Friends" groups. **Zionist Jews** and **Zionist Armenians** masquerading as "**Kurds**".

Zionist Armenians are the best "**Friends and Slaves**" of the Zionist Jews who do their dirty work.

Zionist Jews dream and work for a great State of Israel **in the Middle East and half of Anatolia**.

All terrorist organizations in the Middle East, especially the world, are **Israel's secret armies**.

Israel is the largest terrorist state in the world that **killed** people in the last **7000 years**.

The second terrorist state in the world is Armenia.

Joe BIDEN(s) and the **zionist Armenians** founded and financed many terrorist organizations in Europe and the Middle East.

PKK, YPG, PYD are the best known Armenian terrorist organizations.

Armenians infiltrated the **innocent Kurdish people** and introduced themselves to the world as **"Kurds"**.

Jews and Armenians are using **innocent Kurdish young boys and girls** as terrorists for their evil Middle East Agenda.

Working together, Zionist Jews and Armenians destroyed the Ottoman Empire and killed hundreds of thousands of **Christians in Gallipoli in 1915.**

Nothing has changed today.

Zionist Jews and Armenians have gathered thousands of **Christians from 89 countries** to the Middle East in the last 40 years and **killed many of them.**

PKK terrorist organization is established by **Joe BIDENs** in the leader of an **Armenian called Agit Agopyan**. Agit Agopyan masked and introduced himself as a **"Muslim Kurd" "Abdullah Öcalan"**

YPG and PYD are terrorist organizations and others names of **PKK** mainly located in Syria and Iraq.

YPG and PYD were established by Armenian **Mazlum Kobani** who is a student of **Agit Agopyan-Abdullah Öcalan**

Zionist Jews and Armenians are very active and well organized in Turkish politics and institutions.

The PKK terrorist organization was founded **by Joe BIDENs** under the leadership of an **Armenian named Agit Agopyan.**

Agit Agopyan disguised himself as **"Muslim Kurd" "Abdullah Öcalan"**

PKK operates as YPG and PYD in Syria and Iraq.

YPG and PYD were founded by Armenian **Mazlum Kobani**, a student of Agit Agopyan-Abdullah Öcalan.

Zionist Jews and Armenians are very active and well **organized in Turkish politics and institutions.**

HDP - Peoples Democratic Party - introducing themselves as democratic movement of the **Kurdish people in Turkey.**

As a matter of fact, **HDP is a completely Zionist Armenian terrorist organization** that **lies to** the Turkish people and the world and claims to be **Kurdish.**

HDP Presidents

Selahattin Demirtaş, Figen Yüksekdağ, Pervin Buldan, Mithat Sancar and thousands of others **are Zionist Armenians.**

These people lie to the Turkish people, the world, **and claim to be Muslims and Kurds.**

CHP-Republican Public Party- infiltrated and invaded in 1938 is a totally **Rothschilds owned** satanist ,zionist political terrorist organization.

CHP President Kemal Kılıçdaroğlu

Dear American Citizens

Why is this information given?

Very experienced terrorist organizations based in the Middle East: **FETO-Fetullah GÜLEN Terror Organization, PKK, PYD, YPG** and the like **infiltrated** the USA due to a civil war.

They have great preparations and cooperation with terrorist organizations such as **ANTİFA**.

VLADIMIR PUTIN
HIS FRIENDS AND ADMISTRINATION**

Dear President Vladimir PUTIN

We highly appreciate **President Vladimir PUTIN, Her Friends and the Administration's** Humanitarian efforts and policies **towards the freedom and sovereignty of humanity.**

The Russians are the people who **suffered most in Human History** from the attacks of the **Hidden Enemy** of Men.

Humans were surrounded, invaded and enslaved by hidden, invisible, enemies. This **is not a science fiction**, it is a big fact.

The Enemy has **advanced artificial intelligence programs** to enslave Humanity under One Government, Military and Financial Organizations.

These programs need 7000 years to complete their cycle.
7000 years later, Humans will be ruled by the **Totalitarian Socialist Communist One World Government called the New World Order.**

The completion of this cycle is approximately **2000-2030.**
Some chapters of the Four books of God and the teachings of the Prophets are explanations and warnings of these universal wicked programs.

The enemy conducted the biggest enslavement experiment in Russia and Asia on October 1, 1917.

The prospects are that this experiment will burst and become an act of enslavement for the whole world.
Socialism and Communism are Imperialist Bad Art that suffers the most for people.

Russians are democratic people in their history.

The enemy invaded and enslaved Russia and the Russian People on October 1, 1917, was the invasion and enslavement of Humanity.

By 2020, the Enemy tries to invade Humanity and wants to complete the enslavement cycle that started on October 1, 1917.

The Russians are the people who have suffered the most from the attacks of the Imperialist Evil Arts in Human History.

The enemy invaded and enslaved Democratic Russia and the Russian People on October 1, 1917.

After the October 1, 1917 invasion and enslavement, the Enemy began to present **Democratic Russia and the Russian People as a Socialist and Communist Creative and Export Country.**

Russia and the Russian People are Not a Socialist and Communist Creative and Export Country.

October 1, 1917 invasion and enslavement became a great movement of **division and separation** for Humanity.

Division and Separation is Humanity's greatest enemy.

Partition and Separation after the October 1, 1917 invasion and enslavement was a **Domino effect** for Humanity.

Russia and the Russian People have been introduced **as a socialist-communist creator, exporter and enemy of humanity.**

Russians began to be accused of being enemies of humanity.
The Russians have come to be accused of being the worst enemy of the **United States.**

To all these accusations the Russians said, "We fought **side by side with the Americans** against the **Nazis and Adolf Rothschild** for the freedom of humanity."

Adolf Hitler is a Rothschild and grandson of Solomon Rothschild.

Adolf Hitler is the masked and fake name of **Adolf Rothschild**.
Adolf Rothschild is one of the greatest terrorists in human history who emerged as **Adolf Hitler in World War II**.

Adolf Hitler is a Jew, not a German. Only one Jewish heart and soul kills Jews and people by burning them in garbage kilns.

Adolf Hitler's daughter **Angela Merkel** works hard to realize her father's dream of a Totalitarian Socialist Communist One World Government.

The occupation of October 1, 1917 and the Second World War became the greatest division of Humanity in History.

Humanity is divided into two artificial camps, Eastern and Western
Democratic and Communist.

As the creator, owner and exporter of Socialism and Communism, the Russians are **accused of the biggest lies in Human history**.

The United Nations, NATO, IMF, World Bank, WHO and many similar companies founded **by Rothschilds** are terrorist organizations.

NATO is the largest Terrorist Organization in the world to occupy its members in **peacetime**.

Russians have problems with these organizations, **especially with NATO**.

Russian and American people should understand that the Rothschilds make the most money by creating **polarizations**.

Ship-sized missiles mean ship size bills on tables.

The Russian and American Politicians and Armies should coexist at the Christian base, not at military bases.

This is the unique solution to get rid of all problems **of the Western World**.

Dear President Vladimir PUTIN

We know that **President Vladimir Putin his Friends and Administration** worked hard to break the cursed Zionist Rothschild occupation in Russia.

The occupation of October 1, 1917 was the enslavement **of Russia** and also **of Humanity**.

But **Russia's Christian roots** did not give the enemy a chance to complete their **demonic Agenda**.

The freedom of Russia is also the freedom of Humanity.

Dear President Vladimir PUTIN his Friends and Administration

works for **Russia and Humanity** with a spirit of freedom.

The **freedom of Russia** is also the **freedom of Humanity**.

We appreciate and support

every effort for the freedom and wealth of **Humanity**.

Dear President Vladimir PUTIN

**DOORS
SUPPORT
DONALD J.TRUMP
FOR
2020**

Dear President Donald J.TRUMP

Democracy, Freedom, Sovereignty and Free Will are vital common denominators of **Humanity**.

The USA is the biggest and leader of Democracy in the world and in the last 250 years.

The USA and the American People have become a **Lighthouse** for Humanity in the dark times **since July 4, 1776**.

Our world is not as big as we think. It's like a village where we live.

Our leaders know this fact very well.

The people of the world **must know this truth** as the world leaders.

Democratic Elections -without the manipulation of Puppet Players- **are Humanity's great chance** for freedom and domination.

US democratic elections are important not only for the American people, **but for all of us.**

It is the duty and responsibility of many people on earth to pursue the democratic elections of the United States, **for their personal, corporate and total success.**

This fact, habit is more or less the same for every democratic election. **Every Human** should have at least a **global view of the world** for humanity.

It's always better **to be part of the solution**, to be a problem, and to be a problem.

Donald J. TRUMP, Friends and Government is the true spirit of US Democracy.

We know very well that **Donald J. TRUMP and His Friends** are fully fighting against **Totalitarian Socialist Imperialism and its Evil Arts.**

The Freedom and Sovereignty of the USA is the freedom and sovereignty of Humanity.

The success and strength of **Donald J. TRUMP and Friends 2020**: It is the success and strength of Humanity.

Dear President Donald J. TRUMP

DOORS Soul won 15 Elections with great success and **became the first PARTY** in each of them in Anatolia in the last 17 years.

As an engineer, **"I (Halil Coşkun BEYOĞLU)** want to work for **Donald J. TRUMP and Friends 2020 Election Campaign.**

This local view will be the **first and a pioneer** in the history of world democracy for Humanity to be **"One and United"**.

We will focus on the **7000-year Big Picture.**

I hope and know that we will have complete success in the 2020 Election. **Prophets are also the "Heads" of Humanity.**

The presidents of our world must love and obey the **"Word of God"**.

The Word of God and the Prophets suggest and recommend:

$2 \times 2 = 4$ $3 \times 3 = 9$ $4 \times 4 = 16$ $5 \times 5 = 25$ mathematics and engineering type.

Satan, Zionist and Evil recommends and empowers them:

$2 \times 2 = 22$ $3 \times 3 = 33$ $4 \times 4 = 44$ $5 \times 5 = 55$

2x2 = 222 3x3 = 333 4x4 = 444 5x5 = 555 etc. Mathematics and engineering types.

We know very well that Donald J. Trump and his friends love **Word of God and Jesus Christ.**

We know very well that Donald J. Trump and his friends recommend:

To humanity **2x2 = 4 3x3 = 9 4x4 = 16 5x5 = 25** mathematics and engineering type.

God and Jesus Christ loves so so much Donald J. Trump, His Friends and the United States of America.

Dear President Donald J. TRUMP

The DOORS have organized many elements **for the harmony of Humanity.**

DOORS should reach every Leader, University and Corner of Our World.

Turkish media do not care and do not care about **DOORS.**

They have much more important things to do: play **on the beach**, do everything **with sand** and **pee on them.**

Dear President Donald J. TRUMP

Please make DOORS public at the White House or with Christian **USA Media.**

Humanity needs it, it wants to see and hear the **voices of the DOORS.**

Humanity needs **Donald J. TRUMP, his friends and the Doors.**

Doors need to reach Humanity.

Dear President Donald J. TRUMP

You and your friends are invited to **Ankara** to start the **2020 Campaign**.

Dear President Donald J. TRUMP

**We love those who love the Word of God and Jesus Christ.
We pray for you, your family, your friends and the United States.**

My Dear One's

**See you when Mr. President Donald J. TRUMP announces the DOORS at
the White House.**

My Dear One's

DOORS will be announced to the public in the coming days and announced by the **Turkish Media**.

Please be in fine settings for this period.

Long-loaded **Turkish News** is about local politics. Full English translation will be enabled very soon.

However, it is important to give a summary of the available downloads.

The Middle East has been the main battleground between **Good and Evil** throughout history.

Last millennium Anatolia and Turkey has been the center of this war.

Turkey was fully occupied by Zionist forces after **Mustafa Kemal Atatürk** passing away in 1938.

The Zionist and Satanist occupation was completely destroyed by the **Democratic Turkish Nation** and the **AK Party government** getting fully power in 11/3/2002.

Mustafa Kemal Atatürk is the founder and sole owner of the **CHP (Republican People's Party)**.

CHP was a great force **against Evil** between **1923-1938**.

The CHP was occupied by Fascists, Communists, Socialists, Theocrats, Satanists and Zionists and **was severely corrupted**.

The Turkish people have never given power to the **Satanist CHP** and other corrupt political parties for 64 years, but they cannot get rid of the coalition ruptures until 11/3/2002 elections.

In the last thousand year, Anatolian governments have ruled the state completely faithful to **God's Word and Commandments**.

This is why **Evil** has not been able to resist democratic opposition for more than 64 years after a thousand year of the **Word of God Momentum**.

The 11/3/2002 elections have been the cornerstone **of the last 64 years**. This year the **AK Party - Justice and Development Party** - was established and came to power completely.

Recep Tayyip ERDOĞAN, the founder of the AK Party, has been a loyal person to the **Word of God and his books since childhood**.

Recep Tayyip ERDOĞAN is the leader who is in the way of the Prophets (pbuh) Adam, Abraham, Moses, David, Jesus Christ and Muhammad with all his heart.

Recep Tayyip ERDOĞAN is a leader who works not only for his own country but also for the good of all Humanity, regardless of his religion, sect, color, belief, idea.

Recep Tayyip ERDOĞAN is the best leader of **Turkish Political History**, who best seized the legacy of **ATATÜRK's** democracy, republic and humanitarian ideas.

There are many misinformation and disinformation about our President **Recep Tayyip ERDOĞAN** in fake media organizations around the world. Fake media and Zionist institutions around the world are trying to introduce our President **Recep Tayyip ERDOĞAN** as a dictator like puppet leaders.

Recep Tayyip ERDOĞAN responded with great success by winning 14 democratic elections in 17 years and became the First Party.

Recep Tayyip ERDOĞAN is one of the most successful leaders in the World Democracy History.

Those who are nothing like a dot, like a dust partical, lecturing and insulting continuously to **Our President Recep Tayyip ERDOĞAN** in their rooms.

We are inviting these people to democratic halls and fields for **to learn** if they are greater than **a dust partical** or valuable **than a bullshit**.

After "**ONE MUNITE**" at the **Evil 2009 Davos Rally**, Zionists and Satanists attacked **President Recep Tayyip ERDOĞAN** with at least 120,000 domestic and foreign forces under **NATO** command on **15 July 2016 at 20:00**.

It was signed in 2013 saying "You will see the fall of an Empire soon" and the finger waved.

Evil, Zionists and Satanists attacked with all their might and False Prophets, False Messiahs and Antichrists on the night of July 15, 2016.

My Dear One's

The coup, attack and invasion order given by the Zionists and Satanists to NATO on July 15, 2016 was the **Armageddon War**, which was prophesied between the **Sons and Daughters of Abraham** and the **Sons and Daughters of Satan**.

The Battle of Armageddon lived more than 16 hours in the Anatolian mountains and hills, especially in **Ankara and Istanbul**.

During this war and hours, **the Turkish Army and Forces** took the Zionist and Satanist Babies in "**One Minute**" and knocked them over.

It's our job and duty to overthrow Empires, not animal babies.

If you plan to attack the **Turkish Army and Forces**, you should think twice, twenty times better.

I have been an **AK Party** member and engineer for **over 14 years**.

President Recep Tayyip ERDOĞAN is my best friend and we work hard together for a better World and the Word of God.

My precious One's

**This heart loves you so so so much
You are the Stars and Light of the Heaven**

**See You Soon
In the Time and Time of God
