INVITE THE TURKISH NATION TO RESPECT THE TURKISH SOLDIER

On November 11, 2025, a C130 transport plane belonging to the Turkish army, which took off from Azerbaijan, crashed.

The Turkish nation is debating how and why this plane crashed. **They are also seeking answers to who might have shot down the C130 transport plane.**

Twenty of our soldiers were martyred in this massacre.

This plane was shot down by the Central Bank of the Republic of Turkey, the most secretive and largest terrorist organization in Turkey.

The Central Bank of the Republic of Turkey is the planner and financier of all terrorist incidents and murders in Turkish history.

Central banks belonging to the Rothschilds are using interest rates and financial techniques to numb nations and take armies hostage without fighting.

There is no army in the world that has not been besieged and held captive from within by Zionism.

Since 1800, it is not the enemy but interest that has killed Turkish soldiers.

We invite the Turkish nation to respect the Turkish soldier, to eliminate interest, and to nationalize the Central Bank of the Republic of Turkey.

This picture in Turkey is the same in every country in the world.

DOORS
INVITE THE TURKISH NATION TO DESTROY INTEREST
(1)

We invite the Turkish nation to abolish interest and establish an interest-free Turkish and world economy. Interest has been abolished with the Anti-Interest Law.

We invite the Turkish nation to support President Recep Tayyip Erdoğan, the Grand National Assembly of Turkey, and the People's Alliance in enacting the Anti-Interest Law.

President Recep Tayyip Erdoğan and Devlet Bahçeli are constantly threatened with death by the Rothschilds, MI6, and MOSSAD, the owners of interest.

No Turkish citizen should wait for instructions or signals from Recep Tayyip Erdoğan to abolish interest.

MI6 and MOSSAD shot down a Turkish army C130 transport plane that took off from Azerbaijan on November 11, 2025.

This massacre is a message to Recep Tayyip Erdoğan: "We can shoot down your plane and kill you whenever we want."

This massacre is a message to the Turkish nation **:** "You are our slaves, you are nothing to us, we can kill you however and whenever we want."

We invite the Turkish nation to kill the cockroaches and parasites of Zionism that challenge the Turkish nation.

We invite the Turkish nation to discuss and make interest and its harms a 24/7 issue.

For the Turkish nation, its institutions, and organizations to be preoccupied with anything other than interest is nothing but a waste of time and serving Zionism.

In Turkey, those who don't speak out against the oppression of interest are people who engage in empty talk and don't deserve the salaries they earn.

Recep Tayyip Erdoğan is a leader who has dedicated his life to eliminating interest. He has been the target of numerous assassination attempts throughout his political career. He survived the terrorist attack on the night of July 15, 2016, in which his bodyguards were killed, thus saving a civil war and the lives of millions of Turkish citizens.

We call upon the Turkish nation to liberate itself from the terrorists who are holding a gun to Recep Tayyip Erdoğan's head.

The gun held to Recep Tayyip Erdoğan's head is held to the head of the Turkish nation.

We invite the Turkish nation, all official and civil society organizations, to take to the streets and squares to crush the head of usury.

INVITE THE TURKISH NATION TO DESTROY INTEREST

For a peaceful nation and a healthy economy, the minimum wage and lowest pension should be at least $1000, and the lowest civil servant and worker salary should be at least $2500.

This is one of the most fundamental principles of a true economy.

For Zionism, the first step in enslaving and controlling a nation is to always multiply these figures **by coefficients of 0.3-0.5** and maintain these ratios

consistently. The greatest enemy of humanity is the Zionist coefficients and ratios.

Fixing minimum wages and salaries at levels of 300-500 USD and 1000-1250 USD eliminates the economy's ability to renew and grow.

People are forced to live by constantly shrinking economically and accumulating debt.

These financial practices are techniques to poison and sicken economies. The Rothschilds and Rockefellers have been poisoning, exploiting, and controlling the Turkish nation and economy for 100 years with Zionist coefficient terror.

Exports, which were 36 billion USD in 2002, increased to 279 billion USD in 2025; tourism revenues, which were 11.9 billion USD, increased to 64 billion USD; and GDP, which was 232 billion USD, increased to 1.6 trillion USD.

However, the minimum wage and pensions of the Turkish people, which have been between 300-500 USD, and the salaries of civil servants and workers, which have been between 1000-1250 USD, have remained unchanged for the last century.

We ask the members of TÜSİAD and TOBB :

How much USD do you spend on your dogs per month ?

How do you want the Turkish people to perceive you ?

There isn't a single penny of USD or Euro in banks, except for the small savings of the Turkish people.

All the savings of the Turkish people have been smuggled to Switzerland and England for a hundred years.

The place where unions should make noise about a decent minimum wage and salaries for civil servants and workers is not the AK Party and the People's Alliance, but the buildings of TÜSİAD and TOBB.

For a hundred years, which union has held marches and rallies in Turkey to protest Zionist exploitation and interest rates **?**

What have unions done in the last century to ensure a minimum wage and salary that allows for a decent life **?**

Unions have no right to question and hold our state accountable for low incomes and difficult living conditions. Unions should stop threatening our state with economic and social ruin.

Those who question and threaten the AK Party and the People's Alliance because of high interest rates, low incomes, and difficult living conditions are responsible for the money that Zionism has smuggled abroad.

The money that Zionism has smuggled abroad will be recovered from those who question and threaten the AK Party and the People's Alliance.

This picture in Turkey is the same in every country in the world.

INVITES TURKISH FOOTBALL FANS TO DESTROY INTEREST

We invite Turkish sports fans and supporters to destroy interest and protest in stadiums.

The century-old curse on Turkish sports is Zionism and interest.

Turkey's biggest football teams, Beşiktaş, Fenerbahçe, and Galatasaray, are 122, 118, and 120 years old respectively.

Their international success is zero. Turkish football is under Zionist occupation. Zionists and Jews entrenched within Turkish sports and football are ruthlessly exploiting Turkish fans and sports enthusiasts.

Turkish football fans and supporters should not expect European or world-class success from their teams. Because Turkish teams and fans are sold like commodities in world markets. **The last 122 years are proof of this fact.**

We invite Turkish football fans and supporters to break the noses of the Zionists who have turned Turkish football into Gaza.

We invite Turkish football fans and supporters to crush the heads of the Zionists who have turned Turkish football into Gaza.

Turkish fans should know this very well **: As long as the curse of Zionism and interest on Turkish sports remains unbroken, international successes and trophies will never come.**

We invite our football clubs, fan associations, Turkish sports fans and supporters to protest interest in stadiums.

We invite our football clubs, fan associations, Turkish sports fans and supporters to support our government in enacting the Anti-Interest Law that eliminates interest.

DOORS
INVITE HUMANITY TO FOCUS ON THE DRUG PROBLEM

In Turkey these days, drug raids are being carried out targeting all segments of society, especially artists and athletes. **Citizens who use drugs are being exposed in the media and legal proceedings are being initiated against them.**

Along with these exposures and legal actions, the material and moral harm that drug use causes to people is being discussed in various dimensions.

The Turkish state believes that these types of legal and media activities will limit or even eliminate drug use and sales. The Turkish state's approach to the drug problem from these perspectives is flawed.

Drug use is one of humanity's most fundamental problems. Drugs are one of the most powerful weapons that Zionism uses to control governments and people.

The Rothschild and Rockefeller families are the world's largest drug producers and dealers.

Zionism's goal is to make every person in the world a drug addict. It achieves this goal through the enormous income it earns from drug production and sales.

The Turkish state should decriminalize drug use and define it as a disease.

The most correct path for the Turkish state to follow against Zionism's drug policies is to procure and manufacture all narcotic substances and sell them to its addicted citizens at cost.

Drug use is a disease.

Drug use is a disease like Parkinson's, Alzheimer's, and cancer. Drug use is a hidden epidemic (pandemic) like COVID.

Why doesn't the state raid Parkinson's, Alzheimer's, and cancer patients and expose its citizens in the media **?**

In the drug problem, the doctor is the state.

Doctors have no right to scold, punish, imprison, or publicly humiliate their patients. The doctor's duty is to treat their patients.

The Turkish state should nationalize the entire drug industry and use the resulting decrease in narcotics budgets for the treatment of its citizens.

Zionism advertises the drug industry through production, law (relevant laws of the Turkish Penal Code), and the media.

The Turkish state must not fall into this trap of Zionism. The Turkish state must dismantle the image that Zionism injects into humanity - that drug use, especially cocaine use, is an elite lifestyle.

Negative pleasures such as smoking, drinking, gambling, betting, lotteries, horse racing, and drugs first rust and then decay the human body and soul.

If people want to be successful in life, they must stay away from negative pleasures and lifestyles. Negative pleasures and lifestyles prevent people from achieving their greatest dreams.

To achieve their greatest dreams and goals, people should always follow positive signposts.

Negative pleasures and lifestyles are very heavy and unnecessary burdens in the baggage of life's journey.

The greatest responsibility in treating serious illnesses falls on people themselves. The treatment of serious illnesses begins in the brain.

A strong will commands the brain. The brain, perceiving the commands, eliminates the diseases.

People are freed from carrying burdens as heavy as themselves on their backs.

We always invite humanity to be their own doctors.

WHAT KIND OF WORLD AWAITS HUMANITY ?

We know that in these latter times, humanity, especially Christians and Muslims, has many important questions whose answers they are very curious about.

In our next update (January-February 2026), we will answer all the questions that everyone is so curious about.

In summary, we can say the following **:** The questions that Christians are most curious about are **:**

Question : Will a Christian Union be established on Earth **?**

Answer : Yes. A Christian Union will be established on Earth. Christianity, which has been scattered for 2000 years, will be united under one banner. **This Christian Union will be a democratic union.**

Question: Is Islam a false religion **?**

Answer : Islam is mathematics. Just as mathematics is a false science, so is Islam a false religion.

Question: Will an Islamic Union be established on Earth **?**

Answer : Yes. An Islamic Union will be established on Earth. The scattered Muslim world of 102 years will be united under one Islamic Union.

This union will be a democratic union.

Islam and Christianity are true religions. Both religions have very valid and strong objections to each other. In 2000 years of religious life, both sides have very accurate scientific answers to all their objections. All questions with incomplete and contradictory answers will be answered.

Christianity and Islam are two brother religions that have lost each other.

The world will be governed together by Christian and Islamic unions on the foundations of justice, equality, and freedom.

No religious coercion or pressure will be exerted on non-Muslims and non-Christians, or on followers of other religions. Everyone will be able to practice their religion freely.

Those who declare themselves God, Jesus Christ, Mahdi, Moshiach, the spirit and sole representative of God, spiritual authority, pole, pole of poles, gavs, etc**., are religious terrorists.** The most dangerous terrorism for humanity is **religious terrorism.** Legal measures will be taken against religious terrorists.

The fundamental principles of God's religion are democracy, republic, and parliament.

Those who wish to govern states and nations must participate in elections and obtain the people's approval.

No one can claim to be God's chosen and special servant and become the head of state and nation.

No one can make laws or issue commands unilaterally in their own name or in the name of religion.

Laws must be subject to parliamentary oversight.

WHAT KIND OF WORLD AWAITS HUMANITY ?
(2)

Question : Will the dollar, euro, and world economies collapse **?**

Answer : Rumors about the collapse of the dollar, euro, and world economies are the biggest Zionist lies.

The dollar and euro will not collapse and will continue to be the locomotives of world economies.

What will collapse and disappear are the 7000-year-old Zionist economies. All Zionist, Jewish capital and bosses will be destroyed.

The control of the 90 trillion USD annual world economy will pass to humanity. This power and money will be distributed fairly to all humanity.

The era of making money without working will end. Interest, gold, and silver markets will collapse.

Question : What will be the new faith-based world values **?**

Answer : All Zionist values will disappear.

Solidarity will replace competition.

Money, power, technology, and large economies will lose their importance for prestige and flattery.

Respect and admiration will be sought in good morals, brotherhood, respect for the common ground of being human, and a sense of responsibility towards humanity.

WHAT KIND OF WORLD AWAITS HUMANITY ?
(3)

Question : From a galactic perspective, what kind of planet is Earth ?

Answer : God has appointed His prophets as guides and missionaries to inform and direct humanity and galactic races about the divine order. **The last 7000 to 25 years** have shown that the planet Earth has taken **its place in the universe as a guide, arbiter, judge, and wildcard planet.**

We express our deepest gratitude to the Galactic Federation, all its engineers, guides, mentors, and employees for their boundless support, assistance, and service to humanity.

INVITE THE CHINESE GOVERNMENT TO RESPECT RELIGIOUS PEOPLE AND HUMAN RIGHTS

We call on the Chinese Communist Party to respect religious people and human rights. We have witnessed countless documents, information, and testimonies about the immense persecution and torture inflicted by the Chinese Communist Party on religious people of all faiths.

Below, I am publishing verbatim the YouTube message from the wife and daughter of the Zion Church priest, who is seeking help regarding his arrest on December 8, 2025.

As China Rounds up Christian Leaders, Jailed Pastor's Family Launches US Christmas Campaign

22.729 views 8 december 2025 #christiannews #church #christianity

Christians in China are committed to spreading the Gospel of Jesus Christ throughout the country. As the Good News spreads via underground house churches, many pastors and leaders are coming under attack. Recently, a group of pastors was jailed for expressing their faith in Jesus Christ. This crackdown includes Pastor Ezra Jin, leader of Zion Church, who was arrested in October. Here in America, Jin's wife and daughter are seeking help from the United States to secure his release and that of other Christians. Pastor Ezra Jin Mingri founded the Zion Church network, one of China's largest independent Protestant house churches. Its remarkable growth caught the attention of the Chinese Communist Party, leading to a crackdown on the church and Pastor Ezra Jin's arrest.

Communist China is a Greater Israel.

The rapes, oppression, torture, and executions perpetrated **by China against the Uyghur Turks in Turkestan** are at least a thousand times greater than the oppression, torture, and murders committed by Israel against the people of Gaza.

The Uyghur Turks of Turkestan have been trying to make their voices heard by the world for a very long time.

We invite humanity to hear the cries of the Uyghur Turks, who are subjected to one of the greatest destructions, oppressions, tortures, rapes, murders, and genocides in human history.

We invite humanity to invite Uyghur Turkish leaders and witnesses to every platform in the world to understand and explain the genocide they are experiencing.

We invite the United Nations and its Secretary-General Antonio Guterres to declare 2026 as the Year of Investigation of China's Human Rights Violations.

We call on the Chinese state to respect humanity and human rights.

Look for answers to your worries, anxieties, disappointments, fears, and questions in the Bible, not within yourself. You can find the reasons for the worries, anxieties, disappointments, and fears you experienced between December 5-8, 2025, and the answers to your questions, **in the three-day verse of darkness.**

Exodus 10:21-23 New Century Version (NCV) : *It will be so dark you will be able to feel it." Moses raised his hand toward the sky, and total darkness was everywhere in Egypt for three days. No one could see anyone else, and no one could go anywhere* ***for three days.*** *But the Israelites had light where they lived.*

ANATOLIAN TREASURES UPDATE QUESTIONS AND ANSWERS (3)

My Precious One's

There is no room in Christianity for negative worry, anxiety, frustration, anger, fear, and resentment.

Tunnels are dark. It's not right to argue with the engineer or the railroad about why they are dark.

My mission is to teach and share the truth. Informing people with hidden, indirect, and highly questionable messages is not my style of expression.

Let us stay away from satanic thoughts, interpretations, and delusions.

Let us continue to follow the Bible and God's words, not ourselves.

ANATOLIAN TREASURES UPDATE QUESTIONS AND ANSWERS (4)

My Precious One's

We all know that Zionism poisons art and music, as it does every aspect of life. Metal music is the best proof of this truth.

Every metal has its own unique, pleasing sounds and frequencies. The incorporation of these qualities into original music has created the high-energy metal music genre.

The human spirit is a type of energy that thrives in high positive energy and frequencies. This need for positive energy is the reason why rock and metal music are so popular.

We have never accepted, and will never accept, the satanic, skeleton, skull, bone, bloodbath, death, fear, murder, and massacre-themed narratives that Zionism has hidden within rock and metal music.

Zionism is well aware that people can easily be controlled by negative energies.

Rock and metal music are beautiful and powerful genres as long as they respect human and moral sentiments.

We especially urge our young metal musicians to refrain from using Zionist, satanist, or violent themes in their work. We urge our friends who produce metal music using artificial intelligence to remove violent themes and use natural themes in their videos. You gain nothing by working for Zionism and serving those who pump negative energy into humanity. **Zionism will absolutely not be allowed to poison people using the universal power of art and music.** These regulations will be enforced by law, if necessary.

My Precious One's

Happy New Year. I wish you all a year full of joy, health, happiness, peace and dance.

As you know, Anatolia is experiencing a major drought, unprecedented in its history. Many lakes have become barren wastelands.

As with the Red Sea, God has divided the sea in Anatolia and begun to open a dry path for the believers.

Continue to follow the Moseses.

As you witness, God's plans for the end times are working flawlessly. The divine equation is beginning to unravel, and the unknown is beginning to emerge. No matter how great the evils, other evils destroy each other. The divine equation continues its path, simplifying. Ultimately, believers and the good prevail. The golden age and divine feast promised by God to His servants are about to begin. **The train is very close to exiting the end times tunnel. Heavenly landscapes are very close, and Anatolian melodies herald the arrival of morning to the entire universe.**

INVITE THE TURKISH NATION TO INTEREST-FREE TURKEY MARCHES

A terror-free Turkey is an interest-free Turkey. The source of the swamp of terrorism is interest.

The Turkish nation cannot end terrorism without ending interest.

We call on the Turkish nation to protest interest rates nationwide, like the Gaza marches.

We call on the Turkish nation to abolish interest rates in the country and establish an interest-free Turkish economy.

How will interest rates be abolished and how will an interest-free Turkish economy be established?

Interest rates have been abolished in Turkey and globally **with the Anti-Interest Law.**

The Turkish Grand National Assembly's enactment of the Anti-Interest Law will end interest rates and establish an interest-free Turkish economy in our country.

WHAT IS THE ANTI-INTEREST LAW ?

INTEREST HAS BEEN ABOLISHED.

A NATIONAL AND INTEREST-FREE ECONOMIC SYSTEM HAS BEEN ESTABLISHED ON EARTH.

In Turkey, an additional 20% tax will be imposed on every earning, salary, and service purchased with money.

i) Businesspeople, civil servants, workers, and retirees will pay an additional 20% income tax each month.

ii) An additional 20% tax will be imposed on all commercial activities, including electricity, water, natural gas, telephone, internet, gasoline, diesel, LPG, and motor vehicle taxes, as well as import and export taxes.

All of these taxes will be refunded to our citizens' bank accounts within 1-2 months, without any deductions. Tax refunds will only be issued to our citizens working with state-owned banks.

No tax refunds will be issued to our citizens working with Zionist Jewish private sector banks.

Our citizens who choose to work with Zionist-Jewish private sector banks will continue to live at a 20% higher cost in every aspect of life and will ultimately go bankrupt.

THIS IS AN ANTI-INTEREST LAW.

There is no Zionist, Jewish, interest-based, or financial system in the universe that can withstand this law.

The Turkish economy in 2025 is worth $1.0 trillion. 90% of this economy, $900 billion, is controlled by Jews and their banks.

The Turkish state has no control over $900 billion of its capital and is unable to prevent this amount of money from being smuggled abroad.

There are 67 banks in Turkey, only five of which are owned by the Turkish nation.

With the passage of the Anti-Interest Law, all Zionist banks will be nationalized, and not a single penny will be allowed to be smuggled abroad.

We invite our President, Mr. Recep Tayyip Erdoğan, to enact the Anti-Interest Law by December 1, 2025.

We invite the esteemed presidents of the People's Alliance, chambers of industry and commerce, industrialists' and businessmen's associations, organized industrial zone administrations, non-governmental organizations, press and media organizations, tradesmen and artisans, farmers, and our citizens **to protest interest-based exploitation nationwide and to support our state in enacting the Anti-Interest Law.**

INVITE THE TURKISH NATION TO INTEREST-FREE TURKEY MARCHES (2)

The Rothschilds, through their interest-based banking and central banking system established in the 1770s, amassed all the country's money by offering 100 TL in interest on 1,000 TL invested by 86 million Turkish citizens by 2025.

With this money, they purchased the entire country. Turkey is a major colony of the Rothschild family. The Turkish nation has been financially enslaved by the Rothschilds since the Tanzimat Edict of 1839.

The Turkish nation has been both financially and politically enslaved by the Rothschilds since the dethronement of Sultan Abdul Hamid II on April 27, 1909.

95% of the top 1,000 companies in Turkey's industrial and trade index are secretly owned by the Rothschild family.

All central banks in 196 countries, including the Central Bank of the Republic of Turkey, are owned by the Rothschilds.

Since 1854, the Turkish state has been borrowing 2,000 TL in bonds for every 1,000 TL it borrows from Rothschild banks. As of 2025, the Turkish

nation's debt to the Rothschilds is $550 billion. In other words, the Rothschilds have stolen $550 billion from the Turkish nation through interest alone in recent years.

People living in Turkey have no right to complain about the high cost of living, low purchasing power, low wages, high inflation, and high interest rates.

People living in Turkey have no right **to impose huge bills on Recep Tayyip Erdoğan or curse him** for the high cost of living, low purchasing power, low wages, high inflation and high interest rates.

Recep Tayyip Erdoğan doesn't have a single penny to give to businessmen, tradespeople, workers, civil servants, and retirees.

The person that businessmen, tradesmen, workers, civil servants and retirees will cry to for a raise in their salaries is not Recep Tayyip Erdoğan and the AK Party, but the Rothschilds.

The Rothschilds have been paying the salaries of businessmen, tradespeople, workers, civil servants, and retirees in Turkey for 171 years.

In the eyes of the Rothschilds, the Turkish nation, businessmen, tradespeople, workers, civil servants, and retirees are worth less than stray dogs.

We invite those who curse Recep Tayyip Erdoğan 24/7 and try to impose huge bills at every opportunity to step up from being street dogs and become citizens.

DOORS
INVITE TURKS TO BECOME TURKISH CITIZENS

We invite the Turkish nation to break free from the slavery of the State of Israel and become citizens of the Republic of Turkey.

For seven thousand years, the world has been a secret, great state of Israel. The Turkish nation has been Israel's slave **since April 27, 1907.**

Turkey has been a Sharia state governed by Jewish Sharia for 118 years.

We call on the Turkish nation to reject being governed by Jewish Sharia law and to become a state governed by the rule of law.

We call on the Turkish nation to tear off the secret Israeli state identities that have been forcibly hung around our necks.

The belief taught in schools that "Atatürk saved Turkey from its enemies" is one of the greatest official and Zionist lies ever told in

Turkish history. If Atatürk had saved Turkey from its enemies, no Jewish, Armenian, or Greek terrorists would have lived in Turkey.

Atatürk told the imperialist powers in World War I, "They will go as they came." None of the Jewish, Armenian, and Greek terrorists who destroyed the Ottoman Empire left as they came; on the contrary, they continued to proliferate in every corner of the country.

Zionist Turkey in 2025 is no different from Gaza in 2025, and the Turkish nation is no different from the people of Gaza.

In life, day is night, and night is day. We invite the Turkish nation to see and read life through night vision binoculars. For people, owning night vision binoculars means having faith and knowing history.

For a thousand years, Ottoman nations were moral states with no prisons and zero crime rates. In 2025, the annual number of cases filed in Turkey, which was ruled by Zionist Jewish terrorists, was 8 million. There are 402 prisons and 420,000 prisoners, the number of whom is increasing daily.

We invite the Turkish nation to recognize the true names of the terrorist Jews, Armenians, and Greeks who, under false Turkish names, have turned Turkey into Gaza for 118 years and who live among us.

We invite the Turkish nation to truly recognize its ancestors who have made Turkey a world superpower over the last thousand years.

We invite the Turkish nation to truly understand the foundation of human civilization, which the Turks have gifted to the world over the last thousand years : justice, peace, freedom, the rule of law, democracy, and the republic.

We also invite the Turkish nation to abandon its addiction to constantly insulting its ancestors.

These pictures in Turkey are the same in every country in the world.

DOORS
INVITE HUMANITY TO FOCUS ON CLONE TECHNOLOGIES
(1)

Humanity's greatest enemy is war. Humanity's greatest enemy is clones, biological robots disguised as humans, which have besieged the world.

We invite humanity to focus on cloning technologies that have besieged every state.

The Rothschilds' and Rockefellers' 21st-century goals are to clone all world states and governments and attempt to maintain their control. It is stated that technologies for cloning humans and similar races have a history spanning billions of years.

As of the 21st century, the **Rockefellers (Draconians) and Rothschilds (Reptilians),** who control planet Earth, have begun using cloning technology on a massive scale in every country.

Clones are a kind of puppets. Planet Earth is a stage. To correctly interpret contemporary global politics, it is essential to thoroughly understand the clone theaters unfolding around us.

The real Donald Trump won the US presidential election on November 5, 2024. **But the Donald Trump we have seen since the beginning of the year is a clone and a biological puppet serving the Rothschilds.**

Today, as is often the case, the Rothschilds rule the United States. The real Donald Trump, however, is acting cautiously to prevent a civil war.

It is stated that the real Donald Trump continues to work and govern his country from military bases in Cheyenne Mountain and Greenland to destroy Zionism.

It would be a grave mistake to consider the real Donald Trump's inability to govern the United States a sign of weakness or helplessness.

We are faced with at least four billion years of Zionist, Draconian, and Reptilian slavery technologies that dominate the Milky Way Galaxy.

These technologies communicate minute-by-minute to their representatives on Earth how they will control and overthrow every government in the world.

Considering what the world has experienced in the last 250 years, the sheer magnitude of the evil force that is the four-billion-year-old political programs stored in Zionist computers becomes much clearer.

The Milky Way Galaxy is one of the oldest galaxies in the universe. The battle for dominance between the Draconian and Reptilian races continues unabated.

The solar system and planet Earth are said to be crucial strategic centers for galactic domination. **According to the Draconian and Reptilian races' calculations, their seven-thousand-year enslavement of planet Earth will be completed between 2000 and 2050.**

From this date onward, only one state, army, economy, and nation will rule planet Earth. This puppet state and nation are Israel and the Jews. The puppeteers are the Draconian and races.

As of 2025, when we look at the bigger picture, we see that the Reptilian races (Rothschilds) have gained a significant advantage over the Draconian races (Rockefellers) in the war for world domination.

We see that the Rockefellers' oil, industrial, and computer revenues have been defeated by the Rothschilds' central banks and financial technologies. No galactic power on Earth can compete with the Reptilian races (Rothschilds), who control the central banks of 196 countries.

Humanity recognizes the Reptilian races and the Rothschilds as Nazis.

As of 2025, the world is under Nazi occupation. The Nazis are not dead, and they operate with all their might in every corner of the world.

The real Nazis are Jews.

The German people have no connection to National Socialism or the Nazis. The German people are not Nazis. Most of those known as Nazi Germans are crypto-Jews.

The German people are a democratic people. Jews have been ruthlessly exploiting the German nation for 70 years, blaming the crimes of World War II on the German people.

The Clone Donald Trump we see as President of the United States in 2025 is a true Nazi. Official records indicate that Adolf Hitler was a Clone and that he ruled Germany alternately with the real Adolf Hitler.

Clone Donald Trump = Adolf Hitler.

The Nazis and Adolf Hitler are in power in the United States today.

As of 2025, the United States is experiencing pre-1939 Germany.

The country with the highest use of clone technology in the world is the United States. It is reported that half of the Democratic senators and representatives in the US House, and a quarter of the Republican senators and representatives, have been killed and replaced with clones.

The fact that 400 of the 535 members of the US Congress have been killed and replaced with clones is further proof of the ruthlessness of the evil galactic forces controlling the world.

A US Congress, 75% dead cannot enact any good law for its country or humanity.

Under these circumstances, a Congress could easily lead its country and the world into World War III.

Especially in recent years, the reason the US has become extremely conservative and extremely pro-Jewish and pro-Israel is due to the clone technologies that completely dominate the Congress.

Cloning technologies are used for multiple purposes worldwide, especially in the United States.

US President Jimmy Carter was assassinated along with his family in 1979. The clone, Jimmy Carter, survived for 45 years and was used for political and financial gain in numerous events.

It is reported that Canadian singer Celin Dion, who died in 2007, was cloned and used by her managers for financial gain.

Those who follow deep state investigations know that Queen Elizabeth II was beheaded in her bed by the Rothschilds in 2015, and that her clone continued to act as queen until 2022.

Countless other cases of cloning-related murder can be cited.

In the eyes of the Draconian and Reptilian races, the United States is the leader of planet Earth. These races believe that the first step in gaining control of planet Earth is to destroy the US state and nation.

Changing the **Pentagon's name** to the **Department of War** is a preparation for **World War III.** The goal is to turn the US, then the rest of the world, into an Auschwitz and to take control of planet Earth.

The first basic principle of Zionism is "start with war, end with war", the second is divide, separate and rule.

According to Zionist laws, the most money is made in war. In a war environment, every weapon and product is sold at the highest prices.

Seven thousand years ago, Zionism began its pursuit of world domination with war and seeks to end it with World War III between 2000 and 2050. At the end of this war, Zionism will possess the greatest everlasting wealth, while humanity will be condemned to the greatest everlasting poverty.

The battle for world domination between Zionism and humanity is being closely watched by all races on other planets.

It would be very beneficial for world leaders, politicians, journalists, academics, soldiers, and researchers to empathically examine world politics

from planets like the Moon, Mars, and Venus to better understand deep state policies and the bigger picture.

When we look at the big picture of the Draconian and Reptilian domination of planet Earth in 2025, we see that the Reptilians (Rothschilds) are clearly in the lead.

By 2025, it's not hard to see that the US, Central and South America, the EU, Asia, the Middle East, Australia, and Africa are 100% under Reptilian (Rothschilds) control.

In other words, the $90 trillion USD generated annually on planet Earth goes into the Rothschilds' coffers, while humanity is left to simply clean up the garbage.

Clone technologies and theaters play a crucial role in the Rothschilds' grand scheme of world domination by 2025.

States and people must carefully interpret the clone theaters prepared and staged in deep state centers.

After the Industrial Revolution, Europe was the first continent in the world to be divided, separated, and ruled. The Rothschilds seized first France with the French Revolution in 1789, and then England with the Battle of Waterloo in 1815. Christian France, England, Germany, and Italy subsequently became Jewish colonies. Zionism established its dominance by applying its techniques and tactics of appropriating France, England, Germany, and Italy, first to every country in Europe and then to the world's nations.

After 1789, Europe's centuries-old Christian capital and brands began to rapidly fall into the hands of the Jews, the sluts of the world.

The primary speakers in the European Parliament should be the Christian families whose capital and assets were plundered by the slutty Jews after 1789.

The European Parliament should not be an advertising agency constantly promoting Zionism to the world.

Donald Trump, Benjamin Netanyahu, Justin Trudeau, Xi Jinping, Kim Yong-Un, Narendra Modi, King Salman bin Abdulaziz and King Mohammed bin Salman, Queen Elizabeth II, Angela Merker, Hillary Clinton are the most well-known clones of the Rothschilds and Rockefellers.

Governments and researchers should be very wary of clones. Their most significant characteristic is robbing states and people of their most precious treasure **:** their time. Clones cost states a great deal of time, energy, and money.

Their primary function is to disrupt the mindset of states and people. This disruption prevents sound and effective policymaking. One of the most

significant characteristics of clones is lying. Clones are walking lying machines. Clones lack any human values and are extremely ruthless and cruel creatures.

Governments and researchers struggle to understand the 180-degree transformations taking place in their environment. Adding the clone equation to the equation set will answer all unanswered questions.

Clones are used for a variety of purposes, both in politics and social life. World Justice Ministries must train their officials in clone technology. Because the easiest way to free prisoners from prisons is through the use of clones.

Throughout history, Zionism has divided humanity into East and West, provoked war, and profited. Zionism's greatest aim and preparation is to ignite World War III on our planet.

The Rothschilds' aim is to incite all nations between Japan and Istanbul, and Istanbul and Alaska, to fight against each other. All the regional wars we have seen since World War II are preludes to World War III.

Humanity will not allow a Third World War to break out on our planet. During World Wars I and II, people were unaware of each other. Today, all of humanity knows each other very well, like a family, like a village, and they know what's what better than anyone else.

Zionists should know this very well : People are not stupid enough to die for Jews. But they are smart enough to kill all Jews.

Clone technologies are a four-stage structure consisting of puppets, puppeteers, scriptwriters and bosses.

The primary goals of clone theatrics are to distract people, waste time, and seize control of states without attracting attention.

The real Donald Trump promised to end the Russia-Ukraine and Palestine-Israel wars as quickly as possible. These wars, which will end in a few days, have been going on for months. We see that Donald Trump, elected president to end the wars, is Benjamin Netanyahu's best friend.

The Rothschilds are attempting to eliminate their greatest rivals through reputational assassinations by equating Donald Trump(s) with Benjamin Netanyahu(s).

Zionism is the art of concealing crimes and murders. Zionism is the art of attributing crimes to honest people.

The real Donald Trump and Elon Musk are the highest-ranking representatives of Christian, nationalist, and patriotic Americans and the greatest enemies of Zionism.

Elon Musk, who is fighting Donald Trump, is a clone. The goal is to portray Christian, nationalist, and patriotic American citizens as fighting, and to spread the conflict at the top to the entire society, thus sparking a civil war.

When we carefully analyze the events, the big picture we see is this **:** the **Reptilians (Rothschilds)** won the Draconian-Reptilian wars that have been raging on planet Earth for seven thousand years between 2023 and 2025.

The primary reason for this outcome is the Rockefellers' loss of China. On August 28, 2023, Henry Kissinger (Rockefeller) visited and threatened China, which had stopped buying US and EU government bonds. However, he was rejected.

After this date, the Rockefellers ran out of money to continue their pursuit of world domination, and a rapid decline began.

Having lost their largest client, the Rockefellers struck China with HAARP in the summer of 2024, and 127 million Chinese people were harmed in the resulting floods.

After this date, the giant Rockefeller brands became the property of the Rothschilds. Microsoft, Apple, Amazon, etc.

So how did Rockefeller's bosses allow these massive acquisitions and ownership transfers ?

Zionism doesn't negotiate with any bosses.

Zionism kills bosses, clones them, and they become the owners of giant brands.

What we see today are clones of the Rothschilds, such as Bill Gates, Tim Cook, Jeff Bezos, Mark Zuckerberg, etc.

After 2024, the Rothschilds began rapidly killing their eternal enemy, the Rockefellers, and seizing all their brands and property.

Zionism is a civilization of microbes and parasites. Zionism is a civilization of cockroaches and sewer rats.

The Zionists' zodiac sign is snakes. Zionists' fights with each other are like snakes devouring each other.

9/11 was a message to the world that the Rothschilds did not recognize the Rockefellers as rivals; for them, it was a champagne-filled party.

9/11 was the Rothschilds' message to the world that "trade is nothing; printing money, interest, and finance are everything."

By 2025, the Rothschilds believed they had won the seven-thousand-year-old war for world domination.

Failing to see the bigger picture, the Rothschilds, colonial governors, and senior executives began celebrating their victory.

In Anatolia, it's said, "A hungry chicken thinks it's in a millet granary."

The CIA and Mossad are two opposing organizations that carry out cloning operations worldwide.

How do the CIA and Mossad clone heads of state, politicians, and individuals ?

It is reported that the victims are first stunned and then transported by military aircraft and submarines to military bases in the Gulf of Mexico, **where they are fed alive to sharks.**

The purpose of these executions is explained as leaving no evidence or DNA traces in the soil. The reason the victims are thrown alive into the sea is explained as the scent of fresh blood attracts sharks much more quickly.

The clones prepared at the cloning centers are returned to their destinations via the same routes, in sleeping cabins.

How are human clones understood within the state and nation ?

States should inform their institutions and citizens about human clone technologies. States, universities, press and media organizations, and researchers should share their documentation **on human cloning technologies and inform their citizens.**

For Turkish citizens, being informed about clone technologies and Turkish clones is far more important than financial hardship, low wages, low purchasing power, and the high cost of living.

As in every country in the world, many prominent figures in Turkey are being replaced by their clones. **Abdullah Gül, Ali Babacan, Ahmet Davutoğlu, and Bülent Arınç were martyred and replaced by their clones.** The reason these individuals have made a complete 180-degree turn and become enemies of the state and nation is because they were cloned.

Abdullah Gül, Ali Babacan, Ahmet Davutoğlu, Bülent Arınç, and CHP Chairman Özgür Özel are the clones-biological robots-operating **in Turkey for David Rockefeller and the CIA.**

The Turkish Rockefellers, Rahmi Koç, Ali Koç, and Ömer Koç, are monitoring and financing these clones. A large cloning and maintenance team operates within Koç Holding. Closely monitoring these individuals will teach the Turkish nation a great deal about cloning technology.

Ali Koç is the one who fed Abdullah Gül, Ali Babacan, Ahmet Davutoğlu, Bülent Arınç, and Özgür Özel to the sharks.

In politics, people whose lines turn 180 degrees in a single day or week are clones. Clones are first identified by their 180-degree turns.

The goal of Turkish clones is to destroy the Turkish state, and primarily the AK Party. The CIA selected **Abdullah Gül, Ali Babacan, Ahmet Davutoğlu, and Bülent Arınç, cornerstone figures** of the AK Party, to destroy the AK Party by splitting it into four parts.

These evil plans failed, and the CIA's scheme was foiled.

No imitation is the same as the original.

Clone Donald Trump is 1.78 meters tall and fat. **The real Donald Trump is 1.90 meters tall and athletic. The real Melania Trump is 1.80 meters tall, while the fake Melania Trump is 1.60 meters tall.** When comparing the facial images, it's easy to see the significant and subtle differences in the measurements of the ears, eyes, nose, and so on.

Turkish researchers need to learn how to perform clone research by juxtaposing height and facial images.

The CIA and Mossad are engaged in extensive short- and long-term cloning activities in Turkey, as they are in the US.

It is reported that the cloning efforts are continuing at a rapid pace, along with numerous **AK Party figures such as Recep Tayyip Erdoğan, Hakan Fidan, İbrahim Kalın, Süleyman Soylu, and Hulusi Akar, as well as writers for national newspapers such as Sabah, Takvim, Star, Yeni Akit, Akşam, Yeni Şafak, and Türkiye.**

The CIA, David Rockefeller, Rahmi Koç, Ali Koç, Ömer Koç (the Turkish Rockefellers), and TÜSİAD (Turkish Industrialists' and Businessmen's Association) are working with all their might to bring **the CHP and MHP to power in Turkey.**

The CIA is trying with all its might to kill Mr. Devlet Bahçeli and replace him with a clone.

MHP leaders, members of parliament, and administrators must be extremely vigilant against the CIA's clone traps.

The CIA, having failed to capture the MHP through FETO and Meral Akşener, is attempting to control it through cloning technologies.

The MHP should not under any circumstances rely on the carrots and traps of coming to power with the CHP.

The MHP's attempt to come to power with the CHP will wipe the MHP out of the Turkish political scene and destroy it.

MHP leaders, members of parliament, and administrators must be extremely vigilant and always on the alert against the CIA and MOSSAD terrorists trying to take over the MHP.

The CIA's attempts to assassinate and clone our esteemed Chairman Devlet Bahçeli are aimed at the destruction of Turkey, the AK Party, the MHP, and the People's Alliance.

We call on the MHP community to vigorously protect our esteemed Chairman Devlet Bahçeli.

Similar activities are also rapidly progressing throughout the Muslim business world, especially in the defense industry.

We urge all Turkish citizens, especially those in politics, media, the press, and the business world, to be informed and vigilant about cloning technologies.

This situation in Turkey is similar in every country around the world.

We invite the American people and humanity to protest the clone Donald Trump worldwide.

We wish success to the real Mr. Donald J. Trump, who will soon return to office, and his administration.

We call on humanity to be extremely vigilant against the slander, reputation assassinations, destruction, perception management operations, threats, and blackmail theatrics of Zionism and clone technologies.

The most egregious of these threats and blackmail are the files prepared by MOSSAD agent Jeffry Epstein and his team.

MOSSAD attacks powerful and honest individuals like Donald J. Trump with 18+ videos, rape, and harassment accusations, attempting to discredit, pressure, and create shadowy and ineffective leaders.

Jeffry Epstein's mission is to cover up the uninterrupted tradition of child rape and murder, which has continued throughout history, of Jews and Zionists, and to prevent them from being brought to justice and the media.

Zionism uses sexual exposure and slander as the most effective means to quickly destroy its enemies.

Jeffry Epstein's islands are not sex tourism islands.

These islands are torture centers and human slaughterhouses where children and teenagers are raped, their bodies brutally mutilated, their blood drunk, and ultimately killed.

The first of the deep world truths is that Earth is a major drug manufacturer and supplier for alien races. Planet Earth-Terra-is a drug haven, especially for the evil Draconian and Reptilian races.

These races come to Earth to get drunk and have fun. The drugs of the evil races are living humans, especially children aged 2-15.

It is said that after certain processes, human blood is transformed into **andrenochrome,** a drug similar to cocaine and heroin. It is reported that the

Draconian and Reptilian races, which stand between 2.0 and 5.0 meters tall, first kill children by sucking their blood and then eat their flesh for nourishment and entertainment.

It is recorded that hundreds of thousands of children disappear annually on Earth, and approximately one billion children have been abducted and consumed throughout history.

It is known that the Rockefellers, Rothschilds, and Jews make the most money from child and human trafficking, which they sell to galactic races.

The reason for the world's endless wars and HAARP earthquakes is human trafficking for drug purposes.

Wars and earthquakes are the largest and safest environments for human traffickers to kidnap and harvest children.

It is known that Zionists, along with galactic races, and throughout history, Jews have also raped, murdered, and drunk the blood of vast numbers of babies and children in Satanic rituals.

Every war on Earth is a huge source of income for evil galactic races and Jews.

With the 3rd World War, Draconians, Reptilians and Jews plan to expand and complete their investments in the surrounding galaxies by selling 7.0-7.5 billion people.

Jews have declared to the world that they will turn **Gaza into a tourist destination s**imilar to Las Vegas and Malibu with the money they earn from the Russia-Ukraine, Palestine-Gaza wars, and child trafficking.

The largest financiers and supporters of the Russia-Ukraine and Palestine-Gaza wars are **American Jews, the Kushner family, and Jared Kushner.**

For a leader seeking to gain a foothold in the world leadership league, deep ties with the Rothschilds are a necessity. These obligations have no second chances. **Marriage is paramount. Ivanka Trump, like her father Donald Trump, is a devout Christian who hates Jews.**

It is utterly wrong to consider Donald Trump and Ivanka Trump as lovers and supporters of Jews.

This reality also applies to all Christians in the US and around the world who collaborate with Jews.

Jews are trying to silence anyone who exposes the greatest crimes in human history, the galactic child trafficking and murder, with accusations of +18 videos, rape, and harassment.

Jeffry Epstein documents murderers who rape children, drink their blood, and enjoy dismembering their bodies.

Among these individuals are countless businessmen, politicians, and celebrities such as Jacob Rothschild, Bill Clinton, Hillary Clinton (Rockefeller), Barack Obama, James Alefantis, John Podesta, Tony Podesta, and Marina Abramovic.

Humanity must be fully aware of this truth : Those who attack and silence honest people with 18+ videos, photos, rape, harassment, threats, and blackmail are **MOSSAD and CIA agents trying to protect their president.**

Those who perpetrate these vicious attacks **are child rapists, child blood drinkers, child murderers, and child traffickers.** Their goal is to protect the trafficking of missing children, cover up their crimes, and pin their blame on honest people.

Those who bring these vicious attacks on honest people to the media, promote them, and share them **are also the very souls of child rapists, child blood drinkers, child murderers, and child traffickers.**

Humanity possesses countless documents, photographs, videos, and witness accounts of the historical trafficking of missing children, including rape, torture, bloodletting, and dismemberment.

We invite humanity to focus on and share this evidence.

+18 videos and photos shared by people of their own free will are not crimes, but sins. It is not for humans to judge people's sins.

Furthermore, investigating and exposing people's hidden circumstances and flaws is a crime, both religiously and legally. **Surah Al-Hujurat, verse 12, expresses this truth as follows.**

O you who have believed! avoid much suspicion, for some suspicion is a sin. Do not spy on one another or backbite. Do not backbite one another. Would any of you like to eat the flesh of his dead brother ? That is what you abhor! And fear God and fear Him. Indeed, God is the Acceptor of Repentance, the Merciful.

We call on humanity to focus on child murder and trafficking, the greatest and most hidden crimes in history.

Hundreds of thousands of children are silently disappearing and brutally murdered every year in our world.

Galactic child trafficking, which has continued for seven thousand years, is humanity's greatest bleeding wound.

The bloodshed in the world will not stop until this wound heals.

Humanity must shed light on all aspects of child trafficking and find answers to all unanswered questions.

The historic child trafficking network has been shrouded in utter secrecy for seven thousand years.

Tens of thousands of people from every corner of the world work in this trafficking network.

The most frequently used organizations in child trafficking are the US, EU, and Israeli armies, NATO facilities, military bases, navies, submarines, subway systems connecting continents under the sea, air, sea, train, road vehicles, ports, customs, tunnels, the WHO, and the Red Cross.

The world's armies, police, and intelligence agencies must cooperate.

Humanity must destroy the organized criminal organizations responsible for the historic child trafficking and bring all perpetrators to justice.

Between 2025 and 2027, MI6 and MOSSAD plan to kill our President Recep Tayyip Erdoğan and replace him with a clone.

This goal applies to all founding and senior ranks of the AKP. The goal is to neutralize the AKP and establish a CHP-MHP government.

Turkish state tradition does not permit such high-level operations.

However, it is also clear that we must learn important lessons from our martyrs like Abdullah Gül, Bülent Arınç, Ahmet Davutoğlu, and Ali Babacan.

If MI6 and MOSSAD had succeeded in cloning our President Recep Tayyip Erdoğan, we would today be facing a biological robot like Abdullah Gül, Bülent Arınç, Ahmet Davutoğlu, and Ali Babacan, who has turned 180 degrees and is spouting nonsense.

According to Turkish state tradition, a leader who abandons religion and loses his mind (clone or walk-in) loses the presidency. A new leader assumes office within two hours at most.

The Turkish state does not take instructions from any Zionist or their puppets.

Our government must inform and train our security forces, particularly the National Intelligence Organization (MIT), the Turkish Armed Forces (TSK), the Ministry of Interior, the Ministry of Justice, and other ministries, against Draconian-Reptilian cloning technologies.

Kidnappings for cloning purposes are often carried out during international travel.

During international travel, the rooms where presidents sleep must be meticulously protected 24/7.

ANNOUNCEMENT TO MUSLIM TURKISH SCHOLARS
My Esteemed Scholars and Muslim Brothers
(1)

Since its inception, Recep Tayyip Erdoğan and the AK Party government have been a powerful partnership between the Rothschilds, MOSSAD, and MI6.

This partnership is the same in every country in the world, including the US, EU, China, and Russia. Such a partnership is not a choice for states and leaders, but a necessity.

Why doesn't Recep Tayyip Erdoğan issue an order to declare the Anti-Interest Law, the Light and Water Games in Mosques, and the Islamic Union to the world, and to destroy and annihilate Zionism and Israel?

What is he waiting for?

According to Zionist law, the penalty for attempting to overthrow Zionism and crossing its red lines is death.

These three crucial laws of Turkey are Zionism's red lines. The Rothschilds, Rockefellers, MI6, Mossad, BND, and the CIA consider such attempts treasonous.

Recep Tayyip Erdoğan cannot personally announce these laws to the Turkish and international public.

Recep Tayyip Erdoğan, who betrayed Zionism, was first replaced by a clone, then imprisoned in underground cells, tortured, and killed.

The same cruelties were inflicted on his family, children, and grandchildren. The Rothschilds, Rockefellers, MI6, MOSSAD, BND, and the CIA intimidate leaders by showing them videos of countless leaders tortured to death.

These threats and intimidation are the primary reason why world leaders remain silent and passive against Zionism.

No AK Party minister, member of parliament, executive, or Turkish citizen should expect the slightest instruction or sign from Recep Tayyip Erdoğan regarding the Anti-Interest Law, Light and Water Games in Mosques, or the declaration of Islamic Unity to the Turkish nation.

The Turkish nation must be well aware of this fact: Even if Recep Tayyip Erdoğan so desires, he absolutely cannot and will not give the slightest instruction or signal to the AK Party or third parties regarding the promulgation of these three vital laws.

These innate preferences of our President are correct. Under today's circumstances, Mr. President prefers a dead Recep Tayyip Erdoğan to a living one.

For a leader to issue orders to destroy Zionism is tantamount to committing suicide.

For 23 years, Recep Tayyip Erdoğan has lived with the threat of a gun pointed at his head. The slightest command or signal could trigger the attack and kill him.

Every Muslim and Turkish citizen must respect this choice and take responsibility to protect Recep Tayyip Erdoğan.

We invite our esteemed Turkish scholars, imams, and Muslim brothers to hold nationwide press conferences to introduce the Anti-Interest Law, Light and Water Games in Mosques, and Islamic Union laws to the Turkish and international public.

The destruction of seven thousand years of Zionism, Israel, and Judaism, the salvation of Palestine, Gaza, and humanity, depends on the recognition and enactment of these three vital laws by the Turkish and international public.

We invite our esteemed Turkish scholars, imams, and Muslim brothers to share the Anti-Interest Law, Light and Water Games in Mosques, and

Islamic Union laws with the Turkish nation and humanity through their own websites and social media accounts.

We call on our esteemed scholars, imams, and Muslim brothers to rescue our President, Mr. Recep Tayyip Erdoğan, from the threats and imprisonments of Zionism.

The enslavement of the President is the enslavement of the nation.

The enslavement of presidents is the enslavement of humanity.

We call on the Turkish nation and humanity to break free from enslavement.

ANNOUNCEMENT TO MUSLIM TURKISH SCHOLARS
My Esteemed Scholars and Muslim Brothers
(3)

Why didn't Recep Tayyip Erdoğan introduce the Anti-Interest Law, the Light and Water Games in Mosques, and the Islamic Union laws, which were submitted to him in 2013-2014, into parliament and share them with the Turkish people ?

Recep Tayyip Erdoğan and the AK Party have contested 21 elections in 23 years. Getting people to accept high-level laws like the Anti-Interest Law, the Light and Water Games in Mosques, and the Islamic Union in the short space of 15 months and ending social conflicts is no easy task.

If Recep Tayyip Erdoğan had introduced these three laws into parliament five or ten years ago, the Rothschilds and Rockefellers would have halted imports and exports in Turkey, closed all factories, caused inflation to soar, and the dollar and euro would have once again reached millions.

Turkey would have been brought to the brink of civil war, **and Recep Tayyip Erdoğan and the AK Party would have become history.**

Zionism would have attacked the Turkish nation with all its might to prevent these laws from reaching humanity and to ensure their destruction.

The smooth passage and success of these laws depend on the mental readiness of the Turkish and global nations.

For 12 years, Turkish and global public opinion has been optimally prepared for the Anti-Interest Law, Light and Water Games in Mosques, and Islamic Union-economically, politically, socially, culturally, and intellectually. In the past twelve years (2013-2025), Recep Tayyip Erdoğan, the AK Party, the People's Alliance, and the Spectrum of Islam (www.islaminnuru.com and www.doorsnews.com) have not left a single state, parliament, or house in Turkey or the world that they have not entered.

In twelve years, Recep Tayyip Erdoğan, the AK Party, the People's Alliance, and the Spectrum of Islam have eliminated all Zionist threats that could have posed to the Turkish nation and humanity.

The enslaved global economy, with an annual output of $90 trillion, has been liberated from the Zionists and returned to its true owner, humanity.

Humanity has been completely cleansed of Zionist mines and Zionism.

The Turkish nation and humanity are ready to crush the heads of Zionism, Israel, the Jews, and their collaborators.

For humanity, the season is eternal summer, while for Zionism, it is winter.

Praise the Lord.

PREPARING THE WORLD FOR WORLD WAR III
(1)

Humanity is experiencing the geopolitical environment that preceded World Wars I and II for the third time.

States failed to properly interpret the world wars and killed each other. In the wars in which a total of one hundred million people died, people lost everything but gained nothing.

The Rothschilds, who financed both world wars, lost nothing but gained everything.

For seven thousand years, world civilization has been controlled and designed by Reptilian races, from A to Z. The wealth of the Reptilian races is the tribes they have carefully cultivated and instilled within humanity. The Rothschild dynasty is the representatives of the Reptilian races on Earth.

For seven thousand years, the world's states and governments have been ruled, both covertly and overtly, **by the Rothschild dynasties (the Children of Evil Israel).**

These spies' mission is to manage states and, especially, armies.

As of 2025, there is no state, especially no army, in the world that is not controlled by the Rothschilds. All of the world's armies are owned and controlled centrally by the Rothschilds. The mission of these armies is to generate income for the Rothschilds. The hundred million, one billion, or ten billion people who died in these wars are worthless to the Rothschilds, as much as stray dogs. Eyes see only the money earned, nothing else.

As of 2025, almost all of the world's defense industry companies are owned by the Rothschilds. The Reptilians-Rothschilds are the behind-the-scenes owners of the massive defense industry investments and profits seen in every country, including the United States.

If the world's armies and general staff headquarters want to win their wars, they must first understand their enemies. Armies that fight the wrong enemies cannot win wars. World Wars I and II are the best proof of this.

The enemies of the world's armies are not their neighbors, but Reptilian armies.

The world's armies must be well aware of this fact : Battle plans made at an army headquarters are invariably communicated to the enemy armies by the Rothschilds. The goal is to disrupt both sides' games and maximize their profits by inflicting maximum defeat on both sides.

Every army in the world believes it can solve its problems by fighting its neighbors.

Such evil mindsets are psychological warfare tactics. The armies and nations of the world must absolutely not fall into such poisonous traps of Zionism.

The armies of the world must fully understand the games that have been played on the world for seven thousand years and **must thoroughly understand their true enemies : the Reptilian armies.**

No country's economy can withstand wars lasting from one to ten years, in which at least a thousand ballistic missiles and millions of rounds of ammunition are used in a single day, and thousands of aircraft, ships, tanks, and armored vehicles are destroyed. **The Reptilian armies' goal is to deplete the world's armies and render states and nations dependent on them forever.**

Humanity will solve all its known problems by destroying the Rothschilds, Rockefellers, and Jews, the most valuable assets of the Reptilians on Earth.

The most important task of the world's governments and armies is to kill all the Rothschilds, Rockefellers, and Jews, whether covert or known, who have infiltrated their ranks.

By 2025, more than half of the world's governments are governed by covert Rothschilds or Rockefellers. Most of the world's known heads of state, ministers, and commanders, especially their wives, are covert Rothschilds or Rockefellers.

The most important issue that the world's governments, nations, and armies should focus on is not killing their neighbors, but recognizing the Rothschilds, Rockefellers, and Jews, both covert and overt.

The world has made great strides in this regard, especially in the last fifty years. There is nothing hidden about humanity. Humanity knows much more about Zionism than the Zionists. What is lacking is the awakening of people, states, and nations.

A traitor has no rank. A soldier cannot take orders from a Zionist general. A private is always superior to a traitorous general.

Soldiers' duty is to kill their enemies. An army's greatest enemies are infiltrated enemy soldiers and collaborators.

Donald Trump, the commander-in-chief of the US military, cannot order an attack or occupation of Venezuela. He cannot ask Christian American soldiers to kill Christian Venezuelan soldiers and citizens. An unjust order to wage war is a betrayal of the US military and humanity.

The unjust order to wage war is a betrayal of the US military and humanity. The US military must kill all Zionists, including clone Donald Trump(s), who are slaves to the Rothschilds and Rockefellers, and purge the military and the state.

As of 2025, 1.409 billion Chinese people are enslaved by a handful of Rothschilds and Jews. The Chinese Communist Party is the Rothschilds' largest investment in China. The Chinese Communist Party is a human slaughterhouse. The number of Chinese citizens who object to the government in China and are massacred is unknown. All of China's national income belongs to the Rothschilds. Like every other country in the world, China is bankrupt. The Rothschilds collect all of the government bonds held by the Chinese state. China is a vast, secret Jewish (Reptilian) state.

The Chinese state and its military must not fall into any Zionist war-mongering trap. The Chinese state and its military must always avoid unjust war.

The Chinese state and army must liberate the Chinese people by killing the secret Rothschilds, Rockefellers (Lee Family), and Jews who have been entrenched in their country for centuries.

Question: How will humanity recognize the secret Zionists who have been entrenched in their country for centuries ?

Answer: The answer to this question is very simple. Follow the money.

The secret Rothschilds, Rockefellers, Jews, and their collaborators transfer all the money and wealth they earn abroad. There isn't a single penny of this vast sum of money and wealth in the banks. The owners and collaborators of this transferred money are the secret Jews in that country. Reptilians and Draconians spend the money they earn from people on galactic investments.

The Rothschilds and Rockefellers have proliferated, hidden, and installed families and dynasties in every country for centuries.

These are Jews. Jews are like white feathers in milk.

Jews don't just live in Israel. Humanity should be very wary of hidden Jews from all nations, including Chinese, Japanese, Latinos, Africans, and Arabs. These individuals often deceive people with 5-6 false ethnic identities, while their true identity is Jewish.

Japanese emperors and dynasties are secret Jews. Japan is a secret Israeli state. 124 million Japanese are enslaved by a handful of Jews. Countless Japanese prime ministers and ministers who knew this truth and attempted to expose it have been murdered. Numerous information, documents, and witnesses on this subject remain unavailable to the Japanese people and humanity.

The Arab Saudi Kingdom is a secret Arab Jewish kingdom. Throughout Saudi Arabia's history, the money from the oil it has sold has never reached Muslim Arabs. All of the oil and national income are shared among Jewish Arabs.

This picture we see in China, Japan, and Saudi Arabia is the same in every country in the world.

In short, humanity's enemies are not its neighbors, but: i) War, ii) Zionists, and iii) Central Banks.

The annual size of the world economy is $90 trillion.

In other words, the money the Rothschilds printed and control in two months is 15.0 Trillion USD.

The greatest enemy of the world's armies is the 15.0 Trillion USD that the Rothschilds print every two months.

The greatest enemy of the world's armies = 250 years x 90 Trillion USD / year = 22,500 Quadrillion USD.

There is no war without money.

The best course of action for the world's governments and armies is to seize the Rothschilds' central banks and kill anyone who objects to this nationalization.

The armies that kill the Rothschilds, Rockefellers, Jews, and their collaborators will have won World War III.

The photos below explain very well what kind of army only 15 Trillion USD can be.

The Rothschilds-the Nazis-used Clone Donald Trump to shut down the US Congress and government in a civilian coup on October 1, 2025.

Their goal was to incite a civil war and kill all US citizens who are enemies of Zionism.

The American people must absolutely not fall into the Nazis' trap of a civil war. MI6 and MOSSAD agents will use the same weapons to kill rival Americans and try to incite them to fight each other. The American people must be extremely vigilant and united. The American state and nation must closely monitor **MI6, MOSSAD, the CIA, George Soros, and Blackrock agents** and kill these terrorists to prevent them from igniting the fires of civil war.

Turkey was very successful in crushing the CIA, George Soros, and Koç Holding (the Turkish Rockefellers) who attempted to incite a civil war during the Gezi uprisings in 2013, preventing the outbreak of a civil war.

Clone Donald Trump is a traitor. Traitors have no rank or position.

Every US soldier or civil servant who obeys Clone Donald Trump's orders is also a traitor.

Who are the secret Turkish Rothschilds, MI6, and Mossad agents working with all their might to drag Turkey into World War III, just as they did in World War I?

The Rothschilds' colonial governor in Turkey, the head of MI6 and Mossad, and the Sabah newspaper columnist, **Okan MÜDERRİSOĞLU,** is a secret Jewish man.

Okan MÜDERRİSOĞLU is trying with all his might to kill **Recep Tayyip ERDOĞAN**, senior AK Party officials, **Devlet BAHÇELİ**, and our local and national press writers and replace them with clones**. Okan MÜDERRİSOĞLU** describes his murderous and cloning activities, which he carries out with great pleasure, as "chopping off heads."

Ergün DİLER and **Tamer KORKMAZ** are the world's leading local and national Turkish journalists who are the world's best analysts of Zionism and the deep state.

Ergün DİLER and Tamer KORKMAZ's contributions to the Turkish nation and humanity against Zionist threats are invaluable.

Fearing Ergün DİLER's and Tamer KORKMAZ's intelligence, Okan MÜDERRİSOĞLU threatened Kalyon and Albayrak Holdings with bankruptcy and dismissed them.

We call on the chairmanships of Kalyon and Albayrak Holdings to reinstate Ergün DİLER and Tamer KORKMAZ as soon as possible.

Today, the era of honest people going bankrupt is over. It is the season for Zionists to go bankrupt and disappear.

The head of MI6 and MOSSAD in the Turkish Armed Forces is **Yaşar GÜLER,** a secret Jew. (Chief of the Turkish General Staff and Minister of National Defense)

The Turkish Armed Forces have largely purged the CIA (FETO) agents who have infiltrated its ranks for 170 years, especially after the July 15, 2016 coup. MI6 and MOSSAD organizations that have infiltrated the Turkish Armed Forces are operating at full power.

Our state and the Turkish Armed Forces must be extremely vigilant against MI6 and Mossad organizations within the Turkish Armed Forces and **their World War III traps.**

The Presidency of Religious Affairs, which MI6 and MOSSAD see as the center of Islamic Unity and the Caliphate, is a crucial department.

It is known that they have recently been working hard to seize control of this department**. The Director of Religious Affairs (Diyanet) for MI6 and MOSSAD is a British Jew using the code name Safi ARPAGUŞ.**

He is a traitor, an enemy of Islam, forcibly appointed to our President. **Safi ARPAGUŞ** has begun spewing corruption against our noble religion, cultivated in the laboratories of MI6 and MOSSAD, onto the Presidency.

The Presidency of Religious Affairs has been a hotbed of MI6 and MOSSAD since the Tanzimat era. Many of the department heads replaced by **Safi ARPAGUŞ** are MI6 and MOSSAD agents.

This Jew, codenamed Safi ARPAGUŞ, is the 2025 version of Nimrod.

Our state should continue with Prof. Dr. Ali ERBAŞ as the head of the Directorate of Religious Affairs.

Our state, the National Intelligence Organization (MIT), and the Turkish Armed Forces (TSK) should thoroughly investigate the backgrounds and connections of Jewish agents. All undercover agents working behind their backs and under their orders should be identified, their duties terminated, and brought to justice.

DOORS
INVITE WORLD'S INTELLIGENCE AGENCIES TO UNITE AGAINST MI6

We call on the world's intelligence agencies to unite under a single umbrella against MI6, the largest terrorist organization in human history, and to establish the World Intelligence Agency (WIA).

We call on the world's intelligence agencies to cooperate against MI6 and its derivatives. Only through global intelligence cooperation can humanity be freed from the 250-year influence of Zionism.

MI6 is an intelligence brand representing the intelligence of Amschel Mayer Rothschild and his five sons, whom he placed in European capitals.

MI6 is a mafia organization established by Amschel Mayer Rothschild to protect the central banks and his fortunes.

We call on the British state, its Christian and patriotic citizens, to destroy MI6 and bring its employees to justice. In its 250-year history, MI6 has killed more British citizens than any other. Britain is a secret Gaza. This reality applies first to Europe, and then to all countries of the world.

All of the world's intelligence agencies, including the CIA, MOSSAD, and the BND, are, to a greater or lesser extent, affiliated with MI6. MI6's goal is world domination and the ownership of the planet.

MI6 has spent $22.5 quadrillion on global domination over the last 250 years.

Humanity's first and foremost problem is the existence of MI6.

It is essential that the world's governments pass the **Anti-Interest Law** in their parliaments and take away MI6's central banks, which are its greatest source of income and weapon.

Humanity's second greatest problem is the crypto Rothschilds, Rockefellers, Jews, Freemasons, and Collaborators who have infiltrated every corner of the world over the last 250 years.

Preventing World War III and liberating humanity from the slavery of Zionism depend on the destruction of the Rothschilds and MI6.

The nation-states and governments of the world possess more than enough power to crush and destroy the heads of Zionism, the Rothschilds, MI6, and their offspring. Humanity's greatest need is to be united and united in the common denominator of being human.

TURKEY WITHOUT TERRORISM

The Nationalist Movement Party (MHP) is Turkey's third-largest political party, with a 25% vote share. The MHP is the AK Party's biggest supporter in Turkey and the largest partner in the People's Alliance.

In a statement made on October 22, 2024, **MHP Chairman Devlet Bahçeli** offered a series of proposals to completely eradicate terrorism in Turkey.

This initiative is known as "A Turkey Without Terrorism." Over the past fifty years, Turkey has battled dozens of terrorist organizations supported by the CIA and Mossad, losing fifty thousand citizens.

The largest of these terrorist organizations is the PKK, the world's largest terrorist organization. The PKK is one of MOSSAD's largest terrorist investments globally. **Its founder is Armenian Artin Agopyan, who uses the pseudonym Abdullah Öcalan, a MOSSAD agent.**

“A Turkey Without Terror" means executing the PKK's founder, the baby killer Artin Agopyan, killing his commanders, and burying them before their weapons.

Any other proposal clearly amounts to protecting and rewarding countless terrorists like Abdullah Öcalan, Murat Karayılan, Ali Rıza Altun, Zübeyir Aydar, Mustafa Karasu, Cemil Bayık, Duran Kalkan, and Sabri Ok, the murderers of fifty thousand of our people.

On February 27, 2025, Abdullah Öcalan called on the PKK to lay down its arms and dissolve itself. **Abdullah Öcalan's call to lay down its arms does not mean that fifty thousand of our nation's children will rise from their graves and return to their homes.**

The Turkish nation is struggling to comprehend the way Abdullah Öcalan and his sycophants make statements to media outlets as if they were prime ministers.

We know that MOSSAD, the PKK, and the DEM Party are trying with all their might to assassinate **our esteemed President Devlet Bahçeli and replace him with a clone.**

We call on our esteemed President Devlet Bahçeli and the MHP leaders to be vigilant against assassinations by the CIA, Mossad, the DEM, and the PKK.

We invite our esteemed President Devlet Bahçeli and the MHP leaders to hold "Interest-Free Turkey" rallies in all 81 of our provinces, to explain the devastation of interest to the Turkish nation, and to spearhead the nationalization of the World and Turkish Central Banks, the greatest sources of terrorism.

We extend our heartfelt gratitude to our esteemed President Devlet Bahçeli and the MHP leaders for their invaluable support to our President Recep Tayyip Erdoğan and the People's Alliance.

Jews have been killing people every day, every hour, for seven thousand years. Jews have been at war with humanity for seven thousand years.

Jews have been attacking humanity in an organized manner for seven thousand years. Jews declared war on humanity seven thousand years ago.

People have been dying every day, every hour, for seven thousand years, yet they are unaware that they are at war.

Zionism is the art of lulling people to sleep. Zionism's greatest asset is lulling people into sleep and the sleeping person. Zionism's greatest enemy is the awakened person. Zionism's greatest fear is the awakening of humanity.

For Zionism, an awakened person is a force and a threat far more powerful than a hydrogen bomb.

Zionists are well aware of this fact and are working tirelessly to keep people asleep, scattered, and indifferent to the truth.

Humanity is a great and powerful army.

An army that doesn't know it's at war is no army at all.

An army that doesn't know it's at war is always doomed to defeat.

The reason for humanity's seven-thousand-year defeat is its ignorance that it's at war.

In seven thousand years, humanity has never collectively declared war on Zionism.

By 2025, for the first time in history, we call on humanity to unite and declare war on Zionism.

We invite the armies of the world to unite around the common denominator of humanity, to become one army, and to declare war on Zionism.

Humanity cannot remain silent and indifferent to its brothers and sisters being killed every day, every hour, like a sheep or a chicken.

We call on the armies of the world and humanity to kill all state and government officials, including collaborators, kings, queens, princes, princesses, presidents, prime ministers, ministers and members of parliament, **who are the enemies of humanity and who defend, protect and guard Zionism, Judaism and Israel.**

We call on the armies of the world and humanity to kill the Rothschilds, the Rockefellers, and all their collaborators, the enemies of humanity, who have settled first in Germany, England, France, Italy, and Austria, and then throughout the world.

We call on the world's states, governments, and militaries to expose, list, and publicly identify the Rothschilds, Rockefellers, and their collaborators, both covert and overt, who have been entrenched in their countries for 250 years.

All the covert and overt Zionists who have been entrenched in countries throughout history are well known and recognized by governments, intelligence agencies, academics, researchers, and the public.

The greatest need today is to share information and documents pertaining to the history of Zionism in every country, thus completing the bigger picture and the puzzle.

Another of today's greatest needs is to explain the realities of Zionism to the younger generation, to those who are unaware and asleep.

We invite humanity to explain the realities of Zionism to the younger generation, to those who are unaware and asleep, worldwide.

Zionism is devoting all its power to causing World War III. As humanity, we will never fall into this trap.

The war against Zionism cannot be won with a world war.

In Anatolia, they say, "You can't burn a blanket for a fleas."

Zionism is a powerhouse of microorganisms, parasites, and infections.

Humanity must win its war against Zionism in the most economical way possible.

The most economical way to win the war against Zionism is to kill the Rothschilds, Rockefellers, George Soros, Blackrocks, their ilk, and their collaborators.

It must never be forgotten that a Zionist can easily send a million, ten million Christians, Muslims, and other people into war and kill them.

For Zionism, there is no such thing as a human being. For Zionists, people are chickens, sheep, and cows-in other words, money.

Absolutely and absolutely do not pity Zionists and Jews.

Be generous when killing Zionists and Jews.

If you pity Zionists and Jews and are not generous when killing them, you will end up like Gaza.

French President Emmanuel Macron (Rothschild), a Jew, plans to send 50,000 soldiers to Ukraine. All 26 EU countries are preparing to send troops to the Russian-Ukraine war. The EU and France can send as many Jewish soldiers as they want to the Russian-Ukraine war. As human beings, we have no objection to this choice.

However, the EU and France cannot send a single Christian soldier to Ukraine.

Christianity and Christian youth are not the property of the EU or France's father.

In the face of these murderous proposals, the French army's duty is to shoot terrorist Emmanuel Macron Rothschild in the forehead and kill him.

EU states and nations must end potential war threats with Russia by killing Zionists and Jews within their countries.

Humanity must learn to fight and win Zionism with minimal cost. Winning wars with minimal cost means killing Zionists.

EU army commanders must kill all Zionists and politicians who want war with Russia and win their war with Zionism. **The EU must devote its strength, energy, and money to killing Zionism.**

Christians gain nothing by killing Christians. Zionism minimizes harm and maximizes profit by pitting Christians against Christians. Christianity must never fall into Zionism's traps.

The EU's entry into war with Russia means losing the war before it even begins. Because Zionism's post-World War II New World Order goals involve war everywhere.

Ukraine lost the war by entering into war with Russia. It is incomprehensible that 37.8 million Ukrainians were unable to kill a handful of Zionists and Jews ensconced in their country, **and that they lost a million citizens.**

The Ukrainian people's share of the national income is close to zero. The Ukrainian economy is owned by the Rothschilds from A to Z. **The Ukrainian people are not even aware that they are slaves.**

Russia is not Europe's enemy, but its best friend. Zionism is at least a thousand times stronger in the EU than Russia. Russia is the most powerful and resolute country in the world in the fight against Zionism. It possesses immense experience and technology in this regard.

If Ukraine had decided to kill Zionists and Jews in the country, it would have received the most significant aid from Russia.

The EU, lacking the strength, courage, and wisdom to fight Zionists, viewing Russia as an enemy is both ludicrous and a clear indication that it has fallen into Zionist traps.

The EU must cooperate with Russia and Turkey, the world's most powerful and experienced countries, in the fight against Zionism.

The EU must never allow Zionism's efforts to polarize, brainwash, and obscure Europe.

DOORS
INVITE HUMANITY TO PROTECT HEADS OF STATE
(2)

Zionism is the art of controlling states. Zionism's greatest strength lies in its control of states at every level. Humanity's greatest problem is that heads of state are controlled by Zionists.

The greatest delusion of ordinary citizens is the belief that heads of state can do anything, but don't. For ordinary citizens, being head of state is everything. An ordinary citizen believes that once they become head of state, they can easily do everything that hasn't been done. This is why every ordinary citizen desires to be head of state.

Zionism, especially in the last 250 years, has established its own secret state in every country in the world.

Within every state, the Rothschilds and Rockefellers have their own states. These states' secret presidents, ministers, and members of parliament rule the country. These presidents are secretive and present themselves to society as businessmen, journalists, academics, lawyers, and so on.

Presidents and kings are operatives of the secret Zionist deep state. Presidents and kings are very powerful people in the eyes of themselves and their citizens. Yet, presidents and kings are worth less than stray dogs to the secret Zionist deep state.

When presidents and kings take office, they are presented with a dossier of tasks that need to be done. Presidents and kings cannot deviate from Zionist programs and cannot act independently. Presidents and kings who act independently are killed.

All presidents and kings assassinated throughout history have acted against Zionist policies.

These dossiers can make countries very rich, as seen in the examples of Germany, England, France, the United States, and Japan after the Industrial

Revolution. They can also make countries very poor, as seen in countries in Africa, Central and South America, and the Middle East.

Presidents and kings often object to and rebel against dossiers of exploitation. And rightfully so, they often try to implement their own projects.

The biggest problem with Zionism, which has a history of 21 billion years, is the disobedience and rebelliousness of its presidents and kings.

Zionism overcame this biggest problem with torture technologies.

Contrary to popular belief, heads of state are the most vulnerable people in the world.

Zionism controls presidents and kings through beatings and torture. Presidents and kings are subjected to beatings behind closed doors, brutal torture in dark rooms, and terrorized and intimidated by the rape of their wives and daughters.

Every president and king is first introduced to their clones and intimidated. Presidents are imprisoned in dark dungeons for a few weeks or months. The clones rule the state. This period continues until the desired loyalty is achieved.

Presidents are surrounded by hitmen trained in centers such as the CIA, MOSSAD, and the BND.

Zionism controls presidents so that they can be killed at any time.

No president or king has ever told their people about the beatings and torture they were subjected to.

National presidents, kings and emirs are excellent, honest people, and rulers.

The Zionist media denigrates honest leaders as dictators, bigots, one-man rulers, and prevents the people from being governed by their true leaders.

The reason why the world's national presidents and leaders fail to respond appropriately to humanity's problems is not because they are dictators, traitors, bigots, one-men, or ignorant, **but because of the weapons Zionists have held against their heads.**

We call on humanity to empathize and to fully understand the immense oppression and torture that presidents, kings and emirs have endured throughout history.

We call on humanity to stand up for presidents, kings and emirs and liberate them from Zionist captivity.

The captivity of presidents, kings and emirs is the captivity of nations. Citizens enslaved by Zionism cannot teach the world how to govern a state.

INVITE ISLAMIC COUNTRIES TO RE-ESTABLISH THE CALIPHATE

We invite the countries of the Organization of Islamic Cooperation and the Arab League to reestablish the institution of the Caliphate, which is the Presidency of the Islamic League.

Islam is a religion of republic and democracy from A to Z. The Arabic word "Caliph" means President.

We invite the countries of the Organization of Islamic Cooperation and the Arab League to unite under the name of Islamic Union and become one state.

The Caliph is not a figure who hoards mountains of gold and silver. The Caliph is the foremost commander in battle to protect humanity, who was created as the most honorable of beings.

Islam is a flawless worldview that perfectly protects the honor and dignity of humanity, who was created as the most honorable of beings.

For the election of the **President of the Islamic Union-the Caliph-51%** of the votes of the heads of state and then 51% of the Muslim population are sufficient.

Islamic heads of state must elect the President of the Islamic Union-the Islamic Caliph-with 51% of the votes as soon as possible and reestablish the institution of the caliphate.

The Caliph candidate will be elected in every Muslim country.

The candidate who receives 51% of the total Muslim votes will be elected President of the Islamic Union-the Islamic Caliph.

The most suitable candidate for the Presidency of the Islamic Union and the Islamic Caliphate is the President of Turkey, Mr. Recep Tayyip Erdoğan.

Recep Tayyip Erdoğan's personality, background, vast political experience, his Muslim faith, his mastery of Islamic religion and sciences, his lifelong commitment to protecting the rights of oppressed Muslims and people of all faiths, his commitment to upholding the principles of democracy, justice, human rights, freedom, equality, peace, tolerance, and the rule of law in his country, his respect for humanity, his non-discrimination based on religion, language, color, race, or sect, and, **above all, his appreciation of humanity as the highest value, make him the most natural candidate for such a lofty position as the Presidency of the Islamic Union.**

The period when human civilization was at its most just and powerful was the period between 571 and 1924 AD.

Although this period was severely shaken after the industrial revolution, it was not destroyed and continues to guide humanity with its profound wisdom today.

Today, humanity needs the justice, wisdom, and guidance of Islamic civilization more than ever.

The Islamic Union State and Caliphate, which will be reestablished worldwide, will also be the solid foundation and guide of the imminent New United Nations.

We invite the heads of state of the World Organization of Islamic Cooperation countries and the Arab League to re-establish the Islamic Union and Caliphate, humanity's greatest need and aspiration, as soon as possible.

The first and most important task of the Islamic Union must undoubtedly be to terminate all political, economic, military, social, and cultural relations with Israel (the Israeli Terrorist Organization), leading to its complete isolation from the world and expulsion from the UN.

The second most important task of the Islamic Union and its armies is undoubtedly to destroy and annihilate the Israeli Terrorist Organization (Israel), which has occupied the Palestinian territories since 1917.

The lands occupied by the Israeli terrorist organization, including Jerusalem, belong to the Palestinian people.

The third and most important task of the Islamic Union and its armies is to support the Palestinian people and Hamas in their war of liberation, liberate the occupied lands, and return Palestine to its rightful owners, the Palestinian people.

We invite the countries of the Organisation of Islamic Cooperation and the Arab League to re-establish the Islamic Union and the Institution of the Caliphate and declare it to the world by 1 November 2025 at the latest.

I deeply thank you for the love, respect, attention, and sensitivity you have shown to Doors Idea.

I follow with great admiration the wonderful visual and written messages you have painstakingly prepared for Doors Idea and for me.

Life rises and gains meaning on the shoulders of courageous people. I offer my respect and reverence to each of you who make life a livable life.

May God make all our deeds a blessing and a means for the salvation of humanity.

May God help and assist those who set their hearts on the path of the Divine Word of God.

DOORS
INVITE THE CHP
TO JOIN THE AK PARTY, THE TRUE ATATURK PARTY
(1)

We invite the honest chairperson, executive, delegate, and members of the CHP to join the AK Party, the true Atatürk party.

We invite the honest chairperson, executive, delegate, and members of the CHP to become soldiers in our war of independence, which has been continuing for 102 years under the spiritual leadership of Atatürk and the commander-in-chief of our President Recep Tayyip Erdoğan.

The CHP is one of the world's largest terrorist organizations exploiting Atatürk's political legacy.

The CHP is the street-level organization of the PKK, one of the world's largest terrorist organizations.

Founded in 1923, the CHP is one of countless clandestine terrorist organizations owned by the Rothschild family.

With their unwavering support for Mustafa Kemal Atatürk, the Rothschilds have managed to mask and conceal the CHP's terrorist face for 102 years. The CHP is a secret Mossad party.

The CHP is one of Mossad's most valuable investments in the world.

Like every Zionist institution, the CHP has been constantly changing hands between the Mossad and the CIA for 102 years.

As of 2025, the CHP is owned by the Rockefeller family and the CIA.

The secret bosses behind the scenes of the CHP are Rahmi Rockefeller, Ali Rockefeller, and Ömer Rockefeller, who use the pseudonyms Rahmi Koç, Ali Koç, and Ömer Koç.

The CHP has been unable to establish a single-party government since 1950 and averages 15-25% of the vote. The CHP's greatest success over the last 75 years has been winning very few metropolitan mayoralties, including Istanbul.

Rahmi Rockefeller won the Istanbul Metropolitan Municipality by deploying an army of freemasons.

A Greek Cypriot freemason, codenamed Ekrem İmamoğlu, was elected mayor of Istanbul. Ekrem İmamoğlu was also announced as the CIA's presidential candidate for Turkey.

Rahmi Rockefeller's goal is to destroy Recep Tayyip Erdoğan, the AK Party, and the People's Alliance, and to take control of the state.

These grandiose endeavors require substantial sums of money. Between 2019 and 2025, Rahmi Rockefeller, Ekrem İmamoğlu, and their collaborators stole $25 billion from the Istanbul Mayor's office, much of which they transferred abroad.

In 2023, Rahmi Rockefeller used this money to buy off most of the CHP's delegates and end the presidency of Kemal Kılıçdaroğlu, who had lost 12 elections in 13 years.

Rahmi Koç and the CIA, seeking to get rid of disobedient and unstable leaders, murdered MP Özgür Özel, replaced him with a clone, and appointed him CHP chairman on November 8, 2023.

Some CHP officials filed criminal complaints against Ekrem İmamoğlu and his collaborators.

On March 19, 2025, CHP presidential candidate Ekrem İmamoğlu was arrested and imprisoned under the Terrorism and Organized Crimes Law on numerous charges, including being a leader of a criminal organization, being a member of a criminal organization, extortion, bribery, and aggravated fraud.

Along with Ekrem İmamoğlu, 300 people, 24 of whom were CHP members, were arrested.

As always, the laws of Freemasonry were at play in these incidents, and the major Freemasons feasted on the minor Freemasons.

At the CHP's 22nd extraordinary congress, held on September 21, 2025, the CIA's aim was to eliminate MOSSAD, the CHP's owner.

The MOSSAD's head responsible for the CHP was Oğuz Kaan Salıcı. Oğuz Kaan Salıcı and his team were purged at this congress.

The CIA's head responsible for the CHP was Namık Tan. Namık Tan's vice presidents were Selin Sayek Böke, Sezgin Tanrıkulu, and Mahmut Tanal. All 52 members of the party assembly (PM), 15 members of the High Disciplinary Board (YDK), and 8 members of the bogus Science, Arts, and Culture Platform (BSKP) are CIA agents and employees.

CHP's retired and senior MOSSAD Jewish agents are Deniz Baykal, Aslı Baykal, Altan Öymen and Onur Öymen, and Armenian agents are Hikmet Çetin and Murat Karayalçın.

Armenian Kemal Kılıçdaroğlu is a senior freemason and CIA agent, one of the greatest traitors and enemies of humanity in Anatolian history. The MOSSAD offered Kılıçdaroğlu a position with them.

Kemal Kılıçdaroğlu accepted this offer and announced it to his interlocutors at the Istanbul Maltepe Rally, organized by Mossad on May 21, 2022. From that date on, Kılıçdaroğlu is a MOSSAD agent.

A few years ago, Mansur Yavaş, a freemason whose name no one knew and who ran for president, is a MOSSAD agent. The mission of traitors like Mansur Yavaş is to disintegrate Turkey, like the Committee of Union and Progress in the 1900s.

Theatrics similar to those of World War I are being staged with all their might today.

Despite his very limited resources, **Mustafa Kemal** was well-versed in the terrorists, puppets, puppeteers, and bosses of the 19th and 20th centuries. **He did not sell his homeland to the Jews, Armenians, or Greeks to gain power, and he became Atatürk.**

The CHP's 1,127 delegates, despite the unlimited resources of the 21st century, remain blind, deaf, and mute to imperialist schemes.

CHP delegates are vying with each other to sell their homeland to Jewish, Armenian, and Greek terrorists in order to gain power.

CHP Chairman Özgür Özel accuses the AK Party of staging a political coup for arresting Ekrem İmamoğlu, who stole $25 billion.

Özgür Özel argues that Turkey has a dual legal system and that stealing small amounts of money, such as $25 billion, is not a crime.

Despite 118 years of Zionist occupation, Turkey's democratic legal system is the best in the world.

We call on the CHP to trust in the democratic Turkish legal and justice system.

DOORS
INVITE THE CHP
TO JOIN THE AK PARTY, THE TRUE ATATURK PARTY
(2)

We invite CHP mayors, members of parliament, and delegates to truly learn the profound realities of the world, just like Mustafa Kemal, and to become Atatürk.

The thousand percent price increases experienced between 2021 and 2024 brought the AK Party a relative defeat it completely undeserved in the local elections of March 31, 2024.

However, CHP mayors who grasped the profound realities of the world and the country have begun joining the AK Party.

On behalf of the Turkish nation and humanity, we extend our sincere gratitude to **Aydın Metropolitan Mayor Özlem Çerçioğlu, Beykoz Mayor Özlem Vural Gürzel, and the esteemed mayors of 56 municipalities,** who have added significant strength to Turkish politics, which is currently

at 52-48% by joining the AK Party, and we wish them exceptional success in their duties.

MOSSAD is working with all its might to reclaim CHP leadership from the **CIA.**

From this date forward, CIA and MOSSAD parasites will not be allowed to take over or manage political parties in Turkey in any way.

After 1938, the CHP has never been a political party for the Turkish state and nation.

The CHP is a terrorist organization and a matter of national security for the Turkish state.

The $25 billion stolen by Ekrem İmamoğlu over the past five years will be recovered by seizing the assets of CHP provincial and district chairs and delegates.

From this moment on, no crypto-Zionist crime in Turkey will go unpunished.

Everyone within the CHP will be held accountable for the crimes of Ekrem İmamoğlu and his gang.

No one should engage in politics with the CHP and should stay away from the CHP.

Every penny the CHP has stolen from the Turkish nation since 1839 will be collected from CHP politicians.

After September 10,October 2025, no one should stand next to or take photos with CHP general chairs, provincial and district chairs.

Anyone who poses for a photo next to, in front of, or behind CHP chairs with a mischievous smile will have their homes, vineyards, gardens, bank accounts, and salaries seized.

What else has the Turkish nation witnessed from the CHP since 1839, other than economic destruction and murder?

Those who persist in engaging in politics within the CHP should be well aware of this fact.

Just as we have infiltrated and destroyed countless terrorist organizations, including the PKK, **we will infiltrate the CHP's lairs.**

If necessary, we will kill all CHP terrorists. Self-defense is a right for states.

We will speak whatever language you speak.

We are fluent in every language.

The choice belongs to those considering politics within the CHP.

The Rockefeller family is promoting the terrorist codenamed Ekrem İmamoğlu worldwide as a candidate for President of Turkey. Ekrem İmamoğlu is one of the greatest thieves and enemies of humanity the world has ever known. **Ekrem İmamoğlu is the Turkish equivalent of Benjamin Netanyahu.**

Everyone in world politics and media circles who supports, promotes and polishes the enemies of Turkey, such as CHP leader Ekrem İmamoğlu and others, will be killed.

No head of state, media organization, civil society organization, or businessperson in the world should give appointments, hold meetings, or pose for photographs with CHP members, Ekrem İmamoğlu, or their leaders.

These meetings and photographs will be your last.

The Turkish state is determined to eradicate all terrorist attacks that threaten its existence at their source.

After 1938, the CHP is Turkey's Adnan Oktar.

Just like Adnan Oktar, the CHP sells drum dust and minaret shadows to Turkey and humanity.

The CHP will end up like Adnan Oktar.

From Özgür Özel's speeches, we understand that he urgently needs a husband.

Politics is not a platform for satisfying physical urges.

The CHP is a Jewish political party.

A Jew's woman is a whore, and his man is a faggot.

After 1938, the CHP is not a political party, but a brothel.

We call on the CHP president, deputies, and delegates not to become prostitutes for Zionism.

My Dear Followers

The end of the oppression that continues around the world, especially in Palestine and Gaza, depends on the Anti-Interest Law (establishing interest-free economies worldwide), the Light and Water Games in Mosques, and the recognition of the Islamic Union by the Turkish and international public.

Let us constantly share these three vital laws on our websites and social media accounts, keeping them on the agenda until they are enacted into law in the Turkish Grand National Assembly.

The awareness of the Turkish and international public will facilitate the enactment of these laws in the Turkish Grand National Assembly.

We all see and experience how Zionism bombs Palestine and Gaza.

Let us bomb Zionism with the Anti-Interest Law, the Light and Water Games in Mosques, and the Islamic Union.

Let us teach Zionism and the universe how to fight and bomb.

My Precious One's

May the darkness we find ourselves in not frighten or worry any of you.
The moment rain is closest is when the clouds are at their blackest.
As with Noah's flood, God's mercy and blessings are very near.
For those on God's ark, there is no fear or worry; there is peace, tranquility, and joy.
Let us fill our churches and bring peace, tranquility, and joy everywhere.

This Heart is proud of you all.
This Heart loves you all very much.
See you very soon.

DOORS
INVITES HUMANITY TO SUPPORT IRAN
IN THE IRAN-ISRAEL WAR

We congratulate the Iranian state and nation, which bombed Zionism, Israel, Tel Aviv, Haifa and the Jews, on behalf of all humanity and wish them continued success.

Israel, which attacked Iran with false excuses, is not a state but a terrorist organization.

The terrorist organization Israel's target is not Iran but the occupation and enslavement of all countries in the world in the name of Zionism.

This war is a war between humanity and terrorists. This war is a war between good and evil.

We invite the countries of the world to support Iran with all their physical and spiritual strength.

The regime change in Iran is Iran's internal affair. Countries have no right to interfere in Iran's internal affairs and impose a leader.

The democratic Iranian people know better than anyone else what is best for them. The Iranian people will solve and conclude their problems in the best way with democracy.

We do not accept any attack on Iran by Israel, the US, the EU and other countries.

Every government and power that attacks Iran and supports Israel is an enemy of humanity and a terrorist.

Except for Judaism, Christians, Islam and members of other religions are brothers and sisters.

Being human is our highest identity and common denominator.

Zionism, Israel and Jews who do not recognize this identity have no place in this world.

It is humanity's most basic and primary duty to crush and destroy Zionism, Israel and the Jews.

Humanity must know its duties and responsibilities very well and must help countries such as Russia and Iran, which are in a hot war with Zionism, with all its might.

The US army must not intervene or assist in the Iran-Israel war in any way.

Christian armies have no soldiers who will fight and die for Zionism.

Humanity should never forget this biggest truth and problem of the world.

The world's greatest problem is Zionist Christians who want help and support against Zionism and Israel.

The Christian USA, EU and world armies must kill all Zionist Christians who want to help and support Israel and drain the swamp of Zionism at its source.

A handful of clowns will not be allowed to play with the fate of 8 billion people.

My Dear Followers

Our efforts to awaken humanity and learn the hidden truths continue at full speed. Due to the Iran-Israel war, there has been a need for information and updates.

Our support for our President Recep Tayyip Erdoğan, the AK Party and the People's Alliance is endless.

In these difficult times and always, we pray on behalf of all humanity that God will help and assist our President Recep Tayyip Erdoğan, the AK Party and the People's Alliance.

We say to the CHP and its supporters once again, "Bandits cannot rule the world"

My Precious One’s

We are working with all our might to reach the last minutes of the end times as soon as possible.

As always, we never believe the Zionist mainstream media and their lies. We stay away from these Zionist theaters.

We are always very careful and alert against the tales and theaters of Zionist puppets, puppeteers and clowns.

We see and tear up all the games and scenarios of the puppeteers.

Hollywood and Artificial Intelligence are not our gods.

We never worship or believe in the idols of Hollywood and Artificial Intelligence.

We believe in only one God and ask for help from Him.

Our guides are God, the Bible, Churches, Pastors, Bishops and Preachers.

We always follow God's guides and we do not exchange these sacred values for anything.

Everything is developing very well and healthily for the freedom of humanity.

As always, there is no room for anxiety, panic and fear in the lives of those who believe in God.

Everything is going as God planned. Everything is progressing under control.

My Precious One's

I am proud of you all
You are my light. You are my everything.

Beyoğlu Paint and Varnish Company, one of the founders of the Turkish paint industry and a 70-year-old company, was sealed and closed by Ankara Metropolitan Municipality (ABB) and its President İbrahim Melih Gökçek on 18.06.2012.

Our factory was closed by **ABB and its President İbrahim Melih Gökçek** with the slander that "There is no Business Opening and Operating License".

İbrahim Melih Gökçek's aim is to own our factory land. It is known that İbrahim Melih Gökçek has countless similar crimes and goals to occupy Ankara lands.

Our factory was opened after the Regional Administrative Court ruled that our company had a 24-year "Business Opening and Operation License" from ABB.

ABB prepared another report on 31.07.2012, claiming that there were some work safety deficiencies in the workplace.

The deficiencies were completed and ABB was invited for an inspection. ABB did not come for the inspection and with the slander that the deficiencies were not completed, sealed and closed our workplace on 19.11.2012.

The ABB has prolonged the process by constantly appealing the lawsuits we filed with the Ankara Regional Administrative Court.

The Council of State opened our workplace on 21.03.2023.

Our factory has remained closed for 11 years.

During this period, İbrahim Melih Gökçek and his collaborators have filed a criminal complaint against me by using their staff at the Ministry of Environment to prepare numerous false reports stating that our workplace deliberately pollutes the environment.

The Ministry of Environment has not been able to submit any official reports, measurements, analyses, minutes, photographs, videos, witnesses, complainants and health reports, etc. to the courts stating that I deliberately polluted the environment.

In the period 2012-2025, the courts were controlled and concluded by the legal staff of CIA-FETO-MOSSAD.

All information, documents and evidence regarding the crypto CIA-FETO-MOSSAD members and their collaborators have been submitted to the Chief Public Prosecutor's Office.

İbrahim Melih GÖKÇEK, Minister of the Council of State 4th Chamber Enver KAYA, Former President of the Constitution Haşim KILIÇ and Lawyer Oğuz BÜYÜKTANIR (8523) are some of these names.

This criminal case is not a legal case, it is one of the countless fabricated crimes of the Zionists.

The decision is not legal, it is Zionist.

I respectfully request that the necessary action be taken for this and similar Zionist projects that are completely against the law and disguised as law.

My Dear One's

Zionists pride themselves on not being visible. We will continue to expose Zionists on every platform.

The kingdom of mice is until cats come on the scene.

Zionist law has no effect in Turkey. The Turkish state does not recognize Zionist legal decisions. It ignores arrest and imprisonment demands.

Anxiety, doubt, worry, panic and fear are not your friends, but the Zionists'.

My ongoing cases are planned to expose many high-level Zionists.

Surah Anfal, verse 30 "While they were planning, God was planning. And God is the best of planners.

Trust in God's end-time plans and enjoy.

DOORS
CONGRATULATES DONALD J. TRUMP AND THE AMERICAN PEOPLE ON THEIR NOVEMBER 5, 2024 ELECTION SUCCESS
(1)

The November 5, 2024 US presidential elections are Christianity's second greatest success after becoming a world religion.

The November 5, 2024 US presidential elections are Christianity's declaration to the world that Zionism is over.

The November 5, 2024 US presidential elections are the victory of the Bible, the Churches and Christians.

After November 5, 2024, there will be no place for any non-Christian government in the Christian world.

On behalf of all humanity, we congratulate Mr. Donald J. Trump, who won the presidential election on November 5, 2024, and the electoral success of the American people.

After this date, there will be no place in the world for those who kill people for power and authority.

After this date, the 7000-year world domination of the Rothschilds, Rockefellers and 13 families ended.

After this date, the existence of the Jewish nation and the state of Israel ended.

After this date, humanity's most important duty is to kill 21 million Jews living on earth.

After this date, humanity's most important duty is to destroy the State of Israel and hand over the lands of Palestine to the Palestinian people.

After this date, humanity's most important duty is to kill the Jews and the Zionist sycophants who defend the State of Israel.

Every person who defends Zionism and the State of Israel is a Jew for us.

Who is a Jew **?** "They gave the Jew a kingdom, he first hanged his own father". This is the Jew.

We have all seen how the Jews have ruled the world for the last 250 years.

Jews have nothing to offer humanity other than the First and Second World Wars, the Cold War, Korea, Vietnam, Afghanistan, Iran, Iraq, Syria, the Middle East, Ukraine, Russia, and Gaza and similar wars.

DOORS
CONGRATULATES DONALD J. TRUMP AND THE AMERICAN PEOPLE ON THEIR NOVEMBER 5, 2024 ELECTION SUCCESS
(2)

We congratulate Mr. Donald J. Trump and his administration for their outstanding efforts and success in the November 5, 2024 presidential elections.

We pray to God to protect Mr. Donald J. Trump, his family and children. We pray to God to protect Mr. Donald J. Trump, his family, children, his administration and the people of the United States.

We pray for Mr. Donald J. Trump and his administration to be successful in the 2024-2028 term. We want to see Mr. Donald J. Trump and his administration as the President of the United States in the 2028-2032 and beyond terms.

The Rothschild family has been in power continuously since the 1770s on planet Earth and owns relatively every state. It is against the law, the constitution and conscience for terrorists to be in power continuously for 250 years and for democrats to lose power every four years.

The undemocratic and unlawful impositions of the Rothschilds began to collapse worldwide after Vladimir Putin came to power in Russia in 1999 and Recep Tayyip Erdoğan in Turkey in 2002.

November 5, 2024 This collapse will accelerate with Donald Trump in power. Vladimir Putin and Recep Tayyip Erdoğan are two leaders with great experience in combating Zionist deep states.

We invite Mr. Donald Trump and the Christian US state to cooperate with the states of Russia and Turkey in combating the Zionist deep states.

Zionism uses the same techniques and tactics to destroy every state. Exchanges of views between friends are very valuable. It reduces costs, saves time, and prevents the same mistakes from being repeated.

Donald Trump, Vladimir Putin and Recep Tayyip Erdoğan should cooperate closely with all world leaders in combating deep states and should also evaluate the valuable suggestions and recommendations of world leaders.

People criticize and strongly condemn the unlimited support that Donald Trump and the US state have given to Zionism, Israel and the Jews.

Why does Donald Trump support the Jews and Israel **?**

People must know this fact very well.

Those who hate Zionism, Israel and Jews most in the world are not Muslims or Russians, but Christian and patriotic Americans.

People should not confuse the Christian and patriotic American people with the Zionist and Jewish sycophant American people.

Those who give unlimited support to Zionism and Israel in the USA are not Christian and patriotic Americans, but Zionists and Jews living in the USA.

For the last 250 years, all governments in the world have been determined by the central bank money of the Rothschilds.

For heads of state and governments, cooperating with the Rothschilds and Rockefellers is not a destiny, but a necessity.

Every head of state and government in the world must play the role of a Jew lover and a Israel lover.

Every head of state and government who does not play the **role of a Jew lover and a Israel lover** will lose his state after a month.

It is the right and duty of people to play the role of a Jew lover and a Israel lover against **Jewish creatures who play the role of humans.**

In Anatolia, the guide for people in such compulsory situations is the proverb, **"Call the bear uncle until you cross the bridge."**

The Rothschilds have been paying the salaries of the American people for the last 250 years.

Those who question why Donald Trump and the US state give unlimited support to Zionism, Israel, Jews and Benjamin Netanyahu(s) **should first pay the American people one month's salaries and then talk.**

No one talks about the prices and interest that the US state and nation have paid to the Rothschilds and Rockefellers in the last 250 years.

No one talks about the prices and interest that the US state and nation will pay to the Rothschilds and Rockefellers in the 2025-2125 period.

No one talks about the struggle that the US state and nation gave to destroy Zionism in the 1776-2025 period.

No one talks about the Abraham Lincoln(s), JF Kennedy(s), Martin Luther King(s), Malcolm X(s), Michael Jackson(s), Whitney Houston(s), Karla Turner(s), Milton William Cooper(s) and the US citizens who died while destroying Zionism and criticizing the Jews.

The planet Earth and humanity have been slaves to the Rockefeller dynasties - Draconian races - for 6750 years, and to the Rothschild dynasties - Reptelian Races - for 250 years.

Which government in the world can fight these forces, supported by Galactic technologies that are at least 4 billion years old, in 4-12 etc. years **?**

Why does Donald Trump support Zionism, Israel and Benjamin Netanyahu, and make irrational statements such as expelling the Palestinian people from Gaza and the like **?**

Donald Trump, like every Christian and patriotic American citizen, is a person who hates Zionism, Israel and the Jews.

Donald Trump is a person who has been assassinated many times by Zionism, Israel, the Jews and the deep state.

Everyone sees and knows what Donald Trump has done to save the US from the slavery of Zionism, Israel, the Jews and the deep state.

No one should doubt the good intentions of Mr. Donald Trump and his administration.

In Anatolia, they say, "Good intentions, good outcome"

It is Donald Trump's right to call the Zionist bear uncle until he crosses the bridge.

Those who want to hear fair statements about the Palestinian people and Gaza should first pay at least one month's salaries of the American people and then criticize Donald Trump.

Donald Trump will pay the US people 48 times in four years. This should not be forgotten.

In Anatolia, they say, "the sound of a drum is pleasant from afar."

In order for Donald Trump to speak the truth and justice about the Palestinian people and Gaza, the US must be freed from Zionist financial slavery.

The most important step for the US to be freed from Zionist financial slavery is to nationalize the US Federal Reserve, which belongs to the Rothschilds.

In order for the US Federal Reserve to be nationalized, it is essential that 335 million US and 8 billion world citizens support Donald Trump 24/7.

It is not an easy task for a president, a handful of people, Christians and patriots to destroy the 7000 years of Zionist oppression in 4-12 etc. years.

We invite the people who criticize Donald Trump 24/7 about Palestine and Gaza and all humanity to organize written and visual campaigns for the nationalization of the world's central banks.

This picture in the USA is the same in every country in the world.

CONGRATULATES DONALD J. TRUMP AND THE AMERICAN PEOPLE ON THEIR NOVEMBER 5, 2024 ELECTION SUCCESS

If we look at the Zionist centers, the Rockefellers won the US presidential elections on November 3, 2020 and the Rothschilds won the elections on November 5, 2024.

Zionism is unlawful, so it is against the law for these families to win the election. If the Rothschilds and Rockefellers had entered the elections with their own surnames, the votes they would have received would have been zero.

It is a great success for the Rothschilds and Rockefellers to come to power by receiving zero votes.!!!! The Zionist world has been ruled by number zero idiots for 7000 years.

World leaders are in power but they are not powerful.

People who do not know Zionism, Israel, Judaism, the Rothschilds and Rockefellers well have no right to complain about their own heads of state.

People who cooperate with the Zionists who have zero votes are no different from the zero-numbered idiot Zionists.

The Rockefellers are the ones who started the Russia-Ukraine and Gaza wars in the recent period, and the Rothschilds are the ones who will continue them.

In Anatolia it is said, "Infidelity is one nation."

Donald Trump should use his power to kill and destroy the Rothschilds, Rockefellers, 13 Families, Jews and their collaborators instead of deporting the people of Gaza to other countries and occupying Gaza with the US army.

Serving Zionism is a very dangerous weapon. This weapon will definitely backfire and kill its owner.

Who is Benjamin Netanyahu ?

Benjamin Netanyahu, whom we saw as the prime minister in the Gaza war, is a Rothschild (Reptelian) clone.

The real Benjamin Netanyahu is hiding in a mouse hole of every Jewish rich man.

A very large portion of the wars in world history are Rockefeller and Rothschild wars. In these wars, the soldiers of Rockefeller and Rothschild are ignorant people who died for "nothing".

The Rothschilds' aim for the 21st century and beyond is to build a large port that will connect Asia and the US. The region chosen for this purpose is Gaza.

The same project is also present in the Rockefeller programs. This is the reason for the Gaza war in short.

The most important conclusion to be drawn from the Gaza war is that people should learn to look at world politics through the eyes of the Rothschilds and Rockefellers.

States and institutions that do not know the future agenda, plans and programs of the Rothschilds and Rockefellers cannot save themselves from being extras and victims.

What is the truth of the visit of the genocide criminal, thief, murderer, human and drug dealer, and terrorist Benjamin Netanyahu, for whom the International Criminal Court has issued an arrest warrant, to the White House on February 4-5, 2025 **?**

How should we read and understand the White House visit and President Donald Trump's irrational and absurd statements such as Palestine, Gaza and the expulsion of the Palestinian people from Gaza ?

After January 20, 2025, there will be two Donald Trumps in the White House. **The first is the real Donald Trump and the second is the Rothschilds-Mossad Clone Donald Trump.**

Donald Trump, who met with Benjamin Netanyahu at the White House on February 4-5, 2025 and talked nonsense, **is the Rothschilds-Mossad Clone Donald Trump.**

The real purpose of Clone Donald Trump's ridiculous rhetoric, such as expelling the people of Gaza from Palestine and turning Gaza into a city of vacations and casinos, **is to drive humanity's nerves to the edge and start World War III.**

People and states should be very careful and calm against such Zionist traps. The greatest strength of Zionism is people's ignorance.

i) Donald Trump has to allow such theatrics in order to maintain his four-year rule.

ii) The US state and people should be very careful against the traitors and clowns who applaud Clone Donald Trump.

The second-term Donald Trump administration is also full of Zionists, Jews, collaborators and Israel sycophants, as always.

The US state and people should know these treacherous Zionists, Jews, collaborators and Israel sycophants very well and put an end to their duties.

This type of Clone Donald Trump theatrics will continue until the US Central Bank, the Federal Reserve, is nationalized.

iii) The purpose of the Rothschilds and Rockefellers with this type of theatrics is to discredit the real Donald J. Trump, make humanity hate him, and get rid of one of their biggest rivals in the world.

People should know how to protect their honest leaders and not fall into the trap of Zionism and be governed by biological robots.

iv) The irrational, nonsensical and idiotic statements of the clone Donald Trumps, Rothschilds and Rockefellers have no value for humanity.

We tore them all up and threw them in the trash. We will tear them all up and throw them in the trash.

After 2010, Clone Technologies have entered Turkey very rapidly. Abdullah Gül, Ahmet Davutoğlu, Bülent Arınç, Ali Babacan, Özgür Özel were killed and replaced with their clones.

These individuals we see today are biological robots working for the CIA and MOSSAD. The clones are controlled by a group of **expert CIA and MOSSAD engineers called Handlers.** This fact will be seen when the close circles of these individuals are carefully examined.

The reason for Abdullah Gül, Ahmet Davutoğlu, Bülent Arınç and Ali Babacan's 180-degree turns and their betrayals of Recep Tayyip Erdoğan, the AK Party and the Turkish nation is that these individuals are clones.

There is no difference between the past and 180-degree turns of these individuals and the past and 180-degree turns of Clone Donald Trump.

Politicians, journalists, academics and researchers who do not know about the Clone technologies in the world have no chance of reading, understanding and explaining world politics correctly.

How should we interpret Donald Trump's desire to annex Greenland?

It is not the real Donald Trump who wants to annex Greenland, **but the Clone Donald Trump.**

It is not the US who wants to annex Greenland, but the Rothschilds. The Rothschilds **have others do the illegal work** and stockpile the money and precious metals themselves.

The Rothschilds' aim in this project, as always, is to have the US state and people do the dirty work and become the owner of Greenland behind the scenes.

Denmark is a country that is relatively owned by the Rothschilds. Therefore, Greenland relatively belongs to the Rothschilds.

The Rothschilds' aim is to create chaos in every country in the world, especially in Russia-Ukraine, Israel-Palestine, Canada, Greenland, Panama, Mexico, South Africa, **and to drag humanity into World War III.**

Russia belongs to the Russian people, Ukraine to the Ukrainian people, Canada to the Canadian people, Greenland to the Danish people, Panama and the Canal to the Panamanian people, Mexico to the Mexican people, South Africa to the South African people, Palestine to the Palestinian people.

But Israel does not belong to the Jews. Israel and the Jews are the world's largest terrorist organization. Terrorist organizations have no state or territory.

World leaders must be alert to the traps offered by the Rothschilds and Rockefellers that will make people fight each other.

Humanity must learn to look at world politics, economics and history through the eyes of the Rothschilds and Rockefellers.

It is impossible for people to succeed without knowing what the Rothschilds and Rockefellers were trying to do and their short-term and long-term goals.

The most important thing that politicians, journalists, academics, researchers and citizens who want to solve the country's problems should do is to follow the Rothschilds and Rockefellers.

Because these groups have been following us 24/7 for 7000 years.

The attempt of humanity and the Turkish nation to solve the country's problems without understanding the Rothschilds and Rockefellers is a boatman's fight, pounding water in a mortar.

The aim of Zionism is to make people fight a boatman's fight and pound water in a mortar.

We invite humanity to write a Book on Combating Zionism.

We invite humanity to make the Book on Combating Zionism the third most read book after the Bible and the Quran.

We invite the world ministries of national education to include lessons on combating Zionism in their curricula.

Zionism is the art of enslaving humanity and states.

What is humanity doing while Zionism has been using Galactic technologies that are at least 4 billion years old to enslave humanity and states for 7000 years **?**

How aware is humanity of the Zion Protocols, which are the cause of every oppression it has experienced **?**

We invite humanity to focus on the greatest Zionists, the Rothschilds, Rockefellers, 13 Families, Jews, Israel, Freeasons and their collaborators.

How many wars have these centers started and killed people in the last 250 years for world domination **?**

How many wars will these centers start and kill people after 2025 for world domination **?**

How much knowledge and preparation does humanity have against Zionism, which has been killing and exploiting humanity 24/7 for 7000 years **?**

We invite humanity and the youth to learn and fight against Zionism in the best way possible.

The British Jewish Rothschilds are the world's largest terrorist organization. They own the Central Banks in 190 countries.

Their founder is Mayer Amschel Rothschild. Mayer Amschel Rothschild became the owner of Europe by sending his five sons to London, Paris, Frankfurt, Naples and Vienna in the 1770s.

The establishment of the State of Israel was not in 1948 but in the 1770s. **The state known as the European Union today is not Europe but the secret state of Israel.**

The people of Europe who do not object and rebel against Zionism in the European Union are the slaves of the Rothschilds and the Jews.

From the 1770s to the present day, most of the people known as emperors, kings, queens, presidents, prime ministers, generals, politicians, diplomats, judges, prosecutors, lawyers, businessmen, academics, historians, archaeologists, doctors, journalists, artists, athletes, high-level executives, etc. **in Europe are poodles serving the Rothschilds.**

The most famous poodles serving Zionism and Rothschilds in Europe are Queen Elizabeth II and King Charles III. This list is long.

Rothschild means red shield in German. Shield, arrow and red are the symbols of Rothschilds.

When **Mayer Amschel Rothschild** became the owner of paper money and banking system, he said, "This red color will one day own the world."

What is the greatest wealth of Rothschilds as of 2025 **?**

The greatest wealth of Rothschilds is not central banks, interest, money, gold, silver, precious metals, industry and commercial enterprises.

The greatest wealth of Rothschilds is well-educated human resources. After the 1770s, Rothschilds spent the most money on educating people.

What Rothschilds understand by well-educated people is MOSSAD agents and spies.

After the 1770s, all countries of the world were filled with citizen masked MOSSAD agents. The aim of these agents was to take over the country's administrations with national identities.

MOSSAD is the intelligence agency of the Rothschild family, not the Israeli state.

Jews are the mine donkeys who die for nothing for the Rothschilds.

Every country should introduce to its people the secret Jews and collaborators that the Rothschilds have placed in their countries in the last 250 years.

Humanity cannot solve any of its problems unless it knows very well the crypto enemies of humanity who have been working for the Rothschilds and Rockefellers, especially in the last 250 years.

We invite humanity to get to know the intelligence terrorist organizations owned by the Rothschilds and Rockefellers.

We invite humanity to get to know the heads and managers of MI6, CIA, BND, MOSSAD and similar terrorist organizations.

We invite humanity to learn the actions, working techniques and murders of MI6, CIA, BND, MOSSAD and similar terrorist organizations.

We invite Mr. Donald Trump to end the Russia-Ukraine war as soon as possible as his first action and most important duty.

Russia's fight against Zionism is also humanity's fight for freedom and independence.

Russia is fighting against Zionism, the Rothschilds, the Rockefellers, the Jews, Israel and their collaborators in the world's largest geography.

For Russia, Belarus and Ukraine are the same two countries. We see the difference between the two. The Belarusian state and people are a people who know and understand Zionism. The Ukrainian state and people are a people who do not know and do not know Zionism.

The Ukrainian state and people could have lived the last three years without war like Belarus.

It is never too late to make the right decisions.

We invite the Ukrainian state and people to know and learn about Zionism. We invite the Ukrainian state to protect its people like Belarus.

We call on the Ukrainian state and people to fight against Zionism, the Rothschilds, the Rockefellers, the Jews, Israel and their collaborators.

The political and economic sanctions imposed by the US and the European Union against Russia are major crimes against humanity. Sources report that President Donald Trump was killed in a helicopter that collided with a plane near Washington on January 29, 2025.

The person who died in this accident is a clone of Donald Trump and belongs to the real Donald Trump.

The real Donald Trump has been protected in a military base in recent years and has been governing his country from there.

Those who killed President Donald Trump on January 29, 2025 and those who killed Adnan Menderes on September 17, 1961 are the same centers. The reason President Donald Trump was killed is his declaration that he is a Christian, his respect for the Bible and the Churches, and his support for Christianity worldwide.

Donald Trump has brought Christianity, which Zionism has forgotten by making large investments in the USA for many years, to the highest level in his presidency.

The fear of Zionists is that all future US presidents will be Christians.

Another important aim of this assassination is to kill President Donald Trump and, as in September 11, 2001, to blame Iran and start a 3rd World War in the Middle East.

The real Donald Trump is what we see between November 5, 2024 and February 1, 2025. After this date, the one who turns 180 degrees and talks nonsense and idiocy is Clone Donald Trump.

The US and England can easily become the owner of a state with a clone. **For these powers, one clone is one state, ten clones are ten states.**

The Rothschilds and Rockefellers are in a constant race to kill and replace each other's clones.

People who follow world politics need to be able to see these struggles behind closed doors in order to make correct comments.

The country that is subject to the most political and economic sanctions in the world after Russia is Iran.

Iran is experiencing what Turkey experienced between 1938-2002. This period is a period when Turkey was 100% controlled by the Rothschilds and Rockefellers. Iran, just like Turkey, was controlled by the Rothschilds after World War I and by the Rockefellers during the reign of Shah Reza Pahlavi.

The Rothschilds became the owners of Iran and its oil again in 1979 with Ayatollah Khomeini. For the Rothschilds, the code name for taking over a country from within is revolution.

The socialist revolution and revolutionaries in the world are ignorant and stupid people who fight and die for the Rothschilds.

The 1979 revolution in Iran is not an Islamic revolution but a hidden communist revolution. The definition of the Islamic Republic of Iran is nothing more than symbols that mask this communist revolution.

The reason why Iran is a communist country like Cuba and North Korea is the secret Rothschild domination in the country.

The biggest traitor in Iran is the British Jew and Mossad **agent Ayatollah Ali Khamenei. Ayatollah Ali Khamenei is** the equivalent of Presidents Celal Bayar, Cemal Gursel, Cevdet Gunay, Fahrettin Koruturk, Kenan Evren, Suleyman Demirel, Ahmet Necdet Sezer and Prime Minister Bulent Ecevit in Turkey.

The biggest enemy of Zionism, Israel and Jews in the world is Islam and Muslims.

Zionism's biggest project and success to divide and disintegrate Islam and Muslims is Shiism.

Shiism is Islamic Judaism. Shiism is not Islam. Shia is not Muslims. Shia is Jewish candidates disguised as Muslims.

We invite Shia to repent and become Muslims.

Iranian Jews have made Shiism dominant in the religion of Islam.

Shiism has been working to destroy Islam and Muslims for a thousand years.

Shiism has only been able to dominate 10% of the Islamic world in a thousand years.

Iran's mission in the 20th and 21st centuries is to protect the state of Israel.

After Zionism, Iran is the country that kills the most Muslims in the world.

Iran is a machine gun that kills Muslims for Zionism, Israel, Rothschilds and Rockefellers in the Middle East.

Hezbollah, ISIS and the Houthis are the largest Rothschild terrorist organizations financed by Iran with oil revenues.

Iran (Rothschilds and Rockefellers) finances and trains countless terrorist organizations in all Middle Eastern countries, **especially in Iraq, Syria, Lebanon and Yemen.**

Hashd al-Shaabi, Kataib Hezbollah, Badr Organization, Asaib ahl al-Haq are Shia terrorist organizations active in Iraq.

Lebanese Hezbollah, Syrian Hezbollah, Badr Brigades, Fatimiyoun Brigade, Zeynebiyoun Brigade, Ammar bin Yasir Brigade, Imam Hassan Brigade, Sayyida Ruqiya Brigade, Iraqi Hezbollah, Sayyid al-Shuhada Brigades, Martyr Mohammad Baqir al-Sadr Brigade, Asaib ahl al-Haq organization, al-Hamad Brigade, Seddu Shuhada Battalions, Hezbollah Nujaba Movement, al-Vaat al-Sadiq Unity, Asadullah Galib Brigade, Ansar al-Aqida Units, Haddam al-Aqilah, al-Hussein Brigade, Nafiz Assadullah Units, Kataib Imam Ali, Abu Fazıl Battalion, Jaish al-Shaabi, Abu Fadl Abbas Brigade, Qutub al-Rida, al-

Ghalibiyyun, Zulfiqar Brigade, Kuteyb Seyyed Shuheda **are Shiite terrorist organizations active in Syria.**

The Houthis (Ansarullah) are the largest terrorist organization working on behalf of Iran and the Rothschilds in Yemen.

These organizations are a small part of the terrorist organizations operating in the Middle East.

As can be easily understood from this table, these are not terrorist organizations but secret companies, battalions, brigades and divisions of the Zionist US and EU armies fighting in the Middle East.

The ships bombed in the Red Sea are not the ships bombed by the Houthis (Muslims). The Zionist EU armies (Rohtschilds) are bombing the Zionist US (Rockefeller) ships in the Red Sea.

In the Middle East, Zionist EU armies and US armies are fighting each other.

As a result, Islam is presented to the world as the religion of terror and Muslims as terrorists.

All Muslim countries, especially Iran, should be alert and should not be stupid soldiers who die and kill for Zionism.

This picture seen in the Middle East is the same everywhere in the world.

Human beings should be alert and should not be stupid soldiers who die and kill for Zionism.

The 47th verse of the Surah Al-Hajj says, "A day with your Lord is like a thousand years that you count."

An hour with God is 41.7 years. In divine time, an 80-year human lifespan is 2 hours.

In short, God wants people to be patient with His laws and rules for two hours.

7000 years is like 7 days in divine time and space.

People should stay away from people who do not know the last 7000 years as 7 days. **Christian and Muslim scholars are the ones who best explain the last 7000 years to people.**

This verse should be the measure of time and space for people who interpret today's world politics and history.

The universe and the world progress on the basis of divine time.

Not looking at events from the basis of divine time makes it difficult and often impossible to understand politics, history and life.

Zionists plan all their work according to time periods of at least 10-50-500-1000 etc. not because they are very smart but because they have to.

The biggest obstacle in front of the Rothschilds who planned world domination in the 1770s is the Islamic world.

MOSSAD was established in these dates. In these dates, the Rothschilds' biggest rivals in the Middle East were the Arabs, Kurds, Turks and Iranians.

In order to dominate Asia and China, the Rothschilds spent the most money to tear these nations apart from the inside and make them enemies of each other.

The reason for the wars and terror we have witnessed in the Middle East in the last century is the Rothschilds' banknote printing houses that print money 24/7.

The communist and socialist regime under the mask of Islam in Iran, headed by Ayatollah Ali Khamenei, has come to an end, just like in Soviet Russia, and will collapse in the coming months.

The CIA and Mossad have not given up on their plans to make Iran fight with regional countries and cause a civil war.

The political and economic sanctions imposed by the US and EU on Iran, just like Russia, are crimes against humanity. We reject all of these unlawful and immoral sanctions.

We call on humanity to reject all political and economic sanctions of the CIA and Mossad aimed at destroying Iran in the last fifty years.

We call on world states, leaders, institutions and organizations to develop their political and economic relations with Iran without any obstacles.

The best example for Iran is Turkey, Recep Tayyip Erdoğan and the AK Party.

Everyone should be able to run for President in Iran.

The Zionist dictatorship period in Iran, where the CIA and Mossad determined the presidents, has ended.

Turkey will not allow any political and economic destruction project of the CIA and Mossad, including a civil war, against Iran.

In the name of humanity, we wish our Iranian brothers success in their struggle for democracy, freedom and independence.

Syria is the second country in the Middle East that has been subjected to the greatest Zionist destruction after Palestine.

The Baath is a project to make Islamic civilization and Arabs communist. The Baath is Islamic socialism.

The Baath project is a much bigger project than Zionism's project to make the world communist and socialist.

The founder of communism and socialism is Karl Marx, and the founder of the Baath is the Jewish Mossad agent Michel Eflak who looks like an Arab.

Every communist, socialist, leftist, democratic leftist, leftist and revolutionary in the world are slaves and soldiers of the Rothschilds who died for nothing.

Michel Eflak is a Rothschild terrorist.

The Jewish Mossad agent Michel Eflak is a much bigger murderer than Karl Marx.

Zionism means an open-air prison. The Baath regime has turned Arab countries into open-air prisons.

Hafez al-Assad and Bashar al-Assad are among the greatest dictators and murderers that human history has ever seen.

The 61-year Arab Socialist Baath Party, the 53-year rule of Hafez al-Assad and Bashar al-Assad **have turned Syria into Sednaya prison, where fifty people are executed every day.**

Sednaya prison was built by Jewish Auschwitz engineers from Germany. The dream of Zionism and the Jews is to make the world an Auschwitz.

The 61-year Syrian Baath regime was destroyed by the Syrian National Army on December 8, 2024.

On behalf of humanity, we thank the new leader of Syria, Ahmed Hussein al-Shara, for his understanding of governance that is free from hatred, grudges, and revenge and that is fair to the Syrian people, and we wish him continued success.

The best example for the Syrian people and the new administration is Turkey, Recep Tayyip Erdoğan and the AK Party.

We invite the Syrian people and the new administration to continue their struggle for democracy and development under the guidance of Turkey, Recep Tayyip Erdoğan and the AK Party.

We invite Syrian leader Ahmed Hussein al-Shara to crush the heads of all terrorist organizations, including the PKK/YPG SDF, the world's largest terrorist organization that wants to turn the Middle East and Syria into a Gaza and has killed fifty thousand people in fifty years.

We invite Syrian leader Ahmed Hussein al-Shara to be careful against Mossad agents and terrorists like Mazloum Abdi.

Farhad Abdi Shaheen, who uses the code name Mazloum Abdi, is not a Kurd but an Armenian.

He is the adopted son of **Armenian Agit Agopyan (Abdullah Öcalan), one of the world's greatest terrorists.**His aim is to establish an Armenian state in Turkey, Syria and Iraq.

Mazloum Abdi, an Armenian masked Syrian Kurd, is a terrorist who is the commander of the MOSSAD SDF (Syrian Democratic Forces) army, who deceived Kurdish youth in Turkey, Syria, Iran and Iraq and killed fifty thousand Christians and Muslims in the region.

Turkey will not allow any Zionist political and economic destruction project of the CIA and Mossad, including the civil war against Syria.

In the name of humanity, we wish our Syrian brothers success in their struggle for democracy, freedom, independence and economic development.

In the name of humanity, we thank all world leaders, individuals, institutions and organizations that have provided physical and moral support to the struggle of Russia and Vladimir Putin's administration to destroy the 250-year-old Zionist Rothschild and Rockefeller order.

We call on humanity to provide physical and moral support to all heads of state, governments, institutions, organizations and individuals who are fighting against Zionism.

In order to destroy Zionism, people's physical and moral support to heads of state, governments, institutions, organizations and individuals is very important.

People are not spectators in this world, but actors. Let's not be spectators in humanity's struggle against Zionism, let's help.

On behalf of humanity, **we thank North Korean President Kim Jong-Un for the generous support** he has given to Russia, Vladimir Putin and his administration, who are fighting to destroy Zionism.

We invite President Kim Jong-Un to abandon the socialist and single-party system of government, to switch to a multi-party parliamentary system of government based on fundamental rights and freedoms, and to introduce democracy **to the North Korean people.**

We want to see democratic North Korea as a rich and prosperous country like democratic South Korea.

The name of Shiism in Anatolia is Alevism. One of the greatest projects and successes of Zionism aimed at dividing and fragmenting the Turkish nation is Alevism that is a thousand years old.

Alevism is Islamic Judaism. Alevism is not Islam. Alevis are not Muslims. Alevis are Jewish candidates who appear to be Muslims.

The proof of this fact is the Alevis' thousand years old grudge and hatred towards their own state.

There is no difference between the Alevis' grudge and hatred towards the Turkish nation and the Jews' grudge and hatred towards the people they call goyim - animals.

Judaism is seven thousand years old, while Alevism is a thousand years old. Despite its thousand-year history, Alevism has countless common points with Judaism.

95% of the leftists, socialists, revolutionaries and communists in Turkey are Alevis.

Alevis are the greatest enemies of the US in Turkey. Hostility towards the US is one of the greatest policies of the Rothschilds in the world. The Rothschilds control and protest the Rockefellers with leftists, socialists, revolutionaries and communists in the countries.

Alevis are the secret army of the Zionist Rothschilds who divided Turkey into 22 parts in 1918.

The Alevis who killed and were killed during the 1960-2002 terror period are the secret soldiers of the Rothschilds. The Rothschilds are

using the Alevis to remove or weaken Koç Holding and Tüsiad from Turkey.

The Rothschilds are controlling and using the Alevis with Armenians wearing Alevi masks. The Ailevis are also the secret soldiers of the Armenian army. All of the Alevis who killed and were killed during the 1960-2002 terror period were guided by the Armenians.

The people that Armenians who live with the dream of establishing a Greater Armenia state in the Middle East, including Turkey, trust the most in Turkey are the Alevis. The identity that Armenians prefer and feel most comfortable with in Turkey is Alevism.

Alevis continue to be voluntary soldiers of Imperialism by voting for all leftist, socialist and communist separatist parties in Turkey, especially CHP and DEM.

Alevis consider themselves as real Turks and Muslims, and Sunni Turks as barbarian-animal-people who know nothing but killing Alevis.

Jews consider themselves as real and noble people, and non-Jews as barbarian-animal-people who know nothing but killing Jews.

Alevis' greatest goal is to become president and rule the Turkish state. **Alevis** think of themselves as the most intelligent and clever people in Turkey.

They believe that if they govern Turkey themselves, they will make Turkey a richer country than Germany and Japan.

Alevis do not have a single shred of correct information about Zionism, Rockefellers, Rothschilds, Jews, Masons, Alevi Armenians and their collaborators, whose servants and slaves they are.

Alevis think that being in power means being everything. Alevis have no idea where they will find the money when they come to power.

Alevis have no criticism, objection or rebellion against the Rothschilds' 200-year-old interest and financial exploitation system.

For Alevis, the greatest imperialists are Sunni Turks.

Alevis believe that in order to come to power, Sunni Turks must first be saved.

For Alevis, there is nothing more valuable in the world than gardening for Zionism and voting for CHP, DEM and communists.

Alevis know tens of thousands of traitors, such as Zionist Christian Armenian mason Kemal Kılıçdaroğlu, as Turks and Alevis.

Alevis have nothing to say to the Jews and Armenians who divided Turkey into 22 countries in 1918 and poisoned Atatürk to death.

However, Alevis have much to say to Recep Tayyip Erdoğan and the AK Party, who have been fighting the Jews and Armenians who poisoned Atatürk to death for 60 years.

Atatürk is the greatest known anti-imperialist in world history.

In the history of the Republic, the leader who fought against imperialism the most, like Atatürk, is Recep Tayyip Erdoğan.

We invite Alevis to tell us what they have done for Mustafa Kemal Atatürk and contemporary civilization in 102 years.

We invite Alevis to compare themselves to Recep Tayyip Erdoğan in the fight against Imperialism.

We invite you to compare the 102-year-old CHP with Recep Tayyip Erdoğan and the AK Party in terms of fighting against imperialism.

You do not need to be a president or a state owner to serve a country. You can also provide these services at an intellectual level.

What is the mentorship that Alevis have provided to the Turkish nation and humanity in the last century ?

In the Middle East, Shiite terrorist organizations define themselves as the Ahl al-Bayt and believe that only they can save Islam and humanity from backwardness.

Alevis also define themselves as the Ahl al-Bayt and believe that only they can save Islam and humanity from backwardness.

Historically, Shiism and Alevism are terrorist organizations and armies of Zionism disguised as the Ahl al-Bayt.

Most of the Shiite and Alevi leaders are agents of the Rothschilds and Mossad. After the 1770s, Shiism and Alevism are the work and property of British Jewry.

States are taken over by armed or unarmed terrorist organizations.

Turkish Alevism is the biggest terrorist organization in Anatolia of Rothschilds and Mossad.

After 1938, CHP is one of the biggest unarmed/armed terrorist organizations in the world.

Alevis give the biggest support to these and similar parties. Alevis love and support Shiite terrorist organizations in the Middle East.

We all see how Iran and terrorist organizations in the Middle East saved Islam and humanity.

Alevis have been complaining about the injustice among Turks for 900 years, Seljuk and Ottoman oppression.

Alevis were saved from the injustice and oppression they claimed in 1923.

We all see how Alevis governed and protected Turkey after 1923.

Being a soldier of imperialism and terrorist organizations is not being Turkish and Muslim.

After the Jews and Armenians, the Alevis were the ones who stabbed Atatürk in the back.

The biggest enemies of Atatürk in Turkey are the Alevis.

The biggest terror in Turkey is Alevism.

The biggest terrorist organization in Turkey is Alevism.

The God of the Alevis is Raki, the Prophet is white cheese, Ali is grilled fish, Hasan is meatballs, Hüseyin is tenderloin, Ahlul Bayt is appetizers, the Twelve Imams are fruits and nuts, the Quran is Saz and the Mosque is a nightclub.

We invite the Alevis to repent and become Muslims.

We invite the Alevis to wake up from the thousand-year-old sleep of heedlessness and misguidance.

Shiism, Alevism and Bektashism have nothing to do with Islam.

These belief systems are terrorist ideologies disguised as religion that Zionism has created using Islam.

We invite people interested in Islam to stay away from the ideologies of Shiism, Alevism and Bektashism, which are a religious trap of Zionism.

A MINISTRY OF COMBATING ZIONISM
(8)

The Turkish nation should learn to read and understand its own history through the history of the Rothschilds and Rockefellers.

People have no chance of success unless they ask themselves, "What do the Rothschilds and Rockefellers think of me **?**"

Because the Rothschilds and Rockefellers definitely have a plan for every person in the world, more or less.

It is the duty of people to see these plans very early and take precautions 0-10-70 etc. years in advance.

In these matters, the Rockefellers have very large investments for 6250 years and the Rothschilds for 250 years.

The people, institutions and organizations that we have lived with for hundreds and dozens of years are either hired killers or informants of the Rothschilds and Rockefellers.

It is enough for Jews to make a simple eyebrow or eye gesture to kill a person who is their rival.

The hired killers of Zionism - Jews - who receive these messages will immediately take action. Because poisoning and killing people is a very profitable investment for Jews. For 7000 years, Jews have been proud of the murders they have killed and had killed.

Killing people is a great respect, rank and position for Jews.

In 2023, four very healthy Turkish citizens were poisoned and killed by Jews.

Journalists **Mehmet Barlas and Engin Ardıç,** former minister **Yaşar Okuyan and artist Ayla Algan** became victims of Zionism. Jewish citizens who use the code names journalists Mehmet Barlas, Engin Ardıç and Ayla Algan are supporters of the Rothschilds.

Their support of the Rothschilds, Recep Tayyip Erdoğan and the AK Party against the Rockefellers was their downfall.

The Zionist Armenian Christian, who used **the code name Yaşar Okuyan**, was poisoned to death by the owner and chief physician of the Başkent Hospital, **Prof. Dr. Mehmet Haberal,** where he came for treatment.

Freemason Prof. Dr. Mehmet Haberal is one of the greatest hired killers of Zionism and the Rockefellers in the world. Yaşar Okuyan was killed because he supported the Armenian Zionist Christian Kemal Kılıçdaroğlu against the Rockefellers' presidential candidate.

Prof. Dr. Mehmet Haberal attended the funeral prayer of Yaşar Okuyan, whom he killed, in Yalova. On May 4, 2002, CIA agent Mehmet Haberal tried to poison and kill Mossad agent Prime Minister Bülent Ecevit, who fell ill and was taken to the Başkent Hospital, but he failed.

Bülent Ecevit was warned and taken from the hospital. Jews love to attend the funeral prayers of the people they kill. Such ceremonies give them great pleasure.

The Turkish nation must know Jacob Rothschild and his ancestors very well.

The Turkish nation must know that the Sebatay Jews, who use the code names **Prof. Dr. Tansu Çiller and Prof. Dr. Canan Karatay, are high-level agents of Mossad and the adopted daughters of Jacob Rothschild.**

The Zionist Jewish doctor who uses the code name **Prof. Dr. Osman Müftüoğlu is a CIA agent working for the Rockefellers.**

The duty of doctors like **Prof. Dr. Canan Karatay and Prof. Dr. Osman Müftüoğlu** is to poison and kill the richest Turkish citizens.

Because the rich Turks are the rivals of the Jews and leave them unemployed and penniless.

Every rich citizen who gets sick looks for a very good doctor. The very good doctors are Jews waiting to poison and kill you. This is Zionism. The devil is in the details.

The owner of Ülker Gıda, Sabri Ülker and his son Murat Ülker are CIA agents who serve the Rockefellers. Ülker Gıda is a secret Rockefeller organization.

Besim Rockefeller, who uses the code name Besim Tibuk, is related to Rahmi Koç and is a cousin and grandson of his uncle. **Besim Rockefeller manages the gambling and drug traffic in Turkey and the Middle East.**

Former Ankara Metropolitan Municipality Mayor **İbrahim Melih Gökçek is a Crimean Karaite Jew** who uses the code name.

İbrahim Melih Gökçek is one of the highest-ranking Mossad agents in Turkey. Jewish mayors' duties are to turn fields worth a thousand USD into real estate worth at least one billion USD.

Melih Gökçek had an amusement park called Anka Park built in the Atatürk Forest Farm by spending 450 million USD. 20-30 citizens would be killed in the roller coaster rides of this amusement park, and Recep Tayyip Erdoğan and the AK Party would be overthrown from power.

Recep Tayyip Erdoğan, who learned of this plan, dismissed İbrahim Melih Gökçek, a British citizen and traitor with a long criminal record.

Enka Holding and Çimtaş are secret Rothschild organizations.

Sancak Holding: Jews using the code names Ethem Sancak and Murat Sancak are the general managers of many secret investments of Rothschilds in Turkey. **BMC and Sancak Pharmaceutical Warehouse** are known to be the owners of many institutions.

Tosyalı Holding: Jews using the code names Fuat Tosyalı are the general managers of iron and steel investments of Rothschilds in Turkey.

Uzan Holding: Jews using the code names Kemal Uzan, Murat Hakan Uzan, Cem Cengiz Uzan **are the poodles** of Rothschilds in Turkey.

Cem Uzan, who lives in France, transferred 6 billion USD of money he stole from his own banks abroad in 2003.

The Turkish state was able to pay off this debt by spending 17 billion USD.

The 17 billion USD loss will not be left to Cem Uzan and will be collected from him.

Cem Uzan is one of the biggest thieves in human history.

DOORS
INVITE TURKISH LAW PEOPLE TO FIGHT AGAINST ZIONISM.

We invite Turkish legal experts to file criminal complaints against Zionist institutions, organizations and individuals based in Turkey for all the crimes they have committed.

We invite our Turkish judges, prosecutors and lawyers to file criminal complaints against Koç Holding and Rahmi Rockefeller, Ali Rockefeller and Ömer Rockefeller, who use the fake name Rahmi Koç, for all their crimes.

We invite our Turkish judges, prosecutors and lawyers to file criminal complaints against the Israeli theft network, which uses the fake name TÜSİAD, for all their crimes.

Koç Holding and TÜSİAD smuggled 80 billion USD abroad in 2024. This money, which should be in Turkish national banks, is being sold back to our state as 100 billion USD a year later.

This Zionist robbery system has been operating in this way for 250 years.

This Zionist robbery system was put to an end in 2020 with the Anti-Interest Law announced on **www.islaminnuru.com -Duyurular and www.doorsnews.com.**

When this law becomes law, it will be impossible for Zionism to smuggle money out of Turkey and abroad.

Law exists to serve a country and people at the highest level. Lawyers are the spiritual owners of a country. The duty of lawyers is to see lawlessness and injustice before anyone else and to take precautions. **Every lawyer must question themselves about what they have done for Zionism, which is the greatest lawlessness and injustice.**

Lawyers who do not object to or rebel against Zionism are the gardeners of Zionism.

Lawyers who do not object to or rebel against Zionism are responsible for the money that Koç Holding and TÜSİAD smuggled out of Turkey.

The money that Koç Holding and TÜSİAD smuggled out of Turkey will be collected from Turkish lawyers by seizing their salaries, real estate and retirement salaries.

We congratulate our President Recep Tayyip Erdoğan, the valuable chairmen and executives of the People's Alliance, judges, prosecutors and lawyers, who have bravely confronted every crime of Zionism, with our most heartfelt feelings on behalf of the Great Turkish Nation and Humanity, and wish them continued success.

ANNOUNCEMENT
TO THE MINISTER OF JUSTICE, MR. YILMAZ TUNÇ
AND
THE MINISTER OF INTERIOR, MR. ALİ YERLİKAYA
(1)

On June 30, 2021, I filed a defense petition with the Ankara 7th High Criminal Court regarding my work and the case that resulted in my acquittal.

With this defense petition, I also filed a criminal complaint against Koç Holding, Rahmi Koç, Ali Koç, Ömer Koç for all the crimes they committed and the 65 billion USD they smuggled abroad.

I requested the Ankara 7th High Criminal Court to file a criminal complaint on behalf of the Great Turkish Nation for all the crimes Koç Holding, Rahmi Koç, Ali Koç, and Ömer Koç committed and the 65 billion USD they smuggled abroad.

I invited the Ankara 7th High Criminal Court and Chief Public Prosecutor's Offices to make the Anti-Interest Law the priority agenda of the Turkish courts and to lead the fight against the Zionist exploitation system on a legal basis.

My defense petitions are prepared far from legal procedures. The reason for this is to measure the intelligence, level of intelligence, professional dominance, and honesty of judges, prosecutors, and lawyers.

When we open a case, the judges will either make the right decision in accordance with the law or **they will have to reveal that they are traitors, FETÖ, CIA or MOSSAD's crypto agents.**

If the judges, prosecutors and members of the Ankara 7th High Criminal Court and Ankara Chief Public Prosecutor's Office were smart, intelligent, professional and honest people, the **Anti-Interest Law would be a vital issue discussed in the entire Turkish legal community as of 2025.**

In my critical and informative defense petition, I used the same expressions equally about our President Recep Tayyip Erdoğan and Rahmi Koç, Ali Koç and Ömer Koç.

Ankara 7th High Criminal Court, President Rıza KARTAL (34154), Member Bülent EKİCİ (35968), Member Gamze TURAN (216428), Public Prosecutor Şaban YAVUZ (31469) filed a criminal complaint against me for insulting and threatening President Recep Tayyip Erdoğan.**( )* Registry Numbers.**

However, they did not file a criminal complaint against me for insulting and threatening Rahmi Koç, Ali Koç and Ömer Koç.

Filing criminal complaints against half of the suspects and ignoring the other half is not law but a crime.

Judges and prosecutors should have filed lawsuits against me, Rahmi Koç, Ali Koç and Ömer Koç for insult and threat.

On this date, Turkey's biggest freemasons stepped in and started to direct the cases.

There were no lawsuits filed against me for insult and threat crimes against Rahmi Koç, Ali Koç and Ömer Koç.

The reason is to be questioned in the press and the public. The biggest fear of Koç Holding and its family is to be questioned in the press and the public.

Ankara Public Prosecutor **Tuğba ARSLAN (122585)** filed a criminal complaint against me for the crimes of "Insulting the President" on 16/12/2021, investigation number 2021/143740, and "Actual Attack on the President" on 07/11/2022, investigation number 2021/229628 on 28/12/2021.

Rahmi Koç, Ali Koç, Ömer Koç filed a complaint against me with the Ankara Chief Public Prosecutor's Office on the charge of "Threat Crime", and the prosecutor **Melike GÜLTEKİN (174580)** decided that "There is No Place for Prosecution on Behalf of the Public" on 07/11/2022, investigation number 2022/254534.

Ankara 65th Criminal Court of First Instance and Judge **Murat ADIGÜZEL (195536),** Prosecutor **Zeynep AKAYDIN (174423)** sentenced me to 10 months in prison and a fine of 6,000 TL on 21/06/2022 with the case number 2021/976 and decision number 2022/411 for the crime of "Insulting the President".

Ankara 11th High Criminal Court and Judge **Uğur İRİCİ (217391)**, Member **Fevzi Bilal TEZCAN (190382),** Member **Gönül Tuba KAYRA (211852), Public Prosecutor Mehmet Hanifi YILDIRIM (39643) s**entenced me to 5 years in prison on 21/04/2022 for the crime of "Threatening the President".

The decision of the Ankara 65th Criminal Court of First Instance was appealed on 22/06/2022.

Ankara Regional Court of Justice 4th Criminal Chamber President Judge **Ahmet DALGALI (93890), Member Eyyup MUTLU (37283), Member Azmi Çağatay BİLGİN (104931)** overturned the prison and fine decision with the decision numbered 2022/494, 2023/605, and **requested a mental health report about me from Forensic Medicine Institutions or fully equipped state hospitals within the scope of TCK 32.**

In 2024, Ankara Etlik City Hospital examined me for three minutes, and Ankara Bilkent City Hospital, where I stayed for 12 days, examined me for ten minutes and reported me as mentally ill.

The court decided that there was no need for a penalty and ordered me to be treated in high-security health institutions.

Ankara Bilkent City Hospital Chief Physician's Office prepared the TCK 32 report dated 31.5.2024 and sent it to the courts.

The person who prepared a thirteen-minute mentally ill report and a decision to treat me in high-security health institutions is Rahmi Koç (Rockefeller), the head of the CIA and FETO's Turkey branch.

As of 2023, a lawyer - Ayça PEKER - (25328) who I have no acquaintance with, no legal service request or contract with, has started to intervene in my case at the 65th Criminal Court of First Instance and has started to defend me.

Lawyer Ayça PEKER is a CIA (FETO) lawyer and agent working under Rahmi KOÇ. Her job is to get in close contact with me and poison me during tea and coffee service processes.

To prevent me from filing appeal and cassation petitions by pretending to defend me, to ensure that the decisions become final and to ensure that the execution processes begin well in advance.

Ankara Regional Court of Justice 4th Criminal Chamber's decision numbered 2024/853, 2024/953 was appealed on 2/12/2024.

Ankara 11th High Criminal Court's decision numbered 2022/12, 2022/231 was appealed on 25/4/2022.

Ankara Regional Court of Justice 4th Criminal Chamber **President Judge Ahmet DALGALI (93890), Member Eyyup MUTLU (37283), Member Azmi Çağatay BİLGİN (104931)** overturned the decision numbered 2024/4, 2024/404, imprisonment and fine, and requested a mental health report for me from Forensic Medicine Institutions or fully equipped state hospitals for the second time within the scope of TCK 32.

At the hearing of the 11th High Criminal Court, file no: 2024/305 and dated 17/10/2024, a warrant was written to the **Istanbul Forensic Medicine**

Institute and an appointment was requested so that a report could be prepared on whether my person falls within the scope of Article 32 of the TCK.

Istanbul Forensic Medicine Institute gave the court an appointment for 07/04/2025 for 21 days of observation.

ANNOUNCEMENT
TO THE MINISTER OF JUSTICE, MR. YILMAZ TUNÇ
AND
THE MINISTER OF INTERIOR, MR. ALİ YERLİKAYA
(2)
MR. MINISTER OF JUSTICE YILMAZ TUNÇ

All of the cases that started with my defense petition that I submitted to the Ankara 7th High Criminal Court on 30.6.2021 are against the law.

The law cannot file a criminal complaint for half of the suspects and ignore the other half.

This is not law, but a crime. The aim of the Ankara 7th High Criminal Court is not law, but to trap, imprison and poison me by means of law.

Zionism, CIA, MOSSAD, FETÖ etc. poison their opponents and enemies to death. There are countless examples in this regard.

The Rockefeller and Rohtschild families, whose seven thousand years of dominance we ended with the **Anti-Interest Law,** have been in great activity for the last seven years to poison me, **like Turgut Özal, Yaşar Nuri Öztürk, Aytunç Altındal, and Özdemir Bayraktar.**

The poisoning operation against me will be carried out by a team headed by the Istanbul Forensic Medicine Institute, Fourth Specialization Board President, Assoc. Prof. Hızır ASLIYÜKSEK, between April 04-28, 2025.

After this date, death from cancer will occur between October-December 2025.

Turkish Freemasons are in a great financial mobilization to support this murder.

The greatest financial support for this murder was given by transvestite **Bülent ERSOY.**

Transvestite Bülent ERSOY dreams of becoming the queen of Turkish Freemasons as of this murder and December 2025.

All information, documents and evidence regarding this Masonic operation and murder preparations have been submitted to our Ankara Chief Public Prosecutor's Office.

I am filing a criminal complaint against the above-mentioned businessman, transvestite, judge, prosecutor, lawyer, doctor, department and commission members for all crimes including treason, establishing and being a member of a terrorist organization, attempted murder and abuse of office.

We invite our esteemed ministers and our state to dismantle and crush these terrorist organizations disguised as law and medicine.

ANNOUNCEMENT
TO THE MINISTER OF JUSTICE, MR. YILMAZ TUNÇ
AND
THE MINISTER OF INTERIOR, MR. ALİ YERLİKAYA
(3)

MR. MINISTER OF JUSTICE YILMAZ TUNÇ

There is a TCK 32 report dated 31.5.2024 prepared by the Ankara Bilkent City Hospital Chief Physician's Office upon the request of Ankara Regional Court of Justice 4th Criminal Chamber **President Judge Ahmet DALGALI (93890), Member Eyyup MUTLU (37283), Member Azmi Çağatay BİLGİN (104931).**

Why are the presidents and members of Ankara Regional Court of Justice 4th Criminal Chamber requesting **a TCK 32 mental health report from me for the second time ?**

Where are justice and law in this request ?

What kind of state morality and seriousness is this ?

It is obvious that the aim of these legal terrorists is not law and justice.

I respectfully request that the necessary action be taken for your interest and information.

ANNOUNCEMENT
TO THE MINISTER OF JUSTICE, MR. YILMAZ TUNÇ
AND
THE MINISTER OF INTERIOR, MR. ALİ YERLİKAYA
(4)

The Anti-Interest Law, which I explained in my defense petition submitted to the Ankara 7th High Criminal Court on June 30, 2021, is a law that ends interest and makes it impossible to smuggle money abroad.

With this law, at least 85 trillion USD of money annually, which was under the control of Jews, has been transferred to the control of humanity and national banks.

With this law, the courts that should have filed lawsuits against Koç Holding, Rahmi Koç, Ali Koç and Ömer Koç, who smuggled at least 65 billion USD of money abroad annually, have issued an official "mental patient" report against me.

We submit to the discretion of the Great Turkish Nation how intelligent the aforementioned judges, prosecutors, lawyers and doctors are. Our state should be very careful about who it pays the salaries of judges, prosecutors, lawyers and doctors to.

The above-mentioned judges, prosecutors, lawyers and doctors who do not object and rebel against Zionism and Interest are responsible for the money that Koç Holding, Rahmi Koç, Ali Koç and Ömer Koç have smuggled abroad in the last five years.

This money will be collected from the relevant judges, prosecutors, lawyers and doctors by seizing their salaries and assets.

We invite our state to cleanse itself of these skull-headed, ignorant, stupid, traitorous judges, prosecutors, lawyers and doctors.

DOORS
INVITE ISTANBUL PUBLIC BUS TRADESMEN
TO PROTEST CHP

CHP is communist. CHP is the party of terrorists in suits. CHP is a thief. CHP is the party of thieves.

The public transportation services of Istanbul Municipality are provided by municipal and private public buses.

Municipal buses operate with tickets and private public buses with cash. Tradesmen earn money during the day, put their money in their pockets in the evening and go home.

As of 2019, CHP banned working with cash on private public buses. It moved the payment system to an electronic environment.

As of December 2024, it stole 5.0 billion TL (140 million USD) of tradesmen's money. We will collect the money stolen by Istanbul Municipality from public bus tradesmen **by seizing it from all CHP deputies, presidents and managers, especially Ekrem İmamoğlu.**

We invite public bus tradesmen to protest the thief CHP in Taksim Square.

We invite our people to support this protest.

The election that CHP won in the local elections on March 31, 2024 is Offside.

Those who do not believe can ask **Erman Toroğlu** and **Rıdvan Dilmen.**

CHP is an eternal Offside political party.

CHP's CIA Clone Özgür Özel has said many times, "We are in power locally, as the chairman of the party that will take over power in the first election to be held, I would like to state that".

CHP is a thief, murderer, terrorist, and traitorous political party that sells its homeland both locally and in power.

CHP will be closed down with the first referendum to be held in the 2025-2026 period.

We invite our citizens to unite against the CHP Junta, the Baath Party of Turkey.

The CHP has nothing to promise Turkey other than being like Syria and the prisons of Sednaya.

Every president and administrator of the CHP, **Hafez al-Assad and Bashar al-Assad are nothing else.**

What Ataturk called his second greatest work was not the CHP but the Grand National Assembly of Turkey.

The biggest reason for the collapse of the Ottoman Empire was the lack of a parliament that brought together 22 states and nations under one roof.

The Rothschilds promised a state to these nations that were as strong as a fist for one thousand three hundred years and easily destroyed the Ottoman Empire.

The First World War, the collapse of the Ottoman Empire, the establishment of the New Turkey and the CHP are the Rothschilds' plans for the Middle East for at least 200 years.

Ataturk was a great master who sewed loose shirts from tight fabric between 1918-1938.

The CHP is not a party founded by Ataturk. The CHP is one of the hundreds of projects planned in London and dictated to Ataturk.

CHP is the Anatolian branch of hundreds of political parties owned by the Rothschilds in the world.

Seeing that the CHP was occupied by the Sebatay Jews and Freemasons, Atatürk tore up the CHP in 1924 and had Kazım Karabekir establish the **Progressive Republican Party** and Fethi Okyar establish the **Free Republican Party in 1930,** thus saving national sovereignty from the occupation of the **Sebatay Jews and Freemasons.**

CHP is a draft political party that Ataturk tore up in 1924 and closed down himself.

The color of the CHP is the red that the Rothschilds dictated to the whole world, including the communist Russian and Chinese flags.

The arrows of the CHP are the arrows on the Rothschilds' coat of arms. The fact that the six arrows represent revolutions **is an official historical lie.**

The arrows of the CHP represent the Rothschilds, Zionism, Jews, Israel, thieves and murderers.

If Ataturk had not torn up the CHP in 1924, Turkey would have been governed by the same party, like the Syrian Baath Party, for 101 years.

This is why the CHP has been like Hafez Assad's Baath Party for 101 years.

DOORS
INVITE HUMANITY AND THE TURKISH NATION
TO ERASE INTEREST FROM HISTORY

We invite humanity and the Turkish nation to erase Interest from history.

The greatest enemy of humanity and the Turkish nation is interest.

The greatest enemy of humanity and the Turkish nation is earning money without working.

Interest is theft. Interest is earning money without working at all.

Those who earn money from interest and those who sell money with their money are both thieves.

The greatest problem of the Turkish nation in the 102-year republic era is interest and politicians who do not object to the interest-based economy.

The prices of dollars and euros are published every minute in newspapers and on the internet.

Why does the Ministry of Treasury and Finance not publish the amount of interest paid by the Turkish nation in a day and to whom it is paid ?

We invite the Minister of Treasury and Finance Mehmet Şimşek to publish the daily interest paid by the Turkish nation and to whom it is paid, just like dollars and euros.

We invite Treasury and Finance Minister Mehmet Şimşek to explain the amount of interest paid by the Turkish nation in the last hundred years and to whom it was paid ?

We invite Treasury and Finance Minister Mehmet Şimşek to explain the amount of interest that the Turkish nation will pay in the next 30 years (506 Billion USD) and to whom this money will be paid ?

If Mehmet Şimşek does not disclose to the public between the dates of February 22, 2025 and March 22, 2025, those who bought treasury bonds in the last hundred years from the Turkish Ministry of Treasury and Finance and the money they earned, we will first collect the interest paid by the Turkish nation from Mehmet Şimşek.

It is not Recep Tayyip Erdoğan, but the Rothschilds who have been paying workers and retirees a pittance for 102 years.

The Turkish nation must know its enemy well and know very well who to shoot.

A soldier who shoots his own soldiers is not a soldier but a murderer.

DOORS
INVITE THE TURKISH NATION
TO FIGHT AGAINST ZIONISM

We invite the Turkish nation to wipe out political alliances and parties that do not fight against Zionism from the political scene.

The biggest problem of the Turkish nation in the 102-year Republic era is the Zionist election laws.

The 79-year-old Zionist Turkish election laws are not fair and democratic and are against the law.

The 79-year-old Turkish election laws are not fair, democratic and legal. In order to participate in the parliamentary elections, **political parties and alliances are required to have 10% of the total number of voters as members.**

Political alliances and parties that do not reach 6.5 million members in the 2028 elections will not be able to participate in the parliamentary elections.

2028 Presidential candidates will be able to run with at least 6.5 million political party, alliance or individual members.

Independent Presidential candidates will be able to register members like political parties.

Citizens who do not reach at least 6.5 million members in the 2028 elections will not be able to run for president.

Elections are held every four years, membership is every day.

The dreams of terrorists and traitors to become presidential candidates in Turkey have ended forever.

Such as Celal Bayar, Cemal Gürsel, Cevdet Sunay, Fahrettin Korutürk, Kenan Evren, Süleyman Demirel, Ahmet Necdet Sezer, Kemal Kılıçdaroğlu, Ekrem İmamoğlu, Özgür Özel, Mansur Yavaş, Ümit Özdağ and the like.

Politicians and alliances with a total vote of 5.0% - 0.0XX% will not be allowed to pollute Turkish politics and determine the fate of the Great Turkish nation.

Political parties and alliances that cannot have members equal to 10% of the total number of voters throughout their political lives do not have the right to have 100% of the power in elections.

DOORS
SUPPORT PEOPLE'S ALLIANCE
IN THE 2028-2032 PRESIDENTIAL ELECTIONS

We wholeheartedly support our President Recep Tayyip Erdoğan and the People's Alliance, who are the presidential candidates for the 2028 and 2032 elections.

The Doors Idea has completed its preparations for the 2028 and 2032 presidential elections. Turkey's biggest problem is terrorism.

We will continue to support and reinforce the efforts of MHP leader Devlet Bahçeli with all our might to completely end terrorism.

On behalf of the Great Turkish nation, we would like to express our heartfelt thanks to our President Recep Tayyip Erdoğan, Devlet Bahçeli and the valuable leaders, parties and administrators of the People's Alliance, who have made great efforts for the unity, integrity and complete independence of our country.

The elections in Turkey will be held in 2028. There will be no early elections before 2028.

Turkey will enter the 2028 elections with a new civil Constitution.

The new Constitution will be prepared based on the reports of the Ministry of Combating Zionism.

The main source in preparing the new Constitution will be the Zion Protocols.

The new Constitution will be the Anti-Zion Protocols Constitution.

In the new constitution, the establishment and operations of Zionist terror centers disguised as democracy, political parties, press, education, art, business, finance, aid organizations, civil society organizations, associations, foundations, unions, institutions, organizations, etc. will be prohibited.

With the new constitution, all Zionist terror schools such as Masonic lodges and preparatory classes, rotary, lions, diners, etc. will be closed.

Our presidential candidate for 2028 and beyond is Recep Tayyip Erdoğan.

All institutions, organizations and individuals discussing the presidential candidacy of our President Recep Tayyip Erdoğan for 2025 and beyond will be executed.

The Great Turkish Nation will not learn how to govern its state from cockroaches, sewer rats and terrorists.

DOORS
INVITE HUMANITY TO KILL RABBIS
(1)

We invite humanity to kill all the Rabbis living on earth.

We invite humanity to kill the 21 million Jews who are students of the Rabbis. We invite humanity to destroy the state of Israel.

We invite humanity to kill all the collaborators who support the Rabbis, Israel, Jews and Zionists.

A beautiful saying says**, "Religion is many and morality is one."** Religion is the most respected institution in the universe. Religions are the only order above states. There is no civilization or race in the universe without religion. The common denominator of monotheistic or polytheistic religions is **Good Morality.** A religion without **Good Morality** as its common denominator is not a religion.

Judaism is a terrorist organization disguised as a religion.

Judaism is the biggest terrorist organization that has infiltrated religions by using the respectability of the religious institution.

A mentality that sees itself as human and others as animals and slaves is not a religion but a terrorist organization.

Question: What is a Jew ?

Answer: A Jew is a hired killer of Zionism. A Jew is a hired killer.

The greatest hired killers are Rabbis.

Zionism is the work of Rabbis, Rabbis are the work of Zionism.

Rabbis are terrorists who make people Jews.

Rabbis and Synagogues are Jewish and terrorist incubators.

Zionism is the work of the Rabbis, and the Rabbis are the work of Zionism.

The masterminds and gardeners of war, murder, terror and oppression in the world for the last 250 years are the Rabbis.

The first creatures that humanity will kill and destroy in the war with Zionism are the Rabbis.

Rabbis are religious leaders and masked terrorists.

Rabbis are religious leaders and masked terrorist organization leaders.

We invite humanity to close down the synagogues in their countries.

Places of worship are the most respected places of a civilization.

Synagogues are terrorist headquarters disguised as places of worship. Every worship in synagogues definitely results in human deaths, more or less.

Every worship and meeting in religious places leads humanity to justice, peace, tranquility, happiness, harmony and brotherhood.

Every worship and meeting in synagogues leads humanity to lawlessness, war, chaos, oppression and hostility.

Judaism is a negative religion. A negative religion makes infinite positive religion a negative religion. Synagogues are negative religious places. A negative religious place makes infinite positive religious places negative places.

The Rabbis turned Syria into Gaza to bring their Messiah, whom they had been waiting for for 7000 years.

The Rabbis are very smart people and they have met their Messiah. !!!!

The Rabbis left humanity in great amazement and astonishment.

The whole world saw how religious and smart the Rabbis were. !!!!

As they promised, the Rabbis gifted the Jews with Moshiach Prof. Dr. Celal Şengör.

We know that the state and nation of Israel have been going through very difficult and troublesome days in the last few years.

There is no doubt that Moshiach Prof. Dr. Celal Şengör will give Jews very valuable advice and counsel to overcome these difficult days.

Being Jewish means deserving great awards like Moshiach Prof. Dr. Celal Şengör.

May the Jewish nation be blessed and happy.

INVITE HUMANITY TO KILL RABBIS (2)

We invite humanity to kill 21 million Jews living in the world.

Question: Will good Jews also be killed ?

Answer: Good cannot be Jewish. Jewish cannot be good.

What were good Jews doing when good people were being killed?

What were good Jews doing when good Palestinians were being killed?

Being a Jew is the Jews' problem.

A period of 7000 years is more than enough to be human. There is not much that people can do to Jews, whom even four books and thirty prophets could not make human in 7000 years.

Jews are a nation that considers itself human and others as animals and slaves. Jews are a nation that has exploited people's good intentions, feelings of love, respect and compassion for 7000 years.

Judaism is a civilization that does not mature over time but becomes animalistic. Jews are not people who mature over time, but creatures who fall even lower than animals.

No human power is sufficient to make Jews mature and faithful people. This duty belongs to the Jews themselves.

The 11th verse of Surah Rad describes this truth. "Certainly, God does not change a people's state (for example: Jews) until they change their own state."

You cannot force people (especially Jews) to accept any mentality or idea.

Every object and living being in the universe is included in a class. Your class is your identity.

If you are in the Jewish class, you cannot say, "The profit is mine, the oppression belongs to someone else."

Good Jews cannot say, "The profit is mine, but the oppression belongs to the Zionist Jews."

People can only teach, guide and mentor people to a certain extent. After a certain point, other teachers enter the class to educate and teach the bad ones (Jews).

The general name of these teachers is death. Death is one of the best teachers. It teaches good people and bad people a lot.

Noah's flood and Moses' sea are the best examples of these teachers.

INVITE HUMANITY TO KILL RABBIS
(3)

God is preparing humans and the planet Earth as a guide, leader and a unique example of civilization for the entire universe.

Humanity cannot make the slightest progress in the cosmic universe and cannot reach any of its goals with a vile and dishonorable nation like the Jews.

Galactic Confederations have expressed to humans countless times that a planet Earth inhabited by Jews has no place in the cosmic universe.

The four books tell of countless civilizations and nations that have vanished in the universe.

There is no rule that will ensure that every civilization and nation will live forever.

On the contrary, if it is not possible to reform evil civilizations and nations, it is God's command to destroy them.

Rotten apples rot all apples.

We could not reform the Jews, it is time for the second solution.

OH SON OF ADAM, OH NATION OF ABRAHAM

Do not make your hand cowardly when killing Jews.

Be generous when killing Jews.

Never, ever have mercy on Jews.

If you have mercy on Jews, know that all you will have is : concentration camps and cemeteries.

I thank you very much for your immense patience.

In our struggle against Zionism and the established order that **took our country captive on April 27, 1909,** I ask you to focus on the Anti-Interest Law - Interest-Free Economy and the nationalization of the Central Bank of Turkey broadcasts.

T.V. programs, headlines, columns and social media posts that do not put these vital issues on the agenda are nothing more than beating around the bush and wasting time.

It must be known that this waste of time on our national and social media will definitely result in us losing elections.

The reporting of the Light and Water Games in Mosques will make our work much easier.

You know that the CIA and MOSSAD are trying very hard to poison me and make me fight with Recep Tayyip Erdoğan.

CIA Turkey branch head Sidikli Rahmi Koç and his assistant Sidikli Ali Koç are spending a lot of money as usual to poison me and kill me and make our state fight each other with theater plays behind the scenes.

Rahmi Koç dreams of cornering me with legal and forensic games and doing a clean job by poisoning me and killing me.

We know the games of the Zionist CIA, MOSSAD, MI6, BND and all similar terrorist organizations and as you can see, we are burying ourselves in the holes they have dug.

The Zionist CIA, MOSSAD, MI6, BND and all similar terrorist organizations have lost their power to struggle and fight against humanity.

These and similar terrorist organizations are under the control of humanity one hundred percent and their brain teams have been destroyed at the state level.

No state will allow itself to be governed by three or five terrorists.

Donald J. Trump was killed three times and assassinated countless times between 2020-2025. He was able to escape these deaths with clone technologies.

This danger applies to all leaders in the world, including Vladimir Putin and Xi Jinping. The Draconian (Rockefellers) and Reptelian (Rothschilds) races, which have dominated the planet Earth for 7,000 years, control all states and governments.

All leaders in the world, including Donald J. Trump, Vladimir Putin, Xi Jinping and Recep Tayyip Erdoğan, are the general managers of the Reptelian (Rothschilds).

The central banks operating in 196 countries are the greatest power of this control.

Every leader pays salaries to millions of civil servants and workers every month with the money coming out of these printing houses.

The Rothschilds can turn off the money taps and overthrow any government they want on Earth within a month at most.

This is not the mind of the Reptelians or the Rothschilds, but God's will.

The interest-based financial oppression on earth is a test for mankind.

It is impossible for our President Recep Tayyip Erdoğan to declare the Anti-Interest Law and interest-free economic system to the world and Turkey.

In the event of such an announcement attempt, salary payments to 21 million citizens will stop, and Recep Tayyip Erdoğan will fall from leadership in less than a month.

The country will fall into the hands of dogs and jackals.

Even if heads of state want it very much, they cannot tell their citizens some things. This is technically and theoretically impossible.

Let's share the Anti-Interest Law, interest-free economic system and light and water games in mosques that **our President Recep Tayyip Erdoğan** could not declare from our social media accounts **and help our President and world leaders.**

My Precious One's

I would like to thank you all once again for your immense patience.

I know that it is very difficult not to be with you in these places for six months. But you know that I work 24/7 for these days.

Sometimes what needs to be done for humanity comes into being in such periods of time.

The best communication is heart-to-heart communication. Churches, stages, squares and hearts on screens have said everything that needs to be said and have never left you alone and will never leave you alone.

You know that we invited the enemy to the stage for rock and roll. There is no room for anxiety, panic and fear in the lives of those who believe in God.

Everything is going as God planned. Everything is progressing under control. God decides who will take which steps and does not allow more.

My Precious One's

I am proud of you all
This Heart loves you all very, very much
See you very soon
With my love and respect

INVITE CHRISTIAN ARMIES TO UNITE

We invite Christian armies to unite worldwide and become a great army fighting against Zionism.

The Rockefellers, Rothschilds and their collaborators are the world's largest terrorist organizations.

We invite Christian armies to kill and destroy the Rockefellers, Rothschilds and their collaborators.

We invite Christian armies to recognize their real enemies and to fight.

We invite Christian commanders to purge Zionist commanders from their armies.

We invite Christian armies to know Zionism very well, to kill and destroy Zionists.

We invite Christian armies to destroy and nationalize all military industrial complexes, organizations and institutions of Zionism that have been established on earth for 250 years.

We call on the Christian armies to stop killing Christians.

We call on the Christian armies not to be the puppets and toys of Zionism.

We call on the Christian armies to kill and destroy the Rockefellers and Rothschilds who steal 85-100 Trillion USD of humanity annually.

How many orders did the Rockefellers and Rothschilds give to kill people in a day in the last 250 years ?

How many people did the Rockefellers and Rothschilds kill in the last 250 years ?

How many orders do the Rockefellers and Rothschilds give to kill people in a day in 2024 ?

All Christian nations and armies in the world, including the USA and the EU, are the armies of the Rockefellers and Rothschilds.

All Christian nations and armies in the world, including the USA and the EU, are the slaves of the Rockefellers and Rothschilds.

The US and EU armies are armies that have lost their states, nations, countries and freedoms without fighting.

The duties of armies, generals and commanders are to protect their states, nations, countries and freedoms.

The US and EU armies are armies that knowingly or unknowingly sell their states, nations, countries and freedoms to their **enemies without fighting.**

The US and EU armies, generals and commanders are not soldiers but merchants.

How smart are the generals who have lost their states, nations, countries and freedoms without fighting **?**

What kind of soldiers are the generals and commanders **who have lost their** states, nations, countries and freedoms without fighting **?**

What kind of soldiers are the generals and commanders who have lost everything without fighting **?**

How will the generals and commanders who kill their own soldiers and destroy their own armies for their enemies introduce themselves to their citizens **?**

How is it to be a soldier and a human to say, **"I destroyed the US and EU armies for my country and homeland" ?**

The US and EU armies, generals and commanders should not rejoice that **Adolf Hitler died and we won the war.**

Adolf Hitler did not die. Adolf Hitler continues to lead Christian armies with his spirituality, plans, institutions, organizations, and the Auschwitz camps in Gaza even in 2024.

As of 2024, the US and EU armies are **the armies of Adolf Hitler.**

As of 2024, the US and EU armies are the generals, soldiers and **slaves of Adolf Hitler.**

Adolf Hitler is not a soldier **but a terrorist.**

Adolf Hitler is one of **the greatest terrorists** in human history.

Being a soldier of Adolf Hitler is not being a soldier but a terrorist.

The US and EU armies, generals and commanders serving Zionism are not soldiers but terrorists.

The US and EU armies, generals and commanders must question themselves about whether they are soldiers or terrorists.

If the US and EU armies, generals and commanders do not question themselves, they will find themselves in front of judges and prosecutors like Israel and Benjamin Netenyahu.

People serving Zionism, Israel and the Jews are not people but terrorists.

Question : France is planning to send soldiers to Ukraine for the Russia-Ukraine war.

What and who will tens of thousands of young Christian French soldiers die for in Ukraine ?

Answer : Tens of thousands of young Christian French soldiers **will die for the Jewish Rothschild family in the Russia-Ukraine war.**

The Rothschilds' aim is to take back the mines and agricultural lands that the Rockefeller family seized in the Russia-Ukraine war.

Why don't the Rothschilds send their own children to the Russia-Ukraine war **?**

Why don't the Rothschilds send the Israeli army and Jewish youth they own to the Russia-Ukraine war **?**

In 1812, Napoleon Bonaparte attacked Russia with 650,000 soldiers. He returned home with 27,000 soldiers. One million Christians died.

Napoleon Bonaparte was a freemason, atheist, Zionist and a Rothschild puppet.

In 1812, one million Christians died for the Jewish Rothschilds' dreams of seizing the Russian-Ukrainian mines.

What did one million Christians who died for the Rothschilds gain other than "nothing" ?

What did **Napoleon Bonaparte** prove other than "**nothing" ?**

What did **Napoleon Bonaparte** bring to the **French people and humanity** throughout his life **?**

What are the differences between the Zionist, Jesuit and freemason generals who served in the **Christian armies between 1812-2024 and Napoleon Bonaparte ?**

Christian military schools are slaves to Zionism. Christian generals and soldiers are trained by dozens of Zionist institutions such as Jesuits, Freemasons and the like.

Christian armies are armies that have lost every war without fighting.

Zionist, Jesuit and Freemason military schools do not train soldiers, but slaves and murderers.

The greatest and best soldiers in human history are prophets.

The best people that soldiers should take **as examples and lessons** should be prophets.

The best soldiers are soldiers who have received **church and Bible education.**

Christian military schools and armies should be under the control of churches and the Bible.

Christian armies that are under the control of demons and devils cannot win wars. Killing people is not being a soldier.

Soldiers who kill innocent people are not soldiers but murderers.

War crimes express this reality.

Bombing weddings, markets, schools, hospitals, refugee camps, killing babies, children, women, elderly people is not being a soldier but murderers.

Armies and generals whose commanders are murderers cannot win wars.

Armies and generals whose commanders are Zionist murderers cannot win wars.

During the First and Second World Wars and the Cold War, more than a hundred million people killed each other **to make money for the Rothschild and Rockefeller families.**

Over a hundred million people died for Zionism in the last 250 years and what was the result ?

The result is a debt of quadrillions of USD that must be paid to these two families.

How is this to be a Christian, Muslim, Buddhist and Hindu ?

How is this to be a human ?

We invite the Christian, Muslim, Buddhist and Hindu armies to unite worldwide and establish a world army that will protect the planet Earth and humanity.

INVITE THE GREAT TURKISH NATION TO END
THE TURKISH ZIONIST EXISTENCE WITH REFERENDUMS
(1)

We invite the great Turkish nation to unite against the terror of Zionism.

We invite the great Turkish nation to question and punish Zionism through elections and referendum.

We invite the great Turkish nation to end the existence of Koç Holding, the largest secret terrorist organization in Turkey, through a referendum.

We invite the Turkish Rockefeller family (Rahmi - Ali - Ömer Koç) to participate in elections like a political party and to be accountable to the Turkish people like politicians.

We invite the great Turkish nation to evaluate Koç Holding's century-long services to the country and to hold a referendum.

We invite the great Turkish nation to question Koç Holding and bring it to justice for its countless murders and crimes.

We invite the great Turkish nation to nationalize Koç Holding through a referendum and to terminate its citizenship.

Democracy is the art of serving the people, asking for and being accountable.

Democracy is the art of getting to know and introduce people.

Democracy is judgment for everyone and justice for everyone.

Politicians are held accountable to their people every four years through elections and referendums, and pay a heavy price, whether justified or not.

How many times have Koç Holding, TÜSİAD, TOBB, DİSK, TESK, TTB, TMMOB and the like entered elections ?

What is the vote that these terrorist organizations can get from the Turkish nation **?**

The vote that these terrorist organizations can get from the Turkish nation is zero.

How much money does the Turkish nation earn and pay salaries to these terrorist organizations that **have zero value in** the nation **?**

We invite the great Turkish nation to focus on terrorist organizations such as Koç Holding, TÜSİAD, TOBB, DİSK, TESK, TTB, TMMOB and the like.

The biggest problem of humanity is that it is very weak and helpless against the established Zionist forces in its countries.

How can humanity overcome this biggest problem ?

The answer to this question is : "Referendum for every Zionist"

Elections and referendums are the greatest trial and justice.

The "Referendum for every Zionist" period has started as of August 14, 2024.

After this date, every segment of the Zionist society will be tried by referendum and their existence and citizenship will be terminated.

Every person, organization and institution is also a political party. Every segment of the Zionist society will be accountable to the people at the ballot box, just like politicians.

In Turkey, the terrorists disguised as politicians, businessmen, industrialists, soldiers, police officers, intelligence officers, judges, prosecutors, lawyers, academics, doctors, artists and journalists who serve

as collaborators to the Rockefellers and Rothschilds will have their assets nationalized through referendums and will be liquidated by execution.

We invite the great Turkish nation to a referendum to evaluate the services provided to the country by Koç Holding, TÜSİAD, TOBB and every Zionist organization.

Just as politicians are accountable to the people, Koç Holding, TÜSİAD, TOBB and every Zionist institution and organization will be accountable to the Turkish people through referendums.

Zionism, Koç Holding, TÜSİAD, TOBB and their collaborators have turned the Turkish economy, which was much larger than Germany and Japan, into a desert in the last two hundred years.

Those who sell 80 billion USD worth of goods to the great Turkish nation in a year but do not benefit their nation by 80 cents have no place in this country.

The assets of Koç Holding, TÜSİAD, TOBB and all Zionist banks and institutions operating in Turkey have already been nationalized.

These decisions will be notified to their owners with referendums to be held in the 2024-2025 period.

We do not want Zionist organizations and citizens in Turkey.

The citizenships of especially Zionist Jews and Armenians living in Turkey will be terminated with a referendum.

Zionist Jewish terrorists living in Turkey will be sent to Israel, while Zionist Armenian terrorists will be sent to Armenia.

DOORS
INVITES HUMANITY TO END THE EXISTENCE OF ZIONISM THROUGH REFERENDUMS

We invite humanity to unite against the terror of Zionism.

We invite the nations of the world to destroy the established Zionist orders in their countries with referendums.

We invite the nations of the world to nationalize and destroy the Rockefellers, Rothschilds, 13 family terrorist organizations and their collaborators with referendums.

Politicians are accountable to the people every four years and most of them disappear.

How many times have the Rockefellers, Rothschilds and their collaborators entered the elections in the last 250 years, how many times have they been accountable to their people and humanity **?**

The Rockefellers, Rothschilds and their collaborators are terrorist organizations. The votes that these thieves, murderers and terrorist families will receive from the people in the elections are zero.

How can terrorist organizations like the Rockefellers and Rothschilds, who have zero value in the people, **earn 85-100 Trillion USD in a year ?**

What kind of nations are those that earn 85-100 Trillion USD in a year for terrorist organizations **?**

Nations that earn 85-100 Trillion USD in a year for terrorist organizations are slave nations. The Rockefellers and Rothschilds are terrorists disguised as businessmen.

The Rockefellers, Rothschilds, thirteen families and their collaborators were thieves, murderers, bandits and human traders before they found a place in the business and industrial world.

People have endless love and respect for the business and industrial world because of its ease of life and production power.

The Rockefellers, Rothschilds and their like have managed to hide themselves behind this great power of love and respect.

The Rockefellers, Rothschilds and their collaborators should not expect mercy from people.

People's love and respect are focused on the honest world of business and industry, not on terrorists.

INVITES WORLD NATIONS TO NATIONALIZE THEIR CENTRAL BANKS THROUGH A REFERENDUM

We invite the Great Turkish Nation to make the TCMB the Central Bank of the Republic of Turkey.

We invite the Great Turkish Nation to properly understand and learn the realities of Central Banks and Interest.

We invite the Great Turkish Nation to understand what it means to sell tens of thousands of tons of chrome, copper, zinc, boron, grapes, hazelnuts, tobacco, cotton, fresh vegetables, fruits, etc. in a year and buy only one ton of dyed newspaper (paper money).

We invite the Great Turkish Nation to understand how it is in debt due to the exports it has made.

We invite the Great Turkish Nation to understand and learn how it has been exploited by **Zionist Central Banks and Interest Rate games for 200 years.**

We invite the Great Turkish Nation to understand and learn why it has been lagging behind for 200 years.

We invite the Great Turkish Nation to understand and learn **why it has a debt of 507 billion USD in 2024** and how much and for what interest it has paid for **the last 200 years.**

We invite the Great Turkish Nation to understand and learn that the economic hardship and financial oppression it has experienced for the last two hundred years is not due to its own state.

We invite the Great Turkish Nation to freedom from economic slavery.

The Turkish Republic has completed its efforts to nationalize the Central Bank of the Republic of Turkey -TCMB- in the 2024/2025 period with a referendum.

The date of the referendum will be announced to the public in the coming days.

We invite world states, especially the USA, EU, China and Japan, to nationalize their central banks with referendums.

INVITE WORLD ARMIES TO SUPPORT RUSSIA
(1)

We invite the Christian armies to support Russia unconditionally.

We invite the Muslim, Hindu and Buddhist armies to support Russia unconditionally.

We invite humanity to support Russia and Vladimir Putin's government unconditionally.

We invite every person to support Russia and Vladimir Putin's government to the extent of their power.

We invite humanity to read and understand the Russia-Ukraine war correctly.

The Russia-Ukraine war is not only Russia's war but also humanity's war for freedom and slavery. The enslavement of Russia is the enslavement of humanity. The Russia-Ukraine war is the Rockefeller and Rothschild families' war to own Russia and Ukraine.

Zionism's ownership of Russia and Ukraine is its ownership of the planet Earth.

Russia losing the Ukraine war means not only Russia but all the countries of the world losing the war with Zionism. War is not just two countries fighting each other. Countries that think of themselves as Switzerland, neutral and far from war today should know that they will be Gaza tomorrow.

The Rockefeller and Rothschild families are trying to take over Russia and Ukraine by hiding behind the masks of Napoleon Bonaparte in 1812, Adolf Hitler in 1941 and Joe Biden(s) in 2022.

Russia became the first country to cleanse its state of Zionist occupations under **the presidency of Vladimir Putin in 1999.** The fear of this cleansing being an example to the world forced the Rockefeller and Rothschild families to re-occupy the Russian state.

Those who die in European wars are always Christians, and those who get rich are Jews and Zionists. Europe must crush and end the Zionist curse that has been going on for thousands of years on the continent. Christians must be alert and first meet on the common ground of Christianity and then humanity, unite and be one.

In the Russia-Ukraine war, it is Ukraine that is 100% wrong and has made a mistake.

Ukraine's enemy is Zionist Europe and the US, and its friend and brother is Russia. Ukraine is killing its brothers, surrendering and selling its country to the enemy without fighting. This is political and mental blindness. Blind people cannot win a war.

The first thing Ukraine should do should be to cleanse the Jews and Zionists who have settled in its country for many years, such as Russia and Turkey, from every level of the state. Russia and Turkey are very good examples and partners for Ukraine in cleansing Jews and Zionism.

The Ukrainian state and nation have not responded positively to Russia's very justified warnings and offers of cooperation against Zionism after 1999.

What should the Ukrainian state and nation do after September 2024 to end the Russia-Ukraine war and become the winner **?**

i) The Russian and Ukrainian Churches should come together and declare the Zionist US and EU presence in Ukraine as the greatest common enemy.

ii) Ukraine is not a free and independent country. Ukraine is the property of the Rockefellers and Rothschilds. The Ukrainian people are slaves of the Rockefeller and Rothschild families. The Ukrainian people are workers and soldiers of the Rockefeller and Rothschild families, earning 100-300 USD per month. Ukrainians must save their state, nation and flag from the Rockefeller and Rothschild families. Ukraine must be a free and independent country.
(Note: All countries of the world are more or less slaves of the Rockefeller and Rothschild families**).**

iii) The Ukrainian army is a Zionist army controlled by the Jews, Rockefellers and Rothschilds.

The Ukrainian army must be a Christian army.

iv) "Wherever you come back from your loss, it is your profit". Ukraine: It must immediately end military cooperation with the Zionist US and EU.

v) Russia and Ukraine must withdraw to the 2022 borders before the war. Ukraine must sign a ceasefire and peace agreement with Russia and establish a joint army with Russia to crush the heads of the Zionist US and EU forces in its country.

vi) Ukraine must kill without hesitation all the Jews and Zionists who finance and fuel the war in its country and army. If Ukraine had acted bravely and controlled the Jews and Zionists in its country like Russia, it would have won the war without fighting.

vii) If Ukraine had been able to kill the Jews and Zionists who control the country, it would have prevented the emigration, deaths and destruction of the country of millions of Ukrainian citizens.

viii) The Ukrainian people must know their friends and enemies well and use their war power, energy and resources to crush the head of Zionism. A war cannot be won by fighting side by side with the enemy.

ix) All of the Christian armies of the world stand by and support the Christian Ukrainian people fighting against Zionism.

x) All of the Muslim, Hindu and Buddhist armies of the world stand by and support the Ukrainian people fighting against Zionism.

xi) There is not much humanity can do to the Ukrainian army and people who cooperate with the Zionists.

What is the objection and rebellion of the Greek Orthodox Patriarchate of Istanbul and Patriarch Bartholomeos against Zionism, the Rockefeller and Rothschild families, Israel and Judaism ?

What have the **Greek Orthodox Patriarchate of Istanbul and Patriarch Bartholomeos** done to destroy Zionism and Judaism so far **?**

What have the **Greek Orthodox Patriarchate of Istanbul and Patriarch Bartholomeos** done to the freedom of Christians and people so far **?**

The place where the Greek Orthodox Patriarchate of Istanbul and Patriarch Bartholomeos **has taken Christianity and humanity is Zionism and slavery.**

The place where the Greek Orthodox Patriarchate of Istanbul and Patriarch Bartholomeos has taken Christianity and humanity is Auschwitz and Gaza.

There is nowhere Orthodox Christianity can go with **the Greek Orthodox Patriarchate of Istanbul and Patriarch Bartholomeos.**

The best representative of Orthodox Christianity in the world is the Russian Orthodox Church.

I invite my Orthodox Christian brothers and sisters to unite and stand together under the spiritual leadership of the Russian Orthodox Church and His Excellency the Ecumenical Patriarch Kirill-Vladimir Mikhailovich Gundyayev.

I invite my Ukrainian Orthodox Church and Ukrainian Orthodox Christian brothers and sisters to unite and stand together under the spiritual leadership of the Russian Orthodox Church and His Excellency the Ecumenical Patriarch Kirill-Vladimir Mikhailovich Gundyayev.

There is no greater power and authority in the universe than to believe in and worship God, who is one and created everything from nothing.

Those who believe in God, who created everything from nothing and is one in the universe, are brothers and sisters.

Let us not seek power, authority and wealth anywhere else than God's guidance.

DOORS
INVITE THE AMERICAN PEOPLE
TO SUPPORT DONALD TRUMP IN THE 2024 ELECTIONS

The Doors of Idea wholeheartedly support Mr. Donald Trump in the 2024 presidential elections.

We invite the people of the USA to support Mr. Donald Trump in the 2024 presidential elections.

I invite all churches in the USA and my Christian brothers and sisters to support Mr. Donald Trump.

I invite my Evangelical Christian brothers and sisters, whose numbers exceed 100 million in the USA and who constantly support the Zionist Democratic Party candidates, to support Mr. Donald Trump.

Christians who support Zionism, Jews and Israel are not Christians.

Christians who support Zionism, Jews and Israel are servants of the devil and satan.

Evangelicalism and many similar satanic factions have been selling the lie that the condition for Christians to be able to meet Jesus Christ and go to heaven is to serve Zionism, Israel and Jews for centuries.

I invite my Christian brothers and sisters to be very careful against these and similar countless satanic lies and projects produced in the laboratories of Zionism for centuries and not to be customers.

I call on my Christian brothers and sisters who support Zionism, Israel and the Jews to repent and support leaders who respect Christianity like Donald J Trump.

We know that there are **three different Donald Trumps** on stage in the USA.

i) The Real Donald Trump Clone **ii)** The Donald Trump Clone built by the Rothschild family **iii)** The Donald Trump Clone built by the Rockefeller family The real Donald Trump clone is the clone that Donald Trump had built to protect himself.

In a possible election victory, the Rothschild family will own 100% of the USA with a three-cent Donald Trump biological robot. Similarly, in a possible election victory, the Rockefeller family will own 100% of the USA with **a three-cent Donald Trump clone.**

Donald Trump, who constantly advertises and promotes the Covid vaccine during the Covid pandemic, is a Rockefeller family clone. Donald Trump, who supports the Gaza genocide and says he will expand it, is a Rockefeller clone.

We invite the people of the USA to be careful and alert against all kinds of Zionist lies, deception, rebellion, civil war, terror, brainwashing and propaganda activities staged with clone technologies.

No Clone theater of Zionism will be allowed before and after the 2024 US elections.

In Turkey, the participation rate in presidential elections **is 85-88%.** In the US, this rate **does not exceed 50%** most of the time.

Every American citizen should vote for Donald J Trump and encourage their close circle to vote for Donald J Trump.

Every American citizen should definitely convince one or two of their siblings, relatives or friends to vote in the elections and take them to the ballot box.

Every American citizen should start these persuasion activities now without wasting any time and should not stop until election day.

Every American citizen should encourage voters who do not want to vote with cash prizes of 10-20-50-100-200-500-1000 USD etc.

Every American citizen should reward and encourage voters who do not vote with trips, meals and similar activities.

i)The American people and the world public opinion should know the following fact very well. Donald Trump and his administration won the 2020 US presidential elections with 75% of the vote. **However, these elections were stolen with the joint efforts of the Rockefellers and Rothschilds and computer tricks,** and Joe Biden(s) and his administration were declared in power. Every careful person knows that Joe Biden and his administration are a fake and illegal government.

Donald Trump did not leave office as president in 2020. Today, Donald Trump is ruling the USA. All state institutions, including the Christian and patriotic US army, had declared that they rejected the **2020 elections and recognized Donald Trump as president.**

Today, this loyalty and obedience of the US state and nation to Mr. President Donald Trump continues to grow stronger.

I invite the US citizens, army and all state institutions to continue their loyalty and obedience to Mr. Donald Trump by strengthening it more than ever.

ii) The American people and the world public opinion should know this fact very well.

Zionism knew very well that it would lose the 2020 elections by a large margin. What had to be done **?** What had to be done was electronic elections.

Question: How do you massacre democracies **? Answer:** Holding elections electronically and by mail.

Question: How do Zionists win every election **?**

Answer: Holding elections electronically and by mail.

Holding elections electronically and by mail is a prank for countries. For countries, holding elections electronically and via mail causes irreparable damage.

Holding elections electronically and via mail means that honest people lose every election. In case of an objection, you can count paper votes dozens of times. How will you count computer votes **?**

What is the political and social message that Divine Will wants to give to people in this great election theft in the USA in the 2020-2024 period?

Humanity should never forget this political and social truth forever.

Presidential and state elections are always held with : table, officials, ballpoint pen, official election books, paper ballot paper and ballot box. It is opened and counted in front of everyone's eyes and witnesses. The official minutes of the result are recorded. Official and final results are announced.

Zionism's biggest democracy fraud is electronic media elections.

If there is no democracy, there is no freedom, there is slavery. You can make a thousand flawless electronic elections. **Zionism steals the elections in the 1001st election and after ten thousand, one hundred thousand years, you lose everything and become a slave.** The devil is hidden in the details, on your way and far away.

Even if presidential elections were held in ten or twenty billion years, they should be held with a table, officials, pens, official election books, paper ballots, ballot boxes, and in front of everyone's eyes and witnesses.

Conclusion: There is good in every evil.

We invite the US state and citizens to be very careful of the Democratic Party, which is a Nazi and Auschwitz party.

We invite the US state and citizens to be very careful of Joe Biden and Kamala Harris, who are Nazi and Auschwitz officers.

The Democratic Party, Joe Biden, Kamala Harris and their supporters have more than proven that they are very good Nazi and Auschwitz officers with their Russia-Ukraine and Gaza policies.

In the 2024 elections, the American people will either elect a president like Donald Trump or an Auschwitz officer like Kamala Harris.

The commitment of the Democratic Party, Joe Biden, Kamala Harris and their supporters to the US voters in the 2024-2028 period is to turn the US and the World into Gaza first and then Auschwitz.

The US voters need to know that the Democratic Party, Joe Biden, Kamala Harris and their supporters are garbage dumps.

The place for garbage is not in power but in garbage dumps.

I strongly condemn the treacherous assassination attempt(s) against Mr. President Donald TRUMP.

I pray to my Lord for great success for Mr. President Donald Trump and his administration in the 2024 elections.

I pray to my Almighty Lord to protect the people of the USA, Mr. President Donald TRUMP, his family, children, friends and administrators.

Fire does not burn Abrahams, but it burns wood.

May God protect the United States, its people, Donald TRUMP and its friends.

DOORS
INVITE THE TURKISH NATION TO BE CAREFUL
AGAINST THE COMING CHINESE OCCUPATION

We invite the Great Turkish Nation to be careful and alert against the coming Chinese occupation.

The thousand-year-old Seljuk-Ottoman state was subjected to a rapid Zionist mentality and economic occupation after **the industrial revolution in the 1770s.** After these years, the Rockefeller and Rothschild families secretly took possession of every institution and street of the state.

In 2002, the Rockefeller and Rothschild families took possession of more than 90% of the Turkish state and economy.

This occupation rate of the countries of Zionism is similar for every country in the world, including China.

China, one of the oldest and most deep-rooted states in the world, became a colony of the Rockefeller and Rothschild families after the 1770s, like almost every country in the world.

In 2024, the entire Chinese state and economy belongs to the Rockefeller and Rothschild families.

1.41 billion Chinese are slaves of the Rockefeller and Rothschild families, receiving a monthly salary of 50-300 USD.

China became a one hundred percent Rothschild colony under the leadership of communist **Mao Zedong, a Rothschild agent**, on October 1, 1949.

The Rockefeller family began to increase their influence in China in 1972 with the presidency of **US President Richard Nixon**, and today they own half of China.

One hundred percent of China's national income (17.9 trillion USD/year) belongs to the Rockefeller and Rothschild families, **while the 47.5 trillion USD debt belongs to Chinese citizens.**

Zionism occupied world economies with Europe until World War II, with the US after World War II, and began to occupy China after the 2008 Lehman crisis.

Turkey is facing a very rapid Zionist invasion threat for the second time, as it did in the 1800-2000 period.

The Rockefellers and Rothschilds' goal is to make Turkey a small China in the 2000-2100 period, covertly or openly. China is planning to invade Turkey with projects worth hundreds of billions of dollars, primarily in the

automotive, locomotive, high-speed train, electrical-electronics, iron and steel, petrochemical, space, ship, defense, food, medicine, etc.

A person cannot be bitten in the same place twice.

The Turkish state and nation will not allow China to occupy Turkey. The Turkish state and nation will never allow Turkey to become a small China.

The Turkish nation will not allow any basic industrial occupation (investment) by China, especially in the automotive sector. The Turkish nation is not and will not be China's 100-300 USD monthly workers.

David Rockefeller threatened Recep Tayyip Erdoğan and obtained a 1.0 billion USD electric car factory permit **for BYD in Manisa.** This occupation is planned to be completed in 2024-2025 and to start production like Ford Motor Turkey.

CHINT, the electrical equipment manufacturer, announced that it received an investment permit for 2.0 billion USD. The electrical equipment produced by this company has already been produced in Turkey for 70 years.

The Rockefellers' aim is **i)** to capture the 70-year-old electrical materials market in the Turkish market and destroy their competitors **ii)** to occupy Turkey with China **iii)** to make Turkey a small China **iv)** to get rid of an international competitor like Turkey.

Countless Zionist factories have been established in Turkey by threatening the Turkish state. These Zionist factories have destroyed or seriously injured national brands.

The activities of Zionist investments such as BYD and CHINT, which have occupied the Turkish market by threatening the Turkish state, **will be terminated with referendums.**

The Turkish state will file lawsuits against the Chinese state for material and moral compensation for the Zionist organizations that are trying to occupy Turkey under the guise of investment.

China is a country that has fallen into the trap of Zionism, just like Europe and the USA. In the Zionist order, the earnings of states and individuals become their debts.

China should give up its passion and dream of establishing thousands of factories in every country in the world. It should never be forgotten that the earnings of Chinese investments established in every corner of the world belong to the Rockefellers and Rothschilds, **while the debts belong to Chinese citizens.**

It should be known that Chinese businessmen who appear to be the owners and CEOs of BYD, Chery, etc. all over the world are agents of the CIA, Mossad, BND, MI6, etc.

If China were to own thousands of factories in every country in the world in the next century, it would be the Rockefellers' and Rothschilds' success, **not China's.**

China owning thousands of factories in every country in the world in the next century is not China's growth but its collapse. China's economic occupation of every country in the world **will return to the Chinese state and nation as grudge, hatred and social turmoil.** Grudge, hatred and social turmoil are the greatest weapon and capital of Zionism.

A hundred states will emerge from China in a hundred years. China will become history. The Rockefellers and Rothschilds will both own China and be happy.

The Zionist games played on the Chinese state should be read and seen very well.

China will not get anywhere with an economy like "1-5-10 million electric cars waiting to be exported in Chinese ports".

A person cannot become rich and happy by eating everything, but will become sick.

These Chinese photos seen in Turkey are the same in every country in the world.

The Chinese flag adopted on September 27, 1949 is not China's flag, but the Rothschilds'. With this flag, the Rothschilds are announcing to the world that they own China to those who know how to read.

We invite the Chinese government to use their national flag like Russia.

DOORS
INVITE HUMANITY TO FOCUS ON
ZIONIST INTELLIGENCE ORGANIZATIONS

After the Zionist armies and generals, the greatest murderers in human history are the Zionist intelligence agencies, their presidents and officers.

The Zionist intelligence agencies, their presidents and officers are the hired killers of the Rockefeller and Rothschild families. The Zionist intelligence president and officers are the most trusted human-looking killers of the Rockefeller and Rothschild families.

The duties of the Zionist intelligence president and officers are to kill the rivals of the Rockefeller and Rothschild families. The Christian armies, generals and commanders serving Zionism **are not soldiers, but hired killers of the Rockefellers and Rothschilds.**

The generals and commanders of the US army, which is committing genocide in Afghanistan, the Middle East and Gaza, are not soldiers, but hired killers of the Rockefellers and Rothschilds.

We call on Christian, Muslim, Hindu and Buddhist intelligence officers to kill and eliminate the Zionist intelligence terrorists and hired killers.

National intelligence agencies are the smallest but most powerful armies of countries. **The duty of intelligence agencies is to protect a country against internal and external threats.** The greatest enemies of Zionism are national intelligence agencies. The primary goal of Zionism is to seize national intelligence agencies and take control of countries' brains. The seized national intelligence agencies are transformed into the most valuable murder organizations of Zionism.

The murders of Zionist intelligence agencies are an organized mind and network operation. The Rothschilds and Rockefellers who provide the financing of the organized mind. The CIA, Mossad, MI6, MI5, BND etc. murders are successful with the support of secret Rothschild and Rockefeller elements living in the countries.

Crypto Zionist elements have a history of at least 100-7000 (one hundred-seven thousand) years in those countries.

The duties of these crypto elements are to surround the victims to be killed, prevent them from escaping and deliver them to the hitmen killers. The secret killers working in Zionist intelligence organizations hide themselves very well with different professions and identities.

Historians, academics, politicians, businessmen, generals, commanders, judges, prosecutors, lawyers, doctors, civil society managers, journalists, researchers, media and social media trolls, etc. are the secret killers of Zionism.

The verse "You shall not kill" in the Ten Commandments explains this fact and exposes the crypto Jewish killers to humanity.

Question: What is life according to the verses ?

Answer: In the 64th verse of the Ankabut Surah, God describes life as follows. ***"This worldly life is in reality nothing but a game and amusement; as for the abode of the hereafter, that is the real life; if only they knew!"***

God describes life as a game. Football, basketball, theater, cinema, opera, etc. are games. You cannot win a basketball game by **killing your opponent.** You cannot have a role in theater, cinema, or opera by **killing your opponents**.

Jews are a nation that wins every game by killing their opponents in basketball and sports competitions. Jews are very proud of the championships they have won. For Jews, there is no champion in the world other than Jews. Championships are for Jews, and Jews are for championships. This mentality will go nowhere else but the bottom of hell.

If you kill your opponents in football and basketball matches, you will not be a champion but a murderer.

God describes the punishment for killing someone unjustly in the 32nd verse of the Maidah Surah. ***"Whoever kills someone unjustly, it is as if he has killed all mankind. And whoever saves a life, it is as if he has saved all mankind."***

What have the Zionists, Israel and Jews gained by killing thousands of people every day for 250 years ?

Life is 360 degrees. Hiding in the 350th and 360th degrees does not mean that the murderers will not be brought to justice.

The identity of the Zionist intelligence murderers who killed millions of innocent people with terrorist acts in every corner of the world is known and all of them are available in state records.

THE GREAT BRITAIN TERRORIST ORGANIZATION

We invite humanity to focus on the Great Britain Terrorist Organization, one of the greatest terrorist organizations in history.

We invite humanity to focus on the Great Britain Terrorist Organization, one of the greatest terrorist organizations in history and on which the sun never sets.

Who calls Britain great ? Where does Britain's greatness come from ?

What has Britain done in its history to deserve being called "Great Britain"?

Is Great Britain the measure and example of how countries can be great ?

What should countries do to be great like Great Britain ?

What is the service of Great Britain to humanity ?

If Great Britain and its mentality did not exist in history, what kind of place and civilization would the world be today ?

If Great Britain realizes its New World Order dreams, what kind of place and civilization will the world be ?

Does Great Britain, which has realized its 250-year-old dreams, know what kind of world it has gifted to humanity in 2024 ?

Great Britain is not the cradle of democracy and freedom, but the cradle of Zionism and slavery. **Great Britain is the cradle of the Zion Protocols and financing.** Great Britain is the flagship of Zionism, exploitation and terror in the world.

Great Britain is the architect and guide of the wars in which more than a hundred million people have been killed in the world in the last 250 years.

Great Britain and the United Kingdom are one hundred percent Rockefellers and Rothschilds' property and colony. The British people are slaves who do the dirty work of the Rockefellers and Rothschilds. The British soldiers who have died for "nothing" all over the world in the last two hundred and fifty years are proof of this fact.

The British royal family is a theater designed by the Rockefellers and Rothschilds to mask the murders they have committed in the world and to

distract people. The kings and queens of England are the puppets and clowns of **the Rockefellers and Rothschilds. What are the services of the kings and queens of England to humanity ?**

What has humanity learned from the kings and queens of England ?

What did the kings and queens of England do yesterday to protect people from terrorism, wars and massacres, what are they doing today ?

Great Britain, the United Kingdom and England introduce themselves to humanity as the cradle of democracy and freedoms. This is one of the biggest lies ever told in history. **England is not the cradle of democracy and freedoms, but of Zionism, wars, terror and slavery.**

England is not the cradle of democracy and freedoms, but of the Zion protocols, interest, financial theft, corruption, murders and massacres.

England is not a democracy, but a dictatorship.

England is not a cradle of democracy, but an incubator that produces dictators.

What kind of successes have English kings and queens had in history to become heads of state **?** What have English kings and queens **done for the English people** to become heads of state **?**

The kings and queens of England are determined and appointed by three-penny Jews. How many times have English kings and queens run for election in England, the cradle of democracy ?

What kind of cradle is this and what kind of democracy is it **?** How many times have the Rockefellers and Rothschilds entered elections in England, the cradle of democracy **?**

Zionist England is not the cradle of democracy but of slavery, exploitation, snobbery and buffoonery.

How do the English kings, queens, Rockefellers and Rothschilds teach democracy, human rights and freedom to humanity **without ever entering elections ?**

The English dictatorship is the soul of the European Union. The European Union is an English dictatorship.

The European Union, which teaches the world and the Republic of Turkey lessons in democracy, human rights, freedom, peace and equality, should first look in the mirror. Dictators cannot teach democracy and human rights lessons to states and people.

The European Union, which has kept Turkey waiting at the EU gate for 65 years, should know this fact very well.

Europe is a village of Turkey.

This truth was like this yesterday, is like this today and will be like this tomorrow.

INVITE HUMANITY TO FOCUS ON
THE USA AND ITS FUTURE

Turkey is a superpower country the size of three USA. What the USA will experience in the next three hundred years, Turkey has experienced in the past three hundred years.

According to Zionist plans and dreams, the USA will be divided into at least fifty countries. US citizens will be able to travel to fifty countries in their own country with passports and visas.

Question: Who is the power that will divide the US into fifty countries **?** Zionists, Jews, Germans, British or French **?**

Answer: No, the wedge that will lead the USA astray in the future and divide it **into fifty pieces is Armenia and Armenians.**

Armenians are the secret Jews of the world.

Armenians are a much more dangerous and insidious nation for humanity than Jews. Armenia is the first state to accept Christianity as the state religion. Armenians can settle in every corner of the world faster and easier than Jews by using this sympathetic identity.

Due to these characteristics, **Armenians are a much more respected nation than Jews in the eyes of Zionism.** Like many nations in the world, Armenians have a passion for world domination of their own.

The Rothschilds and Rockefellers are using this passion very well all over the world. The Armenians, who know the region very well, will help **the Rothschilds and Rockefellers to have the Baku oil.** In return, they have bought the raw dream of owning the lands of Turkey, Iraq, Syria, Azerbaijan and Georgia.

After 1878, the Rothschilds and Rockefellers used Armenians as mine donkeys against the Russians, Turks and Arabs in their wars to possess **the world's largest known oil region, Baku.** Between 1878 and 1918, Armenians committed countless massacres for the Rothschilds and

Rockefellers in Anatolia and killed more than 500 thousand Muslims. **The great reward for Armenians being mine donkeys for Zionism for Baku oil was the unlimited protection of the Rothschilds and Rockefellers.** After 1918, Armenians began to migrate and settle in every city of the world easily, just like the Jews, under the guidance of the Rothschilds and Rockefellers.

Armenians are the second nation in the world after Jews to have infiltrated every institution and organization, especially states, governments, armies and intelligence agencies.

The armies and intelligence agencies of Russia, Georgia, Azerbaijan, Iran, Iraq, Turkey, Syria, Egypt, Greece, the Greek Republic of Southern Cyprus, the Turkish Republic of Northern Cyprus, Lebanon , Jordan and Israel **are under occupation by crypto-Armenians working for the Rothschilds and the Rockefellers.**

Russia, Azerbaijan, Turkey and the Turkish Republic of Northern Cyprus have cleared their armies and intelligence agencies of crypto-Armenian occupation.

This crypto-Armenian occupation in Russia, the Caucasus and the Middle East is the same in every country in the world, especially the US and the EU. World states, armies, universities and researchers **should be very careful about crypto-Armenians in their countries.** These organizations should analyze Armenian history and Zionist connections very well.

The role of Armenians serving Zionism in the collapse of the Ottoman state is **very great.** The reason why more than a hundred million people died in the last century, including the First and Second World Wars, **is the collapse of the Ottoman state and its withdrawal from world politics.**

ANCA - Armenian National Committee of America - The most powerful crypto intelligence organization of the Rothschilds and Rockefellers in the USA.

ANCA and similar organizations are the ones who will divide the **USA into fifty pieces.** The US government and citizens must be very careful and informed about Armenians. The devil is in the details.

Armenians are the second terrorist nation that kills the most Christians and Muslims in the world after Jews.

All of the murders committed under the name of war in the Caucasus, Azerbaijan, Turkey, Iran and the Middle East between **1870-2024 were committed by crypto Armenian terrorists.**

Armenians have been dying and killing for the Rothschilds and Rockefellers in return for "nothing" for 150 years.

Armenians continue to die **as mine donkeys** for the Rothschilds and Rockefellers in countless terrorist organizations, especially the PKK, YPG, PJAK, FETO, DHKP-C, MKP, TKP-ML, MLKP and ISIS.

Armenian terrorists who have gained experience in these regions are being placed in every city in the world to make the US and the EU like Gaza.

Zionist Armenian institutions and terrorist organizations will play the biggest role in Zionism's plans to make the world an Auschwitz and Gaza.

The world cannot get anywhere with states like Israel and Armenia, nations like Jews and Armenians. For the future and security of humanity, the existence of states and nations like Israel, Armenia and others will be ended. The crypto Zionist Armenian occupation in the USA is the same in every country in the world, especially in the EU.

The biggest role in Zionism's plans to turn the world into an Auschwitz and Gaza will be **played by Zionist Armenian institutions and terrorist organizations.**

ANCA - Armenian National Committee of America - The most powerful crypto intelligence organization of Rothschilds and Rockefellers in the USA. **ANCA** and similar organizations are the ones that will divide the USA into fifty pieces.

The USA government and citizens have to be very careful and informed about Armenians. **The devil is in the details.**

Zionist Armenian institutions and terrorist organizations will play the biggest role in Zionism's plans **to turn the world into an Auschwitz and Gaza.**

The symbol of the Democratic Party, one of the biggest political parties in the USA, **is the donkey.** In the eyes of the Rothschilds and Rockefellers, US citizens **who vote for the Democratic Party are mine donkeys who clear minefields.**

We invite US voters not to vote for the Democratic Party in the 2024 presidential elections and to stay away from this party.

We invite US voters to support Donald Trump in the 2024 presidential elections and destroy the Democratic Party and wipe it off the political scene.

The US state and nation are a super army of 336 million. The US state and nation have more than enough power to destroy and cleanse all kinds of Zionist parasites that have occupied their countries.

With God's permission, the US will never be divided into different states and will continue on its path as a free and independent state.

We invite humanity to get rid of Roman law that has entangled our civilization like an octopus and to establish real law in their countries.

We invite humanity to support our legal people who object and rebel against Roman law.

Roman law is the legal system of Zionism and Judaism.

Roman law is a fake legal system. Roman law is an anti-legal system.

Roman law is the art of enslaving people with law.

Roman law is the art of eliminating Zionists' opponents through law.

Roman law is the art of destroying legitimate law under the guise of law.

Roman law is the art of bending the law.

The first rule of enslaving states and nations is to seize the legal systems and establish Roman law in that country.

Zionism has seized the legitimate legal systems of humanity in the last 250 years and replaced them with Roman law.

Roman law is the name of legal terrorism. People who serve Roman law are legal terrorists.

Judges, prosecutors, lawyers and law lecturers who serve Roman law are not servants of justice but terrorists.

It is a crime to practice law based on Roman law. Judges, prosecutors and lawyers who practice law according to Roman law are committing crimes.

Especially the last 250 years of world legal history is a history of legal murders.

People have great respect for the concept of law due to scientific laws. For this reason, people accept the concept of law as unquestionable and flawless.

The reason why fake Roman law is accepted without question in countries is this subconscious acceptance. **Roman law is the law of the Rockefeller and Rothschild families.** The Rockefeller and Rothschild families used this

subconscious acceptance very well and made people accept Roman law as real law.

Roman law has a great share in Zionism's 250-year evil success. The Rockefeller and Rothschild families have managed to eliminate their rivals and enemies with Roman law.

Donald J Trump and all similar cases are proof of this fact.

The people who should know what the law is best are judges, prosecutors, lawyers and law professors.

The defense of guilty people saying "I did not know the laws" is not a legally valid defense.

The defense of judges, prosecutors, lawyers and law professors who serve Roman law "I did not know what Roman law was" will not be a legally valid defense.

Judges, prosecutors, lawyers and law professors who serve Roman law will be tried for terrorism crimes.

We invite the great Turkish nation to reject Zionist-Roman law and return to its thousands of years of legitimate national law.

We invite the great Turkish nation to seek the rights it has lost in the courts due to Zionist-Roman law.

We invite the great Turkish nation to file compensation lawsuits against Turkish judges, prosecutors and lawyers who serve Roman law.

Turkish law is not Turkish, it is Jewish.

Roman law is not law, it is masked legal terrorism.

Turkish judges, prosecutors and lawyers who serve Roman law are legal terrorists.

Turkish judges, prosecutors and lawyers who serve Roman law will stand trial for treason and membership in the Zionist Terrorist Organization.

Judging Turkish citizens with Roman law is not law but a crime. It is not the duty of any Turkish judge, prosecutor or lawyer to judge and defend Turkish citizens with Roman law.

Turkish judiciary cannot make decisions on behalf of the Turkish Nation with Roman law. This is not the USA, EU or Israel, but the Republic of Turkey.

Turkish legal history after **April 27, 1909** is a history of legal murders. **(April 27, 1909 :** Zionism invades the thousands of years old Turkish state)

The first constitution, Kanun-ı Esasi, which was forcibly dictated to our state by **Mithat Pasha in 1876, is a British Jewish constitution.** The person codenamed **Mithat Pasha is a Bulgarian Jew and a Mossad agent working for the Rothschild family.**

The execution of Adnan Menderes and his ministers is one of the greatest legal murders in human history. **Rahmi Koç-Rockefeller,** who had Adnan Menderes and his ministers executed, is an American Jew and the head of the **CIA in Turkey.**

Turkish judges, prosecutors, lawyers and law professors who do not object to or rebel against Jewish-Roman law are no different from the judges, prosecutors and lawyers who executed Adnan Menderes and his ministers.

Zionism has removed the death penalty from EU and Turkish law. The death penalty is the most valuable punishment in criminal law. The purpose of this is to prevent the execution of the judges, prosecutors and lawyers who executed Adnan Menderes and his ministers. After this date, most of the murderers who received the death penalty in Turkey were released from prison in a short time.

In the terrorist attack carried out by the CIA in Beşiktaş, **Istanbul on December 10, 2016, 39 police officers and 7 citizens were killed.** The PKK terrorists who killed 46 people were caught and punished shortly. Turkish law could not execute these murderers. These murderers (2016-2024) continue their terrorist **activities with micro films in Hatay Prison.**

It is possible to count countless legal murders of this type that are products of Roman law in the 115-year history of Turkish law.

There is a large army of skulls, ignorant and stupid judges, prosecutors and lawyers who think that Roman law is law and boast about the murder decisions they have made.

This army of skulls, ignorant and stupid judges, prosecutors and lawyers prevents the Turkish nation from returning to its thousands of years of legitimate national law.

The diplomas and authorities of Turkish judges, prosecutors, lawyers and law professors who do not object and rebel against Jewish-Roman law have no legitimacy.

Traitors have no position, rank or authority.

Judges, prosecutors and lawyers who do not have legal authority cannot judge the citizens of the Great Turkish nation.

The Turkish legal system was subjected to a very rapid CIA, Mossad, Jewish, Armenian and Zionist invasion after April 27, 1909.

Most of the judges, prosecutors and lawyers working in the Turkish judiciary after the 1900s were paid employees of the crypto CIA and Mossad.

FETO is the best proof of this truth.

There are three classes of judges, prosecutors and lawyers in the Turkish judiciary system.

i) Those who receive salaries from the CIA and Mossad,

ii) those who are confused, skull-headed, ignorant, copy-and-print, low in intelligence and reason, idiots,

iii) those who object and rebel against Jewish-Roman law are our legitimate judges, prosecutors and lawyers.

Roman law produces crime, not justice.

In Roman law, the guilty is innocent, the innocent is guilty.

In Roman law, the right is wrong, the wrong is right.

Roman law is anti-law. Justice cannot be established by enforcing law with Roman law.

Roman law is the law of releasing criminals from the back door.

Thieves, murderers, subversives and terrorists are the greatest capital and workforce of Zionism.

Punishing these criminals leaves Zionism breathless. Roman law is the breath of Zionism.

It is the duty of Turkish legal people, not Jews-Zionists, to prepare legitimate Turkish legal codes.

It is not law but a crime to try Turkish citizens with Roman law.

In ancient Turkish civilizations, interest is forbidden and in law it is a crime.

These legitimate laws were abolished from our legal system with Jewish-Roman law after April 27, 1909.

After this date, an interest-based economic system was established in the country. The results of which have returned to our nation as hundreds of millions of enforcement, seizure, bankruptcy, composition and criminal cases, have caused irreparable social destruction.

The judges, prosecutors and lawyers who have been gardeners for Jewish-Roman law and profited from the system are responsible for these crimes and social destructions.

How many citizens' houses, vineyards, gardens, fields, tractors, trucks, cars and workplaces have been sold through enforcement **in the thousand-year (1071-1909) Seljuk-Ottoman history ?**

How much TL did Seljuk-Ottoman citizens pay in interest for a thousand years ? What law governed the Seljuk-Ottoman state for a thousand years ?

The number of enforcement and bankruptcy files in Turkey in 2024 reached **38,969,260.**

Roman civil and family law is hostility towards family and humanity under the guise of law.

One of the greatest enemies of Zionism is the institution of family. Family is sacred. **Family is the source of unity, integrity, discipline and good morals. Family is anti-Zionism.**

Roman civil and family law are secret laws written entirely for the purpose of breaking up and destroying the family.

Roman civil and family law is the law of breaking up the family and especially leaving children alone.

The biggest source of income of Zionism on planet earth is child trafficking.

Roman civil and family law is the law of creating a source of slave children for Zionism.

Extremely unfair divorce compensations, alimony, indefinite alimony and penalties are aimed at breaking up families and selling children to Zionists.

Zionism has made great strides in Western civilization with Roman civil and family law in **its target of child trafficking.**

Roman civil and family law has started to pose a very serious threat to the ancient Turkish family existence.

We all know that Roman civil and family law is not law for Turkish families but a great punishment and oppression.

Turkish judges, prosecutors and lawyers who have served Jewish-Roman law for a hundred years are responsible for all the material and moral damages they have caused to Turkish citizens.

We invite Turkish citizens to file lawsuits against judges, prosecutors and lawyers for the interest they have paid to Zionist banks, the loss of rights in enforcement and bankruptcy cases, extremely unjust compensation, alimony and indefinite alimony.

The best judges, prosecutors, lawyers and law professors should know what law is.

We would like to remind judges, prosecutors and lawyers that defenses such as "I did not know what Roman law was" have no legitimacy in the eyes of the law.

All Turkish judges, prosecutors and lawyers who have been gardeners of Jewish-Roman law will appear before the judge for the crimes they have committed.

INVITES THE GREAT TURKISH NATION TO FOCUS ON
ROMAN LAW TERRORISM AND TERRORISTS
(3)

The purpose of law is to serve states and nations at the highest level.

Judges, prosecutors, lawyers and law professors are the representatives of prophets on earth.

The third duty of prophets after being prophets and scholars is to be judges, the fourth is to be doctors and the fifth is to be arbitrators.

The word judge comes from the root wisdom. Wisdom simply means to know everything properly.

A scholar and a judge means a person who knows everything properly. **Judges and prosecutors are people who are responsible for knowing everything properly.**

Judges and prosecutors are the spiritual owners of a country. Judges and prosecutors are the first to protect a country from criminal organizations and criminals.

Because judges and prosecutors see and recognize criminal organizations and criminals before anyone else.

Judges and prosecutors are the radars of a country. Judges and prosecutors are the customs of a country.

Judges, prosecutors, lawyers and law lecturers are the spiritual owners of a country. Judges, prosecutors, lawyers and law lecturers are the spiritual heads of state of a country.

The duty of legal people is to make laws that will best protect the state and the nation.

How much benefit have Turkish judges, prosecutors, lawyers and law lecturers who have served Jewish-Roman law for a hundred years provided to the Turkish nation and humanity ?

What are Turkish judges and law lecturers who have served Jewish-Roman law for a hundred years masters of **?**

Is it to be a judge, prosecutor and lawyer to go to the courthouses like a milkman's horse day and night for a lifetime?

Turkish courts make decisions on behalf of the Turkish nation. The purpose of this is to declare on every occasion that the legitimate law protects the public rights of the Turkish nation.

How can Turkish judges and prosecutors establish judgments and decisions on behalf of the Turkish nation with Jewish-Roman law **?** How is this to be a judge, prosecutor and lawyer **?** The first duty of judges and prosecutors is not to punish but to make laws that will prevent crimes in the most just way.

The duty of judges and prosecutors is to defend and establish legitimate law against Roman law (fake law).

Roman law says there is no crime (punishment) without law **?**

What happens if there is a crime and no law **?** **Crime makes law. Case makes law.**

Judges, prosecutors, lawyers and law lecturers make the law and punish the criminal. The criminal is not acquitted because there is no law. Law does not accept intervals.

Every crime and case is a physics and mathematics question and the answer is the same everywhere in the world.

People who cannot master the laws of nature (rights and truth) are not judges, prosecutors, lawyers and law lecturers.

Turkish judges and prosecutors serving Roman law understand the supremacy of law as the supremacy of judges and prosecutors, and consider themselves untouchable and unreachable.

The line between being a judge and ignorance, negligence and cruelty is very thin.

The great Turkish nation cannot and has not reached anywhere with the sidikli judges, prosecutors and lawyers serving Roman law.

Being a buffoon is not being a judge, prosecutor, lawyer and law lecturer.

Life is a very heavy-handed teacher. It teaches people what they do not know as they deserve.

In ancient Turkish law, the penalty for violating legitimate law is the death penalty.

It is announced to Turkish judges, prosecutors, lawyers and law professors who serve Jewish-Roman law.

The great Turkish nation cannot and has not reached anywhere with the **sidikli judges, prosecutors and lawyers serving Roman law.**

LGBTIQ TERROR AND ITS CONSEQUENCES
PARIS 2024 OLYMPIC GAMES

We invite humanity to object and rebel against the LGBTIQ lifestyle.

In these photographs, we see a few frames of the terrible consequences of the LGBTIQ lifestyle, which is the greatest danger to humanity.

The greatest capital that Zionism relies on to control and enslave humanity is the LGBTIQ lifestyle.

LGBTIQ is the first step where humanity ends and inhumanity begins.

A lifestyle where men are women and women are men is the death and extinction of humanity.

LGBTIQ lobbies and supporters are a much greater danger to humanity than Zionism, war and terrorism.

Humanity should think very carefully about these terrible scenes we experienced at the 2024 Paris Olympic Games.

Where will Zionism's LGBTIQ impositions and challenges end **?**

After two or three Olympic Games at most, international sports life will be over for our girls and women. Men who have become women will compete with each other. Sports will be a branch where only men will receive medals and awards.

Countries will compete to produce and train transvestites for the medal race. LGBTIQ based Olympic Games, world championships and sports will be accepted and applauded like Hollywood. Zionism's LGBTIQ dreams and plans will never be allowed to come true. LGBTIQ lifestyle is terrorism and a crime.

LGBTIQ lobbies and supporters will be punished with the punishments they deserve. Most of these punishments will be death penalty. The punishment for trying to execute humanity is death penalty.

A thousand Olympic organizations are not more valuable than a drop of tears from our children.

It is a great injustice that our beautiful girl Angela Carini was eliminated by a male boxer.

We strongly condemn and curse the Zionist LGBTIQ lobbies who prepare and allow such sports murders.

The 2024 Paris Olympics are not finished legally and continue. Angela Carini's elimination is against the law.

The matches of our girls who suffered from transvestite injustice like Angela Carini and others will be repeated.

The medals of our girls who defeated transvestite men are valid. If necessary, two gold, two silver or two bronze medals can be given in the same weight class.

We invite the French state and the 2024 Paris Olympic Committee to return the rights of our girls whose medals were stolen.

We invite the French state and the Paris Olympic Committee **to invite Angela Carini and similar athletes** to Paris to complete their matches. (Within 2024)

We invite world sports institutions and organizations and athletes **to support Angela Carini.** Zionism is theft, murder and corruption. Zionism is a challenge to all human values.

The 2024 Paris Olympics have been one of the best proofs of this truth.

We condemn the Zionist French state and the 2024 Paris Olympic Committee for their extremely ugly attitudes and disrespect towards Jesus Christ and the sacred values of Christianity at the opening ceremony.

The religion of Zionism is LGBTIQ. Zionists have done what is befitting of them, as they always do.

We invite LGBTIQ institutions, organizations, lobbies, associations and members to take a good look at Angela Carini's photographs, which are one of the best works of their mindset.

We say to the LGBTIQ lobby, association, members and supporters, this is the difference between being a human and being a human draft.

We invite Bülent Ersoy to take a good look at the photographs of our daughter Angela Carini, one of the best works he presented to humanity.

We say to Bülent Ersoy, this is the difference between being a human and being a human draft.

CHP is the Bülent Ersoy of Turkish politics.

We invite CHP and Bülent Ersoy to take a good look at the photographs of our daughter Angela Carini.

The place where CHP has taken the Turkish nation and humanity is these photographs.

CHP = LBGTIQ.

Those who read the tales of Zionism such as gender equality, women's rights, the Istanbul Convention, sexual freedom etc. **to the great Turkish nation 24/7 are the Bülent Ersoys of the CHP.**

After this date, the name of the CHP Chairman, deputies and administrators is Bülent Ersoy.

As the great Turkish nation, we do not recognize any other name than Bülent Ersoy for the CHP Chairman, deputies and administrators.

We say that this is the difference between being a political party and being a political draft.

The 2024 Paris Olympic Games are one of the greatest attacks on human honor and dignity by Zionism. If **LGBTIQ terror continues at this rate**, men and women will disappear from the world in a hundred years and the world will be a planet where genderless creatures will live.

The 2024 Paris Olympic Games are the signal flare of this future. The creatures who dream of such a world and humanity for our children, who are the guarantee of our future, will first have their noses broken and then their heads will be cut off.

Every country, institution and organization that supports LGBTIQ terror will be banned from national and international competitions for at least twelve years.

In the name of human honor and dignity, France has been banned from the 2028-2032-2036 Olympic Games for twelve years.

My Precious One's

I would like to thank you very much for your visual and written messages that are as beautiful as a painting, very laborious, very meticulous, and very valuable.

Today, we are experiencing another beautiful manifestation **of the hadith, "Those who act according to what they know are taught what they do not know."**

The greatest problem of humanity was **its partial helplessness** against Zionism. Until this date, elections and referendums were organized for political purposes and goals.

With the principle of **Referendum for Every Zionist :** we have paved the way for the easy elimination of every Zionist institution, organization and person from society.

With this principle, the dominance of Zionism over states, governments and people has ended.

The central banks, industrial establishments, institutions, organizations and assets that Zionism has stolen from humanity in the last 250 years will be nationalized and their activities will be terminated in a few months.

Let's continue our speech with the voice of humanity's conscience, **our Master Necip Fazıl Kısakürek,** and let's finish with our question.

We have opened a breach in the wall, holy, holy

Oh, the wicked wind, blow from whichever side you want.

Oh Zionist, Oh Jew, Oh Freemason, Oh Collaborator :

Do you know who we are ?

We are the children of Adam and Eve

But you can simply call us "Muhammad Ali".

My Precious One’s

What needs to happen for **humanity's freedom and independence** continues to happen one by one.

Your faith, worship, sermons and works on the path of God continue to illuminate the darkness and provide breath and strength for those in need.

These sacred efforts of yours add great strength to humanity's struggle for freedom and independence.

No one should doubt that everything is developing very healthily for humanity's future.

We always stay away from the **lies and tales of Zionism.**

We never stray from the guidance of the our churches, the bible and our pasteurs and bishops.

This Heart is proud of you all
This Heart loves you all very much
See you very soon

The AK Party and the People's Alliance are ready to prove that the CHP is the PKK on every ground.

We invite CHP presidents, deputies, managers, members and supporters to prove that CHP is not PKK.

CHP is not a political party but a terrorist organization.

PKK CHP is a masked terrorist organization. The founder and owner of PKK is Rahmi Koç.

The biggest PKK terrorist living in Turkey **is Rahmi Koç. CHP president, deputies and executives are PKK terrorists in suits and ties.**

The real CHP is the CHP (1923-1938) headed by Atatürk.

The political party that Turkish people know as CHP after 1938 is not CHP, but PKK.

Turkish people have been voting for PKK, not CHP, since 1938. After 1938, the owner of the CHP was the Rockefeller family, who poisoned and killed Atatürk.

PKK is one of the largest of the hundreds of terrorist organizations founded by the Rockefeller family in history.

The person using the code name Rahmi Koç is Rahmi Rockefeller, the real son of David Rockefeller. The person known **as Vehbi Koç is an actor** who plays the role of a father. His job is to hide the truth about the Rockefellers.

The Rockefeller family is a theft, murder and terror network with roots in Sumerians, Babylon, Egypt, Rome, Europe and the USA.

The Rockefeller family operates under secret family names in every country of the world. The Koç family, Rahmi Koç, Mustafa Koç, Ömer Koç and Ali Koç are **the best examples of this insidious structure.**

The duty of humanity is to find, expose and destroy the secret Rockefeller and similar families settled in their countries.

The Rockefeller family increased its historical wealth with the industrial revolution after the 1700s and reached the peak of its power with the oil

revolution. Oil and its fields discovered in the world after 1850 became the center of world politics. After this date, the Rockefeller family accelerated its efforts to destroy the four great powers that it saw as rivals. **After the First World War, Germany, Russia, Austria-Hungary and the Ottoman states were disintegrated.**

Zionists have two important goals with the first, second and cold world wars. **i)** To prevent countries from **owning oil and industries**, which are the heart of the economy. **ii)** To own one hundred percent of the country's economy as the secret owners of oil and industries. The most important aim of Zionism's aggression to have absolute possession of the oil and petrochemical industries of countries **is to seize the inflation stick.**

The indispensable condition for overthrowing governments in a country and preventing the development of national industry is to have the inflation stick.

The smallest increase in oil and petrochemical products will cause an avalanche in economic life.

The main reason for the 100-200% annual inflation risk and reality that the Turkish nation has experienced especially for one hundred and twenty years (**1900-2024) is that it does not have national oil-petrochemical resources and industries.**

Turkey, which had 54% of the world's oil in 1914, became the customer of John Rockefeller and his grandson Rahmi Koç in 1918. **It is Rahmi Koç,** not Adnan Menderes - Turgut Özal - Recep Tayyip Erdoğan, who increased the prices of everything **in Turkey by 100-200%,** especially after 1950.

What Jewish Prime Minister Süleyman Demirel means with his threat of "There is no government that an empty pot cannot destroy" is the Turkish nation's slavery to oil and petrochemicals.

There is no Jew that a loaded fist cannot kill.

The reason for the total **1000-2000% price increases** experienced by the Turkish nation between 2018-2024 is Koç Holding and Rahmi Koç.

Astronomical price increases do not occur spontaneously in economic life. **Inflation is not destiny, it is theft.**

Hadith says that everything has a heart and **the heart of the Quran is the Surah Yasin.**

The Turkish nation, which has been complaining about the high cost of living for a century, must understand very well the reality of Turkish oil slavery, which is the heart of the economy. **The Turkish nation should read the reality of oil and petrochemical slavery every day, just like reading the Surah Yasin.**

AK Party, which won 17 elections in 22 years as the first party, became the second party for the first time in the local elections of March 31, 2024.

The biggest reason why the AK Party is the second party after 22 years is the total inflation rate of 1000-2000% between 2018-2024.

In other words, during this period, the prices of everything, especially fuel, increased 20-30 times and the purchasing power of the Turkish nation halved.

What should the AK Party and the People's Alliance do to break the nose of this great economic and political collapse?

The reason for the physical and moral tragedies and destruction that the Turkish nation has experienced in the last 120 years is oil slavery.

1. The Turkish nation will nationalize all oil and petrochemical facilities, including 5 oil refineries belonging to the Rockefeller and Rothschild families, who have owned Turkish oil and petrochemical facilities for 120 years.

i- Batman Refinery ii- İzmit Tüpraş Refinery iii- Mersin Ataş Refinery iv- Kırıkkale Refinery Rockefeller family - Koç Holding v- İzmir Aliağa Refinery and Petrochemical facilities are owned by the Rothschild family.

As of 2024, Turkey's daily oil consumption is 1.0 (one) million barrels. The money earned by the Turkish nation, which consumes 1.0 million barrels of gasoline, diesel and autogas daily, from the oil and petrochemical industry is **0.00 (Zero) TL annually.**

If you cannot control oil and petrochemicals, you cannot control inflation. If you can't control inflation, you can't control the economy. You cannot control the economy, you cannot manage your state.

The first thing that the AK Party and the People's Alliance will do to break the nose of this great economic and political collapse **is to nationalize the Petroleum and Petrochemical industries that the Zionists stole from the Turkish nation 120 years ago.**

And to take the inflation stick from the hands of Zionism.

i- Batman Refinery ii- İzmit Tüpraş Refinery and Petrochemical facilities iii- Mersin Ataş Refinery iv- Kırıkkale Refinery v- İzmir Aliağa Refinery and Petrochemical facilities, all oil distribution companies, especially Mobil, BP, Petrol Ofisi, Opet, Aygaz, Shell and Total companies will be nationalized.

If you own National Oil and petrochemicals, you will be cutting off Satan's head like Abraham. It is impossible to destroy states and nations that have national oil and petrochemical industries.

There is no harm that Zionism, with its inflation stick taken away from its hands, can do to people.

The biggest reason for failure for people is being a client of Satan.

Zionism's biggest customers have no right to complain about the high cost of living and poverty.

How and when will the price increases that have been going on for a century in Turkey be stopped ? How and when will the constant rise of USD and Euro and poverty in Turkey end **?**

The Turkish nation will sign three universal reforms to end its biggest suffering of a hundred years **: high price increases and low purchasing power.**

1. i) To nationalize the Central Bank of the Republic of Turkey, which belongs to the Rothschild and Rockefeller families, and to have a national Central Bank of the Republic of Turkey.

ii) Nationalizing Jewish-funded private sector banks such as İş Bankası, Yapı Kredi, Garanti, Akbank and the like

2. Nationalization of five refineries, pipelines and oil distribution companies belonging to the oil and petrochemical industries

3. Nationalization of all goods and services sectors that consume the country's foreign currency belonging to the Rockefeller and Rothschild families,

ii) Support and strengthen national brands that do not transfer foreign currency

The biggest reason for the high price increases and low purchasing power in Turkey that has been going on for a hundred years is that the Rockefellers and Rothschilds bought USD and Euro in exchange for their Turkish lira earnings.

In the laws of Zionism, hundreds of national currencies such as the Turkish Lira have no value.

The reason for this is that the Rockefellers and Rothschilds protect the value of their own currencies, USD and Euro. Otherwise, USD and Euro would become currencies whose value cannot be controlled, like other national currencies.

The Turkish nation should pay close attention to the following facts of the economy.

i) Koç Group's sales of petroleum products and autogas in Turkey are 1 million barrels per day. This figure is approximately 6 billion TL per day. (1.0 USD : 32.00 TL) Turkish Lira is of no use to the Koç group.

In other words, the Koç group does not want to create a strong rival currency by saving TL. Koç group buys USD and Euro every day with its daily oil sales of 6 billion TL.

The amount of foreign currency that Koç group purchases from the free market **is approximately 180-190 million USD per day.**

This figure is 5-5.5 billion USD monthly and 60-65 billion USD annually. These funds are transferred to the Rockefeller-Koç group's banks in the USA and England, and to the World Bank and IMF accounts **on the same day.**

TUSIAD and TOBB members, like the Rockefeller-Koç group, smuggle their capital abroad by purchasing USD, Euro and Gold with their daily TL earnings.

The aim of this trade is to consume the cash capital of the Turkish nation and make it dependent on high-interest foreign currency borrowing.

The money that Koç Holding smuggled abroad in **2023 is 80 billion USD.** Koç Holding sells this money it smuggled abroad **back to the Turkish nation for 120 billion USD annually.**

Turkey's 2023 tourism income is 54.3 billion USD. However, what remains for the Turkish nation from this income is an annual debt of (80-54.3) = 25.7 billion USD.

This is how the wheels turn for every product and service of the Turkish economy. Every product and service produced by Zionist capital in Turkey returns to the Turkish nation as a debt.

When the Turkish nation nationalizes 5 oil refineries, the money it will earn is at least 120 billion USD annually.

At this point, the best thing for the Turkish nation to do is to understand very well the Rockefeller and Rothschild families, who have been settled in Turkey for 200 years, and their secret economic power.

It is essential for the Turkish nation to stop purchasing the products and services produced by the Rockefeller and Rothschild families in Turkey.

Unless the Turkish nation understands the value of purchasing **domestic products,** which are of much higher quality and cheaper, they will not be able to escape poverty and slavery.

Unless the Turkish nation understands the value of purchasing domestic products that are of much higher quality and cheaper, they will not be able to save themselves from **being breakfast for the price hike monster.**

The representative of the Rockefeller family in Turkey is TUSIAD. TUSIAD is the largest CIA organization in Turkey and its owner is Rahmi Koç.

Rahmi Koç is the biggest CIA agent in Turkey.

Turkish nation should know TUSIAD companies very well and stop purchasing products and services from these companies.

The representative of the Rothschild family in Turkey is **TOBB. TOBB** is the largest **MOSSAD organization** in Turkey and **its owner is Rıfat Hisarcıklıoğlu.**

The Jew using the code name Rıfat Hisarcıklıoğlu is one of the biggest MOSSAD agents in Turkey.

MOSSAD is the intelligence agency of the Rothschild family. Mossad has no relationship with the state of Israel or the Jews. Jews who work for Mossad and always die and kill **for nothing are slaves of the Rothschilds.**

TUSIAD and TOBB own publicly known brands as well as **many unknown and secret brands.** Unilever, Turkcell, Türk Telekom are some of the dozens of secret brands owned by the Rockefeller-Koç group.

Ford, Fiat, Türk Traktör, Karsan, Otokar, Stellantis- Peugeot, Citroen, Opel, Jeep, Chrysler, Dodge, Volvo, …. …. **These are some of the automotive brands produced and imported by the Rockefeller-Koç group in Turkey.**

Central Bank of the Republic of Turkey, CBRT Gold Mint, Vodafone, Vestel, Garanti Bank, İş Bank, Paşabahçe, Şişe Cam are some of the dozens of secret brands owned by Rothschildler. Mercedes-Benz, BMW, Volkswagen, Audi, Porsche, Toyota, Renault, Seat, Skoda, MG, MAN, BMC, DAF, Scania …. ….

These are some of the automotive brands produced and imported by Rothschilds in Turkey.

TOGG is one of the hundreds of secret Rothschild brands produced with Renault-Toyota-Nissan technology. Istanbul Bosphorus, Fatih Sultan Mehmet, Yavuz Sultan Selim, Osman Gazi, Çanakkale suspension bridges, 2018 Istanbul Airport, 2016 Eurasia Tunnel, 2013 Marmaray Tube Passage are the secret properties owned by the Rothschilds.

TL revenues of these products, services and facilities are transferred abroad in USD, Euro and gold on the same day.

The Turkish nation must understand very well the physical and spiritual slavery it has experienced since April 27, 1909. Every phone call, every kilowatt of electricity, every liter of gasoline, diesel, autogas, coffee, tea, ice cream, margarine, oil, every cigarette, and countless products and services reset the Turkish nation's USD and Euro savings.

In the Zionist economic order, your earnings are your debts.

The Turkish nation should know that as long as it purchases the products and services of the Rockefellers and Rothschilds, it finances dozens of terrorist organizations, especially the CIA, Mossad, Israel, CHP, PKK, DAESH and DHKP-C.

The most important thing that the Turkish nation, who wants to get rid of the endless price increases, should know is not to buy Jewish products and services. **Why ?**

Because Coca Cola, Nestle, Lipton, Omo, Domestos, Elidor, Calve, Knorr, Algida, Sana, Becel, Mc Donalds, KFC, Starbucks, Domino's... …. …. and hundreds of **similar products are sold in TL.**

TL is of no use to these companies, and CEOs buy USD and Euro from the free market with their daily earnings, causing the country's foreign currencies to run out. The biggest reason for the current account deficit is that the Zionist capital resident in the country bought USD and Euro, leaving the treasury without foreign currency.

The reason why Dollar and Euro are rising every day in Turkey is the demands of domestically established Jewish companies to convert their TL earnings into foreign currency.

The biggest problem of the Turkish economy for 200 years is the current account deficit.

Economists define the current account deficit as the difference between imports and exports. **This definition is a fraud,** deception and distraction intended to mask the real current account deficit.

Another most important issue that the Turkish nation, who wants to get rid of endless price increases, should know is how much **national currency is in national banks.**

Turkish nation has to focus on how much TL and foreign currency there is in national banks Ziraat Bank, Vakıfbank, Emlakbank and Halkbank.

Gold, TL and foreign currency in Jewish banks such as İş Bankası, Yapı Kredi, Akbank, Garanti, TEB, ING etc. **do not benefit the Turkish nation even a penny.** The purpose of establishment and existence of Jewish banks is to steal the Turkish nation's money and business capital.

The Turkish nation, which delivers its money, foreign currency and gold to Jewish banks, has no right to complain about price increases and difficulty in making ends meet.

The Turkish nation wants from Recep Tayyip Erdoğan what they cannot ask from God.

It is shirk for the Turkish nation to ask from **Recep Tayyip Erdoğan** what they cannot ask from God. **Recep Tayyip Erdoğan is not a god.**

How many Turkish citizens pray for a strong Turkish economy **?** How many Turkish citizens argue about God's laws for a strong Turkish economy **?** **How many Turkish citizens are discussing what should be done for a strong Turkish economy ?**

What kind of citizenship, Islam and humanity is trying to make leaders like Recep Tayyip Erdoğan pay the price for the 250-year-old Zionist economic exploitation system in the local elections of March 31, 2024 **?**

In 2013, 1.0 USD = 1.7 TL, 1 Kg of Meat = 20-25 TL, 1.0 liters of Gasoline - Diesel = 4-5 TL.

After the Gezi Uprising in 2013, by increasing the prices of gasoline and diesel **fuel to 40-50 TL: 1.0 USD = 32.00 TL, 1.0 Kg Meat = 450-500 TL, 1.0 liter Gasoline-Diesel = 40-50 TL: Koç Holding- Rahmi Koç- Ali Koç.**

The reason why prices in Turkey have increased 20-30 times in the last 5-10 years is the 5 oil refineries owned by Koç Holding. The biggest power behind Rockefeller-Koç Holding's ability to easily destroy the Turkish economy and governments whenever they want is the oil refineries they own.

A Koç Holding without an oil industry and refineries has zero chance of controlling the Turkish economy and governments.

The first thing that the Turkish state and nation, who want to end the century-long (1923-2024) price increases and livelihood difficulties, should do is to take **the inflation stick from Koç Holding's hands by nationalizing its refineries.**

Rockefellers-Koç Holding is nothing without oil and refineries.

In the Presidential elections of 14-28 May 2023, **Recep Tayyip Erdoğan, AK Party and the People's Alliance** won the elections by receiving **27.83 million votes (52.18%).**

Rockefeller-Koç Holding, CIA agent Kemal Kılıçdaroğlu, CHP and Nation Alliance lost the elections by receiving **25.5 million votes (47.82%).** The total number of voters in Turkey is 61.4 million. **48% of the voters (25.5 million**) cast their votes for the CHP and its partners, which are owned by Rockefeller-Koç Holding and the CIA.

What kind of wisdom and conscience is it to give 25.5 million votes to Koç Holding, CHP and its partners, who have increased consumer prices in Turkey 20-30 times in the last 5-10 years and halved their purchasing power, and who are working with all their strength to turn Turkey into Iraq, Syria and Gaza ?

Recep Tayyip Erdoğan is the Turkish citizen who has fought the most against the historical and greatest enemies of the Turkish nation, the

Rockefellers, Koç Holding, CIA, Rothschilds, Mossad, Zionism, Israel, CHP and their partners since the age of twenty.

What kind of wisdom and citizenship is it to try to teach a lesson to a leader like **Recep Tayyip Erdoğan** by punishing him in the elections with the accusation that he cannot manage the economy and prevent excessive price increases **?**

Teaching is the job of teachers.

If you are a teacher, what have you done to prevent prices from increasing 20-30 times in the last 5-10 years ?

What did you offer to Recep Tayyip Erdoğan to break the nose of Zionism and inflation, but he did not accept it?

What did Kemal Kılıçdaroğlu, Meral Akşener, Ekrem İmamoğlu, Özgür Özel, Mansur Yavaş, Ümit Özdağ, Fethi Yaşar, Prof.Dr.İlber Ortaylı and dozens of similar **CIA and Mossad agents** do for the Turkish nation to prevent prices from increasing 20-30 times in the last 5-10 years **?**

What did these people offer to the Turkish nation for zero price increase and high purchasing power that they were rewarded with 25.5 million votes ?

What is the point of reason, conscience, Islam and citizenship in not being able to see the truths that Mustafa Kemal Atatürk and Recep Tayyip Erdoğan saw at the age of twenty, even in 2024 ?

Which commander shoots his soldiers fighting on the front ?

Voting for CHP and its partners means shooting at Mustafa Kemal Atatürk and Recep Tayyip Erdoğan.

Firing bullets at Mustafa Kemal Atatürk and Recep Tayyip Erdoğan is firing bullets at the Turkish nation and humanity.

It is essential for the Turkish nation **to see the big picture full of traps** that Zionism has prepared for them in order to end their biggest suffering of a hundred years **:** high price increases and low purchasing power.

The highest salaries that Ford Motor Turkey will give to a worker and engineer are 500 USD and 3,000 USD on average.

These figures are on average **5,000 and 30,000 USD in the USA**. The highest salary that Zionism will give to civil servants, workers and retirees is **200-1000 USD.**

If these figures are increased to 700-3000 USD or more by successful governments, inflation will jump by increasing gasoline and diesel prices and salaries will not be allowed to increase.

Successful governments increase the salaries of civil servants and workers to the level of **1,000-10,000 USD,** forcing Ford Motor Turkey and similar organizations to pay at least twice as much to their employees.

The most feared and most important economic criterion of Zionism is paying employees more than 100-500 USD per month.

Zionism programs the economic policies of each country based on the monthly salary criterion of 100-500 USD.

It is essential for Zionism not to give tradesmen, workers, civil servants and retirees a purchasing power that would threaten its existence.

It is Rahmi Koç, not Recep Tayyip Erdoğan, who does not pay tradesmen, workers, civil servants and retirees the salaries they deserve.

It is a civic and humanitarian duty for the Turkish nation to learn to punish Rahmi and Ali Koç, not their own children like Recep Tayyip Erdoğan.

The architect of the economic destruction experienced in Turkey in the last five years is CIA agent and Jewish economist Korhan Berzeg (Korhan Rockefeller). Economist Korhan Rockefeller, one of the greatest enemies of the Rothschilds on earth, was killed by Mossad on June 17, 2023.

Korhan Berzeg's identities and a few bones were found 316 days later.

This is the big picture of the Zionist economic terrorism experienced in Turkey, especially in the last decade (2013-2024).

This picture in Turkey is the same in every country in the world.

The Turkish nation should know this fact very well. Turkish economy's national income and exports represent the money earned by Jews.

There are no Turks in the Turkish economy. In the 200-year-old Turkish economy, the place of Turks has been as a labor force worth **100-500 USD per month.**

This 200-year-old wheel was broken in 2002 under the AK Party government and the presidency of Recep Tayyip Erdoğan.

Turkey is an economy with **a national income** of 240 billion USD and exports of 36.2 billion USD in 2002.

At this date, the share of the Turkish nation in the economy was very close to zero. After this date, the share of the Turkish nation in the economy began to increase.

Turkey is an economy with a 2023 national income of 1.0 Trillion USD and exports of 255.8 billion USD.

The share of the Jewish nation in the Turkish economy in 2023 is 90%, and the share of the Turkish nation and state is 10%.

This rate means an annual income of 100 billion USD for the Turkish nation.

Turkey's 2023 imports are 362 Billion USD. These figures show that the Turkish nation loses at least 262 billion USD annually.

It is natural that an economy that loses at least **262 billion USD annually** cannot provide **sufficient salary increases** for tradesmen, civil servants, workers and retirees.

It is essential for the Turkish nation to read the picture of Turkey's economy and reality very well. The Turkish nation was first enslaved by taking away the oil and petrochemical industries.

The second big picture that the Turkish nation needs to see is the automotive and iron and steel industry.

Dozens of Rockefeller and Rothschild automotive companies, especially **Anadolu Isuzu, Fiat, Ford Otosan, Hattat, Hyundai, Karsan, MAN,**

Mercedes, Otokar, Oyak Renault, Temsa Mitsubishi, Tofaş, Toyota, Türk Traktör, have invaded the Turkish economy.

These companies do not provide a single penny of benefit to the Turkish nation and economy.

Zionism gives one and takes ten. The national automotive and iron and steel industry of the Turkish nation has been enslaved by these companies with a monthly salary of 500-1000 USD.

These companies exploit the Turkish nation and economy by converting their sales in TL into USD and Euro on the same day.

Rockefellers and Rothschilds do not have a single penny of account in Turkish national banks (Ziraat, Halk, Vakıf, Emlak).

The best example for the Turkish national and automotive industry is Baykar company. Baykar company is a 100% national company.

Baykar companies do not have a penny of money in Zionist banks.

All of Baykar's money is in state banks.

The Turkish nation must know that the **1000 TL in their pocket will become 100 TL** when they shop from countless **Zionist brands such as Arçelik, Beko, Vestel, Migros, Carrefour, Koçtaş, Teknosa and the like.**

The duty of Zionist brands, which have invaded every corner of Turkey like a microbe for 200 years, is to kill national brands.

The salary of a nation that has killed its national brands ends after 3-5 days.

The Turkish nation should protect and support national brands such as **Baykar,** which are abundant in every sector.

The Turkish state will nationalize all Zionist automotive and iron and steel companies that have occupied the Turkish economy.

The Turkish state will return the Zionist brands that have occupied the world economy to their **Christian, Muslim, Hindu, Buddhist, honest and patriotic owners.**

The Turkish state will offer 50%-50% partnership to automotive companies producing in Turkey.

Production will continue with companies that accept, and production will be terminated with companies that do not accept.

The first article of partnership agreements will be the ban on capital increases.

With the capital increase, the shares will not be allowed to fall below 50%. Zionism's biggest trick is Capital Increase.

Zionism becomes 100% owner of the companies by throwing its partners off the train after certain periods of time, through secret capital increase clauses hidden in partnership agreements.

The first thing that the Turkish nation, who complains about the high cost of living, should do is to fight Zionism like Recep Tayyip Erdoğan and his friends.

Our citizens who vote for Zionism must understand very well what the Rockefellers, Rothschilds, Koç Holding, TUSIAD, TOBB, CHP, HDP-DEM, IYI Party, DISK, TESK, TTB, TMMOB and the like are.

The Turkish nation will not get anywhere by giving 25.5 million votes to thieves who steal 900 billion USD of money annually.

The price of 1 kg of iron and 1 kg of gold is the same.

The difference between the two is the difference in mind.

The Turkish nation, which pays 1.0 USD for 1 kg of iron and 60,000 USD for 1 kg of gold, cannot give economics lessons to Recep Tayyip Erdoğan and cannot question him about the cost of living.

This rate, which is valid for iron and gold, is also valid for all products of the economy.

Gold and similar metals are savings tools of states, not citizens. **According to God's laws, the maximum amount of gold a person can own is 81 grams.**

This right applies to women. The amount of gold a man can own is zero grams. It is forbidden to have 82 grams of gold for women and 1.0 grams of gold for men.

These and similar divine laws prohibit humans from having too much of everything they need.

It is a waste for people to demand and buy things that are more than they need. Waste is prohibited.

Verse 7 of Surah al-A'raf points out this fact. "Eat, drink, but do not waste."

Verse 39 of Surah An-Najm says, "A person is rewarded only for what he works for."

In the world of good people, people are only rewarded for their hard work.

Good people's money does not increase 2-5-10-100 times without working at all.

In the world of evil people, people are only rewarded for their thieves.

The money of Zionists and thieves increases 2-5-10-100 .... times without any work.

People whose money increases 2-5-10-100 .... times without working at all are partners of Zionists and thieves.

Money earned from hoarding, gold, interest, usury, private sector and central banks, foreign exchange, USD, Euro, bitcoin, stock market, stocks, lottery, toto, lotto, betting and gambling are money earned from theft.

The biggest secret of success in life is not to be a customer of Zionism and Jews. Turkish people are making the Jews rich by investing in all Zionist investment instruments, especially the gold dollar and the euro.

Jews, on the other hand, buy every corner of Turkey with this money and make the homeowners guard their doors.

Gold, which was 30-50 USD per ounce 50 years ago, is 2320 USD in 2024.

In galactic calendars, 50-100 years are like 1-6 month periods.

The value of the game played on gold in the world in the last 50 years is 1-10 quadrillion USD.

Zionism will collect back the 1-10 quadrillion USD worth of gold it sold to humanity by giving 0.1-1 billion USD.

You cannot earn money such as 1-10 quadrillion USD from industries such as oil, weapons, automotive, machinery, electronics, etc.

The chances of other powers to exist against powers with cash capital of 1-10 quadrillion USD are zero.

Gold prices, which are 2320 USD for 1 ounce, will drop to 1-30 USD by the end of 2024. A nation cannot protect the value of its money and wealth by investing in thieves.

People who invest in Zionism cannot complain about economic destruction to leaders like Recep Tayyip Erdoğan.

There is one person who should be held accountable for the economic devastation and high cost of living of the Turkish nation, and that is Rahmi Koç.

Rahmi Koç is the architect of the destruction that the Turkish nation has experienced in the last seventy years.

Rahmi Koç is a PKK terrorist who devoted his life to killing Turkish youth and increasing prices by 100% every year.

The Turkish nation must choose correctly the criminals to whom they will hold their necks and hold them to account.

In the history of the Republic of Türkiye, the person who fought Rahmi Koç's terrorist mentality the most is Recep Tayyip Erdoğan.

Those who try to punish a leader like Recep Tayyip Erdoğan in the elections are no different from Rahmi Koç.

TURKISH POLITICS AND 31 MARCH 2024 ELECTIONS (1)

In the 2024 elections, CHP became the first party with **17.4 million votes (37.8%),** and AK Party became the second party with **16.4 million votes (35.5%).** Compared to the 2019 elections, **CHP grew by 27.5% and AK Party shrank by 3.4%.**

How realistic is it that AK Party and Recep Tayyip Erdoğan come second after 17 elections ?

It is a fact that the AK Party and Recep Tayyip Erdoğan, who came to power in 2002, were constantly threatened by the Rockefellers and **the CIA to make the Central Bank of the Republic of Turkey and the Ministry of Treasury and Finance surrender to them.**

Recep Tayyip Erdoğan strongly opposed these proposals and was subjected to **the largest government overthrow operations in the history of the CIA, including the Gezi Events and the July 15, 2016 coup.**

The Rockefellers and the CIA slowly increased consumer prices by 20-30 times between 2018-2023 and reduced purchasing power by at least 50%. Five million AK Party voters, who were economically depressed in the last five years, did not go to vote.

The five million HDP-DEM (Kurdish voters controlled by Armenians) and İyi Parti (Turkish nationalist) voters, whom Rockefeller and the CIA forced to unite, voted for the CHP.

At the beginning of 2023, the Rockefellers and the CIA attacked the government with the **HAARP weapon** (two earthquakes of magnitude 7.6 and 7.7) to prevent Recep Tayyip Erdoğan from being elected president and destroy the economy.

These attacks backfired and Recep Tayyip Erdoğan was re-elected president. After these earthquakes, the Rockefellers and the CIA threatened Recep Tayyip Erdoğan to hand over the Central Bank of the Republic of Turkey and the Ministry of Treasury and Finance to them, **otherwise they would attack Istanbul, a city with a population of 16 million, with the HAARP weapon.**

David Rockefeller said, "I will not give way to a madman." Recep Tayyip Erdoğan said "I will give it" and stepped aside. He handed over the Central Bank of the Republic of Turkey and the Ministry of Treasury and Finance **to the Kurdish Jew codenamed CIA agent Mehmet Şimşek on June 4, 2023.**

The first thing Mehmet Şimşek did was to increase the Central Bank interest rates, which he received from 9%, to 50%. After this date, a very rapid slowdown and 100-150% inflation occurred in the Turkish economy.

Mehmet Şimşek did not give the 5.0 Billion USD money that Recep Tayyip Erdoğan had prepared for 16 million retirees in the March 31, 2024 elections to the government and was very successful in his mission to make them lose the elections.

Mehmet Şimşek is a traitor. Mehmet Şimşek is a PKK terrorist who runs the Central Bank of the Republic of Turkey and the Ministry of Treasury and Finance. **Mehmet Şimşek is not an economist but a clown.**

Which economist can reduce inflation by increasing interest rates **?** Which economist says "the reason for high interest rates is inflation"**?** Which economist can deny the principle of **"Interest is the cause, inflation is the result", which is the first letter of economics ?**

High interest means do not buy a house or car, do not produce, stay at home. Central Bank interest is reflected on citizens at least twice. 100% interest has put an end to Turkish business life in the last year.

Mehmet Şimşek's duty is to raise interest rates and destroy the Turkish economy and make it dependent on the World Bank and IMF.

Mehmet Şimşek's duty is to make dozens of national organizations such as Aselsan, Roketsan, Havelsan, TEI, TUSAŞ, MKE, Baykar the property of the Rockefellers.

Mehmet Şimşek's dream is to make the Turkish economy and state like Gaza.

Every word of Mehmet Şimşek is a one-page lie.

What they say and promises for low inflation are completely fairy tales. Returning to rational ground, medium-term program and similar sentences

are coded sentences that aim to make the Turkish economy 100% Rockefeller property.

Economist Prof. Dr. Korhan Berzeg is Mehmet Şimşek's teacher. Mehmet Şimşek learned the subtleties of Zionist life from Korhan Berzeg.

Mehmet Şimşek will pay for the material and moral damage he has caused to the Turkish nation in the last year with his personal assets and money.

Mehmet Şimşek's term as colonial governor has ended. After these pages go live, Mehmet Şimşek has 72 hours to resign and go away.

Otherwise he will suffer the consequences. Recep Tayyip Erdoğan, AK Party and the People's Alliance entered the March 31, 2024 elections under these conditions.

The March 31, 2024 elections are not a defeat for Recep Tayyip Erdoğan, the AK Party and the People's Alliance, but a strategic retreat.

This is how history will write these elections.

TURKISH POLITICS AND 31 MARCH 2024 ELECTIONS (2)

The local elections of March 31, 2024 were an election that proved once again that all the votes received by the CHP after 1938 belonged to Ataturk.

Muharrem İnce, who received **15.3 million (30.6%) votes with the CHP brand** in the 2018 Presidential elections, received **78.3 thousand (0.17%) votes in the 2024 elections with his own party.**

Kemal Kılıçdaroğlu, who received **25.5 million (47.8%) votes with the CHP brand** in the 2023 Presidential elections, **received 0.00 (0.00%) votes in the 2024 elections under his own name.**

The CIA replaced CHP leader Kemal Kılıçdaroğlu, who lost 13 consecutive elections in his political career, **with CIA agent Özgür Özel** on November 8, 2023.

After 2007, in order to stop the rise of the AK Party, the CIA began killing important members of the party and replacing them with clones. The aim of the CIA was to establish **3-4 political parties similar to the AK Party with a 50% vote potential, to split the AK Party and to make one of the new parties the government.**

Abdullah Gül, Ali Babacan, Ahmet Davutoğlu and Bülent Arınç were killed and cloned. Ali Babacan founded the DEVA Party and Ahmet Davutoğlu founded the Future Party. Ali Babacan, who is expected to

come first and come to power in the 31 March elections, received **150,600 (0.32%) votes** and Ahmet Davutoğlu **34,200 (0.07%) votes.** In 2015, Turkish Hillary Clinton Rockefeller, who declared that she would become prime minister very soon, resigned and ended her political life by receiving **1,736,000 (3.76%) votes.**

Many CIA and Mossad parties **(Zafer, Saadet, Democrat Party, etc**.), which were established with great hopes and similar purposes, **could not exceed 0.01-1.7% of the votes.**

These results are the most valuable evidence that everything will return to its original state. The Bullshit alliance has returned to its original form. Life is a big machine that turns bad people into natural fertilizer. Two-legged bullshit, who yesterday dreamed of being the owner of the world, president and prime minister, today serve humanity as natural fertilizer.

CHP became the first party with 17,391,000 (37.8%) votes after 47 years under the chairmanship of CIA puppet Özgür Özel. Ekrem İmamoğlu won the Istanbul metropolitan mayoralty with 4.43 million (51.1%) votes, and Mansur Yavaş won the Ankara metropolitan mayoralty with 1.999 million (60.4%) votes.

It is the turn of Özgür Özel, Ekrem İmamoğlu, Mansur Yavaş, Fethi Yaşar, Prof. Dr. İlber Ortaylı and other CHP chairmen and managers to become natural fertilizers. All the votes CHP has received for 86 years are votes given to Mustafa Kemal Atatürk.

The proof of this is Muharrem İnce.

In reality, getting 10-60% of the votes with 0.1% of the votes is not politics, but theft. Those who lead the Turkish nation under the CHP brand are not politicians but thieves.

What is the secret of why CHP presidents and executives such as Özgür Özel, Ekrem İmamoğlu, Mansur Yavaş, Fethi Yaşar, İlber Ortaylı and others, whose names and talents **were unknown until yesterday, became popular among the public in a short time ?**

The Turkish nation should know very well that there is only one way to become the president of CHP, İYİ Party, HDP-DEM and similar parties, and that is to become a member of the CIA and Mossad.

To become a member of the CIA and Mossad, it is sufficient **to be a member of a Masonic lodge.** The owners of Masonic lodges are the CIA and Mossad. Members of Masonic lodges are also CIA and Mossad employees. **Özgür Özel, Ekrem İmamoğlu, Mansur Yavaş, Fethi Yaşar, İlber Ortaylı and similar individuals are freemasons.**

The most important feature of the CIA and Mossad is to make poor quality people known and branded among the public. The reason why Özgür Özel, Ekrem İmamoğlu, Mansur Yavaş, Fethi Yaşar, İlber Ortaylı and similar individuals are constantly in front of the public and known is the unlimited media and financial support given to them by the CIA and Mossad.

The money owned by the CIA and Mossad in Turkey is 900 billion USD annually as of 2023. Koç Holding and Tüsiad distribute CIA money to politicians, and TOBB president and members distribute Mossad money.

Doing politics in Turkey with the money of the CIA and Mossad means stabbing to death Mustafa Kemal Atatürk, one of the greatest enemies of Zionism in history.

Those who stabbed Ataturk to death cannot teach the Turkish nation a lesson in love for Ataturk.

TURKISH POLITICS AND 31 MARCH 2024 ELECTIONS (3)

The aim of the CIA and Mossad is to take over the CHP and erase Recep Tayyip Erdoğan, the AK Party and the People's Alliance from the political scene.

The rate of voters for Recep Tayyip Erdoğan, AK Party and the People's Alliance, who woke up to the deep world realities **in 2023, is 52.00%.** It is not possible for this ratio to decrease spiritually. No one in the world or in Turkey should make plans to take Turkey over based on the 48% CHP opposition. 25% CHP, 10% HDP-DEM, 10% Nationalist and 3% other votes are the sleeper votes.

Surah al-Kahf and verses 9-10 describe the state of the sleeping societies. **Societies live in four states, just like humans. These are the states of being alive, sleeping, confused and ignorance.** A state of confusion is both very valuable and very dangerous for societies and people.

The confused person who came to kill the Prophet and Islam was **President Omar.** Confused **Abu Lahab** worked hard to destroy the Prophet and Islam, and as a result, it was confirmed by the verse that he was destined for hell.

Almost all of the 48% of the sleeping votes in Turkish sociology will be resurrected and very few of them will remain in a state of ignorance.

CHP will be closed in the first referendum. The imposters who received 25.5 million (48%) votes with the CHP brand will return to their real identities with zero votes.

Zionism and Koç Holding are responsible for the material and moral damage they have caused to the Turkish nation since April 27, 1909.The oppression and destruction inflicted on the Turkish nation by Zionism, Koç Holding and their collaborators after 1909 is a Holocaust-Genocide.

Jews will pay the Turkish nation the same reparations that the German people paid to the Jews after World War II.

Having a position and salary under the CHP brand since 1938 is not a service to the nation, but theft. CHP presidents and executives are accomplices of Zionism and Koç Holding.

Those who receive salaries under the CHP brand are responsible for the material and moral damage they have caused to the Turkish nation. The legal equivalent of damage is punishment and compensation.

Anatolian wisdom summarizes the CHP mentality with the proverb "The bear has forty songs, forty of them about pears."

This is what we will say to CHP presidents, deputies and managers. If you have another folk song, we are ready to listen.

Özgür Özel **Clone Özgür Özel**

The photos above are one of the best proofs of how the Rockefeller family established and managed governments around the world**. In Masonic lodges, at least 50-100 freemasons** are always ready to run for president and prime minister.

These candidates are determined according to the country's conditions and polishing work for the public offering begins.

The most important characteristics of freemasons, who are waiting for offers of high positions in their lodges, including the presidency, are that they are ignorant, stupid and treacherous people.

The most valuable governing criteria for Zionism are ignorance, stupidity and treachery.

Who is Yavuz Donat- Yavuz Rockefeller-?

Yavuz Donat is the husband of Özgür Özel.

He is the husband of Yavuz Donat, Kemal Kılıçdaroğlu, Meral Akşener, Özgür Özel, Ekrem İmamoğlu, Mansur Yavaş, Fethi Yaşar, Prof. Dr. İlber Ortaylı and similar people.

In the world of Zionism, the lower power is always the capital of the upper power.

Who is David Rockefeller? David Rockefeller is Yavuz Donat's husband.

Who is David Rockefeller? David Rockefeller is a Draconian walk-in.

Masonic lodges are the incubation centers of the Draconian and Reptelian races on planet earth.

In this photo, the Rockefeller family is happy to turn an ordinary person into a recognized leader 47 years later.

In this photo, Yavuz Donat is also experiencing the happiness of a chameleon who has caught his prey.

In Zionism, people's wives, virgin daughters and grandchildren belong to Master Freemasons such as Yavuz Donat and others.

This photo is an offer to **Özgür Özel** to become the President, and to **Didem Özel** to the President's wife and daughter **İpek Özel**, to become a world-renowned lawyer.

In return for these positions, what is required of them is to become the capital of Zionism.

What is the proof of these claims and accusations?

The proof of these claims and accusations is Fetullah Gülen(s).

Yavuz Donat = Fetullah Gülen. The proof of these claims and accusations is the dozens of young virgin girls raped by Fetullah Gülen and his friends.

Our girls who were raped complained to the press about Fetullah Gülen and his friends, but the issue did not reach a conclusion because it did not find sufficient response in the press.

Those who want to know Yavuz Donat and Fetullah Gülen can reach our virgin young girls who were raped and get information about the real face of Zionism.

Could a return be possible for Özgür Özel and similar freemasons after this point?

Since these types of higher positions are positions that are very difficult for masons to reach, no one has any thoughts of turning back.

The biggest problem for Zionism is the disobedience and betrayal of senior masons.

The Rockefeller and Rothschild families in Turkey prefer to kill their leaders and replace them with their clones because they have experienced unlimited disobedience and betrayal **from many names such as İsmet İnönü, Bülent Ecevit, Deniz Baykal, Kemal Kılıçdaroğlu and the like.**

The CIA killed Özgür Özel between 5-10 April 2024 and replaced him with his Clone. Eye and plastic surgery news served to the press after the elections are intended to mask **Clone Özgür Özel** and distract attention.

Clones are walking biological computer and camera systems. The clones are managed from CIA and Mossad headquarters. You can easily say anything you want to say to the society and have it done by sending an e-mail to the Clones. **Clones do not change their minds easily or become stubborn like humans.**

Perhaps the most important issue that the Turkish nation and humanity should pay attention to in clone technologies is the Clone wars of the CIA and Mossad.

Both powers are always in a huge war to kill and replace each other's clones. Clone technologies are the answer to many political 180 degree turns that our intellectuals and researchers cannot understand.

The Turkish state has had enough of the unlimited antics of forces such as the **CIA and Mossad** to seize and destroy the Turkish state.

The Turkish state continues its efforts to train evil forces such as the **CIA** and **Mossad.**

The chances of the CIA and Mossad fighting forces to manage Turkish politics and take over the state by using the CHP and other collaborating parties are zero. **In the first referendum, CHP and all collaborating political parties will be erased from history.**

DOORS
INVITE THE TURKISH NATION TO TRADESMEN DAYS

We invite the Great Turkish Nation to support our tradesmen against shopping mall imperialism.

We declare Mondays, Wednesdays and Saturdays as "Tradesmen Days".

We invite our citizens to shop from tradesmen and shops these days. Tradesmen are the first masters and owners of the economy. Shops are the bricks of the economic walls. We love our tradesmen and shops that serve the country's economy.

We support our tradesmen with all our might on "Tradesman Days". Many tradesmen have no income other than their shop income. The power of tradesmen to resist shopping mall technology and capital is very weak.

The basis of God's laws is solidarity. The most important basis of being a servant of God is knowing how to live for others.

According to God's laws, 2.5% of the wealth of people who have the power to make a living belongs to those in need.

The salary of a believer with a monthly income of 40,000 TL is 39,000 TL, not 40,000 TL.

The salary of a believer with a monthly income of 20,000 TL is 19,500 TL, not 20,000 TL.

1000-500 TL per month belongs to others and those in need.

People who do not look at life with this criterion are very close to the border of having no faith.

Chicken and fish should not be eaten without cleaning.

Those who spend their salary and wealth without cleaning them are like those who eat chicken and fish without cleaning them.

Those who eat chicken and fish without cleaning them are animals.

The Turkish nation should know that 90% of the shopping malls and chain markets operating in Turkey are owned by Zionism.

The reason for this great exploitation and robbery is that the Turkish nation during the republican period did not protect its tradesmen like their ancestors.

The Prophet said, "He who sleeps full while his neighbor is hungry is not one of us."

Why are our neighbors hungry? If we starve our neighbors knowingly or unknowingly, who is responsible for this?

A person's most valuable neighbor is his state. What do citizens do while Zionist thieves and terrorists steal 900 billion USD annually from the Turkish state?

It is known that shopping malls and chain markets have many advantages over small tradesmen such as grocery stores, butchers, greengrocers, restaurants, patisseries, shoe shops and tailors. In these centers, everything is much cheaper, more diverse and of higher quality than in the tradesmen.

What is the quality in God's eyes of people who do not shop anywhere other than these centers?

The Turkish nation should know that it is a humanitarian and civic duty to buy a product and service that costs 10 TL in shopping malls and chain markets from grocery stores and shops by paying 20-30 TL.

The Turkish nation should know that shopping from the shops on the basement and upper floors is their duty towards humanity and their homeland.

Turkish people should learn to give 300-500 TL free of charge to support tradesmen when they shop for 100-200 TL.

The Turkish nation should consider it their moral duty to pay off or reduce the debts of the poor in grocery stores according to their means.

Turkish nation should learn to respect restaurant etiquette.

After eating, you cannot leave a restaurant without tipping. It is rude to give coins to waiters. Waiters are tradesmen without shops. Those who do not consider tipping waiters at least 50-100-200 TL should not go out to eat at restaurants. Because these types of people do not deserve restaurant and waiter service.

The Turkish nation has an obligation to be generous to restaurants, gas stations, hairdressers, couriers, cargo, home service and all their employees.

He who cannot give less than less cannot give more than more.

The servants that God does not like at all are his stingy servants. A stingy person is not even a servant in the sight of God.

Those who never reach into their pockets and always live by calculating the fat of a fly are no different from flies and insects in the sight of God.

You cannot become rich by counting the fat of a fly, but you can become a fly.

INVITE THE TURKISH NATION
TO REBELLION AGAINST THE JEWISH SHARIA

The Turkish nation has been governed by Jewish Sharia since April 27, 1909.

The Turkish nation has heard a lot about Jews, but they do not know what a Jew is.

We invite the Turkish nation to recognize the Jews and tear up the Jewish Sharia that has been in force for 115 years.

Jewish Sharia Law is the law of slavery. The basis of Jewish Sharia-Law is the Talmud, Zohar and the Protocols of Zion.

As long as the Turkish nation does not understand **the Jews and their Sharia,** they will continue to suffer economically, politically, culturally and socially.

The reason for the 20-30 times price increases experienced by the Turkish nation, especially in the last five years (2018-2024), **is the Jewish Sharia law.**

The leader who tried hardest to save the Turkish nation from 115 years of Jewish Sharia slavery is Recep Tayyip Erdoğan.

We invite every member of the Turkish nation to fight and destroy the Jewish Sharia, like Recep Tayyip Erdoğan.

The Jews are responsible for the economic devastation that our civil servants, workers, retirees and tradesmen have experienced in the last five years, not Recep Tayyip Erdoğan, the AK Party and the People's Alliance.

Due to the high inflation experienced in recent years, the biggest enemies of the Turkish nation that must be punished are the Jews and the Jewish Sharia.

Trying to punish a leader like Recep Tayyip Erdoğan, who has been working 16-20 hours a day for 50 years to increase the salaries, purchasing power and welfare of the Turkish nation, is incompatible with any reason or logic.

What did the citizens who voted in the elections to punish a leader like Recep Tayyip Erdoğan do against the Jewish Sharia law that has been exploiting the Turkish nation for 115 years?

What do the citizens who voted for CHP and its collaborators offer to the Turkish nation to destroy the 115-year-old Jewish Sharia law?

Citizens who cannot understand the 115-year-old system of theft and exploitation of the Jews, the greatest enemy of the Turkish nation, have no right to vote.

BEING RICH ? TO BE HUMAN ?

The duty of human beings is not to be rich, but not to be poor.

The greatest wealth is to be human.

There is no greater wealth than being human.

The greatest power of Zionism is to make human beings forget who they are. When a person forgets who he is, he will lose his greatest wealth, which is being human. When a person forgets who he is, he will find himself in the world of Zionism. When a person forgets who he is, he will first become a customer of Zionism and then a slave.

All divine laws that apply to humans are also valid for all races in the universe.

God explains and introduces Himself and His creation by showing humans as examples to other races.

The human race has no superiority over other races in the universe.

All races in the universe, including humans, are equal to each other.

No race, including humans, has superiority over any other race.

Superiority for humans and races is awareness of responsibility towards the universe.

All the laws of creation that apply to humans are also valid for other races in the universe.

Question: How many people did God create **?**

Answer: God created only one human being.

Question: Who is this person **?**

Answer: This person is you.

There is only one person in God's eyes. And that's you.

God is the one who created the universe only for one of his servants. You are that servant.

Question: What does human mean **?**

Answer: The literal meaning of human is one who is in need. Human beings are always in need and incomplete.

The need and deficiency of human beings begin to decrease when they recognize the one God and begin to live by His laws. **A person who completes his shortcomings becomes free** from need and becomes completely free and independent, like God. **Life is God's invitation to people to be completely free and independent.**

The history of planet Earth in the last 7000 years is the most valuable history of the universe.

Planet Earth is a slave to the Draconian and Reptelian races that dominate the Milky Way galaxy.

For the last 7000 years, there have been two great states on planet earth that have been fighting non-stop for the independence of humanity.

These are the Faith and Turkish states.

The founder and first head of state of the state of Faith that exists in the universe is Adam. The state of faith, which started with Adam, continued with his descendants, and declared its existence to the whole universe with Noah, reached its peak with Abraham, Moses, David, Jesus and Muhammad.

The most important feature of the state of faith is that it is a guide, teacher and leader to the universe.

The state of faith will prove that it is the guide, teacher and leader of the universe by ending the thousands of years of slavery of the planet earth.

It is almost impossible to liberate planets occupied by evil forces such as **Draconian and Reptelian in the universe.**

The most important task of the state of faith is to simplify and institutionalize the almost impossible liberation struggles of the planets.

Because evil forces such as Draconian and Reptelian use powerful technologies that are very difficult to overcome, such as Zionism, to enslave people and races.

The state of faith teaches how to control and destroy evil forces such as Zionism that dominate the universe.

During the Galactic war 600,000 years ago, exiled people **who believed in Adam and his teachings were landed** on the island of **Sri Lanka (Ceylon) on the planet Earth.**

The island of Sri Lanka is the first place where the state of faith was established on planet Earth.

"When we came to this country, there were stones but no soil" is the most well-known Sri Lankan proverb.

The geography where the state of faith was strongest on earth for 600,000 years was Sri Lanka, India, East Asia, China, Korea, Japan and Indonesia. Galactic evil forces, seeing that the State of Faith and its civilization are a very powerful rival for them, have begun to distort the teachings of the State of Faith.

The state of faith, centered on one god, prophecy and worship, has been replaced by Hindu and Buddha teachings and has been moved away from its purpose and target.

Many principles and prophecies of Hinduism and Buddhism overlap with Islam and Christianity. The reason is that this geography has hosted the State of Faith for hundreds of thousands of years.

The state of faith settled in the Middle East region. The Middle East has been home to many prophets, including the four books and the last prophet.

Today, the state of faith, Christianity and Islam, tries to fulfill its duty of leadership, guidance and teaching towards humanity in the best way possible.

Christianity, like every religion, has been subjected to heavy distortions and attacks, but it has never lost its essence throughout its history.

Christianity and Islam are two brother religions. Christian and Muslim are two words with the same meaning.

Christian: means student and teacher of the one God. Muslim: means student and teacher of the one God. The state of faith completed its development and reached its peak between 571-632 AD.

The state of faith has never been enslaved throughout its history due to the principle of "Satan cannot disguise myself".

The only nation that has never been enslaved by the Draconian and Reptelian races in the last 7000 years of human history is the Turkish nation. The Turkish nation has never been a slave at any stage in its history.

The Turkish nation is not a nation with an army, but a nation with an army itself. The Turkish nation is a nation that has fought against Zionism throughout its history.

The most experienced nation in the war against Zionism in world history is the Turkish nation. **The Turkish Armed Forces, which have fought against Zionism throughout its history, are 2233 years old. (209 BC)**

The Turkish nation is a nation that has been fighting Zionism non-stop for 2233 years for the freedom of humanity.

The Turkish nation is a nation that has established 16 states throughout its recent history.

The cause of the Turkish nation is the cause of humanity's freedom and independence.

For the Turkish nation, power is not about stone and soil, but about protecting and exalting the dignity of humanity.

Turkey is a country from Mongolia to Scotland.

God's message to humanity is clear with this 7000-year-old sociological map. For freedom and independence, human beings need two things.

1. Belief in the One God 2. Awareness of responsibility towards humanity - living for others and fighting Zionism.

Turks have never been pagans throughout their history. The religion of the Turks before they became Muslims, who believed in the earth and the sky god, was very close to the monotheistic religion.

The best example to the nations of the world in world history is the Turkish nation. The nations of the world should examine the history of the Turkish nation very well.

There are universal teachings in the history of the Turkish nation that are very valuable for the nations of the world.

The foundation of the Turkish nation is a universal worldview that establishes peace, tranquility and justice. People know it or not, every Turkish soldier who dies throughout history means another person who has gained freedom on the other side of the world.

To parents who watch television and showcases and drink cigarettes and beer, their children return as addicted to heroin, cocaine and gambling.

Question: How many types of nations are there in the world **?**

Answer: There are two types of nations in the world. The first is the nation that watches television, showcases, smokes cigarettes and drinks beer.

The second is the nation that reads **the Bible and the Quran**. The children of the nations that watch TV and showcases and drink cigarettes and beer return as addicted to heroin, cocaine and gambling.

How many states were there in the world 300 years ago ?

How many states were there in Europe 300 years ago ?

What is the service to humanity of states and nations that say they existed 300 years ago ?

The continent that has enslaved planet Earth in the last 300 years is Europe.

It is the European continent that secretly and openly turned the world into Auschwitz, Sarajevo and Gaza in the 20th and 21st centuries.

In the 20th and 21st centuries, the continent that worked hardest to wipe the **USA** off the map by turning it into **Auschwitz, Sarajevo and Gaza was Europe.**

It is the European continent that tried to kill 90% of the people by making the world an Auschwitz, Sarajevo and Gaza in the 20th and 21st centuries.

European civilization is a civilization of Zionism and terrorism.

European civilization is a civilization of Auschwitz, Sarajevo and Gaza.

The European Union is a union of Auschwitz, Sarajevo and Gaza.

European values are the values of Auschwitz, Sarajevo and Gaza.

It is the largest terrorist organization that Europe has ever seen in human history.

The largest slave country in the world is Germany.

The largest slave nation in the world is the German nation.

Germany is the greatest terrorist state in human history.

It is the power of the German economy that masks Germany's terrorist face.

The economy that has enslaved humanity for the last three centuries is the German economy and the money is German money.

The German nation has nothing to contribute to humanity other than Adolf Hitler and Nazism.

European civilization is a civilization of Adolf Hitler and Nazism. England, France, Italy, Austria = Germany.

England, France, Italy and Austria are versions of Germany that use different languages.

The industrial revolution, iron and steel production and the power of money made the people of Europe not rich, but slaves of Zionism.

How much money have Germany and the European Union earned in the last 300 years? How much money will Germany and the European Union have in their coffers in 2024 ?

In 2024, the money in the safe of the European Union and Germany is Zero. In 2024, the European Union and Germany do not have the money to build 10 aircraft and 10 tanks for their armies.

As of 2024, Europe is a bankrupt union.

Europe = Israel. Germany = Israel. England, France, Italy, Austria = Israel.

Europe is a Jewish paradise. We invite the German nation to liberate itself from Jewish slavery. We invite the German nation to protect the German nation and Germany.

The Nazi Germany of 2024 is a much stronger Germany than the Nazi Germany of 1938. Zionists and Jews own 100 percent of the German economy and money. We invite the German nation to own the German economy and money.

The Turkish nation nationalized the banking system, which had been under the control of the Zionists for 200 years. The Turkish nation has established a 100% national banking and financial system such as Ziraat, Halk, Emlak, Vakıf and PTT banks.

As of 2024, the Turkish nation has saved 100 billion USD of its 1.0 trillion USD money under the control of Zionism. He has completed his preparations to save all of them.

We invite the German nation to take the Turkish nation as an example in national banking.

We invite the German nation to crush the heads of the Zionists, Jews and Nazis who have been entrenched in Germany for centuries.

We invite the German nation to return to its Christian roots. We invite the German nation to churches and to live the Bible.

Whatever we want for the German nation, we also want for the British, French, Italian and Austrian nations.

We want the same thing for all European nations as we want for the German, British, French, Italian and Austrian nations. We invite the European Union to Churches and to live the Gospel. We invite the European Union to wipe Israel off the map.

PLANET EARTH
(1)

The owner of the planet Earth is the Turkish Nation.

We invite humanity and nations to own the planet earth.

The world is not a planet of slaves where billions of people live.

No power in the universe should dream that "Planet Earth is mine".

No power in the universe should see "people as a warehouse of slave soldiers whose monthly cost is 50-100 USD."

There is no slave or soldier child that humanity will surrender to the Galactic powers.

Planet Earth is a free and independent planet.

Planet Earth is the heart of the universe.

Planet Earth is a guide and teacher planet for the peace of the universe.

Planet Earth is a civilization of good morals.

Power for planet Earth is not technology and wealth, but good morals.

Superiority for planet Earth is awareness of responsibility towards the universe. Planet Earth is a living planet for others.

The worldview of the Turkish nation, which has lived on planet earth for thousands of years, is good morality.

Why does the Turkish nation own the planet Earth?

The cause of the Turkish **nation is the cause of the freedom and independence of all humanity.**

Why does the Turkish nation own the planet Earth **?** The Turkish nation is a nation that has **fought to destroy Zionism throughout its history.**

The Turkish nation is the nation **that knows the universe and the realities of** the world best.

The Turkish nation is the nation that **sees the truth and the future best.** The **Turkish nation** is a nation that positions itself best according to reality and the future.

The Turkish nation is a nation that does not waste its energy, power and time.

The Turkish nation is a nation that finds and crushes the enemy on the spot, not when he comes to the border.

The Turkish president is also the chief of general staff. The Turkish president goes to wars and fights first. He does not send other people's children to the front and hide in holes like mice, like the Zionists.

The Turkish nation is a nation that lives and dies for humanity.

PLANET EARTH
(2)

We invite humanity and nations to own the planet earth.

A person is either the owner or the slave of the planet he lives on.

A nation either owns or is a slave to the planet it lives on.

Humanity cannot own anything by spending 24/7 on social media, t.v., showcases, watching matches, drinking beer and cigarettes, engaging in politics and holidays.

Humanity cannot own anything by trying to increase its money 2-5-10-100 times without working at all. Humanity cannot own anything by hoarding and usury. Humanity cannot own anything by buying and selling gold, interest, USD, Euro, bitcoin, stock market, stocks, lottery, toto, lotto, betting and gambling.

Humanity cannot own anything by listening to the Zionist media and academy clowns 24/7.

Humanity can only have children addicted to heroin, cocaine and gambling by living with Zionism, Talmud, Zohar and Jewish Sharia.

By living with Zionism, Talmud, Zohar and Jewish Sharia, humanity becomes a slave only to the planet on which it lives.

How to own the planet Earth is best explained in the Bible and the Quran. Churches and mosques best explain how to own the planet Earth.

Christian and Muslim scholars best explain how to own the planet Earth.

Religion = Mathematics.

Which person has an objection to mathematics ? A life without mathematics is as much a life as a life without religion. We invite humanity to churches and mosques. We invite humanity to follow religion, the four books, the prophets and their representatives, Christian and Muslim scholars.

We invite humanity and nations to own the planet earth.

DOORS
INVITE WORLD STATES TO END
TRADE AND DIPLOMATIC RELATIONS WITH ISRAEL

We invite world states to end trade and diplomatic relations with Israel.

The Gaza genocide is the true identity of the Jew. Humanity can best understand who and what the Jews are by looking at Gaza.

Gaza is a rehearsal of Zionism and the Jewish dream of a New World Order.

The Jewish dream is to make the world like Gaza and humanity like the Palestinian people.

The Gaza genocide is the genocide of humanity. The state of Israel cannot get anywhere with fake prophecies.

Where Israel is headed is to be wiped off the map and disappear.

The destination of those who support the State of Israel and the Jews **will be bankruptcy at the very least.**

We call on Christians to end trade and diplomatic relations with Israel. We invite Christians to close their land, air and sea spaces to Israel.

We call on our Hindu and Buddhist brothers to end trade and diplomatic relations with Israel.

We invite our Hindu and Buddhist brothers to close their land, air and sea areas to Israel.

We invite the Islamic Union countries to end trade and diplomatic relations with Israel.

We invite the Islamic Union countries to close their land, air and sea spaces to Israel.

We wholeheartedly support the liberation war of our Palestinian brothers and Hamas.

Those who ignore Palestine should never forget that one day the whole world will become Palestine.

Those who call Hamas a terrorist organization should never forget that one day the whole world will become Hamas.

On behalf of all humanity, we would like to express our heartfelt gratitude to the United Nations, its esteemed president and members, heads of state and government, institutions, organizations, university professors and students who supported the war of liberation of Palestine and Gaza worldwide.

WHAT KIND OF FUTURE WAITS FOR HUMANITY ?
(1)

What kind of future awaits humanity after the collapse of Zionism and Judaism ?

The highest identity for humanity is to be human. There is no greater identity for humanity than being human.

The future of humanity is the future whose foundation is human beings and good morals.

The world population of 8 billion consists of Christians, Muslims, Hindus and Buddhists.

The basis of human civilization is the teachings of Adam and Eve.

Christians, Muslims, Hindus and Buddhists are the children of Adam and Eve. Christians, Muslims, Hindus and Buddhists are brothers.

The basis of Christian, Muslim, Hindu and Buddhist civilizations are the teachings of Adam and Eve, although they may differ more or less.

The common denominator of Christians, Muslims, Hindus and Buddhists is humanity and good morals.

The essence of these four civilizations is good morality.

Christians, Muslims, Hindus and Buddhists are morally good, honest and peace-loving people.

Christians, Muslims, Hindus and Buddhists strongly reject ill-gotten gains, lies, fraud, theft, murder, terrorism, war, destruction, genocide, injustice and an immoral worldview.

Due to his creation program, humans are peace-loving and hate fights, murder and wars.

Human beings always want to live in peace and tranquility. Human beings solve all problems, big or small, among themselves in a short time and they have absolutely no hostility towards each other.

Human beings do not live to exploit and destroy human beings. Human beings do not make short- and long-term programs to exploit and destroy human beings.

What makes human beings enemies of each other is definitely their enemies. **The easiest way to exploit and enslave human beings is to turn them against each other. Human beings who are enemies to each other cannot fight their enemies and lose all their material and spiritual power.**

It is Zionists and Jews who have turned people against each other in the last seven thousand years.

Zionists and Jews are murderers who boast of their civilization of ill-gotten gain, lies, fraud, theft, murder, terrorism, war, destruction, genocide, injustice and immorality.

Zionists and Jews are the architects of the oppression and tragedies that Christians, Muslims, Hindus and Buddhists have experienced throughout history.

The greatest asset of Zionism and Judaism is being secret and doing business without being seen.

Zionism and Judaism, which were very secret until yesterday, are now visible to everyone like iodine on cotton.

Zionism and Judaism steal 85 trillion USD annually from Christians, Muslims, Hindus and Buddhists with the theft system they have established in the world.

The most important duty of Christians, Muslims, Hindus and Buddhists towards humanity is to unite and save humanity from Zionist and Jewish thieves who steal 85 Trillion USD of money annually.

We invite our Christian, Muslim, Hindu and Buddhist brothers to become a state and a nation for humanity.

We invite our Christian, Muslim, Hindu and Buddhist brothers to crush the heads of humanity's greatest enemies : Zionism, Judaism and Israel.

WHAT KIND OF FUTURE WAITS FOR HUMANITY ?
(2)

For the last 250 years, Zionism's safe haven has been the European continent centered in Germany and England.

After the first world war, the USA was included in the cash register equation. With the fairy tale of the Lehman crisis of 2008, China was included in the cash register equation.

All the money earned by Europe, the USA and China, centered in Germany and England, for the last 250 years is used in the galactic investments of the **Draconian and Reptelian races.**

The money that Europe, the USA and China have earned for 250 years are their debts.

Europe, the USA and China are bankrupt countries. Earth is a cattle and chicken farm on a Galactic scale. Humans are cattle and chickens that the Galactic powers buy and sell.

Zero USD is humanity's share of the annual planetary economy of 85 Trillion USD.

The people living on planet Earth are not as valuable as a stray dog in the eyes of the evil Galactic Powers.

An unlimited investment activity is carried out on all planets and their satellites in the solar system, including the Moon and Mars.

American, British and German engineers are employed as slaves in Galactic projects.

It is stated that by 2024, 300-600 thousand American, British and German engineers will be **working as slaves in galactic facilities on the Moon, Mars and surrounding planets.**

It is stated that Fedex and similar companies carry and trade goods produced in the world in intergalactic trade.

It is essential for people who engage in politics around the world to guide themselves by knowing the deep world realities.

It is reported that many giant brands known as world technology are investments of Galactic powers in the world.

In the last 250 years, European and US brands have invaded every country in the world and have not given the right to life to national brands.

China has been included in these powers since 2008.

It is known that China has made many offers to the Turkish state regarding many industrial investments, especially in the last 10 years.

These offers from outside are actually threats. Zionism does not offer, it threatens.

China is preparing numerous investments in Turkey, especially **BYD and Chery** electric cars.

Turkey will not accept any investment requests from China, including BYD and Chery.

Turkey will never allow Turkey to become China.

Turkey will continue to strengthen its trade in raw materials and intermediate goods with China to strengthen its economy.

Turkey will definitely not allow Zionism to threaten and exploit China.

Turkey will defend and protect the Chinese state and nation with all its might against the dreams and threats of Zionism.

Turkey is a country that imports 46 different brands of automobiles. Zionism has not allowed the Turkish nation to put four wheels side by side for 150 years.

Zionism did not allow the Turkish nation to create national brands in any field, including automobiles.

The Turkish nation will continue on its way by creating its own national brands in every field, including automobiles.

The Turkish nation will do its duty towards humanity in the best way possible by not being a customer of Zionism.

Turkey is not the field and garbage dump of a few Sidikli Zionist families.

DOORS
INVITE PRESIDENT RECEP TAYYIP ERDOĞAN TO ANNOUNCE THE ANTI-INTEREST AND INTEREST-FREE ECONOMY LAW TO THE WORLD

Our esteemed President RECEP TAYYIP ERDOĞAN

I respectfully request for your interest and information that you announce to humanity the Anti-Interest and Interest-Free Economy Law, which will end all oppression in the world, especially the Gaza genocide.

What is the Anti-Interest and Interest-Free Economy Law?

Anti-Interest Law is a law that ends interest and removes it from the earth. Zionism institutionalized interest after the 1770s and became the owner of the world economy.

Zionism collected the money of 8 billion people and bought the whole world by giving 10% (monthly, annually) of 100 USD to 1000 USD.

This relatively irresistible great economic power is also a system of exploitation. People cannot rule states by collecting money from citizens.

The Anti-Interest Law is a 20% tax imposed by the state on every service.

Citizens will pay 20% more tax for all kinds of payments such as income, corporations, real estate, auto, electricity, telephone, water, natural gas, gasoline, diesel, autogas, credit card, import, export, etc.

Taxes paid to citizens working with state banks (Ziraat, Vakıf, Halk, Emlak, PTT) will be refunded without any deduction.

No tax refund will be given to citizens working with Zionist banks (Yapı Kredi, İş Bankası, Akbank, Garanti, TEB, ING etc.).

Thus, Zionist banks will be nationalized in a very short time and the Interest-Free Economy will be established.

Our state will provide interest-free banking services to our citizens.

May Anti-Interest Law and Interest-Free Economy be beneficial and auspicious to the Great Turkish Nation and humanity.

HOLLYWOOD TERROR

We call on humanity to revolt against Hollywood Terror, Pedophilia and human trafficking.

We invite humanity to protect the honor and dignity of humanity against Hollywood Terror.

Turkish Hollywood master freemason Türker İnanoğlu is a human trafficker and pimp who sells virgin girls and boys to the world elite.

Türker İnanoğlu threatens our artists, athletes and businessmen to hand over their virgin girls and boys aged 2-15-20-30 to the Zionists.

We call on the Turkish state, especially our President, Mr. Recep Tayyip Erdoğan, to take action against these extremely brutal threats and crimes of Zionism against our artists and citizens.

This trade is the cheapest and most effective way to enslave humanity.

Humanity cannot solve any of its problems without understanding this trade very well.

Zionism offers virgin daughters and sons to heads of state, elites, senior executives and businessmen.

+18 pedophilia videos of presidents, elites, senior managers and businessmen **who accept the offer are recorded.**

After these records, that country and people, with all their minerals and strategic values, become the property of Zionism.

The cheapest and easiest way to own a country is **+18 Pedophilia Video** recordings.

+18 Pedophilia Videos are the reason why heads of state, elites, senior managers and businessmen **do not object and rebel against the tragedies experienced by humanity.**

How does Zionism provide **virgin girls and boys** to heads of state, elites, senior executives and businessmen **?**

Zionism established Hollywood and magazine culture for this trade.

The main purpose of Hollywood and tabloid culture is to produce virgin girls and boys.

Hollywood is a farm producing virgin girls and boys.

The virgin girls and boys produced on this farm are first offered to heads of state, elites, senior executives and businessmen, and then they begin to be sold at very high prices.

People who fall into the trap of pedophilia have no chance of returning to their freedom.

How does Hollywood produce and sell virgin girls and boys?

Hollywood uses artists, athletes and businessmen to produce virgin girls and boys.

Because it is very easy **to control these people** one hundred percent due to their physical and spiritual contracts.

Hollywood first tries to persuade artists and athletes to surrender their virgin girls and boys to them.

This is the lie Hollywood most often tells its victims. ***"Your children's sexual life will begin at the age of 10-15 anyway. It would be much better for your children to continue their lives with 1-2 million USD of money."***

People who believe this lie have no authority to complain about Hollywood pimps. Victims have nothing to do but remain silent.

Zionism's most powerful capital and trap is the **trap of consent.** The purpose of the consent trap is to deceive and defraud people without facing any legal proceedings or criminal sanctions. **The law often remains ineffective and helpless in the face of the consent trap.**

Zionism is the art of cornering people. Zionism is the art of trapping people.

Zionism is the art of forcing people to choose between death and malaria.

In Zionist law, the guilty is innocent and the innocent is guilty.

Zionism and Hollywood pimps begin to punish artists, athletes and businessmen who do not surrender virgin girls and boys to them.

The first effective method of punishing artists, athletes and businessmen is financial sanctions.

Zionism, in order to punish artists, athletes and businessmen, makes their employment contracts conditional on having children, closes all the doors where they can earn money, strengthens their rivals by giving them the jobs they are entitled to, crushes them under the burden of huge debts and interest, and uses its global media power to assassinate their reputation with bad and false news. He ruthlessly uses all kinds of evil means such as bullying, threats, slander and blackmail.

The second and most important method of punishment is physical sanctions. **Rape, forcing prostitution, beating, torture, imprisonment, permanent disability, threat of death and murder.**

For Zionism and Türker İnanoğlu, the biggest source of virgin girls and boys after art, fashion and sports is **TÜSİAD. Businessmen who want to rise in the Zionist business world must provide virgin girls and boys to Master Freemasons.** It is impossible for businessmen who do not surrender their virgin daughters and sons to Master Freemasons to grow, especially in the US and EU business world. **All big budget jobs are given to businessmen who sell their children to Master Freemasons.**

There is a lot of evidence, information, documents, videos and witnesses about businessmen who sold their virgin girls and boys to Master Freemasons in the USA and the EU.

TUSIAD businessmen try to respond to the Master Freemasons' demands for **virgin girls and boys** through second, third, etc. **marriages from the world of art and fashion.**

Selling virgin girls and boys is a profession for young men who know this dimension of Zionism. There are many young pimps working around the world who look like artists, models, athletes and business people.

The main purpose of short-term marriages, **which we often see in the world of art, fashion, sports and business, is the trafficking of virgin children.**

Young pimps try to make money by selling their children.

There are many important reasons for Zionism's trade in virgin girls and boys. The first is to show senior people their powers of organization and control. The message is **"We can steal your virgin girls and boys from you. We can do anything to you."**

The second is to prevent Zionism from being discussed and questioned. Well-known people can easily **reach millions of people and change their world views** very quickly.

The biggest threat to Zionism **is people who are well-known** around the world and the country. These people must be controlled. This is the aim of every Zionist organization on earth.

After Zionism's world of art, fashion and sports, the biggest source of virgin girls and boys is the business world.

Rockefellers and Rothschilds control the business world in the world.

The main business and expertise of the Rockefeller and Rothschild families is human trafficking.

The biggest source of virgin girls and boys in the world are the employees of the Rockefellers and Rothschilds.

The Rockefellers and Rothschilds are obliged to deliver **their high-ranking employees to these families with their virgin daughters and sons.** There are three important reasons for this compulsion.

The first is to prevent senior managers from fleeing to rival companies. **The second is** to reward master freemasons with virgin boys and girls. **The third reason is** to encourage junior masons **to become Master Freemasons.**

Junior freemasons must sell their virgin children and grandchildren to Master Freemasons. **Many junior masons do not hesitate to sell their children and grandchildren to Master Freemasons.**

Many young **freemasons enjoy** the trade of selling children and grandchildren.

Junior freemasons know very well that when they grow up, their reward will be virgin girls and boys.

The wheels of Zionism have been turning this way for thousands of years.

Learning and knowing how Zionism works is the most important duty of humanity.

Question : What does pedophilia mean **? Answer :** Pedophiles are people who rape virgin girls and boys.

Who are the biggest customers of Pedophilia in the world **?**

The biggest customer of the virgin girls and boys market in the world is the **Vatican. Vatican Popes, cardinals and priests are the biggest customers of Pedophilia in the world.**

The Vatican spends most of Christians' taxes and donations **on the Pedophilia trade.** All Vatican Popes, cardinals and priests are Pedophiles. Being a pedophile is a requirement to reach these positions in the Vatican. Those who are not pedophiles **cannot hold positions in the Vatican.**

Vatican is the center of Judaism, not Christianity. All the Popes, cardinals and priests who served in the history of the Vatican were Jews, not Christians. **Christianity is a very good mask for the Popes and Vatican Jews to hide their true identities.**

Humanity must understand the reality of the Vatican very well.

The Vatican owns planet earth. The Vatican is the capital of planet earth. The world is governed from the Vatican. People are slaves of the Vatican state.

People are slaves of the Vatican state (according to the beliefs of Vatican administrators).

The universe is 21 billion years old and is ruled by 12 Evil Families. The Vatican is a confederation consisting of representatives of 12 Evil Families.

The civilizations of Sumer, Babylon, Egypt, Rome, the United Kingdom, the USA and the European Union, which have been claimed to be the owners and superpowers of the world throughout history, are the slaves of the Vatican.

The Rothschilds are the slaves and poodles of the Rockefeller family. The Rothschilds' duty is to do the dirty work of the world and deliver the money they earn to the Rockefellers.

The Rockefeller family is the slave and poodle of **the Italian Orsini Family.** The Rockefeller family's duty is to do the dirty work of the world and deliver the money they earn to **the Orsini Family.**

The boss of the Rothschild and Rockefeller families is the **Italian Orsini Family.**

The owner of Planet Earth and the Vatican is **the Italian Orsini Family.**

The Italian Orsini family is the slave and poodle of the other 9 galactic evil families. The 12 great evil families that rule the universe are the slaves of Satan.

Satan is the evil program created by God. Satan is the mentality of evil.

God created the universe with two bases **:** good and evil. The purpose of this creation is to distinguish between good and evil.

The reward of those who always choose goodness is harmony, happiness, peace and wealth. The fate of those who always choose evil is theft, murder and corruption. The end of those who always choose evil is first to be disgraced and then to disappear.

The amount of gold owned by the Vatican and **the Orsini family is 5-5.5 billion tons.** It is stated that the world's precious metals, especially gold, are protected in warehouses 80-100 km below the oceans.

Pedophilia is the most powerful tool to possess all the riches of the world, including gold.

The second biggest customers of pedophilia are the **Orsini, Rothschild and Rockefeller families.**

The third biggest customers of pedophilia are the 13 families that are partners of the Orsini, Rothschild and Rockefeller families, and the senior executives of their affiliated institutions, organizations and companies.

The fourth biggest customers of pedophilia are the presidents, kings, queens, senior executives and most importantly **rich businessmen of the Zionist USA and the EU.**

Gerald Ford, George H.W Bush, George H.Bush, Bill Clinton, Barack Obama, Joe Biden are the most well-known pedophiles in recent history.

It is known in historical records **that George HW Bush's grandfathers were the biggest slave traders, pedophiles and pimps who lived in the 18th and 19th centuries.**

It should be known that **Barbara Bush's father**, **Aleister Crowley,** is one of the biggest pedophiles, blood drinkers and child murderers in human history.

The fifth largest customer of pedophilia and the first state customer is Israel. Israel is a Pedophile State. Rabbi = Pedophile. Jew = Pedophile.

For Jews, pedophilia is as natural as breathing, walking, eating and talking.

The sixth biggest customers of pedophilia are the presidents, kings and high-level administrators of the world's Zionist states.

The seventh biggest customers of pedophilia are rich Zionist artists, athletes, scientists, writers, journalists, media managers, high-ranking people and businessmen.

Immorality is the morality of the Jew.

The market value of a virgin girl and boy in the world **is 1-5-10 million USD.**

Türker İnanoğlu is a rabid dog who sees nothing **but 10 million USD.**

Türker İnanoğlu is one of the 10 biggest pimps alive in the world.

Rahmi Koç is a homosexual and also a manwhore who serves Zionism.

Rahmi Koç, Mustafa Koç, Ali Koç, Ömer Koç and Meral Akşener (Turkish Rockefellers) are Turkey's biggest pimps.

According to the laws of Zionism, the price of owning positions such as Koç Holding in the world is being a pedophile, a whore, a fag, a pimp, a human trafficker, a drug dealer, a thief and a murderer.

Pharaoh is the short name for being a pedophile, whore, fagot, bastard, pimp, human trafficker, drug dealer, thief and murderer.

In other words, in order to become a **Pharaoh**, you must have the characteristics of being a pedophile, whore, fagot, bastard, pimp, human trafficker, drug dealer, thief and murderer in your **CV**.

Koç Holding owns the Turkish drug market. The number of drug traffickers arrested in Turkey in the last five years has increased from 26 thousand to 120 thousand. The Turkish drug market is 1.5 billion USD

Zionism must know this fact very well that you cannot destroy the Turkish state, nation and humanity.

You will not succeed.

As the children of Adam, Noah and Abraham, we destroyed Zionism yesterday, we are destroying it today, and we will continue to destroy it forever.

Notes:

It has been decided on behalf of the Great Turkish Nation to terminate **Rahmi Koç's membership in Beşiktaş as of 21.01.2024.**

According to the laws of Zionism, the Rothschilds, Rockefellers, Orsinis and Koçs' ability to become **Master Powers depends on selling their virgin children and wives to the Master Powers.** The aim here is to ensure that the Master Powers can easily control the lower powers.

The proofs of these determinations and claims are the testimonies that the daughters, sons, grandchildren, women and daughters-in-law of powers such as **the Rothschilds, Rockefellers, Orsinis and Koçs** have made so far and will do from now on.

According to the laws of Zionism, it is mandatory to participate in satanic rituals in order to have a power in the world like Rothschild, Rockefeller, Orsini and Koç Holding.

Zionists, Jews and Freemasons who participate in Satanic rituals have to torture and rape babies, children, girls, women and men. At the end of the rituals, the victims must be stabbed to death and their blood must be drunk.

According to the laws of Zionism, participants are told that the purpose of satanic rituals is to worship the gods. In these so-called religious practices, babies, children, women and men are sacrificed to false gods.

Undoubtedly, these brutal acts are not worship, but murder.

Satanic Rituals are a big trap for Zionists, Jews and Freemasons.

The main purpose of Satanic rituals and worship of countless false gods such as Satan, Baal, Molech and Lucifer is to record pedophilia and +18 video recordings of Zionists, Jews and Freemasons and to keep these people under control throughout their lives.

Zionism is the civilization of Draconian, Reptelian and similar evil races living in the universe and the Milky Way galaxy.

Draconian, Reptelian and similar evil races do not have the ability to govern their states and citizens in democracy, freedom, brotherhood, peace, tranquility and harmony.

Because these races do not have lofty civilizational accumulations such as only one true God, books, prophets, religion, scholars, faith, wisdom, knowledge, foresight and good morals. **The purpose of the Zionist civilization imposition of evil races in the universe by Draconian, Reptelian and similar evil races is to make human and good races similar to themselves.**

Zionism is the art of creating unlimited tragedies, traumas and suffering in the human world.

The most important purpose of Zionism in destroying the physical and spiritual world of human beings is **to create drug customers for itself.**

It is certain that people who have experienced great tragedies, traumas and pain will seek recovery. **Drugs sold on the streets account for 5-10% of world drug consumption.**

The Rothschild, Rockefeller and Orsini pharmaceutical industries are the world's largest drug manufacturers.

The Zionist pharmaceutical industry sells drugs such as marijuana, heroin and cocaine **under the polite names of sedatives, painkillers and anti-depressants.**

The biggest drug dealer in Turkey is Nejat Rockefeller, whose code name is Nejat Eczacıbaşı. Nejat Rockefeller, his sons Bülent Rockefeller and Faruk Rockefeller are Turkey's biggest drug dealers.

Oya Eczacıbaşı and Meral Akşener are Turkey's biggest female drug dealers.

The mission of Oya Rockefeller and Meral Rockefeller is to poison our girls and women, especially the arts, sports and business world.

The duty of these prostitutes, whose code names are Oya Eczacıbaşı and Meral Akşener, is to be with the mothers while their children are being raped, to console them and to get them used to drugs.

Oya Eczacıbaşı and Meral Akşener are whores and pimps who sell virgin girls and boys to the world.

Zionism controls terrorism through pedophilia. Leaders of terrorist organizations know very well that their rewards for success are virgin boys and girls. PKK, FETO, DHKP-C, YPG and ISIS are some of the world's largest pedophile terrorist organizations.

Turkey's CIA terrorist mason is journalist Hasan Cemal. Hasan Cemal has directed and managed all the murders committed in the name of terrorism in Turkey from the CIA coup of May 27, 1960 until today. The founder and financier of dozens of terrorist organizations in Turkey, including PKK, FETO and DHKP-C, is the **Jewish Hasan Rockefeller, whose code name is Hasan Cemal.**

Hasan Cemal is one of the few master masons in the world who manages terrorism, pedophilia, human and drug trafficking.

Turkey's second biggest CIA terrorist freemason is the Jewish journalist Yavuz Rockefeller, code named Yavuz Donat.

Hasan Cemal and Yavuz Donat are two brother agents of the CIA working in Turkey.

The Pentagon and the CIA are the security organizations of the Rockefeller family. The Pentagon and the CIA make their action plans based on reports from countries. The Rockerfellers' own children undoubtedly send the most reliable reports to these organizations.

A total of **68,263 people were killed** with the HAARP weapon in Turkey. CIA agent Yavuz Donat is the one who ordered the 17 August 1999 and 6 February 2023 earthquakes to the Pentagon.

The Rockefeller family's biggest political investment in Turkey is CHP. **The owner and boss of CHP is CIA agent Faik Rockefeller, whose code name is Faik Öztrak.**

As in every country in the world, there are many pedophiles in Turkey.

A few names of the most famous Pedophiles living in Turkey are mentioned below.

Rahmi Koç, Ali Koç, Ömer Koç, Türker İnanoğlu, Bülent Eczacıbaşı, Faruk Eczacıbaşı, Hasan Cemal, Yavuz Donat, Fetullah Gülen, Abdullah Öcalan, Ümit Özdağ, Prof.Dr. Celal Şengör, Uğur Dündar, Ertuğrul Özkök, Emin Çölaşan, Fatih Terim, Müjdat Gezen, Mehmet Ali Erbil, Can Ataklı, Fatih Altaylı, Soner Yalçın, Fatih Portakal, İsmail Küçükkaya, Cüneyt Özdemir, Can Dündar, Yılmaz Özdil, Ruşen Çakır, Merdan Yanardağ, Emre Kongar…. …. …. ….

What is the proof of these findings and claims ?

Proof of pedophilia is the testimonies, statements and complaints of the victims.

Those who complain most about pedophilia are the own daughters, sons, wives, daughters-in-law and lovers of pedophiles.

People who are victims of pedophilia, who have lived under great pressure, violence and fear until today, **have now begun to raise their voices and tell the truth.**

In the divine order, people's lives, property, honor, dignity, family and children are sacred and inviolable.

We will crush the heads and scatter the brains of the human traffickers who attack our people's lives, property, honor, dignity, family and children.

The Jeffrey Epstein file, which has been on the agenda in the world in recent years, is a CIA project. Jeffrey Epstein is an actor who plays roles assigned to him by the CIA. Jeffry Epstein has three major tasks in this project.

The first is to record +18 videos of all friends and enemies of the Rockefeller family.

His second important task is to assassinate the reputation of the opponents of Zionism and the Rockefeller family by slandering **them with sexual content.**

The easiest way to silence powerful people like **Donald J Trump, Michael Jackson and others who defend humanity** against Zionism **is to make sexual slander.**

The most important founding purpose of Zionism is to slander honest people, conduct a smear campaign and organize **slander assassinations.**

It is essential that people be very careful about the slander, lies and smear campaigns against honest people by mainstream and social media terrorists.

Those who carry out sexual slander and smear campaigns against honest leaders and people are members of the **Pedophile Mafia.**

Jeffrey Epstein's third and most important task is to constantly create media pollution and prevent the fact of the **Zionist Pedophile Mafia** from being constantly on the agenda.

Why are Jewish families rich ?

The lifetime of many families and their grandchildren in the world is not enough to save **0.1-2.0 million USD.** The reason why Jewish families acquired this and similar capital in a very short time is that they sold **their virgin daughters and sons to rich Jews.**

The most important issue for rich Jews in child trafficking is the fear of being exposed. The primary choice of rich Jews in child trafficking is poor Jews.

In the Zionist civilization, poor Jews are the slaves of rich Jews. **Poor Jews are goyim (animals) for rich Jews.**

The rich Jew's favorite food is the poor Jew's.

The rich Jew eats the poor Jew as dessert after meals.

Jews are such a despicable nation that they sell their virgin girls and boys for power and money.

Humanity should never forget that a nation that sells its virgin girls and boys will always sell humanity.

The Torah is not the religious book of the Jews. The religious books of the Jews are the Galactic Satanist teachings Talmud, Zohar and Oral Talmud.

The year 2024 is 5874 according to the Jewish calendar. The first divine book, the Torah (1300 BC), destroyed the 2550-year-old Satanist religion of the Jews. After this date, **Jews began to distort the Torah in order to make it resemble their Satanist religion.**

According to the Talmud, Zohar and Oral Talmud, all virgin children, women and men in the world are the property of the Jews. The most important duty of humanity is to understand the Jewish nation and mentality very well and to teach it to those who do not know. People must know very well how they live together with human-looking demons.

Zionism, the Protocols of Zion and the history of Judaism will be compulsory courses in the world education system.

There is no easier way for states to prevent the millions of children, virgin children and human trafficking that go missing every year.

We invite our entire state, especially our President Recep Tayyip Erdoğan, the AK Party, the People's Alliance Parties and our Esteemed Leaders, to take action against these extremely brutal threats and crimes of Zionism against our artists and citizens.

The information and documents on these pages are also a criminal complaint.

On behalf of the Great Turkish Nation, we are filing a criminal complaint to our Chief Public Prosecutor's Office against the Zionists' crimes of human trafficking, rape, forcing prostitution, beating, torture, imprisonment, permanent disability, death threats and murder against our artists, athletes and citizens.

We call on the Ministry of Justice, the Constitutional Court, the Supreme Court, judges, prosecutors, lawyers and all our law enforcement officers to take action against these most brutal crimes in human history.

We invite our Ministry of Family and Social Services to stand by our mothers, fathers and citizens who are threatened with child trafficking and rape.

Our citizens say, “The rules of the art world are clear. They need to abandon the irrational mentality of "People live this life willingly."

Art is a profession. Artists earn their living through this profession. It is Zionism that makes the art world unlivable, as in every aspect of life.

One of the most important aims of Zionism is to break the strong bond between life and art.

Art is one of the most powerful branches of educating societies. **Artists are not responsible for the abuse of this great power.**

Every negativity experienced in the art world is experienced much more strongly in every area of society. Children not only from the art world but from all walks of life disappear and are subjected to sexual harassment and rape.

We invite our citizens to protect art and our artists, as in all areas of life, and to disrupt Zionism's games on art.

We invite our artists to complain and rebel against Zionism's pedophilia, baby and child trafficking, rape, forced prostitution, beatings, harassment, threats and blackmail.

We invite our artists and citizens to be brave against Zionism and to tell the society about the great tragedy and pain you have experienced.

Don't be afraid of the lawsuit you are right and know that you will definitely win.

Be brave. Don't be afraid of anything but God and the traffic.

People's fear of Zionists is like women's fear of the mouse in the room.

We invite the Great Turkish Nation to support our President, Mr. Recep Tayyip Erdoğan, the AK Party and the People's Alliance in the local elections of March 31, 2024.

Rockefeller and Rothschild families own 25 political parties and terrorist organizations in Turkey with budgets of billions and millions of USD.

CHP and its partners HDP (DEM), Green Left Party, İYİ Party, TİP, Victory Party, Felicity Party, TKP, Future Party, EMEP, DEVA Party, EHP, DP, LDP, Devrim Movement, TDP, HKP, TKP, AP, SMF, True Party, GAAP, TÖP, TSİP, SOL Party are Pedophilia Parties.

CHP is a Pedophilia party. Voting for CHP and its partners means selling your virgin daughters and sons to the Zionists.

CHP executives need to understand very well what Joe Biden(s) mean when they say "I am a Zionist."

CHP presidents Kemal Kılıçdaroğlu, Ekrem İmamoğlu and Özgür Özel are pedophiles who sold their children and grandchildren to Zionism.

During the visits of CHP presidents and executives to US and EU cities, they talk about who, how and where they will hand over their virgin children and grandchildren.

In the first article of the Zionist constitution, it is written: "A bag of barley cannot be hung in front of a horse we do not like."

Zionist laws that apply to CHP are also valid for the presidents and executives of all Zionist parties, especially HDP (DEM), Green Left Party, İYİ Party, TİP, Victory Party, Felicity Party.

There is no free presidency or senior management position in the Zionist world.

The aim of all Zionist parties, including CHP, HDP (DEM), Green Left Party, İYİ Party, TİP, Victory Party, Saadet Party, is to turn Turkey into a Pedophile country.

The presidents and senior executives of dozens of terrorist organizations operating in Turkey, such as PKK, FETO, DHKP-C, MKP, TKP-ML, MLKP, ISIS, are also pedophiles.

Abdullah Öcalan and Fetullah Gülen are the most well-known pedophiles.

THE TURKISH ARMY HAS DECIDED TO DESTROY THE PENTAGON
THE PENTAGON WILL BE DEMOLISHED AND THE CHURCH WILL BE BUILT
(1)

The Turkish Army has decided to move its military operations in Iraq, Syria, Libya, Karabakh and Ukraine to US territory.

The Pentagon is the world center of terrorism.

The Pentagon will be demolished and a church will be built instead.

The biggest enemy of the US people and humanity is the Pentagon.

It is the Pentagon that planned and implemented the wars, tragedies, destruction and atrocities that humanity experienced **after the second world war.**

Pentagon is known as the US Department of Defense.

This claim is one of the biggest lies in the world.

The Pentagon is not a defense organization that protects the American people.

Pentagon is a mafia organization owned by the Rockefeller family.

The Pentagon's main mission is to protect the Rockefeller family and intimidate and kill their enemies.

The Pentagon is a fraud agency disguised as an army. The Pentagon's mission is to make **335 million US citizens its customers. The best customer for the Rockefeller family is the US military.**

The Pentagon always spends more than the military needs. Pentagon is the answer to the question of **how a business makes more money.**

Managers, generals and soldiers working in the US defense ministry and army are slaves of the Rockefeller and Rothschild mafias.

US Department of Defense administrators and soldiers should be aware of this fact and know their real enemies very well.

In this view, the Christian US army is a slave army that lost wars **without fighting.**

The most miserable state of an army is when it is **under the control of its enemies.** How can an army whose commander is the enemy win a war **?**

The Pentagon is an organization of Rabbis. The US army is an army of Rabbis.

In the US military, **the final say always belongs to the Rabbis.**

No hidden enemy says "I am your enemy", he masks and camouflages himself.

The US military must be very wary of Rabbis and Jews who disguise and masquerade as Christian US soldiers.

The US army cannot be the army of Jews and Rabbis.

A Christian soldier cannot take orders from Jews.

Christian soldiers cannot fight for Jews.

The Christian soldier cannot die for the Jews.

The duty of Christian armies and soldiers is to kill and destroy their greatest enemies, the Jews.

For Jewish commanders, Christian soldiers have no more value than stray dogs. Christianity cannot be a cheap military depot for Rockefellers, Rothschilds and Israel.

Christian soldiers must be very alert and know their enemies very well.

The **US military is a cargo company** that handles the transportation business of the Rockefeller family.

The Rockefeller family uses US military aircraft, ships, submarines and land vehicles mostly for drug and human smuggling.

The people of the United States pay salaries to members of the Department of Defense and the **military to protect them.**

The US people do not pay salaries to the Ministry of Defense and its soldiers **to kill women, children and civilians in every corner of the world.**

The people of the United States do not pay the Department of Defense and **its soldiers to traffic men, women, girls, children and babies.**

The people of the United States do not pay salaries to the Department of Defense and its soldiers to trade heroin, cocaine and drugs.

US Department of Defense managers and soldiers cannot be accomplices of the Rockefeller family. It is a crime to serve terrorism and terrorists knowingly or unknowingly.

US Department of Defense administrators and soldiers should be very careful about cases of service to terrorism and treason that may be filed against them. **A defense such as "I didn't know" has no value in law.**

THE TURKISH ARMY HAS DECIDED TO DESTROY THE PENTAGON THE PENTAGON WILL BE DEMOLISHED AND THE CHURCH WILL BE BUILT

(2)

The Turkish Army has been fighting the Pentagon, CIA and NATO for the last 45 years.

The Pentagon and the CIA attempted to destroy and occupy the Republic of Turkey by bombing Ankara and Istanbul with NATO weapons on July 15, 2016. On this date, the **terrorist Pentagon, CIA and NATO were defeated by the Turkish army and nation and expelled from Turkey.**

The number of Pentagon, CIA and NATO terrorists killed by the Turkish Army since July 24, 2015 is 38,694 as of 28.09.2023.

This number is more than 100,000 around the world, especially in Africa.

The Turkish Army especially targets and destroys high-level terrorists trained by the Pentagon, CIA and NATO.

Historically, humanity has had four great enemies.

i) Rockefellers, Rothschilds and similar families ii) Zionist armies (Zionist British, US and similar armies) iii) Jews iv) Freemasons

It is not possible to ensure peace and tranquility in the world without destroying these four major terrorist organizations.

The Turkish Army is an exemplary army for the world's armies with its history and present. What, how and when armies will do is very important. **The Turkish Army is an army that hunts terrorist hunters.**

The aims and objectives of the world's armies should also be in this direction. The Turkish Army invites the armies of the world to cooperate to establish peace and tranquility.

The future for humanity is wide open regarding this cooperation. Because 99.5% of the Christian and patriotic US people hate the Zionist US army and administrations.

The same facts apply to the Christian and patriotic peoples of Europe.

Again, the same facts are valid for Hindu-Buddhist and patriotic Asian peoples.

We invite the world rulers and their armies to unite and fight against the Rockefellers, Rothschilds, Jewish and Israeli armies who steal 85-100 Trillion USD of humanity's money every year.

MIDDLE EAST- MEDITERRANEAN- NORTH AFRICA
OIL- NATURAL GAS AND MINING FIELDS WERE NATIONALIZED
ON BEHALF OF THE REPUBLIC OF TURKEY

The Middle East, Mediterranean and North African oil, natural gas and raw material fields were nationalized in the name of the Republic of Turkey.

All assets of petrochemical and mining-masked terrorist organizations such as Exxon Mobil, Shell, BP, Chevron Total, Eni, Aramco, etc., which exploited these regions, were nationalized and their activities were terminated.

The oil, natural gas and mining fields of the Middle East, the Mediterranean and North Africa have been occupied by the Rockefeller and Rothschild families for many years.

Rockefellers and Rothschilds do not pay anyone for the oil, gas and raw materials they import.Exporting countries can use at most 3-5% of their money.The remaining money is not paid.

Rockefellers and Rothschilds = Zero Money.

Money on computers and A4 papers is not money.

As of 24.10.2023, Middle East, Mediterranean and North African oil, natural gas and mineral sales will be made by the Republic of Turkey in physical money and delivered to their owners.

All hydrocarbon and mineral revenues of the Middle East , Mediterranean and North Africa regions have been shared **between Jews and Freemasons throughout history.** Zionism has banned honest business people from accessing and bidding on the Middle East , Mediterranean and North Africa economies. **This economic theft and exploitation system** kills the fair income sharing on earth and paves the way for social destruction. **The reason for the endless wars in the Middle East and North Africa is Zionism's system of theft and exploitation.**

It is the war environment that feeds Zionism's system of theft and exploitation. War environments distract states and prevent them from developing sound policies. Zionism's dominance in the Middle East and Mediterranean economy is the same in every country in the world. The biggest problem of the world economy and humanity **is not being able to own and control their own money.**

Japan, one of the strongest economies in the world, borrows money by selling 200-250 billion USD bonds every year. Why? To buy food and fuel. Even this simple example is enough to understand the extent of the Zionist economic robbery on earth.

We invite humanity to support the liberation war of our Palestinian brothers and sisters.

We invite humanity to the squares and streets to support the Palestinian people and condemn Israel.

The 1946-2023 Palestine map is the map of humanity, not the Palestinian people.

The 1946-2023 Palestinian state map is a map of world states.

Nothing in the world is as it seems.

People can understand the real state of their country much better by looking at the 1946-2023 map of Palestine.

People can understand their true self much better by looking at the Palestinian people of 1946-2023.

The real state of humanity and states today is like the State of Palestine and the Palestinian people.

If humanity is not alert and takes responsibility, very soon the whole world will be like Palestine.

The complete enslavement of humanity by Zionism is a 7000-year process.

Zionism announced to the world by popping champagne that the 7000-year-old enslavement process had been successfully completed on September 11, 2001.

The Palestine map **is a small but very valuable example of the new world slavery** order that Zionism has prepared for humanity.

Zionism's map of Palestine dated 1946-2023 is not an end but a beginning for humanity.

This enslavement rehearsal, which has been carried out in Palestine for the last century, will be implemented throughout the world and humanity will be **imprisoned in an irreversible system of slavery.**

This is the aim, goal and dream of Zionism. **States and people who wonder what their future will be like are obliged to read the reality of Palestine very well.**

If Zionism's 1946-2023 R&D efforts in Palestine have been successful, it means it is time for production.

The 1946-2023 Palestine map is the near future map of your state.

The 1946-2023 Palestine map is the map of your family and children in the near future.

The 1946-2023 Palestine map is the near future map of your bank accounts and money.

The Palestinian and Arab people are the true Israelites, descendants of Noah, Abraham and David.

Question: Why do Jews brutally attack the Palestinian and Arab people on every platform in the world **?**

Answer: Because the Arab civilization is the civilization that best tells the world what and who the Jews are throughout history.

In every period of history, Arab civilization has warned humanity against the mischief of the Jews and invited them to be careful and alert.

Throughout history, Arab civilization has been the greatest obstacle and force against Zionism's efforts to enslave humanity.

Judaism knows very well that it cannot achieve its goals as long **as Arab civilization exists.**

For these vital reasons, Judaism has never abandoned its policy of denigrating and destroying the Arab civilization, which it sees as a great threat to itself throughout history. **Zionism and the CIA's efforts to denigrate Arab civilization with Middle East-based terrorist acts,** including the September 11, 2001 attacks, are aimed at masking Jewish terrorism and deceiving humanity.

The most important duties of the Jewish institution are to prevent people from learning the truth, to distract them, and to steal their time.

Judaism is a civilization of lies. Judaism is a civilization of fraud. Judaism is a civilization of obscuring and hiding the truth. Judaism is a civilization of slander and denial.

The constant war and terror environment prevents the discussion of the fact that Jews steal 85-100 Trillion USD annually.

The biggest problem of humanity is the theft of its money. While humanity is busy with wars in Korea, Vietnam, Afghanistan, Iraq, Syria, Palestine, etc., it cannot find time to discuss the money that Rockefellers and Rothschilds **have stolen through interest and banking systems.**

Judaism exists for chaos. Chaos means high interest, and high interest means unfairly high profits. Unfairly high earnings mean that honest people lose their wealth and become slaves.

The liberation of the Palestinian state and its people depends on the destruction and nationalization of the Zionist Interest and Banking system.

Humanity has this financial technological power in abundance.

Palestine is a good state for humanity. The Palestinian people are a good people for humanity.

Israel is an evil state for humanity. Jews are an evil people for humanity.

What is the Al-Aqsa Flood on October 7, 2023 ?

In order to understand the events of the Al-Aqsa Flood on October 7, 2023, the murders and destruction experienced by the innocent Palestinian people since 1947 must be analyzed very well.

Without this analysis, there is no value in talking about the Palestinian state and its people.

Making speeches that have no value is the job of people with no value. People who have no value have no place in this world.

The manner of speaking for people is this. **Hadith says, "Either keep silent or speak goodness."**

There is a responsibility to speak out to people. Your speeches can lead humanity to good or evil. **If your conversations lead humanity to goodness, it will come back to you as love and respect. If your conversations lead humanity to evil, it will come back to you as trouble.** It is very difficult for humanity to escape from such troubles.

In every action we take, our measure should be God's laws, orders and prohibitions.

What is the Al-Aqsa Flood on October 7, 2023?

In order to understand the events of the Al-Aqsa Flood on October 7, 2023, the history of the Middle East, especially the last two thousand years and then the last seven thousand years, should be examined very well.

How did the Palestinian people live in the same society with the Jews during these processes? These questions need to be answered. What cruelties and what inhumane tragedies have the Palestinian people **inflicted on the Jews throughout history?**

The simplest example is how many Jews were killed by Palestinians without reason between 1517 and 1917?

How many Palestinians did Jews kill without reason between 1917 and 2023?

The Palestinian people have been fighting a war of liberation to protect their homeland, especially after 1947.

Zionism uses its world media dominance to explain to humanity the Palestinian people's right to self-defense as terrorism.

Zionism introduces the national resistance forces fighting for liberation for Palestine to humanity as terrorists.

These lies are recorded in the pages of history as the biggest lies ever told.

The sun is not plastered with mud. You can deceive people with lies up to a point. **You can harm people to some extent with lies.** The lies you tell will come back to you as trouble. It is very difficult to get rid of these troubles.

This type of troubles will come back to you as death. But even when you die, you cannot escape these troubles. The world is such a place.

Self-defense is a natural right. Self-defense is a legal right.

The Palestine Liberation Organization, Hamas and the like are national resistance forces fighting for the liberation of the Palestinian people.

The Palestine Liberation Organization and Hamas are not terrorist organizations. Those who call people who fight to protect and defend their homeland, land, family and children terrorists are the real terrorists. **Consent to terrorism is terrorism. Consent to terrorists is terrorism.**

What is the Al-Aqsa Flood on October 7, 2023 ?

The events of the Al-Aqsa Flood -according to Zionism programs- are an organization of Henry Kissinger, the CIA and Rockefellers.

The events of the Al-Aqsa Flood are, as always, a war between **Exxon Mobil and Shell, between Rockefellers and Rothschilds.**

Rockefeller's primary goal with these events is to end the 250-year Middle East domination of the Rothschilds and to make the state of Israel and the Jews their own property.

Benjamin Netanyahu is a Rothschild colonial governor and a puppet. Photos of Joe Biden with Benjamin Netanyahu are "mission accomplished" photos for Washington.

With these events, Rockefeller's second goal is to become the sole owner of the Mediterranean natural gas fields.

Its third purpose, as always, is to create great war tension and gain new orders and customers for arms manufacturers.

The fourth and most important purpose is to kidnap children, girls, women and men from war zones and sell them in Galactic markets.

Innocent civilians who died in these wars are not worth as much as stray dogs and cockroaches in the eyes of Henry Kissinger, the CIA and David Rockefeller.

What matters is how much money can be made from such murder organizations.

Because, as David Rockefeller said, the best money is made when people's blood is flowing in the streets.!!!!

The best justice is very close to come to the world.

PEOPLE WHO SUPPORT ISRAEL AND THE JEWS ASSETS AND MONEY WILL BE NATIONALIZED

We invite people to put an end to their flattery of Israel and Jews.

Israel is a terrorist state, Jews are a terrorist nation.

Supporting Israel and Jews is supporting Terrorism. Terrorism and providing physical and moral support to terrorists is a crime.

Especially in the last 75 years, there has been a tendency to glorify Israel and Judaism in the world media.

Zionism executes honest people who rebel and object to Jewish oppression, with anti-Semitism hostility.

After this date, glorification, protection, propaganda and flattery of Israel and Judaism will not be allowed.

The assets and money of heads of state, politicians, media executives, businessmen, artists, athletes, academics and people who support Israel and the Jews will be nationalized.

Humanity's ability **to get rid of headaches** depends on knowing the State of Israel and the Jews very well.

People who do not know the state of Israel and Judaism very well have no right to complain about their lives, governments, presidents and headaches.

Israel is a terrorist organization masquerading as a state. Israel is the largest terrorist organization on planet earth.

The state of Israel has reached its current power and position thanks **to 7000 years of Zionist plans and protocols.**

People who support Israel and Jews are ignorant people. Ignorance is a trait that does not suit humans at all.

People are obliged to measure and weigh their speech and actions.

People who support Israel need to know that they kill innocent people, including babies, children and women, just like the Jews.

Supporting Israel means supporting the Jews' process of enslaving humanity. Jews are a slave nation.

People who support Israel and the Jews should know that they are slowly enslaving themselves.

People who support Israel and Jews end up becoming Jews. The Jews also gradually became dehumanized.

The antics of irresponsible people in support of Israel and Judaism will not be tolerated.

Jews are terrorists, thieves and subversives disguised as human beings and citizens.

There are approximately 20 million Jews in the world. This figure is enough to occupy all the top positions in the world.

Humanity will understand the truth of Israel and Judaism much better when it reads the history of the Universe and the Milky Way Galaxy.

People who do not know the **history of the universe and the Milky Way Galaxy** talking about world history and political events on television **are empty conversations.**

Humanity does not have even a minute to waste listening to the conversations **of empty and ignorant people.**

Judaism is a universal concept. Judaism means a treacherous nation that sells its own race, homeland and planet to other races.

In order to take over a planet in the universe, you need collaborators who sell their own race and planet.

World Jews are traitors and collaborators who sold planet earth to the Draconian and Reptelian races.

Jews are slaves of the Draconian and Reptelian races. As always, the Jews did not keep their promises and sold the Draconian and Reptelian races. The Jews are traitors who betrayed their masters and sold the planet **Earth to other galactic civilizations, especially Aldebaran.**

The Draconian and Reptelian wars that continue throughout history and today on planet Earth do not concern us at all. What concerns us is only the independence of human beings and our planet.

The state status of this terrorist organization, registered with the United Nations under the name of the State of Israel, has been abolished in the conscience of humanity.

This abolition will be registered by voting in the United Nations.

And the tale of the State of Israel will be put to an end forever.

The two-state proposals with maps before and after 1967, which are preferred by politicians, have no validity.

All of the lands occupied by Israel belong to the Palestinian people.

These lands will be returned to the Palestinian state and nation.

The Israeli army will be abolished and its weapons will be distributed to the countries in the region.

All Jews will be killed.

Will good Jews also be killed?

The worst Jews are the best Jews.

The state of Israel does not represent Judaism and similar statements are empty words. When we look at history, **we see that the state of Israel represents Judaism best.**

What have good Jews done throughout history to stop evil Jews?

Good Jews are people who take full advantage of the wealth and opportunities of Zionism.

How good are the Jews who gush about the wealth and opportunities that Judaism has stolen from people?

Jew is a Jew. Divine justice is divine justice.

All the good Jews died in Noah's flood and the Red Sea.

28-30 prophets, 4 books and 7000 years of history were not enough to make Jews human.

Not even 7000 years, let alone 7 million.7 billion years, Jews will continue to kill children playing in the gardens, mothers and fathers walking on the roads, babies in cradles, the elderly, hospitals and immigrant camps by bombing them.

Jews will never stop forcing people to accept the fake Jewish morality of 1x1=11, 2x2=22, 3x3=33, 4x4=44, 5x5=55.

Jews have urinated and defiled all the divine qualities that protect humans and make them human.

Jews have exhausted all their divine and human credits with the state of Israel, which they established in 1948.

In God's laws, words, good words, gentle words, agreements, peace, forgiveness, mercy, pity, compassion and tolerance are valid to a certain extent.

If words, kind words, gentle words, agreement, peace, forgiveness, mercy, pity, compassion and tolerance had been of any use, **the Jews would not have drowned in Noah's flood and the Red Sea.**

The end of Israel and the Jews will be like the end of those who did not board Noah's ark and Pharaoh and his soldiers. This is divine providence.

For Jews, there is no power in the universe that can stop this future other than God.

God says in Surah An-Nahl, Verse 66, "There are certainly signs for you in animals."

Every creation is a teaching for people. All animals, including the smallest creatures, viruses and microbes, are messages that teach a lot to those who know how to read. **Jews are a nation of parasites like snakes, scorpions, sewer rats, cockroaches, spiders, flies, mosquitoes, lice, fleas, ticks, etc.**

It is possible to recognize Jews very well by looking at these animals and parasites, and it is possible to recognize these types of animals very well by looking at Jews.

Our 7000 years of experience has shown us how consistent the verses about animals and parasites are with the facts. We understand the following from these verses **:** People must protect themselves from Jews in the same way as they protect themselves from such animals and parasites.

Jews must understand this fact very well. People cannot live in a house with animals, insects and parasites such as snakes, scorpions, rats, cockroaches, spiders, flies, mosquitoes, lice, fleas, ticks, etc.

Such a lifestyle is against human nature.

People must destroy the Jews in the same way as they destroy these types of animals, vermin and parasites.

Question: Which army is the most dangerous army in the world?

Answer: The most dangerous army in the world is the army whose commanders and soldiers are whores.

The most dangerous armies in the world are the armies of whores. **An army's chance of winning a war against a whore army is zero.**

Armies of bitches fight in peacetime and do not engage in hot wars except in very difficult times.

Armies of whores melt and finish their enemies in peacetime.

The reason why humanity has been defeated by Zionism for 7000 years is that it cannot see the invisible armies of bitches.

Another important feature of whore armies is that they make their enemies fight each other. Because it is always better to fight with one army than with two or more armies.

Hollywood is a secret Pentagon. Hollywood's mission is to melt and destroy enemy armies in peacetime. It is essential for humanity to understand Judaism very well.

Judaism = Immorality. Immorality is the morality of the Jew.

The Jew does not recognize any good moral rules in life. Not recognizing morality means not recognizing laws, rules, law and justice. Not knowing morality means writing your own moral laws and living according to them.

Question: What is morality ?

Answer: Morality simply means Mathematics.

Jewish morality is a morality such as 1x1=11, 2x2=22, 3x3=33, 4x4=44, 5x5=55.... ....

Jews are very proud of this morality, which is as crooked as theirs. Jews build their entire lives on this morality. Jews believe that everyone should live according to Jewish morality.

They propagate this and kill those who do not believe in this morality.

The purpose of Hollywood and magazine culture is to make Jewish morality dominate the world. This is why Hollywood and the magazine master freemasons exist.

Jew = Whore, Whore = Jew.

Jew is written as Jew and pronounced as Whore.

Question: What is Judaism?

Answer: Judaism is Whoredom.

Question: What is prostitution? Answer: Prostitution is the general name of the mentality of enslaving people.

Conclusion: Judaism is Whoredom and the mentality of enslaving people.

The mentality and genetics of Judaism is built on four basic combinations. These combinations are whoredom, faggotism, filthiness and pimping.

Every Jew is a whore.

Every Jew is a pure son of a bitch.

Every Jew is a pure whore, fagot, bastard and pimp.

Israel is a whore state. Jews are a nation of whores. The Israeli army is a whore army.

Jews pride themselves on being special and especially on their genetic makeup. Jews are forbidden from marrying non-Jews.

With this ban, the very special gene structures **!!!!** of the Jews It was aimed to protect the Jews. The Jews achieved this goal.

All races and people in the universe were created with strong good morals. All races and people in the universe prefer a life far away from Bad Morality. All races and people in the universe know that Bad Morality is their greatest enemy and they build their lives on this fact.

It is impossible for a lifestyle based on good morals to be captured and enslaved by the enemy. Knowing this fact very well, Evil Races-Satan wrote the book of Evil Morality and implemented it with the Protocols of Zion.

A person is deceived by the one he loves. You can't force people to do anything. Human beings need to know that whatever they love, there is a Jewish army behind it. It is always the Jew's first choice to trap people with their own consent. **Because people committing criminal acts with their own consent makes the law's job harder and makes it easier for Jews to be declared innocent.**

Türker İnanoğlu is Turkey's number one Pimp.

Türker İnanoğlu reached this position by working hard and leaving many of his competitors behind.

The Judaism genes inherited from his ancestors had a great impact on **Türker İnanoğlu's attainment of this position.**

How did Türker İnanoğlu reach this position?

Türker İnanoğlu reached this position by selling his wife Filiz Akın to high-ranking Jews, freemasons and people.

Who is Filiz Akın?

How did **Filiz Akın** reach this position **?**

Cüneyt Özdemir, like many Jewish journalists, continues to poison humanity with his false and biased news.

Question: What is the first thing that **Jewish grandfather and grandmother** taught their grandchildren **?**

Answer: Painting his mother and selling it to his father.

The Jews mentioned are some of the best examples of this education and mentality. Hollywood and tabloid culture are the biggest enemies of states and families. This evil culture separates people's most valuable assets, their children, from their mothers and fathers and shapes them as it wishes.

Art is one of the most powerful branches of human civilization. Artists who are honest and respectful to humanity are very beautiful and strong people. Art and artists have the power to enter every home and reach every person.

These two uncontrollable forces are a great threat to Zionism. The purpose of Hollywood and tabloid culture is to control these two important forces and not allow them to work against themselves. Zionism has two important purposes. It is to first control the people who are your rivals and then kill them. People who serve Zionism are either slaves or potential dead. Zionism killed countless artists, especially **Michael Jackson and Whitney Houston,** because it saw them as potential rivals.

Hollywood freemasons prepare these execution lists and send them to the Pentagon. The Pentagon ends most of these murders by making them look like suicides. It is the duty of master freemasons to identify people who are enemies of Zionism in a country and to prepare death lists.

Türker İnanoğlu, who lives in Turkey on behalf of the **Pentagon-CIA,** is one of these master freemasons. **Türker İnanoğlu** has been controlling **Turkish artistic life for 70 years.**

It is very difficult for a Turkish artist to find work and survive in Turkey without **Türker İnanoğlu's** permission. Artists who can overcome these obstacles must pay Jews much more than they earn, in accordance with the principle of **Jew = Zero Money.**

Türker İnanoğlu played with **the livelihood of many respected artists** and prevented them from **earning the money they deserved.** This reality of Jewish exploitation applies not only to artists but also to all businessmen. In Turkey, Jews keep the money fountain heads. That's what Judaism is for.

Turkish state will protect all legal rights of our artists, as in every field, to the end. Turkish state is determined to cleanse the art world, just like every other area, from Jewish terrorists in suits. Turkish state will definitely not allow Zionist scriptwriters, who assign roles and prices to our artists, to dominate the art world.

UNIVERSE WORLD AND GALACTIC FEDERATION
(1)

In order to understand recent history and today's world politics well, it is necessary to know the history of the Universe and the Milky Way Galaxy very well.

As of 2023, people who do not know the history of the Universe and Galaxy are like babies sleeping in their cradles. For babies, there is only the room and the house in which they sleep. Planet Earth is introduced to people as a room and a house.

However, there are two other very large worlds and life inside and outside the planet earth. Planets like Earth are governed by major Galactic Federations, briefly summarized as Good and Evil.

It is stated that the Earth is a planet dominated by the Evil Alpha Draconian and Reptelian races.

In contrast, planet Earth is protected by a very powerful Good Galactic Federation, led by its human brothers, Andromedans and Pleiadeans.

Races such as Andromedans, Pleiadeans, Acturians, Sirians, Alpha Centurians are the pioneer and founding members of this Galactic Federation. Every planet in the universe hosts many galactic races, good and evil, at the same time.

God explains this truth to the universe in the **22nd verse of Surah Al-Baqara. "(Your Lord) made the earth a bed for you and the sky a building".**

According to the teachings of the Galactic Federation, planet earth is home to **85 different races (aliens) from various regions of the universe. The population of these races is 26 billion. Earth is a planet with a total population of 34 billion, with a population of 8 billion people**.

What is the universe like? The universe is just like planet earth.

Planet Earth is a summary of the Universe, physically and spiritually. You can know planet earth very well by looking at the universe, and you can know the universe very well by looking at planet earth.

The heart of the universe is the Milky Way Galaxy. The heart of the Milky Way Galaxy is Planet Earth.

The universe is constantly expanding. This state is the orbit of the Universe.

God explains this truth in the **42nd verse of Surah An-Nur : "The sovereignty of the heavens and the earth belongs to God and the return is only to God."**

The universe is 21 billion years old. The universe has 21 trillion years of history and culture.

Humans are a race subject to divine revelation - exchange of information.

Man is a being who can read 21 billion years of physical and 21 trillion years of history and culture of the universe in 21 seconds, with God's permission, teaching and grace.

The secret of success is being able to see the present and the future. The secret of being able to see the present and the future is to know the past very well. **Knowing the past very well is possible by knowing and living God's laws, orders and prohibitions very well.**

Nations are just like buildings. Buildings whose engineering is not correct will collapse after a certain point. Nations whose engineering is not correct will one day collapse and disappear.

Positioning people and races well is very important for the future of nations and races. Prophets manage, position and build people and races according to the laws of divine engineering.

God's power of creation is endless. God is a power that can create **trillion x trillion x trillion .... universes in the eye of a needle.**

We too live in a universe within trillions of universes.

So what is life like in other universes?

The universe in which human beings live is the summary of all known and unknown universes.

Other universes are governed like the universe we live in.

God explains this truth **in the 62nd verse of Ahzab Surah as follows. "Such is the law of God regarding those who have passed away before. You will never find any change in the law of God." (Ahzab, 33/62)**

UNIVERSE WORLD AND GALACTIC FEDERATION

Planet Earth is approximately 7.5 billion years old.

The stars and planets in the universe are hollow inside, and their upper and lower bases are open in the form of a circle. Inside every planet there is a second world like the one above it.

The Earth is not a solid, watermelon-like sphere with a mass of hot magma in the middle, as described in school textbooks.

The Earth is a planet with entrances at the north and south poles and an inner sun at its center. The interior of the Earth consists of six continents and oceans, just like its surface.

Why are stars and planets empty inside and their poles are open in the form of circles **?**

Stars and planets are formed by the collision of nebulae, clouds of dust and gas. In these collisions, the temperature reaches up to 6 million degrees. At this temperature, nearly 170 elements, especially hydrogen and helium, are formed. Large masses that cool rapidly at **-273 C** space temperature are separated from each other by explosion. These masses form stars and planets. The interior of masses whose exterior cools very quickly remains very hot. After a while, the magma within the masses explodes due to hot gases and high pressure, causing the inside of the sphere to be emptied. As a result of these explosions and evacuations, stars and planets are formed.

The 21 billion year old Universe is ruled by 12 evil families. The universe is 12 technological levels. The 12th rank is the rank with the greatest political, economic and technological power. In every galaxy, constellation or planet in the universe, there are members or representatives of the 12 evil families.

A higher level controls the lower level by using its political, economic and technological superiority.

Universes are built on the principles of opposite poles. The equation of Goodness and Evil, Truth and Falsehood, Faith and Blasphemy is the basis of the universes.

Under equal conditions, negative always dominates positive. Evil always declares itself superior and sovereign. When good people understand and can tell the truth, they can eliminate evil.

Planet Earth is the summary of the Universe. Whatever happens in the world, the same thing happens in the universe. Evil forces in the world are trying to dominate the world by destroying their rivals. At the top of the

universe, there is a war to own the entire universe. Every superior power tries to become the owner of the Universe by destroying a lower power.

The universe, just like planet earth, is an economic, financial, political, technological and military colony of evil forces.

The enslavement siege implemented on planet Earth has been implemented on countless planets throughout the 21 billion-year history of the Universe, and the target planets have been enslaved one hundred percent.

The world is a planet that has been equipped with 4 books, 28-30 prophets, monotheism and divine order in the last 7000 years.

With the blessing of monotheism and divine order, human beings have broken this great siege of slavery and become an exemplary planet and civilization for the entire universe.

This is the message that God gave to the Universe through planet Earth. The greatest power is good morals. There is no greater power in the universe than good morals.

Power, technology, wealth and money only work to a certain extent. After a certain point, economic, political, financial, technological and military power dies. It also kills its owners. What is immortal is good morality.

Human civilization is a very important referee, guide, good news, message and teacher for the Universe.

Endless praise and thanks be to our Lord who bestowed this endless mercy and blessings on humankind.

Everyone knows the physical shape of the earth that is taught in schools. The textbooks of the nations are **written by Jewish writers** who work as poodles for **the Rockefeller and Rothschild foundations.**

These photos are also the best proof that what everyone knows is not the truth.

The real physical state of planet Earth (Hollow Earth) is as follows.

These photos are also the best proof of how the Zionist Jewish Media lies, hides and distorts the truth.

WHAT DID YOU DO FOR HUMANITY ?
(1)

If you've done nothing for humanity, you've done a lot for Satan.

Those who are Satan's soldiers and clients have no right to complain about life's difficulties.

As of 2023, humanity is experiencing the most difficult days in its history.

Two terrorist families kill thousands of babies, children and women every day, bomb schools and hospitals and seize people's property.

What do two billion families do in the face of this oppression ?

Humanity is a family.

What do we do when our mothers, fathers and siblings living in another country are being killed ?

What kind of a world would it be if two billion families, 8 billion people threw a stone or two at two terrorist families ?

We invite humanity to stone Israel and the Jews.

We invite humanity to stone the Rockefeller and Rothschild families.

We invite humanity to stone thieves, murderers and subversives.

People are afraid of what they don't know.

We invite people to know.

Zionism is a balloon in a room that grows every day. No one should think, "There is no place for me in this world."

We invite people to be a thorn in the side of the Zionism balloon.

We invite people to discover their powers.

WHAT DID YOU DO FOR HUMANITY ?
(2)

Humanity is experiencing the most difficult times in its history. Difficult times are the most precious moments of life.

Because people know their true friends and enemies in difficult times. In these times, it is much better understood that what is portrayed as very bad is very good, and what is portrayed as very good is very bad.

In difficult times, sewer rats and cockroaches, which the enemy has prepared with great effort for many years, spread around. In response to these difficulties, we witness that all our **secret enemies are spread out in accordance with the principle of "There is good in every evil".**

We have come to know all the Zionism and Jewish sycophants in the media and in every aspect of life.

The great awakening for humanity began after the Second World War. It reached its peak between 2001 and 2023.

On behalf of all humanity, we would like to express our gratitude to the responsible states, institutions, organizations, presidents and administrators who work for the freedom and full independence of humanity.

The aim of Zionism was to start the Third World War between 2000 and 2020 and to complete the slavery process of humanity as a result.

One of the biggest murders of Zionism after the Second World War was the murder of **JF Kennedy.** After this murder, the biggest rebellion and the most written and visual objections against Zionism **came from the Christian and patriotic people of the USA.**

The greatest enemy of Zionism is the Christian and patriotic USA. Zionist USA is trying with all its might to make the world an enemy of the **Christian and patriotic USA.**

The Zionist US army is trying to get rid of its greatest enemy on earth by blaming all the murders and war crimes it commits on the **Christian US people. 99.5% of the US people hate the Zionist US state, army and administration.**

Humanity should not confuse the Zionist USA with the Christian and patriotic USA. They are two very different states.

Founded in 1774, the Christian and patriotic USA is a democratic state.

Zionist USA is a socialist, communist, satanist, terrorist organization and state.

The Christian-patriotic USA and its army are doing very valuable work on behalf of the US people and humanity in order to destroy the Zionist USA. The Christian-patriotic USA and its army kill many criminals, especially presidents, senators, governors and businessmen, as well as many satanists, pedophiles, murderers, drug and human traffickers, perverts, Zionists and Jews, and replace them with their clones.

(Referred to as Christian - patriotic USA and its army = USA)

Countless murderers and criminals such as George H.W.Bush, George W.Bush, Bill Clinton, Hillary Clinton, Barack Obama, Joe Biden, Nancy Pelosi were killed by the US army. **All of these and similar individuals seen in the media are Clones.**

True Zionist Joe Biden was killed in 2019. Joe Biden, whom we see today as the US president, is an actor played alternately by James Woods and Jim Carey. Clones are biological robots that frequently lose their stability, break down, and begin to tremble. Rockefeller and the CIA **could not** take this risk for **President Joe Biden and preferred to work with artists.**

Donald J Trump won the 2020 US elections with 75% of the votes. However, Rockefeller and the CIA declared **Donald J Trump** defeated by stealing the votes electronically. The US state and people rightly do not recognize the thieving Joe Biden administration. **It should be known that Donald J Trump rules the USA.**

On behalf of all humanity, we congratulate Donald J Trump, the US state and its citizens, who crushed the heads of many Zionists, Jews, satanists, pedophiles, murderers, drug and human traffickers, and perverted criminals, and wish them continued success.

Humanity should stay away from electronic elections. Zionists always win electronic elections. That's what electronic elections are for. You can count the ballots hundreds of times if you want. **How will you count the votes on the computer? Democracy is not an election but a physical ballot paper.**

If there are no paper ballot papers that can always be counted, it means there is no democracy in that country.

Similar developments began to occur **in Russia after 1999** under the presidency of Vladimir Putin. After this date, **Vladimir Putin's administration** liberated Russia by purging Zionists and Jews from all levels of the state.

On behalf of humanity, we congratulate Mr. Vladimir Putin and his administration, who have done a lot of valuable work and cooperation for the freedom of Russia and humanity, and wish them continued success.

After 2002, Turkey carried out the largest Zionist and Jewish cleansing in the Middle East under the leadership of Recep Tayyip Erdoğan. Recep Tayyip **Erdoğan and his administration** ended the 200-year domination of the Rockefeller and Rothschild families in Turkey in 20 years.

We salute Mr. Recep Tayyip Erdoğan, his administration and his friends with our most heartfelt feelings on behalf of humanity. We wish great success to **Mr. Recep Tayyip Erdoğan,** his administration and his friends in their fight in the most difficult geography of the world.

Developments in the 2013-2023 period united many countries against Zionism. In this period, primarily Russia, Turkey, Iran, Azerbaijan, Turkish Republic of Northern Cyprus, Georgia, Saudi Arabia, Qatar, United Arab Emirates, Kuwait, Bahrain, Jordan, Lebanon, Yemen, Oman, Palestine, Iraq, Kazakhstan, Kyrgyzstan, Turkmenistan, Uzbekistan, Hungary, Afghanistan, Pakistan, Malaysia, Indonesia **started to work like a country**.

We greet with our most heartfelt feelings on behalf of humanity all the states, presidents and administrators who cooperate as a state for the freedom and independence of humanity and wish them great success in their work.

People can best understand world politics by looking at the **Exxon Mobil and Shell Oil fights.**

The purpose of world wars is to have the oil and natural gas resources from which the most money is made.

After the First World War, China, Russia, Turkey, Iran, the Middle East and Israel were mostly under the ownership of the Rothschilds.

After the twin tower attacks of September 11, 2001, organized by the CIA, the Rothschilds -Shell Oil- dynasty began to be gradually thrown away by the Rockefellers.

The Palestine-Israel war of October 7, 2023 is the present-day continuation of this sharing war.

The goal of Zionism is to start World War 3 in the Middle East and own the whole world. Peace in the Middle East means peace in the world. The most suitable candidates to start the war in the Middle East are Russia, Turkey and Iran.

The shortest way for the Rockefellers is to make these three countries fight each other and have 100% of the oil and natural gas markets.

Rockefeller's aim is to have 100% of the European natural gas market by passing the Mediterranean natural gas off the coast of Palestine through Turkey.

The most important aim of Rockefeller's October 7, 2023 Palestine-Israel war is to reset Russia's natural gas exports, destroy Russia and become its owner. **Turkey will definitely not allow Mediterranean natural gas to pass through Turkey and reach Europe without leaving Russia out of action.**

The collapse of Russia means humanity becomes a slave to Zionism. Seeing this game, Russia, Iran and Turkey worked as a state and foiled the games of Zionism. Russia, Iran and Turkey are putting aside all historical negativities and carrying out very valuable work for the future, peace and tranquility of humanity.

Turkey would like to thank the Russian and Iranian governments on behalf of humanity for their valuable efforts. Turkey is determined to disrupt and prevent all Zionist games being played on Russia and Iran. Turkey is determined to defend all international rights of Russia and Iran against the aggression of Zionism. Turkey will definitely not allow Zionism to interfere in Iran's internal affairs and dreams of civil war. Iran is a

country with **a very strong ancient state tradition** that will solve its internal and external problems within the culture of democracy. Iran should act together with Russia, Turkey and Arab governments regarding Palestine.

The American people must not allow the US military to become a terrorist organization working for the Rockefellers.

The people of the United States should recall soldiers serving outside the United States back home.

US soldiers serving abroad should know that they are soldiers of the Rockefeller Terrorist Organization, not the US.

We invite US soldiers serving abroad to return home.

The duty of the US and European armies is not to be soldiers for the Rockefeller and Rothschild Terrorist Organizations, but to destroy these organizations, which are their greatest enemies.

On behalf of all humanity, we thank the United Nations Secretary-General, Mr. Antonio Guterres, for his reaction to the Israeli genocide and murders. We greatly welcome Secretary General Mr. Antonio Guterres and his administration's rejection of the anti-humanitarian Zionist United Nations.

On behalf of humanity, we would like to express our gratitude to all states and heads who worked to restore the **original identity of the United Nations,** which is under the siege of Zionism.

We have **full faith that the United Nations will regain its original identity** as soon as possible, protecting the honor and dignity of humanity, which was its founding purpose.

We congratulate Secretary General Antonio Guterres and his management, who have made extremely devoted efforts for this purpose, and wish them success in their work.

On behalf of all humanity, we thank the states and leaders who rebelled against the Zionist genocide and murders and cut off diplomatic relations with Israel. **Mr. Luis Arce, President of Bolivia, Mr. Gabriel Boric, President of Chile, Mr. Gustavo Petro, President of Colombia, Mr. Xiomara Castro, President of Honduras,** to the presidents and administrations of **South Africa, Chad, Jordan and Bahrain,** we express our gratitude on behalf of humanity for its sensitivity.

On behalf of humanity, we thank all states and heads who rebelled and objected to Israel in order to protect the honor and dignity of humanity in the United Nations votes.

We invite the States of the World to protect the honor and dignity of humanity and to cut diplomatic relations with Israel.

My Precious One's

First of all, I would like to thank all of you very much for your immense patience.

Happy Thanksgiving. Thank God for the unlimited blessings that God has given to humanity and the universe.

Merry Christmas . I wish you health, peace and a peaceful new year. I pray to God Almighty that 2024 will be a year where all your dreams come true.

We all know that we are experiencing one of the most difficult periods in human history.

But it is these high pressure environments that produce the solutions.

For many years, we had many questions that we wanted to know the answers to, centered on what we can do ? how we can do it ? who is who ? what is what ? when ? etc. It was difficult for us to move forward without finding answers to these questions.

Our priority was to find the right answers to our important questions.

As of 2023, humanity has found all the answers it needs. After this date, gaining distance will be much faster.

Fear nothing but God. Don't worry and don't be upset. Know that with God's permission, everything will be better than you ever imagined.

I would like to thank all of you very much for your valuable written, verbal and visual messages.

This Heart loves and misses you all very much
See you very soon
With my Love and respect

INVITES THE TURKISH NATION TO DEFEND
THE RULE OF LAW

The Turkish Armed Forces will in no way accept the presidency of Kemal Kılıçdaroğlu in the 14-28 May 2023 Presidential elections.

The Turkish Armed Forces will never surrender the state of the Republic of Turkey to Kemal Kılıçdaroğlu, CHP and their partners.

It is against the law for Kemal Kılıçdaroğlu, CHP and their **partners to rule the state of the Republic of Turkey.**

Kemal Kılıçdaroğlu, CHP and its partners' **participation** in the **14-28 May 2023** Presidential and parliamentary **elections is legally invalid.**

The Constitutional Court **did not conclude the case** for the Closing of the Republican People's Party, which was filed with the date of 15/03/2023 and the communication number 827.

The Constitutional Court has not fulfilled its duty towards the Supreme Turkish Nation.

The Constitutional Court ignores the constitution and commits crimes against the constitution.

The Constitutional Court did not close the CHP **and condemned** the Turkish nation to vote for the CHP, **one of the largest terrorist organizations in the world, in the 2023 elections.**

The Constitutional Court ignores the law and the rule of law and cooperates with terrorist organizations.

The Constitutional Court is the supreme institution **that protects the material and spiritual existence of the Turkish state and nation.**

Why doesn't an institution that is tasked with protecting the **physical and spiritual existence** of a country at the highest level prevent and say stop to thieves and terrorists **who look like politicians who sell the country to imperialist powers?**

Jewish Koç Holding has smuggled 800 Billion USD abroad in the last 12 years (2010-2022).

The Jewish Rothschilds family, the owner of the Central Bank of the Republic of Turkey, has smuggled **650 Billion USD** abroad **in the last 20 years (2002-2022).**

What has the Constitutional Court done to protect the rights of the Turkish state and nation **against the CHP and its partners who have smuggled 1.450 trillion USD abroad in the last two decades?**

Kemal Kılıçdaroğlu, CHP and its partners **cooperate** with Jewish and Zionist thieves every day **to steal the money and titles** of the Turkish nation.

What does the Constitutional Court do to stop Kemal Kılıçdaroğlu, CHP and its partners, who bargain with Jewish and Zionist thieves every day **to steal the money and title deeds of 90 million Turkish citizens?**

If Kemal Kılıçdaroğlu and his associates **had stolen the money and title deeds** of the President and members of the Constitutional Court, **the Constitutional Court would have closed the CHP.**

Are the money and titles of the President and members of the Constitutional Court more valuable than the Turkish state and nation?

How domestic and national is the Constitutional Court, **which competes to close down the AK Party and similar national parties** that defend the law of the Turkish nation against Jewish and Zionist thieves?

The Turkish Armed Forces respects the law and the rule of law.

The Turkish Armed Forces respects democracy and its institutions.

The Turkish Armed Forces is in favor of solving every problem of the Turkish nation within the principles of democracy, law and the rule of law. His outstanding effort in this matter is appreciated by everyone who is biased and impartial.

As the Turkish Armed Forces, we expect the realization of the demands that we believe are the common voices of the Turkish nation and humanity.

Otherwise, the demands of Kemal Kılıçdaroğlu and CHP to govern the Turkish nation will not be allowed.

1-Conclusion of the lawsuit for the Closing of the Republican People's Party, which was filed with the Constitutional Court with the date of 15/03/2023 and the communication number 827,

2-Announcement of the Anti-Interest Law to the Turkish and world public opinion, which wiped out Jewish-Zionist Banking Systems and Interest from the face of the earth and provided an interest-free financial order to the world of economy.

The Turkish Armed Forces, whose primary duty is to preserve and defend the Turkish independence and republic forever, is determined to carry out its mission to the end, regardless of the cost.

As the Turkish Armed Forces, we declare to the interest and knowledge of the Great Turkish Nation and its enemies.

CONGRATULATIONS TO THE JEWS REACHING THEIR MESSIAH WHICH HAS BEEN WAITING FOR 7000 YEARS

The Doors congratulate the Rockefellers, Rothschilds, 13 families, the state of Israel and the Jews, who have been waiting for the **Messiah Prof. Dr. Celal Şengör for 7000 years.**

Under the guidance of **Messiah Prof. Dr. Celal Şengör, Rockefellers, Rothschilds,13 Family, Israel, Jews and their partners will have very good days in the coming years.**

We congratulate Kemal Kılıçdaroğlu, CHP and their partners, who are preparing for the **14-28 May 2023** elections under the guidance of **Messiah Celal Şengör.**

Kemal Kılıçdaroğlu, CHP and their partners, who are preparing for the **14-28 May 2023** elections under the guidance of **Messiah Celal Şengör, will have very good days in the coming years.**

Sidikli Media of **Rockefellers and Rothschilds (**Time, The Economist, Der Spiegel, L'Express, American Foreign Policy, Le Monde, The Guardian, Washington Post, BBC, CNN, Financial Times, Le Point, Stern, Opinion, Blick, Fox News, The Guardian, The New York Times, VOA, **etc, etc) continue to attack Turkish democracy and legal government with fake news.**

In these news, a statesman who won 15 elections, as usual, **is accused of being a "dictator".**

The Rockefellers, the Rothschilds and their associates are thieves, murderers and destroyers who steal $85 Trillion **annually of humanity's money.**

Rockefellers, Rothschilds and similar dictators and terrorists cannot teach democracy, law and justice **to the Turkish state, nation and humanity.**

How many elections did the Rockefeller and Rothschild families win under their own name in the 250-year history of democracy?

These families and their partners find the courage **to call a leader a "dictator" like Recep Tayyip Erdoğan,** who won 15 elections under the most difficult conditions in the world.

Sidikli Rockefellers, Sidikli Rothschilds and their associates have nothing to say to humanity about democracy, law and justice.

Sidikli Media attacked Turkish Presidential candidate **Mr. Muharrem İnce with fake and fictional news**, just like everywhere else in the world.

Muharrem İnce, **who rebelled against false and slanderous news, announced that he was withdrawing from the Presidential election.**

Muharrem İnce worked for the CHP for 40 years. **Muharrem İnce** learned by experience that the CHP is not the CHP founded by Atatürk, but a terrorist political party **that does not include Turks and is led by the Rockefellers and Rothschilds.**

He resigned from the CHP and founded **the Homeland Party.**

Muharrem İnce is an honest, sincere, patriotic, anti-imperialist and Muslim politician who walks on the path that **Atatürk** set his target **in his address to the Turkish Youth.**

The Rockefellers and the CIA organize **reputational assassinations against** any leader they think might divide the votes of the CHP, **using the FETO terrorist organization they own.**

Their last target has been **Muharrem İnce,** whom they have attacked for a long time.

The attack on **Muharrem İnce** is an attack **on the Great Turkish Nation and State.**

It is our duty to the Turkish nation and humanity **to crush the heads of the terrorists** who attacked **Muharrem İnce.**

The Great Turkish Nation has no children to feed to sewer rats and cockroaches.

90 million Turkish citizens **appreciate and wholeheartedly support Mr. Muharrem İnce in his political struggle against imperialism.**

We love and embrace Mr. Muharrem İnce, as we do every Turkish citizen who loves his country and nation.

The neutrality of leaders and voters during election times **is the capital of Zionism.** Zionism **works hard** to achieve this goal.

To remain neutral in the face of Zionism means that people lose and Zionism wins.

We invite Mr. Muharrem İnce to support Recep Tayyip Erdoğan, the AK Party and the People's Alliance in the 28 May 2023 Presidential elections and to continue his struggle against imperialism from where he left off.

DOORS
INVITE CHRISTIANS TO UNITE WORLDWIDE

We invite Christians worldwide to unite.

Christianity has never lost its essence since the first day of its existence.

What does christian mean?

Christian means the student of God and the teacher of God. Those who are not God's students and teachers **first become Satan's disciples and then their teachers.**

What is a church? The church is the student and teaching school that God has prepared for people and Christians.

What is a church? The church is the parliament in your street, village, city and country.

Every Christian is a born **deputy and head of state of his country.** The church is a school that **trains parliamentarians and presidents for the country and humanity.**

According to the laws of God, a person who does not receive church education and training cannot be a deputy and head of state in his country.

According to the laws of God, the parliamentary and presidency of a person without the approval of the churches is invalid.

From Adam to the last prophet, the greatest lesson that destiny has taught people is the state and nation management.

If the churches do not have a say in the administration of the state, the devil takes over the state and all its institutions. **What has happened in the last 300 years is the proof of this fact.**

If the churches cannot control the society, **the devils like Rockefeller, Rothschilds and their partners will become the owners of the countries.**

All the money Christians earn becomes their debt. Likewise, their titles become the titles of Rockefeller, Rothschilds and their partners.

If God's religion and laws do not prevail among people, communists, socialists, social democrats, fascists, theocrats, secularists, terrorists, satanists, drug addicts, pedophiles, vampires, thieves, murderers and destroyers **will take over every corner of the country.**

In the 21st century, we can better understand **God's creation of religious institutions on earth.**

Because life is too big of an equation for average people to understand easily.

People can fight a great system of destruction only with a great system of faith. **The Christians of the world should unite in the common denominator of the church.**

Churches should definitely determine the parliaments and heads of state of the USA, Europe, Australia, African and Asian countries.

Christians should not make any citizen who does not have a church background and Christian life as a deputy or head of state.

In 2023, the world is an economy of approximately **100 trillion USD/year.**

The share of Christians in an economy of this **size is close to zero**. The same truths hold true **for the rest of the world's belief systems.**

If there is no church, there is no money, there is debt. If there is no church, there is no freedom, **there is slavery.**

In 2023, the world population is 8 billion. The way to rule 8 people and 8 billion people in justice, law, equality, harmony, peace and tranquility **is possible by living the religion and laws of God.**

Families of 8 people also kill each other in inheritance and trade fights. 8 billion people are ready to kill each other at any **moment in the fights of inheritance and trade.**

Reducing and eliminating this tension is only possible **with a faith-based life choice.**

Christians and Muslims are brothers.

There is no second belief system in the world that is so close to each other. In the 21st century, the strongest revolt and opposition to **imperialism is possible with Christian and Muslim civilizations.**

Christians and Muslims should develop their cooperation **in all areas**, including the fight against imperialism. Christians and Muslims must be vigilant against Judaism and Zionism, **which are embedded in their countries.**

According to God's laws, armies must be led by Christian and Muslim commanders.

A non-Christian soldier cannot lead an army in a Christian country.

A Christian cannot take orders from a non-Christian soldier.

Throughout history, Christianity and Christian armies have been led mostly by **secret Jews living in the Vatican.**

Christian Youth should not be free soldiers dying for the Vatican, Israel, **as it has been in history.**

Christian-Christian and Christian-Muslim wars, including the crusades in history, are fraternal wars. **The Christians and Muslims** who died in these wars must know very well that they died, **not for their country, but for the Rockefellers, Rothschilds and Jews.**

There is no difference between the Christian army administrations of a **thousand years ago** and the Christian military administrations **of today.**

A thousand years ago, Christian armies were led by secret Jews. In 2023, the Christian US and European armies are led by secret Jews.

The US army and NATO are the army of Rockefellers and Henry Kissinger, not of the American people.

The US military and NATO is an iron rod in the hands of Rockefellers and Henry Kissinger.

The Pentagon, the Democratic Party, the US military, and NATO are the properties of the Rockefellers and Henry Kissinger. **And these organizations are the largest terrorist organizations on earth.**

The Rockefellers and Henry Kissinger use these organizations for intergalactic drug and human trafficking.

Human flesh, blood, children and human trafficking is a sector where the biggest money is earned in the Milky Way Galaxy.

Christians and Muslims must be vigilant, **put an end to fratricide and not be free soldiers dying for the Jews.**

The Christian European Armies are mostly free depots of soldiers **who do the dirty work of the Rothschilds and die for nothing.**

Young Christians in the USA and Europe should not be free soldiers who die for the Rockefellers, the Rothschilds, and the Jews.

All Christians, especially in the USA, Europe, Africa, Canada, Asia, Australia, Central and South America, have to meet and cooperate **on the common denominator of Christianity.**

The duty of Christians is to hand over the heads of state, parliament and armies, as well as all the managers of the institutions, to the Christians who have received the best Christian education.

My Precious One's

As you have witnessed, in the last 4-5 years, everything that should happen in the world for the freedom and well-being of humanity **is happening one by one.**

According to the statements of the Galactic Federation, the ongoing struggle for freedom and independence on the planet Earth **is being followed very carefully, even in all surrounding galaxies.**

The evil quarantine we have lived through for so many years is not just a siege specific to planet earth.

The evil quarantine and cruelty that we have experienced as humanity **is experienced in the same way on many planets of the universe.**

But the people of planet earth are crushing and destroying this quarantine and siege in a way that is unique in history.

God is preparing planet earth and humans as a teacher and guide for the entire universe.

This is how we should read this process we live in.

This process, which has accelerated so much, has accelerated to the end.

Fear no one but God. Stay away from the Zionist media and their lies. Know that everything is developing very well and healthy for humanity. Do not worry and do not panic in any way.

This Heart loves and misses you all so much.
God bless you all
See you soon
With my love and respect

DOORS INVITES
THE LAW PEOPLE OF THE WORLD TO SUPPORT
CASE TO SHUT OFF CHP
(1)

The Idea of Doors has filed a lawsuit with the Constitutional Court for the closure of the Republican People's Party-CHP, which is one of the world's largest and secret terrorist organizations, the enemy of the homeland, nation, Ataturk and humanity.

We invite the world's law people, judges, prosecutors, lawyers, law lecturers, international and national law organizations to support the case that we have opened for the closure of the CHP.

Since April 27, 1909, the Turkish nation has been the slave of the two richest families in the world, the American Jews Rockefeller and British Jews Rothschilds.

The person using **the code name Rahmi Koç** is the real grandson of John Rockefeller, who destroyed the Ottoman Empire in the first world war, and **the real son of David Rockefeller.**

Between 2012 and 2022, the amount of money Koç Holding smuggled abroad is **800 billion USD.** Between 2002 and 2022, the amount of interest paid by the Turkish Nation to the Rothschilds is **650 billion USD.**

The Rothschild family owns 196 central banks around the world, including the Central Bank of the Republic of Turkey. The Rothschilds **print money on newsprint** and sell it to the nations of the world at interest.

CHP is a terrorist organization in suits and ties that has been led by the Rockefellers and Rothschilds since 1938.

We invite humanity to be vigilant against terrorist organizations such as CHP, HDP, PKK, DHKP-C, FETO, which are secretly entrenched in your countries, and to protect your homeland, nation, religion, families and children.

Halil Coşkun Beyoğlu's individual application **lawsuit petition to the Constitutional Court** was received by the Ankara Criminal Courts Front Office, dated 15.03.2023 and communication number 2023/827.

Below is the original version of the petition for the individual application I made to the Constitutional Court regarding the closure of the CHP.

I respectfully submit to the interests and knowledge of humanity.

TO THE PRESIDENCY OF THE CONSTITUTIONAL COURT OF THE TURKISH REPUBLIC

SUBJECT : Individual Application to the Constitutional Court

CASE: Dissolution of the Republican People's Party

DEFENDANT : Republican People's Party -CHP

PLAINTIFF : Mustafa Kemal Ataturk

ATTORNEY : Halil Coşkun Beyoğlu

CRIME : i) To work and cooperate in the destruction of the Republic of Turkey through internal and external enemies,

ii) Betrayal to the homeland, nation and humanity

DEFENSE BASIS : Defense of Public Law

DEFENSE SUMMARY:

i) 99.00% of the votes received by the CHP after 1938 were for Mustafa Kemal Ataturk.

It is illegal for politicians like Kemal Kılıçdaroğlu, whose personal and political votes are not more than 0.1-1.0%, to receive at least 25% or more votes on average with the titles and brands of Mustafa Kemal Ataturk and CHP.

Making politics with Mustafa Kemal Ataturk, CHP, titles and brands is against the laws and principles of the constitution that **"citizens are equal before the law".**

ii) CHP is a terrorist organization disguised as a political party. CHP is a terrorist organization financed by all Zionist Jewish families in the world, especially the Rockefellers and Rothschilds.

Terrorist organizations have no right to participate in the elections in any way.

The demands of terrorist organizations to rule the country are against the law and the constitution.

The CHP is the representative of dozens of terrorist organizations, especially the PKK, DHKP-C, ISIS (DAESH), FETO, freemasons, in Turkey and in the Grand National Assembly of Turkey.

The CHP, one of the world's largest and secret terrorist organizations, which is engaged in politics by exploiting the titles and brands of Mustafa Kemal Ataturk and CHP, should be dissolved.

DEFENSE 1 :

Mustafa Kemal Ataturk and CHP, titles and brands are intellectual property belonging to the Great Turkish Nation.

No privilege can be granted to any person, family, group or class in the use of this intellectual property.

Every newly established political party, president, manager and members start their political life from scratch. Every person who started politics by using the titles and brands of Mustafa Kemal Ataturk and CHP finds a place in politics with at least an average of 25% of the votes. This savings is also a physical and moral unjust gain.

Making politics with Mustafa Kemal Ataturk and CHP, titles and brands is unfair to our citizens who started their political life from scratch.

Making politics using Mustafa Kemal Ataturk and CHP, title, brand and checkbook is stealing.

The Constitutional Court must overthrow the CHP mentality that treats honest people, thieves and terrorists as equals.

The use of the name Mustafa Kemal Atatürk by Turkish citizens is prohibited by law. With this ban, it is aimed to prevent the physical and moral distortion of Atatürk's title and brand.

With this law, the contamination and abuse of the Mustafa Kemal Ataturk brand by countless terrorists has been prevented.

However, the contamination and abuse of the CHP brand by countless Freemasons, FETO, DHKP-C, ISIS (DAESH) and PKK terrorists could not be prevented.

It is the duty of states to protect historical, national, title, brand and cultural values against all kinds of abuse.

The Constitutional Court should shut down the CHP terrorist organization by showing the relevant law as evidence and precedent.

DEFENSE 2 :

The real CHP is the CHP (1923-1938) headed by Ataturk. The CHP after 1938 is a terrorist organization mostly owned by John-David Rockefellers and controlled by the British Jew Rothschilds, who destroyed the Ottoman state with the first world war.

It is against the laws of nature for the enemy and terrorist organizations to rule a country.

Enemy and terrorist organizations cannot rule the state of the Republic of Turkey. This reason alone is sufficient reason to close the CHP.

DEFENSE 3 :

i) The person using the code name Kemal Kılıçdaroğlu is not an honest citizen. Kemal Kılıçdaroğlu is a person who does not appear as he is, who is not what he seems, and is a fraud.

Kemal Kılıçdaroğlu introduces himself to Turkish society and the world as an Alevi, Muslim and Turkish. Kemal Kılıçdaroğlu : He is not an Alevi and a Muslim, he is a Zionist Christian, he is not a Turk, he is an Armenian, he has no ties to the Turkish state, flag, nation and history.

ii) The person using the code name Kemal Kılıçdaroğlu is a freemason and a CIA agent. Kemal Kılıçdaroğlu, an unskilled civil servant, became the CHP leader in an operation organized by the CIA against the CHP in 2010. The main purpose of the CIA is to prepare Kemal Kılıçdaroğlu for the Presidency of Turkey.

In this operation, the Jew, codename Deniz Baykal, the CIA agent who played double-sidedly between the Rockefellers and the Rothschilds throughout his life, was disabled.

The reason why the Rockefeller family and the CIA chose Kemal Kılıçdaroğlu from the list of freemasons is that he is a Zionist Christian. The aim here is to introduce Kemal Kılıçdaroğlu to the Christian world as the leader of the region, to exploit Christians physically and spiritually and to take Muslim governments under control.

iii) Kemal Kılıçdaroğlu is a second living İsmet İnönü. The main reason why Kemal Kılıçdaroğlu was chosen by the CIA as the head of CHP is his resemblance to İsmet İnönü. Kemal Kılıçdaroğlu's task is to play the same role İsmet İnönü played for the Rockefeller family and the CIA in history.

iv) Kemal Kılıçdaroğlu is a PKK, YPG, DHKP-C, FETO and CIA terrorist in a suit and tie.

It is illegal for Kemal Kılıçdaroğlu and CHP to participate in the 2023 Presidential and parliamentary elections.

For these reasons, Kemal Kılıçdaroğlu's 2023 presidential candidacy should be dropped and the CHP should be closed.

DEFENSE 4 :

We consider it our duty to inform and warn our Alevi citizens about Kemal Kılıçdaroğlu.

Our Alevi citizens love Zülfü Livaneli, Cem Yılmaz, Sedat Peker and Kemal Kılıçdaroğlu, who imply and claim that they are Alevis. It is possible to count hundreds, thousands of such names. People whose code names are Zülfü Livaneli, Cem Yılmaz and Sedat Peker are not Alevis but Jews.

Kemal Kılıçdaroğlu is a Zionist Christian, not an Alevi, he is an Armenian, not a Turk. Our Alevi citizens must know this fact very well. Kemal Kılıçdaroğlu is an Alevi as much as Fetullah Gulen is a Sunni Muslim. Fetullah Gulen and Kemal Kılıçdaroğlu are CIA agents who were brought up together in the same hearth and served imperialism.

We invite our Alevi citizens to reject Islam, Ataturk, the Great Turkish nation and the Zionist CIA agents Fetullah Gulen, Kemal Kılıçdaroğlu and CHP mentalities who are its enemies, to react and take a stand.

The CHP, which is masked by Ataturk, is a terrorist organization and should be shut down, especially by defrauding our Alevi citizens by hiding their true identities and missions.

DEFENSE 5 :

What do CHP and Kemal Kılıçdaroğlu promise to Turkey for the 2023 elections? CHP and Kemal Kılıçdaroğlu promise to destroy all the national physical and spiritual achievements of the Turkish nation in 2002-2023.

CHP and Kemal Kılıçdaroğlu promise a "Reinforced Theft System" to the Great Turkish Nation in their 12-point terrorist statement.

CHP and Kemal Kılıçdaroğlu promised to bring back the canceled Istanbul Convention, to release all terrorists and KHK convicts, especially the 15 July 2016 coup, FETO, PKK, DHKP-C, DAESH killers, to stop all ongoing defense industry investments, new city hospitals. They promise to burn and destroy countless national wealth, which are the achievements of the last two decades, such as closing new airports.

CHP and Kemal Kılıçdaroğlu impose on the Turkish nation an LGBTIQ lifestyle, which is their own spiritual structure. He announced this imposition with the following advertisements he placed on Istanbul billboards.

“Ethnicity, creed, disability, sexual orientation will no longer be a disadvantage by law.

Kemal Kılıçdaroğlu" CHP and Kemal Kılıçdaroğlu are promising and imposing a lifestyle of **“Esfeli Safilin”** -lower than animals - to the Turkish nation like themselves.

Even animals do not have an LGBTIQ lifestyle.

CHP and Kemal Kılıçdaroğlu deem the Turkish nation worthy of **“Esfeli Safilin”** a lifestyle -lower than animals-.

The CHP, which has the mood and mentality of **“Esfeli Safilin”** -lower than the animals- should be shut down.

Kemal Kılıçdaroğlu and all CHP headquarters executives, who have the mood and mentality of **"Esfeli Safilin"** - lower than animals- should be tried for the crimes of being a member of a terrorist organization and treason.

DEFENSE 6 :

The Constitutional Court cannot make excuses for exhaustion of remedies, deficiency, irregularity, form, fee and similar excuses for the suitability of this petition.

This petition defends public law.

This petition is exempt from all conditions that require rejection and return. The Constitutional Court cannot reject or return this petition in any way.

DEFENSE 7 :

The latest date and time for the decision of this petition and the announcement of the result of the closure is 30 April 2023 - 17.30.

The Constitutional Court cannot claim stationery excuses for the acceptance and conclusion of this case, such as the Exhaustion of Remedies and the like.

The Constitutional Court cannot delay announcing the outcome of this case.

DEFENSE 8 :

All the evidence, claims and defenses show that the CHP should be shut down one hundred percent.

The Constitutional Court is obliged to declare to the Great Turkish Nation and humanity that it has closed the CHP, one of the largest terrorist organizations in the world.

If the Constitutional Court does not close the CHP, all of the physical and moral damages that may arise will be collected from the chairman and/or members through executive sales of their salaries, pensions, bank accounts, property and inheritance rights.

A mentality that considers a person with a personal and political vote rate of 0.1-1% worthy of the Presidency of the Republic of Turkey can receive a monthly salary of one or two cents at most from the Turkish nation. (Members and President)

DEFENSE 9 :

Despite all the evidence, allegations and defenses, the Constitutional Court did not cancel the treasury aid to be made to the HDP for the 2023 elections by making false excuses.

Only one of the world's largest terrorist organizations makes the decision to provide treasury aid to one of the world's largest terrorist organizations.

There is no other explanation for this fact.

If the Constitutional Court nevertheless decides to provide treasury aid to the HDP for the 2023 elections, the money will be collected from the chairman and/or members who will vote "Yes".

DEFENSE 10:

Have people seen judges, prosecutors, lawyers and law professors who went bankrupt and lost everything in the history of the Republic of Turkey?

Tradesmen and businessmen always go bankrupt in this country.

After this date, the Turkish nation will see bankrupt legal people.

DEFENSE 11 :

If the Constitutional Court does not shut down the CHP, it should know very well that in the eyes of the Turkish nation, the Constitutional Court is no different from the baby killer PKK, DHKP-C, FETO, ISIS (DAESH) and dozens of terrorist organizations.

DEFENSE 12:

With its response to this petition, the Constitutional Court will declare to the Turkish nation and humanity that it is either a justice institution that defends the rule of law or a terrorist organization like the baby killer PKK.

With the decision of the Constitutional Court, it will either be a partner in the CHP's 12-point "Reinforced Theft System" or it will be a partner to the Great Turkish Nation and Humanity.

If the Constitutional Court does not shut down the CHP, the Great Turkish Nation will do the same to the irresponsible President and/or members of the Constitutional Court, as they did to the PKK in the mountains. The choice is theirs.

On behalf of the Great Turkish Nation, I request the President and members of the Constitutional Court for their interest and information. **14.03.2023**

DOORS INVITES
THE LAW PEOPLE OF THE WORLD TO SUPPORT
CASE TO SHUT OFF CHP
(2)

The Great Turkish Nation should know very well the fact that none of the elections that the CHP participated in its history **have any official and legal validity.**

The CHP's participation in the 2023 Presidential and parliamentary elections is legally invalid.

Every wise Turkish citizen knows very well **how politicians** who have been using the CHP name, title, brand, identity and checkbook **for 85 years have served Turkey.**

If Mustafa Ataturk Kemal and CHP had not existed, who would have known and known thousands of **politicians worth zero penny like Muammer İnce and Kemal Kılıçdaroğlu ?**

After this date, the Great Turkish Nation and the Turkish Armed Forces will not hand over our state to cadres who exploit the brands of Mustafa Ataturk, CHP, and engage in politics and stealing.

For the 2023 Presidential and parliamentary elections, no CHP politician should dream of becoming a deputy, especially the Presidency.

As the Great Turkish Nation and Turkish Armed Forces, we do not have a state to hand over to thief, murderer and terrorist political parties like CHP and the like.

INVITE COUNTRIES TO ESTABLISH A
MINISTRY OF LIE
(1)

MINISTRY OF LIE OR MINISTRY OF DEFENSE ?
MINISTRY OF LIE OR MINISTRY OF INTERIOR ?
MINISTRY OF LIE OR MINISTRY OF JUSTICE ?

We invite humanity and states to establish a Ministry of Lie in their countries. Lies poison both national and international relations.

Every country should establish **its own Ministry of Lie** and **prove and disprove every lie with facts.**

Countries should cooperate and refute the lies that poison humanity by proving them with facts.

Perpetrators of lies should be tried and punished for murder.

The Lie Commission should be established within the **United Nations.**

The United Nations must refute the lies that poison humanity by proving them with facts.

In the centers of world Zionist politics, countless murderers and terrorists, whose profession is to lie, **are engaged in politics in the guise of politicians.**

In the world Zionist media, newspapers and television organizations, countless murderers and terrorists **whose profession is to lie are working under the guise of journalists.**

It takes a few minutes to tell a lie from the political centers.

It is not possible to clean the poison of a politician's lie that has reached 85 million in 85 million hours.

It takes a few minutes to tell a lie in the media, newspapers and television establishments.

It is not possible to clean the poison of media lies that has reached 85 million in 85 million hours.

Those who assassinate reputation by lying to the Turkish nation, state, government and people **will be tried and executed for murder.**

The last 250 years have been the years when the biggest lies have been told for humanity.

Adolf Hitler was not a German but a Jew. His real name is Adolf Rothschild. It is an official state lie that Adolf Rothschild died by suicide in a bunker during World War II. **The person found dead is a likeness of Hitler**. Adolf Rothschild fled to Argentina with his wife Eva Braun and daughter Ann in 1945. He died in a traffic accident in 1957. **He had three more daughters** with Eva Braun in Argentina.

German Chancellor **Angela Merkel,** British Prime Minister **Theresa May,** Lithuanian President **Dalia Grybauskaite**

US President **Barack Obama** is the granddaughter of **Adolf Hitler.** Barack Obama is the son of Hitler's eldest daughter Ann and a Kenyan father.

All the countries of the world are ruled **by families that are descendants of the Rockefellers and Rothschilds.**

The situation is not different in Turkey.

Rahmi Rockefeller, known by the Turkish nation by the code name **Rahmi Koç : He is the real son of David Rockefeller.**

Mustafa Rockefeller, Ömer Rockefeller, Ali Rockefeller are the grandchildren of **David Rockefeller.**

Code name Meral Akşener is the daughter of David Rockefeller family.

Meral Akşener is the sister of Rahmi Koç.

The person known to the Turkish nation as **Vehbi Koç is an unqualified actor used to shadow and mask David Rockefeller.**

It is shared that many personalities disguised with different surnames in the United States are actually Rockefellers. It is stated that Bill Clinton and Hillary Clinton are related children of the Rockefeller family and their real names are **Bill Rockefeller and Hillary Rockefeller.**

It is reported that **Henry Kissinger**, who is very well known in the world, is **Henry Rockefeller,** and the actor known as **Tom Hanks is Michael D. Rockefeller.**

Laurence Rockefeller's son John Podesta and grandson singer Chester Bennington, Facebook CEO Mark Zuckerberg, Mark Rockefeller, Twitter CEO Jack Patrick Dorsey are reported to be **Jack Patrick Rockefeller.**

Mankind's weakest point in the creation program is to be deceived.

The first lesson and example that God gave to human beings while describing himself and the universe program **is the deception of Adam by Satan.**

Being deceived by the devil means that a person loses **all his physical and spiritual power and wealth.**

Deception is the effort to own everything and become rich without any effort. Trying to own everything and become rich without working **is theft.**

Satan is the greatest thief ever created. Adam is the greatest honesty ever created.

Adam's task is to get to know Satan best. Man's first duty is to know Satan best.

The Bible verse John 10:10 expresses this truth. **"The thief (Rockefeller-Rothschilds-Jews) come only to steal, kill and destroy".**

Lying is the first and most effective step in stealing. The second and biggest step of theft is fraud. The third biggest step of theft is murder and massacre.

The fourth largest step of theft is destroy. The Devil on Earth are the Jews.

The greatest Satan on earth is the Rockefeller and Rothschild families, the greatest of the Jews.

Jew is Lie . Lie is Jew.

The most important task of humanity and youth is to know the Jews very well.

People and young people who do not know the Rockefellers and Rothschilds families **have zero chance of succeeding in life and making money.**

Zionism, Jews, Rockefellers, Rothschilds, masons and their collaborators **have been in the dark for the last few years.**

The Jewish world does not know what is happening and what to do.

In Anatolia, it is said**, "A liar's candle burns until 10 pm".**

The hadith states, "My people can commit any sin, but cannot lie."

That's the measure. The end of those who do not know the measure is to stay in the dark.

The Second World War started with Adolf Hitler's lie that "Poland is attacking Germany".

German agents disguised as Polish soldiers **started the Second World War.**

The wars that caused the death of about 10 million people in the first world war and 80 million **people in the second world war started with lies.**

Lying is such a powerful weapon.

Not knowing and not seeing the truth is a great weakness and blindness.

The truth is not known by watching television 18 hours a day, commuting, drinking cigarettes and beer, shopping and gossiping.

Seeing the truth is possible by knowing and living the laws, regulations and teachings of God very well.

The goal of the third world war **is to reduce the world population from 8 billion to 500 million.** How much attention do people pay to the lies told to start the third world war**?**

The September 11, 2001 attacks is a terrorist attack by the Rockefeller family and the CIA to start World War III. The Rockefeller family and the CIA tried to make the whole world believe the lie that "the Muslim al-Qaeda terrorist organization carried out the attack". **The aim is to make Christians and Muslims fight and start the 3rd world war.**

March 19, 2003 Rockefeller family and CIA "There are nuclear, chemical, biological weapons of mass destruction in Iraq."

He invaded Iraq with the lies "We will bring democracy, peace and freedom to the Iraqi people". **The invasion of Iraq is a genocide** committed by the Rockefeller family and the CIA to start World War III, in which a million innocent people were killed.

July 15, 2016, Rockefeller and Koç family, CIA, NATO and FETO attempted to make Turkey a fragmented state like Iraq, Syria and Palestine, with the lie that **"Recep Tayyip Erdogan is tearing Turkey apart from western civilization and making it a religious terror state".**

The reality was that Recep Tayyip Erdogan crushed and destroyed the Rockefeller family and their 200-year-old institution in Turkey and the Middle East.

The Rockefeller and Rothschild families **control the national education ministries of 200 countries, the writing of history and textbooks, the press and media outlets.**

The aim is to prevent people from learning the truth and to make them believe the lies. In every country, history and textbooks are written by **Rockefeller and CIA agents disguised as historians and teachers.**

Code name **Murat Bardakçı** is a Jewish historian, Freemason**, Rockefeller and CIA agent.** These people gain the love and trust of the people by telling a thousand historical facts.

The 1001st thing he tells is the lie that **Rahmi Koç -(Rahmi Rockefeller) is a descendant of Muhammad.** The historian tells a thousand more truths on the lie he tells.

Question : Where do you best hide a lie? **Answer :** Between two realities.

The biggest source of lies in the world is the official history books written by the Rockefellers.

Official history is nothing more than fairy tales told to children to sleep.

4. God's plan : for the wicked to be disgraced first, and then become a garbage dump. And the last is to perish.

The industrial revolution that started in the 18th century made **it very easy for the Rockefeller and Rothschild families to infiltrate and reach all world governments.**

All world states that wanted to reach industrial and financial power were obliged to communicate and cooperate with Rockefellers and Rothschilds.

The Ottoman state has always been very careful against the Rockefellers, Rothschilds and similar families. From the year 1000 AD until the 1830s, **the Ottomans controlled such enemies of humanity on three continents and did not hesitate to kill and eliminate them when necessary.**

The Ottoman state did not give appointments to the Rockefellers, Rothschilds and similar families and collaborators until the 1830s, and did not bring them closer to the **Topkapı Palace, the center of government.**

The most important task of Turkish youth and humanity is to know Judaism very well.

The Jews are a people who consider themselves humans and non-Jews as animals. Jews do not consider Adam to be the first man and the first prophet. **What the Jews know as the first man and the first prophet is Satan.**

In Judaism, Satan is not considered a spirit cursed by God and the source of all evil, **as is known in Christianity and Islam.**

For Jews, Satan, like Gabriel, is the greatest and most holy spirit **that comes after God.**

According to Jewish belief, people born **from the relationship of Adam and Eve are goyim-gentile-animals.**

Those born out **of the relationship of Satan and Eve** are the chosen and superior race, the Jews.

The duty of goyim-gentile-animal people is to serve the Jews. **Judaism is the cause of world domination.**

At the end of the End Times, Jews will be the rulers of the world and people will be their slaves. **For Jews, three things are needed in order to own the world.**

Theft, murder and destruction. Because you can't own the world with work and money.

The Bible verse John 10:10 expresses this truth. The thief (Jews) come only to steal, kill and destroy.

Evil is the best morality for Jews. Bad morals are Jewish morals. Jews pride themselves on having bad morals. Having bad morals is a source of pride for Jews. **You can enter every house in the world by sugaring bad morals and making them look good.**

The most respected Jew among Jews is the worst Jew.

LGBTI is Jewish morality. A Jew with LGBTI morality is believed to serve the cause of world domination at the highest level. **For Jews, the LGBTI mentality and worldview is not a disgrace, but a morality that makes them smile.**

Whore, slut, pimping, lesbianism, queerness, and LGBTI are moral behaviors, mentalities, and moods that are highly appreciated and

respected in Judaism. In Judaism, everything is legitimate on the road to world domination. The Jew works to win over his friends and eliminate his rivals on his journey to the cause of world domination. **Jews serve LGBTI moral Jews on golden platters to their friends and rivals for the cause of world domination.**

There are no concepts of family, loyalty and adultery in Judaism.

The Jews who fulfill the tasks given by the Rockefellers and Rothschilds with their work!!!! they are proud. The work they do is a medal for their chest. They share their experiences and memories with other Jews.

Good morals are the greatest enemy of Judaism. Because good morals are the biggest obstacle blocking all the roads leading to the cause of world domination. **The greatest goal of the Jew is to remove all civilizations and institutions that are the source of good morals from the world.**

The biggest aim of Judaism in the cause of world domination is to make all humanity societies that live **according to the LGBTI mentality and worldview.**

For the cause of world domination, Jews offer to their friends and rivals LGBTI moral people they deceived on golden platters. **They both get rid of their opponents and win their friends.**

The primary duty of mankind **is to crush the head of** the Jewish and then the **LGBTI philosophy.**

Prostitution is an evil mentality, worldview, order of thought and mood.

The related word should not be confused with **the physical and personal mental slavery known among the people.**

The Talmud and The Zohar are the source books of Jewish morality.

According to Talmud and Zohar sources, LGBTI lifestyle and prostitution are not considered as evil mentality and mood.

The Talmud and The Zohar praise and strongly encourage LGBTI and prostitutes evil moral lifestyles. According to the Talmud and The Zohar, prostitution has no man or woman.

Prostitution : i) is the art of constantly lying, hiding the truth and trying to deceive people.

ii) Trying to defraud people is the art of stealing and unjust enrichment.

iii) is the art of physical and spiritual exploitation and enslavement of humanity.

Human beings are far from the LGBTI lifestyle and morality by nature.

It is Satan and the Jews who ensnare mankind into bad morals, teach and encourage the LGBTI and Prostitution lifestyle.

These facts are clearly stated in God's laws, four books, verses and hadiths.

LGBTI is Jewish morality.

Every Jew is a whore.

Immorality is the morality of the Jew.

The task of the Jew is to make humanity like himself.

Judaism is the foundation and project of making humanity LGBTI civilization.

Morality is contagious. Bad morals infect people very easily. Human beings should always be very careful about the environments they choose, especially friendship and media environments. **The Jewish mentality should stay away from any environment that conveys a mood and LGBTI message.**

The most important **task of humanity is to destroy the Zionist-Jewish** order that wants to make humanity an LGBTI civilization.

Question 1: How do you know if your **dentist is a bitch ?**

Answer : If your dentist says he's going to pull out one or two of your healthy teeth, **know that your dentist is a bitch.**

Question 2: How do you know if your dentist **is a son of a bitch ?**

Answer : If your dentist says that he needs to extract two or more healthy teeth, **know that your dentist is a son of a bitch**.

Dentists hate a healthy mouth and teeth. Because healthy mouth and teeth do not make money. Extracting healthy teeth disrupts the oral structure of teeth and makes healthy people customers of dentists for the rest of their lives.

The patient is the best customer. Dentists are among those who pay the most attention to this statement of the Rockefeller family.

Human teeth are like the fingers of a hand. Pulling teeth is like cutting a finger. The fingers of a sick hand are not cut, it is treated. A rooted tooth will never be pulled.

Especially post-1960 and 21st century technologies have made tooth extraction impossible. It is very important for a healthy society that people who will undergo dental treatment **find the right addresses and share them among themselves.**

We also have endless respect for our physicians and dentists who do their job by respecting people.

We also have a lot to say to doctors, dentists and fraudsters who exploit people financially and morally as a source of income.

According to honest US surgeons, 95% of surgeries performed in the country are unnecessary.

What kind of mentality and mood is it to cut and harm the bodies and organs of healthy people to earn money?

Question 3: How do you know **if your doctor is a bitch ?**

Answer: If your doctor says that he will unnecessarily operate on you once or twice, **know that your doctor is a bitch.**

Question 4: How do you know **if your doctor is a son of a bitch ?**

Answer : If your doctor says he will unnecessarily do two or more surgeries on you, **know that your doctor is a son of a bitch.**

Question 5 : What does Meral Akşener promise to the Turkish nation as a politician in the 2023 elections ?

Answer: To pull out all the teeth of the Turkish nation.

Zionist Jewish woman codenamed Meral Akşener is a work of Talmud and Zohar.

According to the expressions and definitions of Talmud and Zohar, **Meral Akşener is a prostitute.**

What Meral Akşener does is prostitution, not politics.

Question 6: What do 6+1 Table and similar leaders promise to the Turkish nation in the 2023 elections?

Answer: To pull out all the teeth of the Turkish nation.

6+1Table and similar leaders are leaders trained **by the CIA and Mossad with the morals of Talmud and Zohar.**

The words, sentences and expressions mentioned above are the exact translations of the policies Meral Akşener and Kemal Kılıçdaroğlu proposed to the Turkish nation for the 2023 elections and beyond.

The above-mentioned words, sentences and expressions should not be commented on without **a thorough study of the Talmud and Zohar books, which are the basis of Jewish morality.**

For the 2023 elections, Rockefeller, Rothschilds, CIA, Mossad have done their job very well and have managed to **organize the Turkish opposition politics according to Tamud and Zohar morality.**

The duty of Turkish citizens and voters is to be vigilant and disrupt the games of Rockefellers, Rothschilds, Zionism, Jews, CIA, Mossad, Koç Holding, FETO and the 6+1 table.

IS THE VOICE OF THE PEOPLE THE VOICE OF GOD ?

God defines the people as two basic classes in his laws.

1. Faith Class People (Class of Prophets)

2. Cattle and Sheep Class People (Class of Devil)

The measure and guide of **the people of the faith class** are the books of god, his prophets, their rule of law, and the teachings of their scholars.

The measure of the cattle and sheep people is **i) himself / herself ii) the teachings of Satan.**

Ruling the state is the right and duty of the people of faith.

The people of the cattle and sheep class cannot rule the state.

The state administration can never be handed over to the cattle and sheep class people.

It is essential that people who aspire to run a state know which class they belong to.

What is the proof of these determinations and claims ?

1) The Tuba Tree is a Hadith that summarizes the laws and principles of state administration.

2) Adam is the first man and prophet.

3) God did not create a prophet from among the people, he created the people from among the prophets. No nation is superior to the prophet.

4) From Adam to the last prophet, all prophets are **the natural head of the legislature, the executive, the judiciary, and the army.**

Every person who aspires to rule a state is obliged to have the morality of the prophet.

5) Shepherding is the profession of the prophets. **Photographs of prophets herding camels, cattle and sheep are proof of this fact.**

6) People did not respond to Noah's invitation to build ships. Animals worked in the construction of Noah's ark, but humans did not.

People have been opposing, laughing and mocking Noah and his people for years.

7) Animals got on Noah's ark, but people did not.

8) The second and longest surah of the Qur'an, Baccarat, is one of the greatest proofs of this fact. **Baccarat means cattle.**

9) The cattle and sheep class people are distant from God. **The proof of this is Noah's flood, Pharaoh and his army.**

10) The Republic of Turkey was ruled mainly by cattle and sheep class governments between 1938-2002.

The Republic of Turkey is ruled by a faith-class government between 2002-2022. The difference between the two periods is proof of this fact.

In the 2023 Presidential elections, living in Turkey **:**

i) Faith class people, **ii)** The number of cattle and sheep class people will be determined.

The people who will vote for Recep Tayyip Erdogan, the AK Party and the People's Alliance are people living in the faith class.

6+1 Table = People who will vote for the Bullshit Alliance and other parties are people living in the cattle and sheep class.

The 2023 Presidential elections are Noah's Flood for the Turkish Nation.

The current representative of Noah is Recep Tayyip Erdogan.

Noah's ship is the AK Party and the People's Alliance.

We invite the Great Turkish Nation to embark on Noah's Ark in the 2023 elections.

Is the voice of the people the voice of God ?

The voice of the **faith class** is the voice of the God. The voice of the **cattle and sheep class is not** the voice of right.

Since when have the voices of elephant, camel, ox, cow, deer, sheep, goat been the human voice ?

It is my prayer. "Almighty Lord, my God,

My God, make the great Turkish nation in need of cattle and sheep class people forever.

My God, do not deprive the great Turkish nation of the management of faith class people forever.

My God, do not leave the faith class Turkish nation behind us forever.

Lord, do not make humanity dependent on cattle and sheep class people forever.

My God, do not deprive humanity forever from the rule of faith class people. My God, do not leave us people of faith forever"

What will happen if the 2023 Turkish Presidential Elections : 6+1 Table Bullshit Rockefeller CIA-Rothschilds Mossad-Alliance 48-52, 49-51 wins ?

Will the Turkish Nation, Turkish Armed Forces and Security Forces surrender our state and nation to the 6+1 Table Rockefeller CIA-Rothschilds Mossad-Terror Alliance **?**

The answer to this question is a resounding NO. Why is that ?

Because democracy is the struggle of good-good people to rule the country. Democracy is not a struggle of good people and terrorists - thieves to rule the country. Because no one will hand over their house, job and money to thieves and terrorists.

The moment the May-June 2023 elections are lost,

the President of the Republic of Turkey is Hulusi AKAR.

Recep Tayyip ERDOĞAN, who lost the 2023 elections, will naturally make a farewell speech.

As soon as Recep Tayyip ERDOĞAN completes his farewell speech, the President of the Republic of Turkey, **Mr. Hulusi AKAR, will have already started his duty.**

All of our state officials, especially Vice President Fuat OKTAY, Minister of Interior Süleyman SOYLU, Minister of Justice Bekir BOZDAĞ and MIT President Hakan FİDAN, will be at the head of their duties.

All public buildings, especially the Presidency House, the Grand National Assembly of Turkey, the Interior, the Justice, TRT and MIT buildings will be taken under protection by the Turkish Armed Forces and Security Forces.

553, 6+1 Table, Rockefeller CIA, Rothschild's Mossad, PKK,YPG, DHKP-C,ISIS, FETO and terrorists in suits and ties, **who have been the murderers of tens of thousands of our people for many years, will be executed in their homes and places where they hide.**

The execution orders and lists have been delivered to the authorized execution units of the Turkish Armed Forces and Security Forces. All of our teams are ready for their duties.

After the necessary cleaning is done, the May-June 2023 elections will be repeated with political parties **consisting of good-good people and our democracy journey will continue.**

What will happen if the terrorist organization won the 2023 Turkish elections, 6+1 Table = Rockefeller CIA-Rothschilds Mossad, PKK, DHKP-C and FETO Alliance ?

The first thing these terrorist organizations **will do is to kill Recep Tayyip Erdoğan, his family and children, and then 7000 AK Party administrators and state officials,** as they have done many times in history and in the last century.

In the 2023 elections, there are two presidential candidates for the 6+1 Table, Rockefeller CIA-Rothschilds Mossad, PKK, DHKP-C and FETO Alliance terrorist organization.

1. RECEP TAYYİP ERDOGAN 2. HULUSİ AKAR.

The choice is theirs.

2. The puppet presidential candidate to be announced by the 6+1 Table Rockefeller CIA-Rothschilds Mossad, PKK, DHKP-C and FETO terrorist organization in the 2023 elections **is a "Semih Terzi" for us.**

(Semih Terzi : He is the top CIA and NATO terrorist who was tasked with capturing Ankara and killing 7000 AK Party and state officials during the 15 July 2016 coup d'etat **).**

3. Let it be our promise to the Turkish nation and humanity to kill the puppet presidential candidate terrorist, who will be declared by terrorist organizations 6+1 Masa, Rockefeller CIA- Rothschilds Mossad, PKK, DHKP-C and FETO, by shooting him in the middle of his forehead.

The Great Turkish Nation does not have a state to hand over to sewer rats and cockroaches.

Killing and erasing terrorist groups such as Rockefeller CIA, Rothschild Mossad and their collaborators is a national hobby for the Turkish Nation.

That was 3,000 years ago. This is how it is today. It will be like this in 3,000 years, 3 million years, 3 billion years and beyond.

WHO SHOULD WE VOTE
IN THE 2023 PRESIDENTIAL ELECTIONS ?
(1)

1. In the 2023 Presidential elections, our citizens will either vote for themselves or for terrorists.

2. In the 2023 Presidential elections, Turkish citizens will either vote for Recep Tayyip Erdogan or for the PKK.

We invite the Turkish nation to choose between itself or terrorists.

3. To say "I don't like Recep Tayyip Erdogan at all" **:**

i) It means "I like myself more than RTE".

ii) It means "I have done much more for the Turkish nation and humanity in the last 20 years than Recep Tayyip Erdoğan."

We invite you to TV programs, stages and halls to tell about the work you have done in the last 20 years and to compare yourself with RTE.

4. Saying "I don't like Recep Tayyip Erdoğan at all" means that I love the terrorist and thief Jews who rule Turkey. Like İsmet İnönü, Celal Bayar, Kenan Evren, Süleyman Demirel, Bülent Ecevit, Deniz Baykal, Erdal İnönü, Mesut Yılmaz, Tansu Çiller, Altan Öymen, Ahmet Necdet Sezer.... ....

5. Saying "I do not like Recep Tayyip Erdoğan at all and I hate him" means "I know leaders and people who are much more valuable to the Presidency than RTE."

Tell us about leaders and people you love and admire. Let's love and admire them too. Do not deprive the Turkish nation and humanity of your valuable services.

6. Those who say, "I do not like Recep Tayyip Erdoğan at all and I hate him": Have you ever thought ?

Does Recep Tayyip Erdogan love you **?**

The answer to this question is Yes.

Recep Tayyip Erdogan loves you very much and has great respect for all of you.

Why is that ?

Honest statesmen are like parents. They love their citizens like their children without any discrimination. They keep the honor and dignity of their children above all else and protect them under all circumstances. They do not lie, use violence, insult or slander their children. They are not ungrateful to their children. Honest statesmen are wise, have knowledge,

wisdom and foresight. They do not speak freely. They are people who read, think, research and do not waste their time. They don't believe everything they hear and the lies. They are careful until they learn the truth of the matter. **They do not beat their children by falling into the traps of the enemy, they do not destroy the environment.**

Honest statesmen do not become friends with empty, ignorant, skull and treacherous people, they stay away. When their children do wrong, they don't go down to the streets and squares, they don't show up and they don't burn things up. Even if they do, they don't hurt.

Honest statesmen do not sell their children and citizens to Zionist and Jewish collaborators at home and abroad. **Honest statesmen do not live a life of grudge and hatred, killing and backstabbing their children and citizens**.

Recep Tayyip Erdogan is a very honest person and statesman. Throughout his life, he appeared as he was, became a person as he appeared.

Some people and books are like mirrors. He who looks at them sees himself. Recep Tayyip Erdoğan is a mirror-like person and statesman. Looking at Recep Tayyip Erdogan, he sees himself.

It is the most natural right of Recep Tayyip Erdoğan to expect his citizens to have knowledge, wisdom and foresight.

7.The first question we want our opposition and undecided voters to ask their administrators is this. If you were in power on November 3, 2002, what would you do for the Turkish nation?

8.The first question a smart citizen will ask himself in the 2023 Presidential Elections :

i) "Is there only one Fetullah Gulen in Turkey?

ii) How many traitors like Fetullah Gulen are living in Turkey? If so, who are they?" should be.

Fetullah Gülen is a Jewish and CIA agent who deceived two million Turkish citizens between 1960 and 2016 by presenting himself as "imam, mahdi, messiah". We have all seen the plight of those who followed Fetullah Gülen after the CIA coup on July 15, 2016. **There are thousands of Fetullah Gülen living in 2022-2023 Turkey.**

8 of them are the heads of political parties. Kemal Kılıçdaroğlu, Meral Akşener, Selahattin Demirtaş, Pervin Buldan, Mithat Sancar, Temel Karamollaoğlu, Ali Babacan, Ahmet Davutoğlu, Mansur Yavaş, Ekrem İmamoğlu, Ümit Özdağ, Fethi Yaşar are the CIA and Mossad agents living in Turkey.

Their mission is to destroy the Turkish state, kill the citizens and enslave the nation, as it did on the night of July 15, 2016.

The executives working in CHP, IYI Party, HDP, DP, SP, DEVA, GP and Zafer Party will end up like those who follow Fetullah Gulen.

9.The second question a smart citizen will ask himself in the 2023 Presidential Elections **:**

i) "How much money did I make for my country in the last twenty years, 2002-2022?"

ii) "How much money has Recep Tayyip Erdogan made to Turkey in the last twenty years?" should be.

- Reducing the annual interest rates from 100% to 4.5%, -The discovery of natural gas in the Black Sea for the first time in history,

- Finding new oil fields, -Preventing huge fuel and time loss with new highways, tunnels, railways, air transportation,

-Reducing the imports of industrial goods, especially the defense industry, from 80% to 20%, and so on,

A good citizen and voter must either keep silent or speak no.

That should be our measure. This is what befits a faith-class citizen and vote

WHO SHOULD WE VOTE
IN THE 2023 PRESIDENTIAL ELECTIONS ?

Question : Who are the most ignorant and ugliest people in Turkey ?

Answer : The most ignorant and ugliest people in Turkey are the administrators working in the **CHP Headquarters, provincial and district organizations, and the TUSIAD, media, ADD, military, academic and institutional staff who provide material and moral support to them.**

Why is that ? Because : The real CHP is the party headed by Atatürk between 1923-1938. The CHP after 1938 : Rockefeller CIA, Rothschildler Mossad, Tusiad, PKK, DHKP-C and is a terrorist organization serving FETO. This fact is known by 75% of the Turkish nation, but CHP headquarters, provincial and district administrators do not.

Why is that ? Because : CHP administrators and mentors live without seeing and knowing the hidden-deep world realities that Atatürk saw a hundred years ago, even in 2022-2023?

Why is that ? Because : Rockefeller, Rothschilds, CIA, Mossad, Tusiad, PKK, DHKP-C and FETO terrorists, whom Atatürk fought a century ago, even in 2022-2023 are nursing mothers.

Why is that ? Because : They work side by side with the grandchildren of the Jewish killers who poisoned Atatürk.

Why is that ? Because : CHP executives have not been able to give their voters the success and joy of being in power alone for 72 years.

During this period, the newly established DP, ANAP and AK Party executives are the parties that have given their voters the success and joy of being in power alone.

Until the May-June 2023 elections, if there is no awakening and progress in understanding and preferring the rights and truth - Recep Tayyip Erdoğan and the AK Party - in the executive cadres of the CHP, history will write itself in this way.

The same facts apply to the headquarters, provincial and district administrators of the Nation Alliance IYI Party, HDP, DP, SP, DEVA, GP, ZP, BTP, and similar political parties.

AND TO VOTE FOR RECEP TAYYIP ERDOĞAN AND THE AK PARTY
(1)

We invite the Atatürk Youth to understand the secret world history, Rockefeller, Rothschilds, Jews and Freemasons, and to vote for Recep Tayyip Erdoğan and the AK Party.

One of the most important articles of Atatürk's will to the Great Turkish Nation is as follows **:**

"Sirs, I advise my beloved nation that it should not for a moment waive its attention to analyze very well the essential substance in the blood and conscience of the men that it will raise up above their heads."

With this will, Atatürk ordered that the true identity of every citizen who will rule the Turkish nation should be investigated.

Not every citizen is a citizen. Some citizens of states are terrorists and traitors.

It is the primary duty of every Turkish citizen to recognize the citizen-looking terrorists and traitors (the essential substance in the blood and conscience of men) living in Turkey.

This duty is also a debt of citizenship and conscience of the Turkish Nation to Mustafa Kemal Atatürk. **This duty and order of Atatürk is best fulfilled by Recep Tayyip Erdoğan and the AK Party.**

What have the CHP and 6+1 Table Parties done in 85 years to fulfill this duty and order of Ataturk?

Who is a Jew, who is a Zionist, who is a Freemason, who is an imperialist, who is a collaborator and who is a traitor in Turkey ?

These facts were reported in the written and visual media of which CHP and 6+1 Table Party and shared with the Turkish Nation?

When do honest and reliable !!!! media monkeys, Uğur Dündar, Hasan Cemal, Can Dündar, Yılmaz Özdil, Emin Çölaşan, Ertuğrul Özkök and the like, intend to fulfill this duty and order of Atatürk ?

The Ottoman state was destroyed by the Union and Progress Party and Jewish terrorists pretending to be citizens and their Masonic collaborators.

The Ottoman state was destroyed by the Union and Progress Party and Jewish terrorists pretending to be citizens and their Masonic collaborators.

In 2023, the Committee of Union and Progress continues its activities as CHP as on the first day. 6+1 tables are trying to complete their mission in the 1900s with their mason collaborators.

The exact copies of the plays played in the last 200-100 years to overthrow the Turkish state are being staged by the grandchildren of the same actors in 2023.

123 years ago, at the age of 19, Ataturk researched and understood the secret world history and Zionism very well. And he had drawn the right direction for himself in the light of these facts.

We invite the Turkish Youth to research and understand the secret world history and Zionism like Atatürk.

We invite the Turkish Youth to do their first duty.

Atatürk's Address to the Youth : He signals and orders to vote for Recep Tayyip Erdoğan and the AK Party in the 2023 elections.

ATATURK'S ADDRESS TO THE YOUTH

O Turkish youth! Your first duty; It is to preserve and defend the Turkish independence, the Turkish Republic, forever. This is the very foundation of your existence and your future. This foundation is your most precious treasure.

Even in the future **(1938 -2023),** internal and external evildoers **(Rockefellers CIA-Rothschilds Mossad, Freemasons, PKK, DHKP-C, FETO ....)** will want to deprive you of this treasure.

If one day you have to defend your independence and the republic, **(15 July 2016, May-June 2023 elections, ...),** you will not think about the possibilities and conditions of the situation you will be in in order to take office. This possibility and circumstance can manifest in a very unfavorable manner. Enemies who intend to attack independence and its republic **(Rockefeller CIA-Rothschilds Mossad, Freemasons, ...)** can represent

an unprecedented victory all over the world. All the castles of the holy homeland may have been captured, all its shipyards were entered, all its armies were dispersed and every corner of the country may have been occupied by force and deceit **(6+1 Table, Koç Holding, Tüsiad, Freemasons, FETÖ, PKK, DHKP-C ....).** More grievous and worse than all these circumstances, those who have power in the country **(the Union and Progress Party yesterday, 6+1 Table today, Koç Holding, Tusiad, Freemasons ....)** may be in heedlessness, heresy and even treason. In fact, these power holders **(yesterday, the Committee of Union and Progress, today 6+1 Table, Koç Holding, Tusiad, Masons, ...)** and their personal interests **(Rahmi Koç, ..., Kemal Kılıçdaroğlu, Meral Akşener, Temel Karamollaoğlu, Selahattin Demirtaş ,Pervin Buldan, Ekrem İmamoğlu, Mansur Yavaş, Fethi Yaşar.... ....)** can unite with the political ambitions of the trustees **(CIA, Mossad, BND.... ....).** The nation may be devastated and exhausted by poverty **(high interest rates, inflation and low purchasing power).**

O son of Turkish future! Even in these circumstances, your duty is to save the Turkish independence and republic. The strength you need in the noble blood in your veins. ***Mustafa Kemal Atatürk***

TO FULFILL ATATURK'S WILL

"Sirs, I advise my beloved nation that it should not for a moment waive its attention to analyze very well the essential substance in the blood and conscience of the men that it will raise up above their heads."

We invite the Turkish Youth and Nation to protect the legacy of Ataturk.

We invite the Turkish Youth and Nation **to take care of Mustafa Kemal Ataturk.**

We invite the Turkish Youth and Nation to know and learn the deep state and secret world history **like Mustafa Kemal Ataturk.**

We invite the Turkish Youth and Nation to know and learn the **real identities of the people who aspire to govern themselves.**

We invite the Turkish Youth and Nation to analyze very well **the essential substance in the blood and conscience of the people** who aspire to govern themselves.

It is essential for the Turkish youth and nation, who know very well what **Aleyna Tilki (Turkish Madonna)** ate yesterday morning, to know very well the date of April 27, 1909 and after.

After this date, Turkish youth is a nation that **is the slave of the Rockefeller and Rothschild families.**

Until November 3, 2002, Recep Tayyip Erdoğan and the AK Party government **:** All of the money that the Turkish Nation earned **was smuggled to Switzerland by the Rockefellers, Rothschilds and their collaborators.**

The translation of this fact is as follows.

Turkish Youth should know this very well. **The money your parents have earned and their money in the bank is stolen every month by the Rockefellers and Rothschilds.**

Mothers and fathers borrow money from banks every month to support the house and take care of their children.

When you finish your schools and university, not a happy rich life awaits you, but a mountain of debt from your parents.

This is the financial situation of Turkey in a nutshell.

From the first day that Recep Tayyip Erdoğan and the AK Party came to power, **they started to close all the channels that the Rockefellers and Rothschilds stole money from and started to fill the national treasury.**

The money earned by the Turkish nation in 2022 is 1.0 Trillion USD. **In 2022, Recep Tayyip Erdoğan and the AK Party managed to save 300 billion USD of Turkish youth and nation.**

The reason for Turkey's rapid development in the last 20 years is that Recep Tayyip Erdoğan and the AK Party government **cut and blocked the hoses of Zionist and Jewish thieves.**

1854 : First borrowing from abroad

1854-2002 : National Income **= National Income of Jews in Turkey.**

1854 -2002 : National Income of the Turkish Nation **= It is close to zero.**

The National Income of the Turkish Nation, which was close to zero between 1854 and 2002**, increased to 300 billion USD in 2022.**

In 2023, if 6+1 Table = Rockefellers + Rothschilds come to power **: The National Income of the Turkish Nation will fall to zero again.**

This picture seen in Turkey between 1854 and 2022 is more or less the same in every country in the world.

If it were not for Recep Tayyip Erdoğan, AK Party and the People's Alliance, the Turkish state, youth and nation **would be ruled by Rahmi Rockefeller, a 93-year-old gay man, in 2023.**

The 7,000-year-old dreams and goals of the **Rockefellers and Rothschilds dynasties is to make the world an LGBTIQ planet.**

The LGBTIQ trend accelerated after the 1950s and reached its peak in the 2020s.

It is very important for Turkish parents and youth **to understand the LGBTIQ reality very well.**

Because diploma and talent will no longer be enough for young people to find **jobs especially in TUSIAD organizations**. In order to find a job in TÜSİAD and government institutions under its management, an **LGBTIQ diploma** will be required in addition to a university degree.

Young people with an **LGBTIQ diploma** will easily find a job. This competitive environment will quickly legitimize the **LGBTIQ lifestyle** in the society.

Unfortunately, the world, especially the USA, **has come a long way in the way of life with LGBTI identity.**

Rockefeller and Rothschilds oblige the **LGBTIQ lifestyle** to young people and senior executives who want to find a job in the state, government and their own companies.

The wife of Barack Obama, known as Michelle Obama, is a man dressed as a woman. His real name is **Michael Obama.**

It is reported that **Brigitte Macron**, the wife of French President **Emmanuel Macron,** is a man with a female appearance. It is reported that **Emmanuel Macron and Brigitte Macron are gay**.

Christine Lagarde, the head of the European Central Bank and IMF, is a man dressed as a woman. His real name is **Christ Lagarde**.

New Zealand Prime Minister Jacinda Ardern is a man dressed as a woman.

USA, France, New Zealand and no country should be an LGBTIQ country.

The Turkish youth and nation should know the four groups of people living in Turkey very well and should be very careful about all their activities.

i) Jews ii) Armenians iii) Zionist Muslims iv) Turkey desk Rockefeller CIA and Rothschilds Mossad agents

Question 1 : How to earn the most money **?**

Answer : i) By stealing, **ii)** By killing the rich and money holders **iii)** By occupying and burning down countries and cities **iv)** By enslaving people. As big thieves like the Rockefellers and the Rothschilds you make the biggest money.

Question 2 : How do you make the most money if you can't be the big thief **? Answer :** You make the most money by partnering and cooperating with the big thieves Rockefellers and Rothschilds.

Question 3: How do you hide your identity as a thief and murderer **?**

Answer : You can hide your identity as a thief and murderer by accepting to work as a civil servant and worker **in the Rockefellers and Rothschilds deep state.**

Rockefellers and Rothschilds will introduce you to the society as respectable, honest, reliable, veteran, businessman, journalist, politician, artist, academician, soldier, engineer, etc. **and will give you protection assurance.**

Turkish youth and nation have to know very well the people who make money and make a living in the profession of stealing and murder in Turkey.

Because in order for these people to live, you must die and live in poverty.

i) Jews Living in Turkey:

Five types of Jews live in Turkey. i) Jews serving Rockefeller ii) Jews serving Rothschilds iii) Kurdish Jews iv) Sabbatai Jews v) Jews residing in the USA, EU and Israel

The eldest Jew living in Turkey is David Rockefeller's son Rahmi Koç-Rahmi Rockefeller and his daughter Meral Akşener-Meral Rockefeller.

David Rockefeller is a killer who said, "The best money is made when people's blood is flowing in the streets."

Rahmi Koç, Mustafa Koç, Ömer Koç, Ali Koç and Meral Akşener are the biggest professional killers living in Turkey.

Rahmi Koç is not an industrialist or businessman. There is not a single nail that Koç Holding and Rahmi Koç have driven into the Turkish industry.

Rahmi Koç's mission is to identify and kill opponents and enemies against the Rockefeller deep state in Turkey.

Rahmi Koç is the founder and owner of dozens of terrorist organizations, especially Dev Yol, Dev Sol, DHKP-C, MLKP, TKP-ML, PKK, YPG, DEAŞ and FETÖ, which have been operating in Turkey for the last 70 years. Five military coups in Turkey after 1960, Adnan Menderes, Fatin Rüştü Zorlu, Hasan Polatkan, Turgut Özal, Uğur Mumcu, Eşref Bitlis, Muhsin Yazıcıoğlu, Necip Hablemitoğlu, Prosecutor Sabri Kiraz and thousands of **murders were all planned at Koç Holding.**

Between 1950 and 1980, 200,000 Kurdish Jews immigrated from Turkey to Israel and the world. The adopted son of Fethullah Gülen, **basketball player Enes Kanter Freedom is a Kurdish Jew.**

The dream of the Jews living in Turkey is to divide Turkey, to destroy the Turkish nation or to enslave it completely.

ii) Armenians Living in Turkey :

After the Jews, one of the biggest secret enemies of the Turkish youth and nation is the **Armenians.** Turkish youth and nation are obliged to know the **Armenians** living in Turkey very well. The biggest terrorist collaborators of the Jews in Turkey are the **Armenians. Armenians** are slaves of the Jews who do their dirty work. **ASALA, PKK, YPG and many Marxist-Leninist organizations are Armenian terrorist organizations.**

Armenians live with the dream of separating Anatolian lands between Samsun and Mersin from Turkey with the cooperation of Rockefeller CIA and Rothschild Mossad. **The dream of Armenians living in Turkey is to divide Turkey, to destroy or enslave the Turkish nation.**

The most famous Armenian Rockefeller CIA agent living in Turkey **is İsmet İnönü.**

Kemal Kılıçdaroğlu, prepared by the CIA and Mossad for the Presidency of Turkey in 2023, is an Armenian.

iii) Zionist Muslims living in Turkey:

After the Jews and Armenians, the biggest secret enemies of the Turkish youth and nation are the Zionist Muslims living in Turkey. Zionist Muslims living in Turkey are two main groups.

i) Zionist Muslim Freemasons :

Ankara Yenimahalle Mayor Fethi Yaşar is the best example of Zionist Muslim freemason living in Turkey. Fethi Yaşar is a Mossad agent working for the Rothschilds. Fethi Yaşar is a traitor who cooperated with the enemies Ataturk fought and stabbed Ataturk in the back. **Fethi Yaşar is a terrorist in a suit and tie, working 24/7, constantly looking for opportunities to kill Recep Tayyip Erdoğan and Hakan Fidan. ....**

ii) Zionist Fethullah Terrorist Organization Freemasons - Members of FETO. Mustafa Özcan, Abdullah Aymaz, Ahmet Kurucan, Cevdet Türkyolu, İsmail Büyükçelebi, Akın İpek, Ahmet Kara, Mehmet Ali Büyük Çelebi, Adil Öksüz, Zekeriya Öz, Cevheri Güven, Celal Kara, Ercan Karakoyun, Kadir Sancı, Mahmut Çebi, Süleyman Bağ, Necdet Celik, Mehmet Toker, Zekeriya Akturk, Can Dundar,Bulent Kenes, Harun Tokak ....

DOORS
INVITES TURKISH YOUTH
TO FULFILL ATATURK'S WILL
(4)

It is the most important duty of the Turkish youth to understand that the **Rockefeller Family is a dark, brutal, inhuman cruelty and murder machine, towards their nation and humanity.**

Rockefeller family members are murderers who rape, kill and drink blood of two-year-old children, girls, women and people in satanic rituals. **The Rockefeller family are people who are pedophiles, perverts and live a completely LGBTI lifestyle.**

The Rockefeller family mandates LGBTI, pedophilia, sexual pervert, infanticide and human blood drinking lifestyles for people who will work and trade with them.

The primary purpose of the imposition of LGBTI, pedophilia, perverted and Dracula-type life is to corrupt the morals of the richest people of countries 180 degrees.

The second aim is to make the sexually perverted LGBTI, pedophile and Dracula-type lifestyle dominate the upper, middle and lower levels of the society.

LGBTI, pedophilia, pervert, and Dracula-type lifestyle are very common, especially in US and EU government institutions.

Rahmi Koç, who is 93 years old, is gay and almost all of the senior executives around him are gay.

It is Rahmi Koç and Meral Akşener who impose the LGBTI meetings and lifestyle on the Turkish nation in Turkey.

Koç Holding, which finances LGBTI activities and lifestyles in Turkey's 81 provinces, is Rahmi Koç and Meral Akşener.

Just as Koç Holding and Rahmi Koç financed terrorism between 1960 and 2022, they also finance the LGBTI lifestyle with all their might.

Meral Akşener is Turkey's Hillary Clinton. Meral Rockefeller = Hillary Rockefeller.

The Turkish nation should not make a choice about Meral Akşener and the IYI Party without thoroughly **examining the LGBTI, pedophilia, perverted and Dracula-type lifestyle of Hillary Rockefeller, the sister of Meral Akşener.**

The Rockefeller family is the world's largest producer and seller of drugs such as heroin, cocaine, marijuana, etc.

Turkey is the country that catches the most drugs and punishes criminals in the world.

The reason for Meral Akşener's grudge and hatred towards the AK Party and interior minister Süleyman Soylu is that she cannot find money to finance the PKK, DHKP-C, FETO, IYI Party and the 6+1 table.

All of the Rockefellers companies are producing poisonous products to kill and maim humanity. Cancer is a poison produced in Rockefellers laboratories. **Cancerous cells are produced by Jews in Rockefellers laboratories and added to foods and drugs. David Rockefeller says "the patient is the best customer".**

People should be very careful with how Rockefeller airlines poison cities, farmland, and the atmosphere with chemicals **called Chemtrails on Boeing planes.**

Cancer, Corona Virus, AIDS, Avian Flu and dozens of diseases, GMO fruits, vegetables and seeds are poisons that Rockefellers have produced to cripple humanity.

Turkish youth and nation should be very careful against **the HAARP weapon owned by the Rockefeller family.**

The family can use this weapon based on the Moon, Alaska and Submarines. With this weapon, many natural disasters, especially earthquakes, floods, droughts, are artificially can be realized on earth. Giant storms, floods and earthquakes, which are very common in the USA, were carried out with this weapon. **The goal is to create customers for the Rockefellers by destroying the American people and economy.**

The Golcuk earthquake of August 17, 1999, in which **17,500 people died**, was carried out by a Rockefeller submarine with the HAARP weapon. The aim is to overthrow the government of **Rothschilds Mossad agent Bülent Ecevit,** who did not give permission to invest in Ford commercial vehicles. **After this attack, the Rothschilds supported Bülent Ecevit government collapsed and the Ford investment was completed.**

In 2022-2023, the reason for the great drought in Turkey is the use of the HAARP weapon by Rockefeller and the CIA. The aim here is to hit the Turkish agriculture and food industry and to paralyze the government and the economy.

The Rockefeller family continues at full speed with their rival purge murders in Turkey for the 2023 elections.

Meral Akşener, who injured **the head of the Innovation Party, Yılmaz Öztürk,** with a knife and **killed the historian Sinan Ateş, with her hired killers.** The aim **is to intimidate the voters** who support the AK Party in the 2023 elections.

Who is Meral Akşener?

Meral Akşener is the granddaughter of David Rockefeller. Living in Turkey, speaking Turkish, being a Turkish citizen should definitely not mislead the Turkish nation. Rahmi Koç and Meral Akşener are the grandchildren of the same grandfather and grandmother. **Rahmi Rockefeller and Meral Rockefeller are siblings.**

Rahmi Rockefeller and his entourage control the male world in Turkey.

Meral Rockefeller and her circle control the women's world in Turkey.

Every country in the world is run by the well-hidden Rockefeller families.

Rockefeller families are like white thread in white cotton.

They hide and camouflage themselves very well. **The Rockefeller family works with the same family restructuring techniques in every country of the world.** The person we see as Chinese is not a Chinese but a Rockefeller. The person we see as an African is not an African, but a Rockefeller. The person we see as Latin is not a Latino but a Rockefeller. The person we see as an Arab is not an Arab, **but a Rockefeller.**

The mission of humanity is to find and uncover the Rockefeller families hidden in their country. The most important homework of humanity and youth is to know the Rockefeller Dynasty.

How do we know the Rockefellers **?** We know the Rockefellers most easily by their moral values. The Rockefellers don't have a milligram for the good of humanity.

The Rockefellers do not have a line of informative, warning, cautionary and enlightening articles, books and videos for the good of humanity.

Turkish youth and nation should not vote for Meral Akşener and the 6+1 table without learning the Rockefeller family's baby, child, girl, woman and man, in short, human trafficking and the Adrenochrome hormone very well.

Turkish youth and nation should not vote for Meral Akşener and the 6+1 table without reading the LGBTI banners that Meral Akşener has had in Istanbul squares.

Meral Akşener(s) is an icon. Meral Akşener or her representative always hires every corner in every country. **Jewish Türkan Saylan,** president of the "Association for Supporting Contemporary Life" is one of them.

Türkan Saylan said, "We are noble. Therefore, it is not possible for the things we do not want to happen in this country. **The end of those who try to change it is similar to Adnan Menderes."**

Contemporary Life for Jews is Secularism. Secularism is the polite name of LGBTIQ.

For Jews, Contemporary Life = LGBTIQ = Secularism = LGBTIQ lifestyle.

Jews try to sell the LGBTIQ lifestyle all over the world by covering it with **"Secularism" and "Contemporary Life" candies.**

Why is that ?

Because if there is no Family, there is no State.

Is Meral Akşener, Meral Akşener ?

Meral Ak+şen+er. Meral means **gazelle. Gazelle** is a powerful figure in every civilization. **Ak,** means white, clean, honest, **Şen,** cheerful, entertaining, **Er,** human.

The Jew, whose code name is **Meral Akşener, is neither a gazelle nor an honest and entertaining person.**

Meral Akşener is a big black fly that has fallen into the soup of the Turkish nation.

Meral Akşener is a sewer rat that fell into the food of the Turkish nation.

Meral Akşener is a big black fly that has fallen into the soup of humanity.

Meral Akşener is a sewer rat that has fallen into the food of humanity.

I especially request that Jews who do not see their name in the Idea of Doors, not to be upset. God is Great.

Are there no good Jews in 7000 years of Jewish history?

There has been only one good Jew in 7000 years of Jewish history.

This Jewish Prof.Dr. Celal Şengör.

Celal Şengör is the soul of Judaism. Celal Şengör is Judaism itself. Celal Şengör is the best representative of Judaism. Celal Şengör is the epitome of Jewish civilization.

Why is Prof. Dr. Celal Şengör the best Jew ?

Why is Celal Şengör the spirit of Judaism ?

This is your homework. Explore and share with your friends and humanity.

TURKISH FOOTBALL
(TURKISH SOCCER)

The fact that Turkish football is a world brand increases exports at least 5-10% annually.

This rate of increase means that exports double every ten years. **Doubling Turkey's exports every ten years destabilizes world trade balances.**

The doubling of exports every ten years **means the disappearance of Rockefeller and Rothschilds-Koç Holding and TUSIAD in Turkey.**

A world brand and success of Turkish football means that Turks win, Jews and Freemasons lose.

The success of Turkish football teams in the world and in Europe means that the export orders of the club presidents and managers are cancelled. **No Jew or freemason would take this risk.**

And he does his best to bankrupt and destroy Turkish football. This is what happened in 122 years of Turkish football history (1900-2022).

Turkish football is controlled and managed in Turkey by Rockefellers-Koç Holding and its partners, freemasons. It is very easy to turn National Football into a garbage dump. **For 122 years, Rahmi Rockefeller, Tusiad and freemasons have been continuing the business of turning Turkish football into a garbage dump with great success.**

Rahmi Rockefeller played football for the Turkish nation on mud fields for 85 years. Until Turgut Ozal's rule (1983), there was no grass field to train and play football in Turkey.

Rahmi Rockefeller has made the technical infrastructure of Turkish football a huge dump for 85 years. He destroyed all training, investment and project offers, including football player and coach training schools. **With the policies he implemented, Rahmi Rockefeller plunged Turkish football clubs into debt and paralyzed them. Turkish Football is like a paralyzed patient who is about to die in 2023 under the management of Rahmi Rockefeller.**

Rahmi Rockefeller, with the power of the media in his hand, is making reputation assassinations, threatening and intimidating people who criticize the Zionist Football world and its practices.

Rahmi Rockefeller has dominated Turkish football with a management approach that frequently changes coaches and football players every year and constantly disrupts the established structures of the teams.

As a result, the number of trophies in Turkish football is zero in the 122-year history of football, in which approximately 300 international trophies have found their owners.

Football is just like politics. What can a policy that changes two or three prime ministers a year do for the country?

Rahmi Koç and Koç Holding manage Turkish football and sports in the same way as they governed Turkey between 1938-2002.

These facts should be known very well that in the eyes of Jews, Rahmi Rockefeller, Ali Rockefeller, Tusiad and freemasons, the Turkish nation, football fans and fans are not as valuable as a stray dog.

The Turkish nation, football fans and fans should not expect anything from Jewish and masonic club owners and managers like **Ali Koç in the name of championship and success.**

In the eyes of Rahmi Koç, Ali Koç, Tusiad and freemasons, the Turkish nation, football fans and fans are a commodity. Zionism makes money by selling people physically and spiritually.

If Turkish football fans expect success in the world and Europe, they have to **find presidents like Recep Tayyip Erdoğan and managers like AK Party to lead their teams.**

If Turkish football clubs and their sides go with this mindset, they will not see a championship for 120 years, even 1200 years.

Koç Holding, Rahmi Koç, Ali Koç, Tusiad and freemasons are the biggest fraudsters.

Turkish football clubs and their fans should not be customers of fraudsters.

The Zionist structuring, control and defeatism in Turkish sports are active in every country of the world with the same techniques with all their strength.

Dear Followers

We are preparing for one of the most important elections in the history of our Republic in May-June 2023.

Rockefeller-CIA, Koç Holding, TÜSİAD and 6+1 Table **(Antichrist)** are preparing Abdullah Öcalan as a presidential candidate and HDP as Minister of National Defense for the Turkish Nation.

This offer is met with sympathy by half of the Turkish Nation, who loves Atatürk very much.

This state is called the sleep state of societies. Satanic studies put societies to sleep, divine studies keep people awake.

The Idea of Doors has completed all its preparations to awaken our sleeping people. **Let's share the Doors Idea on our social media accounts and let it reach every citizen.**

The kingdom of the hyenas is until the Lions rise. The 250-year reign of the hyenas is over.

It is the time of doom. It's time to stand up. Let's stand up.

Let's be responsible. Let's take responsibility.

Let's tell our people the truth.

Let's share what we know and learn what we don't know so that our citizens can make the right decision in the elections.

Let us know that the pen is mightier than the sword, and let us prove this truth with the maturity we will show in the elections.

I pray to my Lord that our work and efforts will be beneficial.

This heart loves you all.
Love and respect.

INVITE AK PARTY YOUTH BRANCHES TO PROTEST
CENTRAL BANKS AND INTEREST
AND MARCH IN SAMSUN- ANKARA- IZMIR

We invite the AK Party Youth Branches to destroy the Zionist Jewish Central Banks, interest, high price increases and inflation.

We invite the AK Party Youth Branches to crush imperialism and **march in Samsun, Ankara and İzmir.**

Imperialism is theft and terrorism.

Interest, high price increases and inflation are not destiny but theft.

We invite the Ak Party Youth Branches **to save the Turkish economy** with a turnover of **1 trillion USD from thieves.**

We invite the Ak Party Youth Branches **to save the world economy** with a **turnover of 85 trillion USD from thieves.**

We invite the AK Party Youth Branches **to save humanity from Zionist Jewish Central Banks and interest slavery.**

High price increases and inflation are **polite names for theft.**

Doors invites the Turkish nation and youth **to be vigilant against thieves in suits.**

The Turkish people and youth, who do not know the thieves, **have no right to complain about** high price increases, inflation and unemployment.

We invite the Turkish people and youth to get to know the thieves **who constantly increase the prices.**

If you do not know the thieves well, you are **doomed to constantly losing money and getting poorer.**

Everyone has to fight the thieves who break into their house.

Turkish citizens who do not fight and do not react to the thieves entering **their homes are the partners and collaborators of the thieves.**

Consent to cruelty is cruelty.

We invite the Turkish nation and youth **to crush the heads of thieves.**

Turkish Nation should stop arguing and fighting with each other because of high price increases.

Arguing and fighting over high price increases is people shooting each other. This is what **the enemy wants**. **Let's never fall into this trap.**

Let's direct our time and energy towards the right goals.

Let's shoot the enemy, not each other.

Empty talk, constant complaining, and always criticizing well-meaning governments do not stop price increases, **on the contrary, accelerate them.**

The owner of the Turkish economy is the **Rothschilds and Rockefeller families,** who raise prices as they wish. These families can raise prices as they wish, increasing their annual earnings **up to two or three times.**

It is the Rothschilds and Rockefeller families who have made the gasoline and diesel **25 TL** and the **USD 16 TL**, which has been **1-3 TL for twenty years in Turkey.**

The duties of the representatives of these families in Turkey such as CHP, IYI Party, HDP, DEVA, GP, SP, DP, Victory Party, etc are to prevent the Turkish people from waking up **by making constant political noise and pollution.**

It is the Bullshit Alliance, not Recep Tayyip Erdoğan and the AK Party, who are making excessive price increases in Turkey.

There is no high price increases and inflation in Turkey, but the Rothschild and Rockefeller families have ambitions to earn a lot of money.

Terms such as high price increase, inflation, high cost of living **are brainwashing and diversionary propaganda made to hide grand thefts.**

We invite the Turkish people to see and understand the hidden thieves.

Citizens should stop insulting and attacking our President, Mr. Recep Tayyip Erdoğan, due to high price increases, high cost of living and inflation.

Citizens should stop insulting and attacking our state and AK Party 24/7 due to high price increases, high cost of living and inflation.

President Recep Tayyip Erdoğan is one of the leaders in the world who fights the most against imperialism, theft, interest and terrorism.

You cannot stop excessive price increases and inflation **by attacking and insulting President Recep Tayyip Erdoğan.**

On the contrary, you are aiding and abetting **economic terrorists.**

People who have not expressed an opinion for interest even for an hour in their 15-90-year life, **complain about high price increases and inflation 24/7 nonstop.**

Those who cannot offer a solution to high price increases and inflation are **the collaborators and partners of the thieves.**

Here are our questions to the clowns who complain about high price increases and inflation every hour.

To the Turkish people and humanity **: Do you have any suggestions for zero interest and 1.0 TL = 1.0 USD ?**

What have you done in the last twenty years so that gasoline and diesel, which **are 1-3 TL per liter, are not 25 TL ?**

What have you done in the last twenty years so that **1-3 TL dollars are not 16 TL ?**

Our question to the cattle and sheep, who are very complaining about the constant depreciation of the Turkish Lira against the USD and EURO, **is this.**

One American dollar is 16 Turkish Liras.

Well : How many USD is a Turkish citizen ?

Who are the Freemasons , thieves and terrorists who have turned the Turkish and world economy into a fire in the last few years ?

The biggest freemasons, thieves and terrorists on earth are the Rothschilds, Rockefellers and the 13 Families.

Who are the representatives of these devil groups in Turkey?

Who are the leading representatives of the Freemasons, thieves and terrorists, who have turned the **Turkish economy into a fire in the last 200 years, in 2022 ?**

Freemason, thief and terrorist leaders **organized by the David Rockefeller Group** to destroy the **People's Alliance (AK Party, MHP, BBP) in the 2023 elections :**

TÜSİAD, Koç Holding , Rahmi Koç, Ömer Koç, Ali Koç, Meral Akşener (Turkish Hillary Clinton), Kemal Kılıçdaroğlu, Temel Karamollaoğlu, Ali Babacan, Ahmet Davutoğlu, Gültekin Uysal, Selahattin Demirtaş, Pervin Buldan, Mithat Sancar, Ümit Özdağ, Ekrem İmamoğlu, Mansur Yavaş, Fethi Yaşar…. …. …. …. (Most of them are enemies of humanity who hide their real identity and use Turkish identity).

Let's get to know the terroist and thief Presidental candidates who aspire to rule Turkey in 2023.

Kemal Kılıçdaroğlu = Sidikli Kemal, Meral Akşener =Turkish Hillary Clinton, Ekrem İmamoğlu = III.Makarios, Mansur Yavaş = Abdullah Öcalan

Humanity should support leaders such as **Donald J Trump, Vladimir Putin and Recep Tayyip Erdoğan** in order to get rid of the high price increases and economic slavery it has experienced in 2020-2022.

Humanity should support all world leaders supported **by Donald J Trump, Vladimir Putin and Recep Tayyip Erdoğan** in order to get rid of the high price increases and economic slavery **it has experienced in 2020-2022.**

Recep Tayyip Erdoğan is a very respected statesman and son of Adam and Eve, who has won 15 elections in the last two decades and **saved the lives of millions of Christians, Muslims and innocent people.**

Humanity should be very vigilant against **Jewish demons like Enes Kanter Freedom, a basketball player** who tries to trample statesmen like **Recep Tayyip Erdoğan under their feet.**

How many elections has **basketball player Enes Kanter Freedom** won **in his life ?**

Humanity and the American public should be very wary of Jewish dictatorial celebrities who are enemies of democracy and freedom, **such as basketball player Enes Kanter Freedom.**

People should protect their children **against such puppets that poison the youth of the world.**

As we prepare for the June 2023 Presidential elections, **we invite the Turkish people to support our President Recep Tayyip Erdoğan.**

Political views do not make people **wealthy, peaceful and secure.**

If political views made people wealthy, peaceful and secure, **humanity would have no problems.**

The political opinion in the world **is eight billion but the correct one.**

The wealth, peace and security of the Turkish people depends **on having leaders and guides with a perfect worldview.**

There are 85 million political views and options in Turkey.

But the right leader and choice is Recep Tayyip Erdoğan.

Life is a test, and a test is the art of choosing the right option.

We invite the Turkish people **to choose the right option - Recep Tayyip Erdoğan - in the 2023 Presidential** exam and elections.

God says in Surah Zumer, verse 9, **"Are those who know and those who do not know the same ? "**

We invite the Turkish people to "be among those who know" in the 2023 Presidential Elections.

In the devil's politics, ignorance, division and fragmentation are essential. Knowing, being one and united is essential **in the politics of faith.**

In the 2023 Presidential Elections, we invite the Turkish people **to come together around Recep Tayyip Erdoğan and to be united.**

As our ancestors said, "Let's be one, let's be alive, let's be big".

Let's smash the heads of excessive price increases, inflation, poverty and thieves, let's get rich.

Let's be those who know, let's invite those who don't know to know.

My Dear One's

85 million Turkish citizens are about to stand up **to save the world economy from the Devils.**
The marches to liberate and awaken humanity will begin in every city of Turkey very soon.
We invite all countries and cities of the world to protest against Zionism, Judaism and Imperialism.

My Dear One's

As you have witnessed very closely, the events of the End Times are progressing **in a very healthy way in their trajectory determined by destiny.**

Meeting you is very close
This heart loves you all
God bless you all
With my Love and Respect

On behalf of all humanity, **we congratulate the young people of New Zealand, who started to protest Central Banks and Interest Systems**, in front of the Central Bank of New Zealand, **and greet them with our most heartfelt feelings.** (Follow the related videos)

On behalf of all humanity, **we congratulate and salute the truck drivers** protesting in the name of freedom against the vaccination-looking poisoning and genocide impositions that **started in Canada and continue in the USA.**

We call on Canadian, US **and world truckers to protest** Central Banks and Interest Systems worldwide.

Truckers are the first to become **unemployed and suffer the most in economic crises.**

Zionism has stolen **750 trillion USD** of humanity in just the last ten years (2010-2021). The target of the amount of money that Zionism will steal from humanity in the next ten years (2022-2032) is **1200-1500 Trillion USD.**

We invite humanity to put an end to this theft that has been going on for millennia. We call on churches, mosques, families, young people and truckers **to protest central banks and interest systems worldwide.**

No to War words are good but hollow words. The fight against imperialism cannot be won with empty words. The fight against imperialism is won with heartfelt words and worldwide actions.

As Churches and Mosques : How can we explain the realities of the world to the people on the street **in 2022 in the best and fastest way ?**

This should be the primary goal of **scholars, intellectuals and researchers** trying to awaken humanity in 2022.

The best and fastest way to awaken humanity is **to protest Central Banks and Interest worldwide.**

Young people : don't ask your parents for a lot of money. Do not argue, shout or fight with your parents and elders about money.

Because the pocket money you deserve is not in your family, **but in the Central Banks of your country.**

You young people **have a lot of work to do to nationalize** the Central Banks and end the interest.

The ability of young people **to have regular and sufficient incomes** depends **on their knowledge** of world finance realities. Young people want to earn a lot of money by working hard.

The most important question that young people should ask themselves should be "How can I earn the most money". **Money is earned not by asking, but by knowing.**

How to earn the most money? This is the most important question that will **attract the attention of all humanity.** This question is also the one that best describes the spirit of Satan and the Jew.

Those who want to earn a lot of money **have to know Satan and the Jew very well.** Because Satan and the Jews are ahead of the people, and he has **blocked all the ways** to those who come from behind.

Those who want to earn a lot of money **must know the last 7000 years of human history very well.**

If you want to know people **who will lose a lot of money**, get to know people **who want to make a lot of money.**

You can learn about the last 7000 years of human history **in the best churches and mosques.**

The best teachers are not businessmen but scholars and preachers.

To know the last 7000 years of human history **is to know the history of the universe.**

High schools and universities don't teach you anything. Everything you gain today with what you learned in high school and universities, **you will lose tomorrow.**

The pinnacle of making a lot of money is making newsprint money. Then it is to establish Central banks and the banking system. **It is then to sell the money at interest to people, organizations and governments.**

The Rothschilds were the first to reach this goal in the 1770s. The Rothschilds gave **1000 gold to** industrialists and employers after the **1770s and asked for 1010 gold back a year later.**

The Rothschilds took control of all industrialists and employers in Europe with an annual interest of **1% and became the owner of all the industrial facilities it lent.**

After the 1770s, the Rothschilds began to take over the **world's finance, industry and trade.**

After printing money, the biggest way of making money is industry and commerce. In industry and commerce, the most money **is made by selling oil, natural gas and products.**

The value of oil and its products was first understood **by the Rockefellers in the USA in the 1850s, and the Rothschilds in Europe.**

After 1900, Baku and Middle East oil made the region the center of world politics.

The Rothschilds became the owners of Russian oil and natural gas with the 1917 revolution. **The main purpose** of the 1 October 1917 communist revolution was **to have oil and natural gas deposits in Russia.**

The Ottoman Empire had 54% of the oil detected in the world in the 1900s. **The Rothschilds destroyed the Ottoman state in 1918 and established 22 states in its place.**

The Rothschilds, who conquered Europe, Russia and the Middle East in the early 1900s, took over Canada, South America, Africa, India, China, Japan and Australia and **became the relative owners of the world planet.**

In the last 250 years, the Rothschilds have always been 85%-15% superior to the Rockefellers. In the last 250 years, the Rockefellers' biggest gain on earth has been the USA. **USA is a Rockefeller country. USA = Rockefeller.**

American citizens are citizens and soldiers of the Rockefeller family, not the United States.

The rest of the world are citizens and soldiers **of the Rothschilds.**

The first world war is the Rothschilds' war to conquer **Europe, Africa and the Middle East.**

Rockefeller tried to stop this invasion **by involving the US army in the first world war.**

The second world war is the Rothschilds' war to take over the world. **Rockefeller tried to stop** this second invasion **by involving the US army in the second world war.**

After 1945, **all the wars in the world are Rockefeller's war** to seize the oil and natural gas resources of the Rothschilds.

After 1950, Korea, Vietnam, Afghanistan, Iran-Iraq, 1990-2003 Iraq-invasion, Middle East, Africa, South America wars and coups **are all Rockefeller's attacks on Rothschilds.**

February 24, 2022 The Russia-Ukraine war is Rockefeller's war for possession of Russian oil, gas fields and markets.

Ukraine - the Caspian region - has been the **homeland of the Rothschilds since the 700s. The Rothschilds are Khazar Jews.**

Rockefeller's aim **is to destroy the Rothschilds** primarily in their homeland by taking Ukraine.

February 24, 2022 soldiers and people who died in the Russia-Ukraine war die neither for Russia nor for Ukraine. Russians and Ukrainians are dying to take the **Russian oil and gas wealth from the Rothschilds and hand it over to Rockefeller.**

To seize the oil and natural gas market in Europe, Germany, Turkey is the primary policy of the Rockefellers.

At the end of the 2022 Russia-Ukraine war**, Europe and Turkey, the world's largest natural gas market,** will start to buy gas from Rockefeller. Rothschilds will be removed from the European and Turkish market.

Rockefeller's goals and dreams:

i) To destroy the Rothschilds in the oil and natural gas sector, especially in Asia and the Middle East,

ii) Forcing countries to make **Bitcoin and Cryptocurrencies** customers for oil and gas payments,

iii) Applying the same strategy to all economy products,

iv) To make all humanity customers of Bitcoin and Cryptocurrencies,

v) Destroying the Rothschilds paper money empire **by adding a large number of zeros to the right of the money** in the bank accounts at the computer,

vi) To enslave humanity forever.

In the wars of the Rothschilds and Rockefellers, there is no place and no pity for people. In wars between Zionism itself, people are free soldiers. Rothschilds and Rockefellers never die in these wars.

The winner is always the Rothschilds and Rockefellers.

The wars between the Rothschilds and Rockefellers are of no concern to us as humans.

By 2022, as always, people are soldiers and slaves who die for free for the Rockefellers and Rothschilds.

The 2022 Russia-Ukraine war is Vladimir Putin's "enough is enough" war.

2022 Russia-Ukraine war is the war of Vladimir Putin: **"We humans are not free soldiers and slaves of Rockefellers and Rothschilds".**

The 2022 Russia-Ukraine war is **Vladimir Putin's war to get rid of the Rothschilds and Rockefellers, whatever the cost.**

Putin and his administration declare to the whole world that they do not want Rothschilds and Rockefellers capital in Russia in any way.

The 2022 Russia-Ukraine war is Vladimir Putin's **message to all humanity to wake up and stand up.**

We all know and see that this message is a very expensive physical and spiritual message.

We pray for our Ukrainian brothers to see the realities of the world and fight Zionism.

The Russia-Ukraine war is a sibling rivalry. Sibling rivalry is of no use to anyone on earth.

We support any effort by Russia and Vladimir Putin to smash the heads of the Rockefellers and Rothschilds.

We invite all humanity to crush the heads of the Rothschilds and Rockefellers and destroy them on earth.

As of 2022, this is the big picture summary of the last 250 years of world history.

The duty of humanity is to wake up and stand up.

If humanity **does not wake up and stand up in 2022**, it will see wars like Russia-Ukraine all over the world in their own countries.

NEW FINANCIAL SYSTEM IN THE WORLD
(1)

What is the financial system to be established in the world ?

The financial system that will be established in the world **is an honest ,transparent** financial and economic system without Interest Rothschilds, Rockefellers, Jews and 13 Families.

Nesara, Gesara, Reset, Event, GFS (Quantum Financial System) and similar names are the definitions expressing **this great nationalization and seizure.**

Planet Earth is an economy making $85.0 Trillion per year (2020).

All of this money belongs to the Rothschilds, Rockefeller and 13 Families.

The world economy has an annual growth capacity of 5-25%. Between 2022 and 2032, the world economy will earn a total of **1.2-1.5 quadrillion USD (1200-1500 billion USD).**

All of this money will go into the coffers of the Rothschilds, Rockefeller and 13 Families.

It is reasonable for people to calculate how much money they have lost, especially in the last 250 years.

For the last 7000 years, people's share of world economy income has been zero.

How much do people think about the **future of cows, sheep, pigs, chickens, geese, fish living on farms?**

The same point of view applies to the Jews. For the Rothschilds, Rockefellers and the 13 Families, **planet earth is a farm and people are sheep and cattle.**

What are the chances of cows, sheep, pigs, chickens, geese or fish living on world farms to capture and own an economy of **85 Trillion USD per year?**

How much money do cows, sheep, pigs, chickens, geese or fish have on world farms?

The same picture applies to humanity.

Where does the money earned on planet Earth go? Earth is a planet in the

Milky Way galaxy, **belonging to the Draconian and Reptilian races. Humanity is the slave of these races.**

All of the money earned **on planet Earth is used for the ongoing military bases and various investments** of the Draconian and Reptilian races in the galaxies.

Planets are the shops and factories of the dominant races.

Countless planets within the galaxies are the source of **income for the dominant races.**

Earth is one of these planets. The average world income between **2010 and 2020 is 75.0 Trillion USD.**

Income for 2022 has been determined as 100.0 Trillion USD.

The reason for the astronomical price increases and inflation in the world in 2022 is related to the budget calculations of the Draconian and Reptilian breeds.

Because the world economy belongs to these races.

Everyone has to pay the prices set and raised. **No one asks the opinion of cows, sheep, pigs, chickens, geese or fish living on farms.**

NEW FINANCIAL SYSTEM IN THE WORLD

How do states and their presidents stop inflation and price increases?

In order to stop inflation and price increases in the world, **it is necessary to enact Anti-Interest Laws and nationalize the Central Banks.**

The realization of these revolutions depends on the citizens' **support to their presidents until the end.**

You own a shop or factory in the world.

Your neighbor and competitor makes **85.0 Trillion USD annually.**

Question : What are your chances of surviving as a business?

Question : What are your chances of surviving as a state and government ?

Answer: It is zero.

Only responsible people, heads of state and governments within 8 billion can understand this fact.

People who watch television 24/7 a day and earn 300 USD per month do not have the right to expect 85.0 trillion USD **annually from their heads of state.**

Leaders such as Donald J Trump, Vladimir Putin, Recep Tayyip Erdoğan are people **who carry a basket of eggs on their backs.**

Honest leaders cannot act quickly against Zionism.

7000 years of Zionism have made the Jews possess very powerful economic, social, cultural, political and military capabilities **that will easily overthrow any government in the world.**

Citizens are obliged to be vigilant and share the eggs (weight) that their president carries on his back.

People cannot become rich and powerful by watching television 24/7.

Question : Where are 10 million Ukrainians going in 2022 **?**

Answer : To another country where they can watch television 24/7

Question : Where will 7.5 billion people go in World War 3 **?**

Answer : To another country where they can watch television 24/7

If you do not learn the way of churches and mosques, you will learn the way of border gates.

NEW FINANCIAL SYSTEM IN THE WORLD

The easiest way to overthrow a government on earth is to lower the value of national currencies by buying USD and Euro.

As national currencies lose value, citizens try to protect the value of their money by buying USD and Euro. Citizens' **purchases of USD and EURO reduce the value of national currencies even more.**

It locks up the economy and puts heads of state and governments in very difficult situations.

Citizens shoot their governments in the foot by buying USD and EURO.

63% of 2021 Turkish Banks deposits are USD and Euro. USD, which was 3.5 TL in January 2017, is 15.0 TL in March 2022.

USD, which was 3.5 TL in January 2017, is 15.0 TL in March 2022.

A Turkish citizen with 1 million USD money in 2017 = 3.5 million TL owner. = 13.400 Tons of Wheat (1 Ton of Wheat = 261 USD 12.7.2017)

Turkish citizen with 1 million USD in 2022 = owns 15 million TL. = 43,300 Tons of Wheat (1 Ton of Wheat = 347 USD 24.3.2022)

43.300 -13.400 = 29.900 Tons of wheat.

What did the citizen do in a five-year period so that he became the owner of 29,900 tons of wheat?

If the USD, which is 15.0 TL in 2022, decreases to 1.0 TL, the foreign currency accounts of the citizens will be paid over the WHEAT TONS PRICE.

MONEY'S VALUE IN THE WORLD IS WHEAT NOT GOLD.

WHEAT PRICES HAVE NEVER CHANGED FOR 7000 YEARS.

NEW FINANCIAL SYSTEM IN THE WORLD
(4)

What does 1 USD = 121.7 Japanese Yen, 6.36 Chinese Yuan, 76.4 Indian Rupee, 100.0 Argentine Peso, 20.2 Mexico Peso etc.

The financial system that Zionism has established on earth has two bases **: strong money and weak money.** These two bases create a magnetic field like the north-south poles of the earth. This system attracts and binds all the economic assets in the world to itself, **just like a magnet attracts iron.**

i) For example, what is 1 USD = 10.0 X Currency?

If a US dollar = 10.0X, it means that the US state and nation: 1.0 is selling, 10.0 is buying.

In other words, it means earning 1.0 and spending 10.0. **It means a family earns 1,000 USD and spends 10,000 USD per month.**

This equals bankruptcy.

The fact that countries have strong currencies is not something to be proud of.

Question: How will the US state and nation pay their debts?

Answer: By giving the states of California, Texas, Alaska, Florida, and Hawaii to China.

This table in 2022 is the same for all countries in the world. If humanity is not careful and vigilant, it will give the planet earth for its debts, but it will not be able to pay off its debts. **In Zionist financial systems, the more people gain, the more they lose.**

ii) For example, what is 1 USD = 10.0 X Currency?

The basis of the economy and trade is exchange. You give 1 liter of milk, you get 1 kg of wheat. **That is what is fair.**

In the Zionist financial systems, you give 1 liter of milk and you get 1,10,100,10,000 kg etc. of wheat.

This shopping takes you from the merchant class and puts you in the thief class. You lose all your credibility without even knowing it.

Losing your reputation means going bankrupt, looking for a house to rent, and becoming a slave.

A sneaker that comes to the USA from the Far East for 10-20 USD is sold for 100-200 USD. This trade kills the US economy and industry.

US citizens are unemployed and constantly in debt. A machine or automobile imported for 10-30,000 USD likewise makes the USA highly indebted.

What will the US do in the new financial system ?

In the new financial system, the **US dollar will devalue 1000%.**

This means : The price of a sneaker coming from the **Far East will increase to 100-200 USD.**

This means a complete cessation of imports, the work of the US industry and the end of borrowing.

This is what will happen in 2022 or very soon.

The readjustment of the value of money is a necessity for all countries in the world with strong currencies.

Otherwise, the bankruptcy of countries, poverty and social explosions will come.

NEW FINANCIAL SYSTEM IN THE WORLD
THE NEW NAME OF INTEREST = CRYPTO MONEY
STAY AWAY FROM ALL CRYPTOCURRENCIES
(5)

The most important economic fact that humanity should pay attention to in 2022 is that the name of interest has changed.

The new name of interest is Crypto Money.

Rockefeller's goal is to collect the money of 8 billion people in their banks with cryptocurrency (interest) fishing rods.

Rockefeller wants to destroy his misfortune of owning the world financial system that he lost 250 years ago with **New Interest = Cryptocurrency.**

In 1770, Amschel Mayer Rothschild managed to collect all the money in the world in a single center **by selling 1000 gold at 1.0% interest.**

Rockefeller is more generous than the Rothschilds in terms of interest.

It tries to look cute to 8 billion people by giving one thousand to one, ten thousand to one, etc**. to the first ten million people.**

Humanity needs to be very careful about the **Rothschild's gold games in 2022.**

Gold, which was **30 USD per ounce in 1970s, is 2000 USD in 2022.**

Here, the target is to sell one kilo of gold = 8 billion kilos of gold per capita, including in the states.

1.0 kg of gold = 70,000 USD

The target is 550-600 Trillion USD revenue.

The amount of 99.99% gold bullion on planet Earth is 100 Billion tons. (5-5.5 KM3)

8-10 million tons of gold sales are trades that return after a year or two in Galactic scales.

Times like 50-100 years for humans are 1-2 years for Galactic races.

When 600 Trillion USD gold sales are reached, the ounce price of gold will be reduced to 0-10 USD.

8 billion kilos of gold will be bought back and stored by spending 1-3 Trillion USD.

The expected profit of gold holders from this trade is approximately 600 Trillion USD.

It is claimed among the people that the price of gold ounce will reach 5000 USD. People need to be careful for gold, **which will be 0-10 USD an ounce.**

It is announced to world and Turkish citizens who buy gold by taking loans from banks.

NEW FINANCIAL SYSTEM IN THE WORLD
THE NEW NAME OF INTEREST = CRYPTO MONEY
STAY AWAY FROM ALL CRYPTOCURRENCIES
(6)

What will the new financial system look like in 2022 and beyond?

1) The basis of the economic system that has dominated the world for 7000 years **is secrecy, informality and black money**. The reason for this is not giving people the money **they deserve, exploiting and enslaving them**.

The new financial system **will be completely transparent and honest.**

2) The four classes of businessmen, civil servants, workers and retirees who make money in the new financial system **will bill for every penny they earn.**

3) All income earners will pay 20% tax and receive 10% tax refund.

4) No refunds will be made to cryptocurrencies.

5) All currencies will be national. The Rothschilds and Rockefellers have been destroyed.

6) All national currencies are strong and respected.

Money is simply making a promise and keeping your word.

Making a promise and not keeping it is dishonesty.

The economy is like a restaurant. Printing money is like cooking.

For chicken broth soup for 4 people, you need **1 kg of chicken and 1-2 liters** of water. You cannot have 11 kg chicken broth soup by adding **10 liters of water** to your soup. You cannot have **101 kg chicken broth** soup by adding **100 liters of water to your soup.**

If you make soup like this as a restaurant, you will sink.

Printing money for free is like putting 10-100 liters of water in 2 kg of soup.

Printing free money (unbalanced) is fraud.

Weak national currencies have no chance of being worthless and invalid.

Because the Rothschilds have bankrupted you by pouring **10-100 liters of water into your 4-person soups** that you have been making for 250 years.

The countries of the world will make their soup with 1 kg of chicken and 1-2 liters of water, **and they will have very rich economies and national currencies.**

National currencies have managed **to run the country's economies very well** despite the biggest threats and attacks for 250 years.

The biggest obstacle in front of weak national currencies **is constant depreciation and difficulties in using them in imports and exports.**

With the abolition of interest, the depreciation of national currencies was prevented.

The world economy is based on two fundamentals, **national and international.**

We can compare the world economy to a family consisting of children, young people, parents, the elderly and scholars.

Children and teenagers cannot use their parents' money, bank accounts and title deeds.

Let's compare children and young people to countries. Children and young people continue their lives without any problems **with their pocket money.**

If children and young people **want to buy a car abroad**, parents, elders and scholars come into play.

Central Banks are the counterparts of parents, elders and scholars in the economy.

Central Banks are the brain of an economy.

Central Banks are the largest and most powerful payment institutions.

Parents, elders, scholars import the automobile and bring it into the country. For this purchase they **pay the seller in gold, silver, copper, iron, wheat, corn, tea, cocoa, coffee, etc.**

Family elders sell the car and **collect the money from the young people.**

The family elders buy gold, silver, copper, iron, wheat, corn, tea, cocoa, coffee, etc. **from their citizens with the same money and replace them.**

Young people cannot buy cars by **printing counterfeit money.**

The Central Bank recognizes and does not accept counterfeit money.

The Central Bank takes the car money from the young people, **but cannot replace them with bicycles.**

This is how a real solid and healthy economy works.

WHAT IS THE END OF THE END TIME ?
WHAT IS THE PURPOSE OF THE END TIME ?
(1)

When will the End Times, which has been going on for 7000 years in the cosmic calendar and on planet earth, end ?

The end of the End Times is briefly : **the destruction of** the Zionist Jewish Central Banks and the Interest Systems on Earth.

This destruction is also a human revolution and earthquake. It is a fact that this great revolution and earthquake **will have many great aftershocks and tsunamis.**

It is another fact that these **aftershocks and tsunamis will destroy and annihilate** all the evil open and secret organizations on earth, especially the Vatican, Jews, Israel, Rothschilds, Rockefellers, 13 Family and Freemasonry.

The common view of the galactic races is that **Earth is the worst planet in the universe.** This finding is correct. Because human Jews mostly live on this planet.

What compels the galactic races to this view is their inability to properly **understand the complex earth equations.**

The power of the universe is not enough to understand the ongoing good-evil fight on planet earth.

The galactic races believe that it is impossible **for humanity to resist this great evil siege that has been going on for 7000 years.**

Planet Earth is a small model of the Universe. The good-evil fight that exists on planet Earth is also experienced in the entire universe.

The universe, just like planet earth, is full of Zionist central banks and interest systems, Jews, Israelis, Rothschilds, Rockefellers, 13 Families, Freemasons and evil secret organizations.

The universe is predominantly dominated by imperialist races.

The universe is the slave, colony and farm of evil races just like planet earth and humanity.

Earth is also the best planet in the universe.

Planet Earth is God's most precious school and university.

God teaches the whole universe how to become free and independent spirits by breaking the biggest sieges with planet earth.

All the children of Adam and Eve, who work on earth with great responsibility, especially **in churches and mosques, are the teachers and guides of not only humanity but the entire universe.**

Planet Earth and its wisdom are God's gospel of salvation, freedom and independence for the universe.

WHAT IS THE END OF THE END TIME ?
WHAT IS THE PURPOSE OF THE END TIME ?
(2)

What is the greatest wealth and power for mankind ?

The greatest wealth and power for human beings is **to have a perfect worldview.**

The shortest distance between two points is called **a line.**

If you do not have the perfect worldview and mentality, **at least 360** different ways are waiting for you to reach your goal. **180 of these roads lead you to the destination**, even if it is difficult. **The other 180 take you away** from the target every day. You disappear over time.

The most perfect world view for humanity and all races in the universe **is to know God, his prophets, books and laws properly.**

Just as the physical world has laws, mathematics and equations, **the spiritual world has laws, mathematics and equations.**

Physical science is asking questions and learning the answer in the most accurate way.

Spiritual science, on the other hand, is to be able to ask questions and to have the chance to learn the answer in the most correct way.

The biggest mistake people make is that they use calculators very well **when calculating wealth,** but they are **unaware of spiritual calculators.**

People who have no knowledge of physical sciences, laws, mathematics, equations and calculators in life **have zero chance of success.**

People who are unaware of spiritual sciences, laws, mathematics, equations and calculators in life **also have zero chance of success.**

As of 2022, this ignorance is the reason for the bewilderment and great fear experienced **in all** senior management **levels of the world.**

The most valuable schools of humanity and the universe are churches and mosques.

The greatest wealth of humanity and the universe are Christian and Muslim scholars, teachers and guides.

As creation, human beings and universe races have five basic needs. **These are food, shelter, health, education and transportation.**

The person whose five needs are met is the richest person. **There is no greater wealth for humanity than the possession of the five basic needs.** Human beings do not need to work for many years by enduring many physical and spiritual cruelties in order to become very rich.

It is enough for a person **to change his negative mindset and have a perfect worldview.** This change does not require a lot of work and a lot of money.

Changing one's negative mindset is the greatest wealth in the world that **can be obtained for free**. There is no greater trade and wealth than this in the universe and in the world.

Because when a person works for centuries and reaches the wealth he desires, **he will see that he will have nothing but a perfect world view.** The most important law that the perfect worldview **will teach people is to let them know themselves.**

Man is the greatest wealth and jewel of God on earth. **Seeking jewels and wealth other than one's own is not knowing God.**

Man's wealth is Satan's (Jew's) poverty. Satan's wealth depends on making people worthless.

The devil uses mind control techniques to make people worthless.

Mind control is the shrinking of the small mind.

Because **:** Human = To be deceived.

Mind control cannot do anything to the great mind.

The Rothschilds and Rockefellers poison people by encouraging Hollywood-style wealth, fashion, gold, diamonds, jewellery, big offices and big businesses. **The aim here is to destroy people's work, production, determination and power.**

People and young people are poisoned by Hollywood.

States, on the other hand, are poisoned and led astray by the Superpower tale.

SUPER POWER = SUPER VENOM = SUPER LIE

Three or five tanks, cannons, ships, planes, submarines, etc. are sufficient for the defense of the states.

"You are the Super Power. There is no one like you. You are the greatest. You rule the world."

If you believe his tales, the number of three to five tanks, cannons, ships, planes and submarines increases **to three to five million.** Rothschilds, Rockefellers, Jews and 13 Families become rich.

People and armies cannot find flour, bread, water and money to take them home. **This is the reason for** the economic, social, political, cultural and military troubles and destructions that people **have experienced in 2022.**

My Dear One's

We invite everyone who reaches these lines to the streets and squares to protest the central banks and interest systems around the world with their banners, **no central banks no war, no interest no war.**

Youth of the World, don't ask your parents for too much money. Take care of your 85 trillion USD annual money of you, your siblings and your parents.

Youth of the World, take to the streets and squares with your banners to reclaim your 85 Trillion USD and everything **that has been stolen from us for the last 7,000 years.**

We invite all humanity to the streets and squares to crush the heads of Zionism and Jews.

Humanity has the power to crush all kinds of evil under its feet like cockroaches.

My Precious One's

We are living the last hours and even the last minutes of the End Times.

After this time, it is up to you to achieve your dreams.

For me freedom and independence is you.

This Heart loves you all very much. God bless you all. See you soon.

Humanity and world politics are **obliged to understand and read correctly** the struggle of Russia in the Ukraine problem.

Communism and socialism, which dominated Russia on October 1, 1917, is the **greatest cruelty and destruction** in the history of humanity.

The Russian people are a people who have lived through communism, the greatest cruelty and economic exploitation in the history of humanity, **on behalf of all humanity.**

The invasion of Russia with communism is the beginning of the invasion of humanity with communism.

The invasion of Russia with communism **is a rehearsal and laboratory study** of the invasion of humanity by communism.

The Russian people paid the price that humanity would pay with the communist invasion first and foremost.

Mankind should see this truth very well. The collapse of the Berlin wall and the collapse of the USSR **is not the eradication of communism and socialism** from the face of the earth.

It is political communism that collapsed in these dates. **As of 2022, economic communism is active on earth with all its might.**

The task of the European Union - the Nazi Union - is not to threaten Russia and humanity with all kinds of sanctions, **but to pay compensation to Russia for the 1917 communist invasion.**

The European Union -the Nazi Union- will pay as compensation for the physical and moral damage it has caused to Russia and all humanity **for 105 years with the export of communism.**

King, queen, president, prime minister, minister, deputies, politicians, soldiers and generals, bankers and financial managers, industrialists, businessmen, senior managers and CEOs of the European Union, the USA and other countries, **who threaten Russia and Putin with sanctions :**

Know this very well.

We have all your bank accounts, money and title deeds.

The destruction of Russia and Vladimir Putin means the destruction and enslavement of humanity.

It is a duty of humanity to support Russia and Putin. **Anyone who says "I am human" is obliged to support Russia and Vladimir Putin.**

The physical and moral sanctions that Nazism inflicted on Russia in 2022 are sanctions against all humanity.

The Jews will use the same economic sanctions projects they have done to Russia **to collapse all world economies**.

Today, it is not the Russian economy that is in danger of collapse, **but the entire world economy.**

All humanity as the sons of Adam and Eve; We invite you to be vigilant, see the truth, stay away from liars, help and support Russia and Vladimir Putin.

ARE UKRAINIANS GOOD PEOPLE ?
WHO IS VOLODYMYR ZELENSKY ?

Are Ukrainians good people ? **Ukrainians are of course very nice people.**

It is not enough for countries to consist of good people, to establish a just, harmonious, high-prosperity, healthy social order.

If being a good person was a sufficient trait, **there would be no evil in the world.**

The two most important features of being a good person are **to have the morality of God and the prophets and the state account mentality.**

Without these two, people are left with nothing more than devil morality and ignorant account mentality.

If these two are not there, there is nothing more than the **morality of the devil and the mentality of ignorance.**

It is also a fact that the rate of all humanity seeing the truth is not higher than the rate of the Ukrainian people seeing the truth.

The success of world states, governments and peoples depends on their understanding of the slavery order, which is called the **New World Order**, which has been tried to be established on earth for 7000 years.

The Ukrainian people, like any other people, are **at the limit in understanding the truth properly.**

But very soon it will rise well above the world average.

Volodymyr Zelensky is a Jew.

Volodymyr Zelensky is a Jew who says **"We die for European values".**

The greatest disaster that can happen to a society in the 20th and 21st centuries **is to have a Jewish President.**

If the President of a country is Jewish, then the entire government is Jewish. A Jewish President on earth **is a great scourge to both his own country and neighboring countries.**

This lies at the root of the Russia and Ukraine problem we live in today.

For a Jew, there is only one country in the world and that is Israel. What a Jewish President calls my country and homeland is Israel, **not the country he lives in.**

Talking to a Jew, as everyone has witnessed, is the same **as talking to a wall and wood.**

If Volodymyr Zelensky had resigned and left within the last year, no one would have died in Russia and Ukraine in 2022, and **there would have been no human tragedy as in every war.**

The Ukrainian people elected a **marching wood named Volodymyr Zelensky** as President with 74% of the votes.

Volodymyr Zelensky's mission is to make Ukraine Israel. The first stage of this is to turn Ukraine into Palestine.

Volodymyr Zelensky is doing his duty and is very happy. **Volodymyr Zelensky is living the most special and beautiful days of his life**. Because all Jewish parents in the world tell their children **about Volodymyr Zelensky and show him as an example and a hero.** There is no higher authority for a Jew than this.

Volodymyr Zelensky grew up listening to the massacre stories of tens of thousands of cannibal Jews from his parents, **such as Karl Marx, Lenin and Leon Trocky.**

First of all, the Ukrainian people should know their enemy very well. **How can a people who don't know their enemy win a war?**

Ukrainian Army = mercenaries gathered by David Rockefellers and George Soros from all over the world is an army of terrorists **such as PKK, YPG, PYD, ISIS, Al Qaeda and the like.**

The Ukrainian government and army do not belong to the Ukrainian people. The Ukrainian government and army **is a Nazi army** owned **by David Rockefeller and George Soros.**

In this war, the Ukrainian people and soldiers **die in vain** not for their country, but for the Jews and Israel.

Whether the Ukrainian people win or lose this war, they **have nothing to gain in the end but slavery.**

It will be a very valuable gain for humanity if the Ukrainian people understand **that Russia and Vladimir Putin are their friends, not their enemies.**

Jewish media, lies and brainwashing techniques **make brother kill brother.**

It would be the right move for the future of humanity for Russia and Ukraine to **unite and crush the heads of all Jews in their countries.**

It is seen that the Ukrainian people have not learned any lessons from 105 years of **communism and socialism slavery** and have not done any research as a society.

After the collapse of the USSR in 1991, the Ukrainian people should have tried to smash the heads of the Jews, **just like Russia and Vladimir Putin.**

In 2022, Ukraine is one of the biggest centers in the world for all kinds of illegal investments such as women, children, people, drug trafficking, biological weapons (Covid etc.), terrorism, mafia, **which are the biggest income sources of Zionism and David Rockefeller.**

As such, the Ukrainian people and state pose a great threat to humanity.

The war between Russia and Ukraine is bad like any war. **Every evil opens the door to good.**

The 2022 Russia-Ukraine war will accelerate the awakening, awareness, research and international cooperation against Zionism and Judaism in every country.

Jews think of themselves as Himalayan mountains.

Jew(s) is an airplane made of coal gas.

The summary of the 2022 Russia-Ukraine war and **the message it gave to humanity and Jews should be read as :**

i) "We do not want Jewish rule on earth".

ii) The 2022 Russia Ukraine war is a small message about what price people will pay to wipe the Jews off the face of the earth.

iii) It is not possible to become a soldier and a president by singing, writing and being a buffoon on stage and on television **like Volodymyr Zelenskys.**

iv) Each country is obliged to seek out its own Volodymyr Zelenskys.

Who is Volodymyr Zelensky of the USA ?

The Volodymyr Zelensky of the USA **is Dr. Mehmet OZ.**

Dr. Mehmet OZ is a Jew, born in Istanbul, Turkey. Mehmet OZ is Turkish name. **Dr. Mehmet OZ is originally a democrat.**

He is drafted by the Rockefeller group as the Republican Party presidential nominee **to replace President Donald J TRUMP. It is a trojan horse within the Republican Party.**

Dr. Mehmet OZ is one of the most important spiritual leaders of Fetullah Gulen Movement-Fetullah Gulen Terrorist Organization **FETO, one of the largest terrorist organizations in the world and living in Pennsylvania.**

Clones of Jewish Dr. Mehmet OZ are being prepared these days. He will soon be killed and replaced by clones. Dr. Mehmet OZ will play the role of Canadian President and **Clone Justin Trudeau in the USA.**

Who are Turkey's Volodymyr Zelenskys ?

Bülent Ersoy, Zülfü Livaneli, Sezen Aksu, Tarkan, Cem Yılmaz, Şahan Gökbakar, Selda Bağcan, Atilla Taş, Türkan Şoray, Hülya Koçyiğit, Meral Akşener, Kadir İnanır, Fatih Terim and thousands of **cannibalistic Jews are on duty 24/7 to turn the world into Palestine and Auschwitz**.

The Rothschilds and Rockefeller dynasties **have toasted Russia and the Middle East** between Europe and China, especially in the last 100 years.

Making toast to Russia and the Middle East means toasting the whole world.

The states, governments and nations of the world **must cooperate to destroy** the economic, social, cultural, political, slavery, oppression **and sanctions of Zionism.**

Mankind should introduce the Satanic establishments, Rothschilds, Rockefellers, George Soros, Volodymyr Zelenskys, Jews and all their poodle collaborators, **which have been embedded in humanity for many years, to the world in the best way possible.**

Then he must crush their heads and destroy them.

Mankind today has more than enough power and opportunity to overcome this dark period.

Dear President Vladimir PUTIN

We wholeheartedly support your own and the great Russian people's long-standing struggle against the greatest enemies of humanity, Zionism, Judaism and Nazism.

The success of you and the great Russian people in this struggle **will be the success of all humanity.**

We pray to our Lord that these difficult times will be an opportunity **for people to see the truth and wake up.**

May God protect all the sons of Adam and Eve who work with great responsibility for the freedom and independence of humanity.

WHAT IS ECONOMY ?
1 TONS OF POTATOES ? 1 TONS OF GOLD ?

Put **1 ton of Potatoes** and **1 ton of Gold** in a hall.
Invite people into the hall one at a time.
Ask him to choose one of the two. **Say "Your choice is yours".**
On that day, **8 billion people** will have **8 billion tons of gold.**
The next day, **the price of 1 ton of potatoes will be 1 ton of gold.**
People buy 1 ton of potatoes, by giving 1 ton of gold.

Poverty is greed, not lack of money.

Life is Economy. Economy is Life.
Economics is the art of choosing the right. Life is the art of choosing the truth.
Economics is the art of making legal money, **but also of legal theft.**
Economics: i) Real ii) Fake (deception, fraud, theft) as a two-based art.
Real Economy: Offers you 1 to 1. You give 1, you get 1.
Fake Economy: Offers you 5-10-50-100... ... for 1. Your 1 disappears. You're left with offers of 5-10-50-100... ...
If you **cannot choose the truth** in the economy, you will definitely fall into the hands of fraudsters or thieves.
Choosing the fake base of the economy means **voluntarily surrendering your wealth to the enemy.**
Economy is being able to choose 1 ton of potatoes.
Economy is the ability of a person to choose 1 ton of potatoes **and show his maturity.**
Economy is always being prepared to be able to choose 1 ton of potatoes.
Because you can't eat a ton of Gold. You will starve.

You lose both **1 ton of potatoes and 1 ton of gold.** Your enemy will have both a ton of potatoes and a ton of gold.
It is not the devil who is very clever here, but the man who is very stupid.
Even if there is no devil, people will die of hunger and **1 ton of potatoes and 1 ton of gold will remain in the middle.**

The religion of God and his teachers are the most valuable guides in the universe who teach to choose the right and not to do wrong.

This is a brief summary of what has happened on planet earth in the last 7000 years.
Economy **is the air** that gives life to people. Economy **is the stuffiness that kills people.**
People choose between air and lack of air in the world of economy.
The reason why people drown in a waterless environment is that they **always choose the option of airlessness**.
Those who kill each other are the ones who choose **1 ton of gold.**
The one who dies **will die with zero tons of gold**, and the one who kills the other **will die with 2 tons of gold.**
Satan, who **finds 2 tons of gold**, will brag about his lack of sharp intelligence.
A person with a ton of potatoes is always richer and healthier than a person with a ton of gold.
Wealth is not having many things. Wealth is having the right worldview, mindset, and maturity.
The greatest wealth is Good Morals. The richest, most powerful and beautiful people are people with Good Morals.
The most beautiful and rich life is the simplest.
As ignorance rises, people's ornaments and luxuries increase.
As the quality of the soul decreases in humans, **the amount of gold and jewelery increases.**
Wealth is not about selling more goods than anyone else, buying goods, accumulating goods, **seeing large numbers on papers.**
The greatest wealth is to have **what you need.**
To have more than you need is **wasteful.**
Selling more goods than anyone else, trying to enslave people by capturing all markets and resources **is imperialism. Imperialism is simply theft.**

The dream and aim of the **Jewish Rothschilds and Rockefeller** families is to enslave all humanity and become the owner of planet earth after a 7000-year program.

To these cannibalistic families, the world is a farm, and humans are honeybees. People will produce honey forever, these families will both eat and sell honey.

For these cannibalistic families, the world is a farm, and humans are nothing but herds of cattle and sheep reared for their meat, milk, bones, skin, etc.

What are the Jewish Rothschilds and Rockefeller's biggest capitals in this journey?

The biggest capitals of these families are not central banks, money, interest, stock market, oil, natural gas, electricity, gold, silver, natural raw materials, automotive, electronics, computers, informatics, machinery, food, chemicals, medicine, agricultural technologies, etc.

The Jewish Rothschilds and Rockefeller's **biggest capital and wealth is Export and Import.**

Others are infrastructures prepared for export and import. All of the export and import revenues of all countries in the world, including the USA, Europe, China, Japan, Russia, India, Brazil and Turkey, go into the coffers of Jewish Rothschilds and Rockefellers.

The pinnacle of making money is imports and exports. Rothschilds and Rockefeller dynasties **worked for 6500 years to prepare these infrastructures.**

World exports and imports have gained momentum in the last 500 years and reached their current figures. For the Rothschilds and Rockefellers, **Export** is the most important weapon necessary to crush the competitors, and **Import**: to crush the national and local economies.

The world is like a shop and a factory. This shop sold 85 Trillion USD of goods in 2020, Rothschilds and Rockefellers earned 80 Trillion USD, while

the USA and other countries earned 5 trillion USD. The 5 Trillion USD that humanity is allowed to earn **is nothing but feed and barley poured in front of the cattle on the farm to be fed.**

This is the summary of 7000 years of economic history of humanity.

Every shop and factory complains about their competitors. Business people do not like their competitors and see them as their enemies rather than their competitors. National and local economies are the biggest rivals of the Rothschilds and Rockefellers. **The Rothschilds and Rockefellers hate national and domestic economies.**
Without the Protocols of Zion, all of the 85 Trillion USD (2020 annual income) would belong to humanity.

The Protocols of Zion are the 7000-1000-500-100-50-10-5-1 year plans prepared by the Rothschilds and Rockefellers dynasties to crush and destroy their rivals, national and local economies, and remain unrivaled.
Export and Import are the two biggest weapons of the Rothschilds and Rockefellers families to crush national and local economies. By controlling a country's exports, you prevent growth, you crush national and domestic economies with imports, and you do not make a rival for yourself.

Rothschilds and Rockefellers determine a coefficient of **SC=0.5** and similar for each country's economy in the world. **This is the Slavery Coefficient.** In short, you will always sell 100 and get 200. **For the 100 in between, you will be constantly in debt to Jewish Banks and you will be a slave,** which means you will never lift your head.
Two things are needed by the Rothschilds and Rockefellers in order to control the world economy unrivaled and to realize a great program such as the Protocols of Zion.
1) Manpower to control every country, city, street in the world on their behalf: **They are Jews.**
2) A country with a very large area and population that can do all of the production in the world on its own without the need for any other country.

Homework question: You are given planet Earth. You are asked to become sole owner and boss of planet Earth in 7000 years. What would you do to achieve this goal? What should you do?

Reply : 1) You will raise the Jews. **2)** You will prepare a country with a large area and population like China.

7000 years ago there were no Jews on earth. Judaism is a universal theft program. Judaism and Jews exist everywhere in the universe, including the **Milky Way Galaxy.** The Jews are not a people specific to the human race. There are Jews of all races in the universe.

A fact that is generally accepted in the entire universe, including the **Milky Way Galaxy**, is that **there are no creatures as disgusting and vile as human Jews** anywhere in the universe.

This fact is confirmed by the numerous reports of **neutral Galactic Federations.**

It is essential to know the history of the Milky Way Galaxy very well in order to understand the world history and today's politics in the best way.

Mankind has lived on the **9 planets of the constellation Lyra for 40 million years.** Humans are an exiled and enslaved race dispersed across the galaxy **in the war with the Draconians 600,000 years ago**. Planet Earth is one of the exile planets.

The politics we have lived in for the last seven thousand years, and especially in the 2000s, **is a continuation of the Galactic war 600,000 years ago.**

All of the people who speak in schools, universities, television and media without knowing the Milky Way Galaxy, True Religions, history and politics are empty talkers.

On behalf of all humanity, we express our heartfelt thanks, respect and love to our Galactic Federations, Galactic Families, Starseeds, Engineers, Guides, Light Workers, Light Warriors,Way Showers **who explain and teach the history and current politics of the Milky Way Galaxy to humanity.**

It is of great importance that people try to access the large number of information, documents, books, websites and resources that the Galactic Federations have told the **"Milky Way Galaxy History of Humanity" over the internet, especially in the last 25 years.**

Jews are the slaves and poodles on planet earth of the Draconian and Reptilian races living in the Orion and Rigel Constellations.

Jews are parasitic human communities that have lived on earth for 6750 years without a state, flag and history. During this time, the states of the world could not fully understand **what these parasitic human communities were,** where they came from, where they went, what their purpose was.

Judaism and Jews is a project. **Jews have no minds and no worldview.** Jews are the poorest flock of sheep on earth. They live in a herd mentality. The Jews are led by an organized higher mind called **the Group Mind.**

For 6750 years, **the Jews** have been prepared for the industrial revolution and beyond by burdening evil traits such as grudge, hatred, revenge, jealousy, envy, greed, ungratefulness and arrogance.

In the 1700s, they settled on all the points that could control every city and street of the world. After 1770s, they were tasked with the control of banking, interest, central banks and financial markets.

The Jews, who take the shape of every vessel like water, are placed at the nerve endings of all nations and states on earth.**Jews have confiscated all of the money, capital and wealth of national and local economies in the last 250 years**.

The money that humanity has earned in the last 250 years has become their debt, and the wealth of the Jews.

China is a colony of Rothschilds and Rockefellers. The Communist Party of China CCP is a Nazi organization.

The CCP should not deceive the Chinese people by pretending to be Chinese and speaking Chinese.

The task of the CCP of the Communist Party of China is to turn planet earth into Palestine by making false excuses within a century.

Just as Jewish Adolf Rothschild-Adolf Hitler-led the German people to World War II, the Chinese CCP is also preparing the Chinese people for World War III.
It is essential that the Chinese people understand and analyze the CCP and human history very well.

The Chinese people are of no importance to the CCP.

Only 10.5 million Germans died in the 1st and 2nd World Wars to enrich the Jews. After 2020 years, it is the turn of the **Chinese people to die to enrich the Jews.**

It is essential that Chinese rulers and people be very careful in their political choices, analyzes and decisions.
China is the biggest and latest project for Zionism's earth domination and humanity's enslavement. This preparation began to be visible in the world after the 1970s.

It is essential for humanity to read China and the Chinese project very well. The quietest in a society is the most dangerous.

In the last 7000 years, there is no state and nation on earth as introverted as China. China's **silence and pretending to be dead should not deceive humanity.**

China is a production monster planned to sell every product and **commodity costing 10 USD on earth for 1-2 USD.**

Economic laws and rules have no value for China. China under the CCP is also of no value to Humanity.

The task of China is to bankrupt all national and domestic economies in the world by selling every product and commodity with a cost of 10 USD on earth for 1-2 USD.

China is the largest project and slave of the Rothschilds and Rockefeller dynasties, which they have prepared for export for 7000 years. There is no national or domestic economy in which **Chinese exports have not failed in the last 40 years.**

The share of Chinese exports in the economic bankruptcies and destructions that humanity has experienced in the last 40 years is very large.

In the last 40 years, China has succeeded in doing the persecution and destruction of the Jews in the world economy **in 250 years.** Import is the biggest enemy of national and domestic economies. There is no national, domestic economy and family **that China has not destroyed with its exports.**

All humanity **is witness to the persecution and torture** that China has inflicted on Christian, Muslim, Hindu, Buddhist and innocent people**. China has zero respect for human rights, industry and intellectual property.**

China is not a benefactor who provides cheap goods to the world, but an economy monster **that drags humanity into slavery.** The Chinese

economy has been a coronavirus for humanity on earth for the last 40 years.

Exporting is not China's business.

The Chinese government should forget about exports.

The Chinese state should remove the concept of export from its economic life. The world does not need Chinese goods.

The world does not need a country like China led by the CCP.

China has been the biggest enemy of humanity for the last 40 years with its exports.

China has nothing to offer humanity with its exports.

The purpose of national economies is to meet the needs of their citizens. China **has more than enough power and resources** to meet the needs of its nation without exporting.

How many countries in the world have 1.4 billion customers ?

Is 1.4 billion customers not enough for Chinese business people and government executives ?

Why are Chinese business people and government officials **crashing down on world economies like locust swarms ?**

We can invite humanity to sue the Chinese CCP and its State for compensation for every firm that went bankrupt because of its exports in the last 40 years.

The world is too big for China, China is too small for the world.

Chinese exports are humanity's worst enemy. Import from China will be banned worldwide.

People **have a chance to buy** anything they buy from China at much closer countries and **at much better prices.**

The heaviest fines and prison sentences will be given to companies importing from China.

China has not lived by exporting **Trillion USD x Trillion USD for 7000 years.** After this date, China can live very happily as always without exporting.

The aim of China under the CCP is not to eat grapes, **but to beat the** vineyard. China cannot beat this vineyard. **China should know this very well and should never forget it.**

Doors invites all humanity to stop imports from China.

The Anti-Interest Economy System will be established all over the world in 2022. **No tax refund will be made** to any company importing from China.

Genghis Khan is the greatest terrorist ever seen in human history. The world has no tolerance for a second Mongol invasion and Genghis Khans like the CCP.

Every Prophet has a profession in which he earns his living. Moses is a shepherd, David is a blacksmith, Jesus is a carpenter, and Mohammed is a shepherd and merchant.

The first man and prophet Adam was a farmer. **The first man and prophet Adam was not a goldsmith and a jeweler.** No prophet's profession is gold working and jewellery.

Prophets **do not have gold jewelry, diamonds**, jewelery made of precious stones. Prophets do not wear crowns. Prophets **do not have crowns** made of **gold and jewels**.

Prophets cover their heads with a white veil or turban. **Prophets do not have thrones. No prophet in history has ever sat on the throne.**

Prophets sit on the ground in a circle with their companions. Sitting on the throne-high- is against **the principle of equality of humanity.**

Goldsmithing and jewellery are the professions of Satan and Judaism. The throne is the **seat of the devil.** Satan looks down on everyone. The Throne and the Crown are the symbols of the devil's leadership.

The basis of evil is inequality. Inequality and cruelty are Satan's justice.

Throne and crown are forbidden in God's religion. It is forbidden to hoard gold in God's laws. God's most precious jewel is man. **The most precious jewels of God are the races He has created in the universe.**

In God's laws, gold and silver are metals that must be used in trade and industry. People hoarding gold and silver in their homes for investment is the same **as hoarding iron, aluminum or calcium silicate (stone).**

A fully independent national economy is the right of every state and nation. It is the first duty of politicians to establish a fully independent national economy in the country.

It takes 10-25-50-70-100 years for people to own a workplace and production facility in their country. **It takes 1-2-5-7-10 months or years for these workplaces and production facilities to be destroyed by import and financial fraud.**

The greatest wealth and capital of a workplace, factory is its customers. In order to establish a fully independent national economy in countries, the greatest duty falls to the citizens.

A conscious citizen is everything for a fully independent national economy. To a slave economy and state, an ignorant citizen is a walking dump.

A fully independent national economy also means a fully independent and free citizen. A fully independent national economy means rich citizens who do not have debts and can easily pay their debts.

Consciousness and correct worldview are the greatest wealth for both citizens and states. Ignorance and wrong worldview are the greatest evil and **the greatest danger to both citizens and states.**

There are two accounts in the universe. **1.State Account 2.Ignorant Account**

State Account: He sees the whole picture. He has all the facts. He thinks about the state and the nation. Evaluates all possibilities. Weed out mistakes. **It makes the most accurate and healthy decisions.** The government does not act without thinking. He is responsible. **It is constructive and unifying.**

Ignorant Account: He does not see the big picture, he does not know. He does not read, does not research, is ignorant. What he knows is what he hears and dreams. It has no information infrastructure, library and scientific documents published. He is everything. **He says, "If I run the state, I will manage it better than anyone else".** He talks nonsense and lies without thinking. **He is vagrant. He is destructive and divisive.**

It is essential that every person speaks on the account of the state, expresses and offers ideas.

The state account is a very valuable and important measure for ordinary citizens to understand their true power.

If 330 million US citizens prefer 1.0 USD per day US goods :

If 330 million US citizens make one right decision for their state per day, 330 million correct decisions are made per day, 9.9 billion per month, 118 billion 800 million per year.

If 330 million US citizens make ten correct decisions for their state per day, 3.3 billion correct decisions per day, 99 billion per month, and 1.188 trillion correct decisions per year. In other words, a right-thinking US citizen has earned his country 330 million USD per day, 9.9 billion USD per month, 118.8 billion USD per year.

This calculation is called **consciousness or correct worldview.**

The value of a true worldview is the daily, monthly, and annual population of the **entire country multiplied.**

A correct worldview moves through society with an annual force of 118.8 Billion/USD even if the entire population is wrong. **The same measures apply to unconsciousness and wrong worldview.**

If 330 million U.S. citizens make one wrong decision for their state a day, it will make 330 million wrong decisions a day, 9.9 billion a month, 118 billion 800 million a year. In other words, a US citizen with an unconscious and wrong worldview will lose his country **330 million USD per day, 9.9 billion USD per month, 118.8 billion USD per year.**

In summary, your correct decisions are multiplied by the daily population of the country and written on your soul report.

Your wrong decisions are also multiplied by the daily population of the country and written on your soul report.
Every decision you make in your life, guided by your consciousness and worldview, is first multiplied **by the population of the world and then the population of the universe and recorded on your soul report.**

Talking in public, expressing opinions and proposing are actions that **require a great deal of responsibility.** Conversations should lead people to truth and goodness. **People should organize on social media and recommend national and local goods and shops to each other.**

If 330 million people choose a product that is not made in the USA or imported for 1 USD -10 USD in their daily shopping, **the daily loss to the US nation and state is 118.8 Billion USD -1.188 Trillion USD.**

Multiply these numbers by one, ten, twenty, forty, etc. years, and calculate how much the **USA lost and how much money the Rothschilds, Rockefellers and China made.**

If a US citizen buys 3 Chinese or imported shoes a year, 990 million shoe money is paid abroad per year. A shoe runs dozens of sectors, especially leather, fabric, polyester, rubber, paint, linen, cotton, packaging, mold, design, transportation, workmanship etc. US citizens who buy 3 imported shoes annually kill tens of US industry and service branches. **It makes China or other countries rich.**

This fact applies to every product and service purchased daily, seasonally, annually. **It is essential for US citizens to check** whether the goods they will buy are US-made before shopping and to choose with a State Account.

The biggest capital of Satan, Zionism, Jews, Rothschilds and Rockefellers are **people who shop without thinking.**

If 8 billion people become customers of Jews, Satan, Zionism, Rothschilds and Rockefellers every day, every hour, every minute, there is not much left for states to do.

Likewise, if people give priority to buying national and local products, **there is nothing** that Satan, Zionism, Rothschilds and Rockefellers **can do.**

This economic picture of the USA is the same in every country in the world.

Every country in the world is obliged to establish a national and domestic economy that does not import.

The greatest need of humanity is for every country **to have national and domestic economies without debt.**

A national and local economy is like the houses of states. The Jews, Rothschilds, Rockefellers, Freemasons and Importers **who control the economies are like thieves breaking into homes.**

People should always help the country's industry and economy by choosing national and local products, **and protect their homes against thieves.** The best national and local business people protect a country.

The economy certainly has two bases, namely imports and exports.

Imported goods should not be products ready for sale on the shelves, but **raw materials and services that will run the economy**. **It is not business to import products ready for sale on the shelves.**

Business people are those who produce goods and services sold on the shelves in their own workplaces and factories.

States and governments should put productive business people at the top. Those who import ready-made products should be put at the bottom.

It is very difficult to establish strong national and domestic economies, especially in developing countries. Because the quality of imported goods, no matter how high their prices, crushes national economies.

Because people like X-Y-Z etc countries goods and quality very much. X-Y-Z etc goods and quality are very good. That's true.

But what is the quality of you and me for our country? Do people like you and me?

Economics is a dual-based art and program. **i) For honest people :** It is an offer to gain money and property **ii) For thieves :** It is an offer to steal all earned money and property.

Adam is a farmer. Satan is a Thief. The Apple that Satan offered to Adam belonged to someone else. Prophets are also heads of state. **Adam and Eve lost their heads of state and started a new life as farmers in the world.** Every farmer can be an Adam, Eve and head of state. Every head of state can lose his office and return to the fields as a farmer to make a living.

Being deceived is the weakest part of man. Prophets are the most powerful people. If a Prophet like Adam and a head of state can be easily deceived, **the subject that humanity should pay the most attention to should be the brainwashing activities of Satan.**

Heads of State are the people who get the most offers. Most of the proposals that come before the Heads of State **are the traps and fishing lines of their enemies who seem to be friends.**

This is the message the first verses give to humanity and the galactic races.

Farming is a very difficult profession. An average of four seasons and one year are required for agricultural products to be ready for sale. This period is extended in natural disasters such as drought, flood, hail, landslide, hurricane, earthquake, etc.

At the end of a year, farmers obtain 1-5-10-20-50-100-500-100-1000 etc. tons of product.

For Satan, all of these products are his own property. The devil will sell these products and make money. For Satan, a fisherman is a person who owns fish without paying money.

If the fisherman can have a product without paying, Satan sees the farmers' products as seafood to be had without paying. **According to Satan, working for theft is more difficult and worthwhile than the work of farmers.**

Real Economy means "**change"** in one word. People meet all their needs by exchanging the products they produce in the fields and farms with each other. **Real Economy is the exchange of goods.**

Real Economy for honest people is commodity exchange and 1 to 1. 1 kg of Wheat=1 Lt of Milk = 1 kg of Corn=1kg of Potatoes=1kg of Tomatoes etc. 1-5-10-20-50-100-500-100-1000 tons etc. such as wheat, milk, corn, rice, potato, tomato, soybean, sunflower, cotton, flax, tobacco, cocoa, coffee, tea, hazelnut, peanut etc.

How can you have products without giving products or bartering ?

Answer: It is the establishment of Zionist, Jewish, Central Banks, banking, interest, paper money, foreign exchange and financial systems on earth. **In Zionist and Jewish financial systems,** you give newsprint (money), you get 1-5-10-20-50-100-500-100-1000 etc. tons of agricultural products for free.

The most preferred feature of trade is to buy a good at the cheapest and sell it for the most expensive. **The main task of the Protocols of Zion is to prepare this environment for trade.**

How can you sell **1-2-3 cents worth** of goods for 100-1000-10,000-100,000 .... and millions USD ?

The most important tool to achieve this goal is brainwashing activities. Brainwashing is the art of voluntarily using people as you wish. **These activities are also called mind control.**

The exploitation technique that Zionism and Judaism pays most attention to is trapping people with **their own consent. This work takes a very long time, but creates no side effects, reactions and criminal cases.**

How can you sell products and elements such as 1 kg of wheat, barley, corn, soya, iron, aluminum, carbon, nitrogen, oxygen, etc., **for 5-10-100-1000-10.000-100.000 and millions USD?**

Jewellery and gold, silver and diamonds (pure carbon), **valued at 1,2,3 cents**, are **7000 years of brainwashing investments of Zionism.**

Throughout history, **Jews have managed to sell gold, silver, diamonds and similar stones,** which are no different from iron and aluminum, **for millions, billions of USD.**

There is no difference between people hoarding gold, silver, diamonds in their homes and 0.25-0.5-1-5-10-50 kg **of iron, aluminum, glass, stone and wood.**

As people's soul quality decreases, the amount of gold and the love of jewelry rise.

The state of human quality and spirit at its lowest is when it is a slave and member of **Imperialism, Zionism, Judaism, and Freemasonry.**

The greatest need of people with low spiritual quality **is to be respected and admired.** There is no other type of energy that **takes the burden off a person as much as being respected and admired.**

God and his angels have no gold or jewels. Humans and races are the most precious jewels of God.

The highest quality of soul for humans and races **is to know God and to live according to his orders and prohibitions.**

As the consciousness of God, the only creator for humans and races increases, the love of gold and jewelery disappears. Man knows that a divine gold and jewel like himself does **not suit a man-made gold and jewellery.**

Imperialism, Zionism and Judaism know very well that humans and races **are the real gold and jewels that walk the earth.**

Imperialism, Zionism and Judaism **also know very well that** if they cannot **deceive people and races** with gold, diamonds, jewels (iron and glass), money and interest, **they will get zero share from the annual trade income of 85 Trillion USD.** If he cheats, people will get zero share. This is what has happened as of 2021.

Satan offers Adam the Apple and Eve the Diamond Set. Gold, silver, diamonds and similar **sets are big Jewish traps designed to destroy national, local economies and small businesses.**

Fashion is the Gold and Diamond of clothing. Fashion is the trap of selling 100-500 USD worth of clothing and ornaments for 10,000-30.000-50,000-100,000-150,000 ....USD.

Hollywood is a brainwashing machine that turns stones into gold and glass into diamonds. Hollywood is a city built to constantly advertise gold, diamonds and fashion.

1 kg Iron 0.700 USD - 1 kg Gold 59.000 USD (1,830 USD Ounce)

These figures **very well describe** the 7000 years of brainwashing activities of Zionism. **As the brains are washed, the essence inside disappears.**

The job of the Jewish Media and Hollywood is to brainwash people and sell metals worth 0.1-100 USD **per tonne for millions of dollars.**

Glasses with a cost of zero USD are sold to people in jewelery shops under the name of diamonds and precious stones. The ton prices of these glasses exceed **billions of dollars.**

The Jewelery industry is the pinnacle of the Fake Economy.

All of the gold and jewelery shops in the world are branches of Rothschilds and Rockefellers. **Rothschilds and Rockefellers are the owners of all gold, silver and jewelery in the world**. The sale of gold and jewelery is the Rothschilds and Rockefeller's **second largest revenue item after imports and exports.**

The biggest capital of the Central Banks is to collect the gold in the market by giving painted newsprint (money).

Central Banks owned by the Rothschilds do most of the gold sales on earth. All of the gold sales proceeds from Jewelery go into the Rothschilds' coffers. **The biggest reason for the secret war on earth is that the Rockefellers want to have gold treasures belonging to the Rothschilds.**

Rockefeller makes every military coup in the world. **The first thing Rockefeller will do after they overthrow the governments is to steal the gold from the Central Banks.**

The most magical places in the world are gold and jewelery shops. **People have to distance themselves from the lights and magic of these places. Gold and Jewelery shops are the gates and gardens of hell.**

Gold and Jewelery shops are Satan's brothels. Everyone should stay **away** from these places. **People should prefer jewelry that is not gold, platinum, silver, diamonds, etc.**

The best jewelery is imitation jewellery. Because all of the jewelry sold as real is fake and imitation. **The best jewelery and charms are between $50-$500.** Most of the jewelry made of natural stones, glasses, synthetic, polymeric stones, plastics, chrome-plated **metals is much better and of higher quality than gold, platinum, silver, diamond, etc. jewelry.**

When 8 billion people buy gold, platinum, silver and diamond sets, they have to calculate very well **how their shopping will end.**

People should do all their work according to the State Account. Rothschild's robberies, Rockefeller **coups and wars** never end in the countries of people who only think of themselves.

People should stop giving gold and diamonds on special occasions such as weddings, engagements, births and should prefer to give cash as gifts.

People should learn to prefer 1 Ton of Potatoes to 1 Ton of Gold.

Gold, platinum, silver, diamonds destroy the economy, the economy destroys the state.

HOW DO COUNTRIES PREVENT THE DEPRECIATION OF THEIR NATIONAL CURRENCIES? (1)

How do countries prevent the depreciation of national currencies against USD and EURO?

"I was buying **a Land Rover for 4 tons of Cocoa,"** an African farmer said. Now I give **20 tons of cocoa and I can't buy a Land Rover**." he said.

This complaint and revolt best describes inflation, devaluation and how a national currency depreciates.

USD and EURO are Rothschild's money, not the US and European people's money. USD and EURO is a foreign currency for the peoples of the USA and Europe.

The Rothschilds do not want to see strong national currencies other than a few currencies. Because it is very difficult to control more than 200 countries. **For this reason, they crush and control all national currencies except USD, EURO and a few similar currencies** with financial manipulations.

These manipulations are called inflation and devaluation.

Inflation is that the price of Land Rover, whose price is 4 tons of Cocoa, is 20 tons of Cocoa in one, three or five years, and **devaluation** is 20 tons of Cocoa overnight.

The purpose of trading is to make money. **The pinnacle of making money is to set the price of a commodity and sell it at the price you want.** This power is made possible by the establishment of the Protocols of Zion on earth. With this program, you always grow and **your competitor always shrinks.**

Inflation, devaluation and depreciation of national currencies are not natural economic causes. The depreciation of national currencies is because the Rothschilds and Rockefellers **have taken over every market where you can sell your goods.**

The only way to prevent the depreciation of national currencies is to smash the heads of the Rothschilds and Rockefellers and destroy these cannibals.

How can states and governments do this work of crushing and destroying?

The government agency is made up of five-year-olds like people. **These periods are children, youth, families, elders and scholars. Children, youth and families are insufficient for state management in a society.**

These classes are inexperienced and uninformed for government administration. Children and teenagers cannot use their parents' bank accounts and title deeds. The same fact applies to the government agency. **Children, youth and families cannot use the money and deeds of the elderly and scholars.**

The reason for the depreciation of national currencies is that citizens buy USD and EURO with their national currencies. The supply-demand principle works. How does a person who does not trust his own money expect his money **to be demanded and liked by others?**

USD, EURO and Gold are the currencies that should be kept in the account of the states. Citizens and industrialists buying USD, EURO and Gold is similar to how children and young people **use their parents' bank accounts.**

Children and young people using their parents' bank accounts puts the **family in a difficult and helpless situation.** How do governments prevent citizens and industrialists from buying USD, EURO and Gold?

The answer to this question is the establishment of the **Anti-Interest Economic System in the country.**

i) Pay a monthly tax of 20% to all producers and workers.

ii) Pay back the 20% tax paid to citizens who prefer State Banks within one week without any deductions.

iii) Do not give tax refunds to those who keep their money in USD, EURO and Gold accounts. All USD, EURO and Gold in the country will be transferred to state banks within one day. It is that simple.

iv) Do not refund taxes to importers of goods manufactured in the country. This measure ends unnecessary imports.

One of the most important reasons for the depreciation of national currencies is to earn 100 and spend 200.

You can prevent this extravagance by protecting national and local economies.

People should see and know this economic reality very well.

When 8 billion people invest their money in three economic values (USD, EURO, Gold) the prices of 10,000 (ten thousand) kinds of basic goods and services fly away.

People win three and lose 10,000 (ten thousand) on their USD, EURO and Gold investments.

World trade has been growing by 1-3 trillion USD annually for many years. The 2021 turnover is 85 Trillion USD.

The world trade target of Rothschilds and Rockefeller for 2022 is 100 Trillion USD.

In Anatolia, it is said, "You can't get married with someone else's stuff".

WHAT IS WEALTH?

Wealth: 1- Physical Wealth 2- Spiritual Wealth as a two-based concept.

1.Physical Wealth: There are three stages i) 0-100 ii) 100-100 iii) 100-200

i) 0-100 stage: It is a class in which people are constantly in debt. Being in debt and never ending debt **creates depression**. Depression is a state of **injury or decay of the soul.** In the event that the soul is injured and rotten, the determination **to fight and win weakens.** This stage is most visible in states. People stay away from this class as much as possible. But the debt of the state and the debt of the citizen are the same thing. **The citizen pays the debts of the debtor state.**

ii) 100-100 stage: This is the peak of wealth. The richest people and business people are in this class. **It is the stage where income meets expenses.**

iii) 100-200 : It is always under the threat of its enemies. This stage is responsible **for the debts of the 0-100 stage,** whether they know it or not. This stage is obliged to voluntarily share the responsibility of the **0-100 stage. The 100-200 stage usually prefers to disappear.**

2. Spiritual Wealth : Has two phases.

i) It is knowing God, his books and his prophets and living the moral values that God advises.

ii) To be able to prefer a ton of potatoes to a ton of gold.

Are the Rothschilds and Rockefellers rich? If the Rothschilds and Rockefellers are rich **:** Why are there **no portraits of Amschel Mayer Rothschild or David Rockefeller on USD and Euros for 250 years?**

What percentage of votes would the Rothschilds and Rockefellers get if they ran for direct elections in the USA and Europe? **Answer: It is zero.** Even **the dead in the grave** get more votes than the Rothschilds and Rockefellers.

The Rothschilds and Rockefellers **are not rich** because they sell a lot of goods and services. Rothschilds and Rockefellers are rich because **people always choose themselves.** If people know from whom to buy goods and services, **they do not create rich enemies for themselves.**

What is the greatest wealth? The greatest wealth is not being rich, but not making thieves rich.

GOLD IS GOLD, STUPID IS STUPID

WHY IS THE USD 18 TL IN TURKEY?

Why did TL 1.0 USD = 3.77 TL in January 2018 become 1.0 USD = 18.0 TL in December 2021?

All of the gold sold in Turkey belongs to Rothschilds. **All of the gold and jewelery shops in Turkey are Rothschild's dealers.**

The income of the quarter, half, Reşat, Cumhuriyet, etc. gold sold by the Central Bank of the Republic of Turkey enters into the safes of the Rothschilds, not the Turkish nation. **In Turkey, gold is sold in TL. (Turkish Lira)**

National currencies, including Turkish Lira, are of no use to the Rothschilds.

The Rothschilds **i)** constantly **ii)** periodically-buy USD from the market and exchange their money with strong currencies such as USD and EURO.

With the Rothschilds' huge demand for USD, the TL 1.0 USD = 3.77 TL in January 2018 became 1.0 USD =18.0 TL in December 2021.

i) As long as the Turkish people **continue to buy gold like they buy bread,** the price of USD will increase constantly.

There is no difference between people hoarding one or two kilograms of iron and aluminum in their homes and 1-2 kilograms of gold.

One kg of iron is 11 TL, 1 kg of gold is 1.0 million TL.

The difference is that of mind and intelligence.

ii) Turks, who use imported cars and mobile phones, **have no right to criticize Recep Tayyip Erdoğan and the AK Party because of the high dollar and inflation**.

ROTHSCHILDS AND ROCKEFELLER WARS IN TURKEY AND THE WORLD

All of the wars that humanity has witnessed **in the last 7000 years are the wars of the Rothschilds and Rockefeller dynasties**.

These two groups are rivals and sworn enemies of each other. **Their goal is to single-handedly** own planet earth at the end of time. It is very important for the states and nations **of the world to see and read this dilemma very well in order to establish healthy policies.**

These two dynasties started to become more known and visible with the industrial and financial revolutions after the 1700s. **The Rothschilds and Rockefeller dynasties established their own states and governments in every country.** These states and governments consist **of at least 200-300** families. The duties of these families are to seize the governments **from A to Z in the target country.**

In this war, the Rothschilds made a big difference to the Rockefeller dynasty by taking over the banking, money printing, central banks and interest **system after the 1770s.**

The Rothschilds have been 90/10% superior to Rockefeller for nearly 250 years. Rockefeller has been struggling for the last hundred years to end this great defeat with **Digital Money Bitcoin.**

Most of the computer, software, program and internet infrastructures in the world belong to Rockefeller. Many IT investments such as **IBM, Microsoft, Google, Twitter, Facebook, Youtube, etc are infrastructure preparations for Digital Money Bitcoin.**

Rockefeller dreams of ending paper money, the Rothschilds and **250 years of defeat with computing power and digital currencies.**

Especially in the last 250 years, **the aim of the Rothschilds and Rockefeller** wars is the war to have more countries, people and economy. **More countries, people and economies means more money.**

After the 1800s, the war between the two groups to share the world continued increasingly every year**. Political, economic and military coups in the world are mostly done by Rockefeller.**

Rockefeller tried to become **the owner of Turkey** with a military coup on 15 July 2016 and **an economic coup on 20 December 2021.** Rockefeller made a political coup to seize Kazakhstan on January 2, 2022.

Rockefeller has always remained true to the plan to own the world after the 3rd world war, which was prepared by the **Great Mason Albert Pike in the 1860s.**

The purpose of the 1st World War is to destroy the **Ottoman, Russian and Austro-Hungarian Empires** and to seize the **oil and mines of the Middle East and Russia.**

In the First World War, **Mustafa Kemal Atatürk was supported by the Rothschilds,** and the **Armenian Zionist Christian İsmet İnönü was supported by Rockefeller.** This war of support and sharing formed the basis of Turkish politics after 1918. Muslim Turk Mustafa Kemal Atatürk dealt a great blow to Rockefeller's Middle East, Russia, Africa and Asia targets. **Atatürk did not allow David Rockefeller to destroy and invade Turkey** with the help of Zionist Christian **Armenia** and Zionist Christian **Greece.**

Atatürk was poisoned and killed by David Rockerfeller. The Jews living in Turkey, who are Rockefeller's slaves and poodles, **hate Atatürk.** CHP Istanbul Provincial Chairman, the **Jewish terrorist code named Canan Kaftancıoğlu is one of them.**

The Jews, the slaves and poodles of the Rothschilds, **are in love with Atatürk.** Because they earn a lot of money by using Atatürk's identity card.

Israeli Mossad Agent Uğur Dündar, code-named Jew (Turkish Alex Jones), is the most well-known of these types of terrorists.

Rothschilds held the administration of Turkey **in 1920-1938 with Atatürk** and Rockefeller in **1938-1950 with İsmet İnönü.**

Rockerfeller lost Turkey in 1950. In the 1960 military coup, he executed Adnan Menderes and made **İsmet İnönü the Prime Minister**. In 1974, **Bülent Ecevit** and the Rothschilds dominated the administration.

Rockerfeller won Turkey again by making **Kenan Evren President with the 1980 military coup.** Rockerfeller killed the Muslim Turkish President **Turgut Özal** in 1993 and made the Jewish terrorist, whose code name was Süleyman **Demirel**, President, and took over the administration of Turkey again between **1993 and 2000.**

After Atatürk's death, the Rothschilds held the administration for a short time in **1974 under Bülent Ecevit's Prime Ministry.**

The Rothschilds made the Jewish terrorist, whose code name was **Ahmet Necdet Sezer, President in 2000,** and saved **Turkey from Rockefeller domination after many years.**

The Rothschilds have largely succeeded in liberating Turkey from the Rockefeller occupation in the last 22 years, with the enormous political and economic support they gave to the **Muslim Turkish leader Recep Tayyip Erdoğan and the AK Party in 2002.**

Germany is the country where the Rothschilds and Rockefeller wars were most severe in history. After the industrial revolution, Germany alone made the most industrial production. **Half of the German brands belong to Rothschilds and half to Rockefeller.**

The notorious Jewish hatred and hostility of **Jewish Adolf Hitler is real.** Adolf Hitler harbors a great grudge and hatred **towards Rockefeller and the Jews working for Rockefeller.** All of the Jews killed by Adolf Hitler in the Auschwitz concentration camp **are Rockefeller employees**. The claim that 6 million Jews were killed in World War II is the biggest lie ever told in human history.

Except for about 50,000 Jews, the people killed were all Rockefeller's engineers, workers, and their families.

This is the brief summary of the war of two groups that have been fighting for 7000 years to have the world and Turkey in the last 100 years.

The greatest wealth of the **Jew is man's ignorance.** The Jew is neither smart nor successful. **The awakening of humanity** is the destruction of Satan and the Jew.

The Rothschilds and Rockefeller wars in Turkey continue today with similar occupation programs in every country in the world, especially in the USA, Europe, China, Russia and Brazil.

It is essential that world leaders, politicians, researchers, citizens look at the country's history and current politics **through the eyes of Rothschilds and Rockefellers.**

Otherwise, **we have no chance to understand and explain the chaos environment in which humanity is in a very simple way.**

ROTHSCHILDS AND ROCKEFELLER WARS IN TURKEY AND THE WORLD

In 2022, the Rothschilds and Rockefeller's war to divide Turkey continues at full speed. In 2022, the Rothschilds are far superior to Rockefeller with their financial and political power and **own 90% of Turkey.**

Rockefeller is active 24/7 with huge political, economic, social, cultural, **military and terrorist coups** in order to regain Turkey in 2023, which he lost completely politically in 2000. Their biggest aim is to overthrow **President Recep Tayyip Erdoğan and the AK Party in the general elections of 2023.**

The Turkish electorate are six major demographic groups as **1.Muslims-AK Party 2.Secularists-CHP 3.Nationalists MHP-IYI Party 4.Kurds HDP-5.Armenians- HDP and 6.Jews- HDP.**

Rothschild's President of Turkey, owner of Koç Holding, Jewish terrorist codenamed **Rahmi Koç.**

Rockefeller's President of Turkey is a Jewish terrorist codenamed **Hüsamettin Cindoruk.**

Rothschildler is ahead with 51-52% in 2022 with the alliance of AK Party, MHP and BBP.

Rockefeller faced the Rothschilds for the 2023 elections by building a "Bullshit Alliance", which is actually called the "Nation Alliance". Rockefeller regained **Turkey's second largest party CHP in 2010**, under the rule of a Jewish terrorist codenamed **Deniz Baykal**, which he had lost in 1974. With an operation organized by the Zionist CIA, **the Rothschilds' dominance in the CHP was ended.**

An Armenian, Zionist Christian, Freemason, **CIA Agent code name Kemal Kılıçdaroğlu,** who is similar to the Armenian Zionist Christian **Masonic CIA Agent İsmet İnönü,** who was Rockefeller's greatest success in Turkish politics, was appointed as CHP chairman.

Rockefeller: He divided the Nationalists, Turkey's 3rd largest electoral group, into two and established the IYI Party under the chairmanship of CIA agent **Meral Akşener (Turkish Hillary Rockefeller (Clinton)).** He

established the HDP by using **Kurdish-looking CIA agents Abdullah Öcalan,** Selahattin Demirtaş, Figen Yüksekdağ, Pervin Buldan, Mithat Sancar and similar Armenians in order to get the Kurdish votes, **the 4th largest constituency.**

Rockefeller: He killed **Abdullah Gül, Bülent Arınç, Ahmet Davutoğlu and Ali Babacan, the four big names of the founders of the AK Party**, and placed **their Clones** in their place. Code name **Temel Karamollaoğlu** was added to the CIA agent, Jewish freemason Felicity Party, **Ahmet Davutoğlu Future Party, Ali Babacan and Deva Party and Nation Alliance.**

Note: Four countries in the world have human cloning technology. The USA, Russia, England and Israel can produce **human-like biological robots.**

Clone technology is used in many parts of the world. The same technology was used in Saudi Arabia. In 2018, **King Salman bin Abdulaziz** and his son **Mohammed bin Salman** were killed and their clones were placed in their place. These clones continue their duties as of **2022.**

Fatih Erbakan is a Walk-in. (Another soul transfer to the dead body). Fatih Erbakan is a Rockefeller political project and investment.

Most of the clones and Walk-ins serve the Rothschilds and Rockefellers **as 100% enemies and traitors.**

The State of the Republic of Turkey **is full of cheap foot games such as Cloning, Walk-in etc.**

Rockefeller's appointment of a Zionist Christian Armenian to the Presidency of the CHP (2010-2022) is to raise money and support from the Christian world for Middle East policies. Kemal Kılıçdaroğlu **is a shop window decoration** like every mason. His term of office expired in 2022. As he has no chance to win the 2023 elections, **he will soon be thrown away like any used freemason.**

Rockefeller mobilized the Greek Zionist Orthodox Christian church for the 2019 Istanbul Mayorship. In this election, the masonic **Greek terrorist whose code name is Ekrem İmamoğlu,** the spiritual **son of Onassis**, was elected as the Mayor of Istanbul Metropolitan Municipality.

The candidate prepared by Rockefeller for the Presidency of 2023 is CIA agent Zionist mason **Mansur Yavaş.** Mansur Yavaş is a Presidential investment of Rockefeller for at least 20 years. The right, especially the MHP and IYI Party votes, **made Mansur Yavaş the Mayor of Ankara Metropolitan Municipality**. The same game will be played for the 2023 Presidential election.

The enslavement and colonial activities of the Rothschilds and Rockefeller dynasties **in Turkey are the same in every country in the world.**

It is a duty of humanity for people, young people, journalists and researchers to investigate the **Rothschilds and Rockefeller organizations in their own country, reveal the truth and enlighten their nation.**

ARMENIA AND ISRAEL IN TURKEY
1934 SURNAME LAW

It is very important for Turkish voters that masked faces, lies and liars can be well understood in the political world. As of 2022, **60% of the demographic population is dominated by a handful of Jews and Armenians, under the guidance of the Rothschilds and Rockefellers.**

The Turkish nation, **like Mustafa Kemal Atatürk,** must always have a very good command of all the realities of the time. Despite the very limited opportunities of the **1890s and 1920s, Atatürk read the imperialist politics in the world very well and took very important** precautions against all dangers in the near and far future.

Despite the internet facilities, 50% of the Turkish Nation is incapable of seeing the imperialist plans that Atatürk saw in the 1900s, **even in the 2020s.**

Voting for parties other than the AK Party - the Bullshit Alliance - means voting for Atatürk's murderers.

What kind of Atatürk and patriotism is this?

The purpose of the surname law enacted in 1934 is to conceal and mask the Jews and Armenians who served the Rothschilds and Rockefellers.

Names such as Hayim Nahum, Ram Nahum, Levi Nahum, Moses Nahum, Simon Nahum, Nasim Rosansky, Moiz Cohen, Vasken Bizdik, Agit Agopian, etc., who lived in the Ottoman state for hundreds of years, **mean nothing to the Turkish nation today.**

Hayim Nahum = Vehbi Koç Ram Nahum=Rahmi Koç, Levi Nahum =Ali Koç Moses Nahum= Mustafa Koç=, Simon Nahum = Ömer Koç! , Nasim Rosansky= Nazım Hikmet, Muhsin Tekinalp=Moiz Cohen, Vasken Bizdik=Veli Küçük, Agit Agopian= Abdullah Öcalan.

How many Turkish citizens know **the real names of Jews and Armenians living like Turks?**

The best way to get to know the citizen-looking traitors working for the Rothschilds and Rockefellers is to look at their work.

What people do is their identity?

The Turkish nation will enter the 2023 Presidential elections by learning **the real names of Jews and Armenians** with Turkish names.

Our state has completed the genealogical determination of the relevant names from the land registry records and archives.

The Turkish nation will enter the 2023 elections knowing the real identities of tens of thousands of Jews and Armenians working for the **Rothschilds, Israel Mossad, Rockefeller and CIA whose code names are written below.**

Zülfü Livaneli, Sezen Aksu, Cem Yılmaz, İbrahim Tatlıses, Tarkan, Fatih Terim, Kadir İnanır, Hülya Koçyiğit, Türkan Şoray, Bülent Ersoy, Leman Sam, Şevval Sam, Mustafa Sandal, Ata Demirer, Şahan Gökbakar, Mahsun Kırmızıgül, Pınar Altuğ, Kenan İmirzalıoğlu, Hıncal Uluç, Emin Çölaşan, Murat Yetkin, Güneri Cıvaoğlu, Mine Kırıkkanat, Barış Terkoğlu, Sabih Kanadoğlu, Nagehan Alçı, Rasim Ozan Kütahyalı, Fikri Sağlar, Ayşe Hür, Nevşin Mengü, Şirin Payzın, Çiğdem Toker, Deniz Zeyrek, ……. ……. ……. …….

The Turkish Nation has to be very sensitive and careful about Armenia and the Armenians in Turkey.

Armenians are the nation **that worked the hardest** for the destruction of the Ottoman Empire, which was the size of 3 USA in history.

Among the 22 states that were formed after the collapse of the Ottoman Empire, **the only nation** that could not expand its lands was the Armenians. For Armenians, World War I is not over yet. Armenians are a nation that **continues the** 1914-1918 World War I **in Anatolia and the Middle East today.**

The first thing taught to every born Armenian child is the sentence **"The disintegration of the Ottoman State is not over yet".**

The aim and dreams of Armenians are to connect the Anatolian lands between Samsun and Mersin **to Armenia.**

All of the Armenians working in CHP-HDP-PKK-IYI Party-PKK, YPG, PYD, DHKP-C etc. and other organizations **continue to work to divide the Turkish State and Nation.**

In these wars, they receive the greatest financial and **moral support from the Rothschilds and Rockefellers.**

We saw the photo of CHP leader Kemal Kılıçdaroğlu with Kalpak.

CIA agent Armenian freemason Kemal Kılıçdaroğlu, who received a salary from Atatürk's **murderer David Rockefeller**, is trying to deceive humanity **with the mask of Atatürk**.

CIA agent Armenian freemason Kemal Kılıçdaroğlu, who is paid by Atatürk's murderer David Rockefeller, **is trying to divide and destroy** the state of the Republic of Turkey with the mask of Atatürk.

Kemal Kılıçdaroğlu and Kalpak : It is a photograph of **"A butterfly perched on a horse's back".**

We are also waiting for photos of Kemal Kılıçdaroğlu in bikini.

2023
TURKISH PRESIDENTIAL ELECTIONS

Recep Tayyip Erdoğan and the AK Party will win the 2023 Presidency of Turkey with 90-95% of the votes.

We are witnessing with great happiness and satisfaction that our President, Mr. Recep Tayyip Erdoğan, has overcome his personal troubled and contradictory period before and after March 31, 2019.

Life and politics are a team game. No one can win a football game alone.

The personal troubled and contradictory period of our President, Mr. Recep Tayyip Erdoğan, before and after March 31, 2019**, forced us into new political structures.**

Because if the similar period continued, Mr. Recep Tayyip Erdoğan and the AK Party **had a very high chance of losing the 2023 elections.**

It is a great chance for both the Turkish nation and Humanity that President Recep Tayyip Erdoğan announced that he will participate in the 2023 elections under the guidance of our State and the AK Party.

Recep Tayyip Erdoğan is the greatest leader on earth fighting against Imperialism and Zionism.

The success of the AK Party and Recep Tayyip Erdoğan is the success of Humanity.

As an AK Party engineer, I will continue to work for our leader, Mr. Recep Tayyip Erdoğan, and the AK Party, **as I have always done.**

In the 2023 elections, we will crush the opposition under our feet like cockroaches.

In the 2023 elections we will pour the Bullshit Alliance into the sewers where it deserves.

I wish good luck to our President and President Recep Tayyip Erdoğan, AK Party Executives and Members, from my Lord, for the 2023 elections.

May my Lord help all the children of Adam and Eve in this blessed journey, and grant them good success.

Don't stop, keep going.

In 2022, the wars for domination of the world between the Rothschilds and Rockefellers continue at full speed.

In the war of two Zionist powers, the loser is always human beings. **The last 7000 years of world history is a war of evil and good.**

The sons of Adam and Eve are obliged to help each other.

Rockefeller's efforts to destroy many states in Asia and Europe, especially Donald J Trump, Vladimir Putin, Recep Tayyip Erdoğan, **continue 24/7.**

The work of the Rothschilds and Rockefellers to destroy the states always **has a domino effect.** If good governments fell as a result of a coup in one country, it means that it's time for the other country.

Rockefeller is trying to overthrow the **governments of Kazakhstan to conquer Asia and Hungary to conquer Europe.**

For the security of Asia, it is essential for humanity to support the **President of Kazakhstan, Nursultan Nazarbayev.**

On January 2, 2022, Rockefeller tried to kill Nursultan Nazarbayev, but failed with the support of Vladimir Putin. Rockefeller is trying to invade Kazakhstan with all **his patriotic-looking agents.**

The fall of Kazakhstan means the fall of Asia, the fall of Asia means the fall of the world.

We invite the children of Adam and Eve to support Nursultan Nazarbayev and Vladimir Putin with all their might.

The biggest goal of the Rockefellers in 2022 and after is to save Europe from the Rothschilds occupation. The reason for the 1st and 2nd World Wars is this sharing fight. **It is the turn of the 3rd World War.**

The continent where the children of Adam and Eve are the weakest is **Europe.** Humanity has to follow the **European politics very well.**

Rockefeller is trying to overthrow the **Hungarian Prime Minister Viktor Orban** with the political and economic blows of **George Soros in order to seize Europe.**

Political parties led by Zionist Jewish terrorists, who appear to be Hungarian citizens, supported by David Rockefeller, are rivals of Viktor Orban.

We invite all humanity to support Prime Minister Viktor Orban in the general elections to be held in Hungary on April 3, 2022.

The victory of Hungary and Viktor Orban will be the victory of Europe, the victory of Europe will be the victory of humanity.

VATICAN-ISRAEL-GREECE -ARMENIA

In the last 7000 years of human history, the **Vatican, Israel, Greece and Armenia** are four nations that have always been **slaves of the Rothschilds and Rockefeller dynasties.**

At the end of 7000 years of history, it is not only Jews who control every street of the world's states. Every nation and government **in the world has citizens of four states - Vatican City, Israel, Greece and Armenia.**

For humanity, the Vatican, Greeks and Armenians are three nations that are much more dangerous than the Jews. **They serve the Rothschilds and Rockefeller dynasties with Vatican intelligence, Greece shipping and Armenians terrorist acts.**

All world state and government institutions, especially the USA, Russia, Europe, China, Brazil, Argentina, Turkey, the Middle East and Australia, are **under the occupation of Jews, Vatican, Greeks and Armenians.**

While the states are determining their national policies, the **Vatican, Israel**, **Greek and Armenian** history will answer many unanswered questions.

It is essential for the states that determine their national policies to be very careful about the **crypto Vatican, Jews, Greeks and Armenians who are stuck in their countries.**

The Vatican, Israel, Greece and Armenia are the four states on earth that will be destroyed.

For the future of humanity, this is one of the most important homework for people.

Italy and Italians should stop breastfeeding the Vatican. The Vatican is not the center of Christianity, it is the biggest enemy of Christianity.

The Vatican is a Nazi and Adolf Hitlers i**ncubation center.** The Vatican is a brothel. The Vatican **is a slaughterhouse where dozens of babies, children and people are sacrificed** every day.

The Italian State **must abolish and destroy** the Vatican by 2022.

Otherwise, the Italian State **will pay the bills** for 2000 years of Vatican crimes.

No Italian should say "I haven't heard, seen or told".

THE DUCK'S “QUACK QUACK” AND THE JEW'S LIE NEVER ENDS

Do not feel sorry for the Jews.

If you take pity on the Jews, you will become pitiful.

Do not argue or talk to the Jews.

Talking to a wall is the same as talking to a Jew.

In 7000 years, the power of 4 Books and 30 Prophets was not enough to make the Jews human and moral.

The Jew is the murderer of the Prophet. Jews are murderers. Jews are thieves. Jew is a lie. Lies are Jews.

The Jew is a sheep in wolf clothing. The Jew is a paper tiger.

Imagine if people did to the Jews the same evil that the Jews did to the people. Can you imagine how the Jews would defend themselves ? **How would they accuse people of being animals?**

It is a crime in Jewish law to criticize a Jew. The Jew will not allow you to defend yourself **even by speaking.**

Jewish justice is to thank the one **who executed you.**

Anti-Semitism is not speaking out against **the theft, murder and destruction of the Jews and thanking them.**

Jew is Jew. A beating is also a beating.

It is not human to say that Jews are human.

Immorality is the Morality of the Jew.

In recent years, **we have seen a great panic in the Jewish world**. For 7000 years, those who consider themselves **the rulers of the earth** and the **chosen superior race** have been in a state **of panic.**

Jews started to learn what they are and their true identities after 2000. **After 2020, this process has accelerated.**

Jews outsource all their work, including theft, murder, and destruction. Jews pride themselves **on having someone else do their work.**

In Anatolia, it is said, "You can't get married with someone else's stuff".

Jews are just beginning to understand who and what they are. For Jews, this enlightenment process will continue to accelerate.

Jews kill their rivals and every person they fight. For Jews to kill a person, it is enough to just complain and point a target. If a Jew gets stuck on a stone while walking, **it is reason enough for him to kill people on his right and left.**

It is a 7,000-year-old tradition for Jews to kill innocent people they see as rivals. Great Masonic Jews have the authority to kill their opponents and people with whom they fight.

The Jews, who think that they walk in the snow **and leave no traces**, pride themselves on their murderous qualities. **Even an ordinary 10-year-old Jew or a 90-year-old Jew speaks like an emperor.**

When Jews use their authority to kill a person, professional killers come into play. The most preferred killing techniques of Jewish professional killers **are poisoning and murders masquerading as traffic accidents.**

Aytunç Altındal and Yaşar Nuri Öztürk are our people who were poisoned and killed by the Jews.

Jewish freemason Fatih Terim had Galatasaray President Mustafa Cengiz poisoned and killed.

The Vatican terminated **Fatih Terim's coaching duties** as of 31.12.2021. Since this date, Fatih Terim has been given many Master freemason duties, especially murder, terrorism, drug and human trafficking. **The Turkish nation should follow this Jewish terrorist code-named Fatih Terim very well.**

TÜSİAV - Industrialists' and Businessmen's Foundation - is a Freemason organization financed by the Rothschilds.

The duty of this Mason foundation **is to organize and control all industrial establishments in Turkey,** especially 380 organized industrial zones, **under masonic associations.**

TÜSİAV's mission is to discover and kill high-level and talented minds in Turkish industry and trade.

Prof. Dr. Sedat Çelikdoğan, assistant of Necmettin Erbakan, chief consultant of Ostim Organized Industry, chief chemical engineer at Roketsan, **chemist Dr. Sinan Hatipoğlu** was poisoned and killed by **TÜSİAV.**

Jewish freeason, codenamed TÜSİAV President Veli Sarıtoprak, is a professional murderer.

Özdemir Bayraktar, the founder of Baykar Makine and the engineer of Bayraktar TB-2, was poisoned and killed by **freemason teams led by Rahmi Koç, Ömer Koç and Ali Koç.**

TÜSİAD is one of the largest terrorist organizations in the world.

TÜSİAD =PKK =YPG =FETÖ =ISIS =DHKP-C =CHP=HDP=IYI Party=SP (Bullshit Alliance) = George Soros(es) = Rockefellers = Rothschilds

It is of great importance that our citizens of the Republic of Turkey, especially Turkish businessmen, engineers, R&D engineers, civil society managers, foundations and associations managers, **should never forget that the purpose of their visits and organizations is to poison people.**

It is essential that our people stay away from masonic organizations and meetings and be very careful.

WHY DID A RAM DOWN FROM THE SKY TO THE PROPHET ABRAHAM ?

Why did the ram descend from the sky to Abraham? Why did not sheep, goat, bull, cow, ox or camel descend from the sky to Abraham?

The biggest enemy of the Jew in social life is the institution of the family. **A strong family is the foundation of a strong society.**

The Jew turns the father against his son, and the mother against his daughter. The Jew turns father, mother, son and daughter against each other, breaking up and dispersing **the family from within.**

Prophet Abraham represents the father who was hostile to his son. **The son Ishmael** represents the son who rebelled against the father.

The father will kill his son by beheading him with the Jewish lies and brainwashing techniques. **The Jew will be proud of his work and will be very happy.**

Abraham and Ishmael see these temptations of Satan and give the answer and lesson known to the Jews.

The family is the most sacred institution in the sight of God. Faithful families and individuals are under the protection of God.

The head that Abraham cut is apparently **Ram, but in reality it is the destruction of Zionism.**

The four books, verses and prophets teachings **are the best interpretations of the past, present and future.**

The threats and dreams of Zionism are of no importance to humanity.

Because people interpret the future in the most correct way with the **consciousness of history** and give direction to themselves.

The sons and daughters of Adam and Eve have won the 7000-year war **of freedom and independence.**

All that remains is the declaration of this victory.

On behalf of humanity, we greet all the children of Adam and Eve, **who are fighting for the independence and freedom of humanity by taking a great responsibility** in the End Times, **with our most heartfelt affection and feelings.**

May my Lord protect and help all the children of Adam and Eve, who are fighting for their supreme cause.

My Dear One's

As you have witnessed, events continue to conclude as they should in the End Times.

Every beginning has an end. The love of this Heart for you has no end.

See you soon

God bless you all

12) Why don't those who make the **Presidential House** of the state a material of jealousy, envy and hatred **by calling it "Palace"** never talk about the **hundreds of palaces bought by the Jews in the Bosphorus and abroad with interest money?**

How many of the Presidential Houses you call **"Palace"** can be built with **168.2 Billion USD interest paid by the Turkish Nation only in 2020?**

We expect opposition leaders and deputies to oppose and rebel against **Interest, Vatican, Central Banks, Rothschilds, Rockefellers, FETO, DHKP-C, PKK and YPG at press and election meetings. The biggest theft and exploitation tool in human history is interest. **How much money have politicians made for their state and nation?**

The biggest theft and exploitation tool in human history is interest. **How many billion USD do the politicians who do not object to the interest inflict damage to their states and nations every year?**

The biggest theft and exploitation tool in human history is interest. **How many cents worth are politicians who do not object to interest** , Zionist-Jewish Central Banks and the private banking system?

What business do politicians who have no mind, brain, conscience and soul do in Turkish political life?

The biggest theft and exploitation tool in human history is interest. Political parties, leaders and deputies who do not object or rebel against the interest, Zionist-Jewish Central Banks and private sector banking system **are the partners and collaborators of the Rothschilds and Rockefellers.**

All political parties such as CHP, HDP, IYI Party, Saadet Party, Gelecek Party, DEVA Party, Democrat Party, DSP, TKP, TIP, Labor Party, etc. **are all political organizations of the Vatican, Rothschilds and Rockefellers in Turkey.**

Vatican Parties are financed by the Central Bank of the Republic of Turkey, private sector banks' money and interest income.

The duties of the Vatican Parties are to distract our people against Central Banks and Interest theft by **making great political noise and fanfare every day.**

The Vatican Parties are **trying to prevent our people from learning** the facts and thefts of the deep state **by talking nonsense, lying and fanfare 24/7.**

We invite the Supreme Turkish Nation to be vigilant against the thief and terrorist Political Parties (Bullshit Alliance) working for the Vatican, Rothschilds and Rockefellers and to give them the lessons they deserve in the referendum(s) to be held in the coming months.

On behalf of the Supreme Turkish Nation

With a referendum to be held in April 2022, the CHP-Republican Public Party (Union and Progress Party) **will be closed.**

The CHP, operating after 1938, is not Ataturk's CHP.

CHP is a Zionist, Jewish, and Freemason **thief and terrorism organization** that looks like a **political party with Ataturk mask on its face.**

CHP is the continuation of the **Union and Progress today.**

The use of Ataturk's name and brand **by citizens is prohibited by law.**

The use of the CHP name and brand by citizens will be prohibited.

Starting politics with the name and brand of the CHP **is unfair to the citizens** who establish their own party and **engage in politics.**

It is not in accordance with the law and justice to do politics **with the name, brand, identity card and checkbook of Ataturk.**

Citizens engaged in politics in the CHP **will continue on their way by establishing their own political party.**

The world is a big machine that measures and reports the quality of people.

Everyone will start to see their own quality and value in the incoming reports. (They have also started to see it)

Political Party Leaders and Members of Parliament **are required to have a blood test for drug detection.**

Drunk driving is a crime. **Using drugs and trying to run a state is a much bigger crime.**

World Parliaments and the Grand National Assembly of Turkey are not places for drug addicts **such as cannabis, heroin, cocaine, ecstasy, etc.**

Drug addicts, whose place is AMATEM and who are drunk 24/7, have no place in Parliament.

Drug addiction blood tests of Political Party leaders and deputies will be completed and shared **with the public until 31.12.2021.**

AFGHANISTAN WON'T GET ANYWHERE WITH THE TALIBAN BRAND.

THE TALIBAN IS A FALSE MESSIAH AND MAHDI MOVEMENT.

THE TALIBAN IS A REAL DAJJAL (ANTICHRIST) MOVEMENT.

Afghanistan won't get anywhere **with the Taliban brand.**

The only way Afghanistan can solve its problems **is democracy and republic.**

The Taliban is a terrorist organization under the control of Zionism and Jews **from A to Z.**

Afghan people should **not be slaves and free soldiers of the Taliban**, Zionism and Judaism.

WHAT IS THE AFGHANISTAN PROBLEM?

On planet Earth, **two great deep powers have been fighting** for the possession of the earth, especially for the last seven thousand years.

These two deep powers are **the Rockefellers and the Rothschilds**. These two deep forces are each other's nemesis. All wars on earth for the last seven thousand years have been **organized by** these two powers.

The Rothschilds have always been **clearly superior to the Rockefeller group** with their dominance of Central Banks, money and financial systems around the world.

We can express this wealth domination on earth **as 85% Rothschilds, 10% Rockefeller, 5% Christian USA.**

In order to close this gap, the Rockefeller Group had to specialize in much more tiring industrial and commercial areas, especially oil, natural gas, medicine, food, drugs, human trafficking, terrorism and wars.

The battle of these deep forces to dominate the earth **is extremely brutal.**

Mankind is the **free soldiers, labor and slaves** of these two powers. In the eyes of these powers, human beings have no value and no importance. **Humans are a locust swarm for these powers.**

The common denominator of these two forces, which are hostile to each other, is not to allow a third power **to have possession of the Earth.**

The Protocols of Zion are agreements between two enemies to protect planet earth from human domination. The purpose of these agreements is to prevent the Rockefeller and Rothschilds **from running out of power by fighting each other.**

Three basic elements are needed to have a planet. These elements are capital, labor and raw materials. **Afghanistan is a region** with the richest mines on earth. All elements, especially gold, silver, copper, lithium, are more or less present in this region.

Afghanistan was not invaded by Russia in 1979. Afghanistan was occupied by the Russian Rothschilds in 1979. Russian soldiers were free soldiers who fought for nothing for the Rothschilds.

The Rockefeller family, who was afraid of losing the biggest raw material resources on earth, started to use the US army to take the Rothschilds out of Afghanistan and invade.

The scene we saw on August 15, 2021 **is Rockefeller expelling the Rothschilds from Afghanistan 42 years later. The Taliban is a Rockefeller army.**

The groups that the Taliban are fighting are all the armies of the Rothschilds.

Terror, war and drugs are a source of income for the Rockefeller group.

Wherever there is terror, war and drugs, **there is the Rockefeller band.**

Hundreds of terrorist organizations, especially Antifa, BLM, Taliban, Al-Qaeda, ISIS, Hezbollah, PKK, FETO, PYD, YPG, Boko Haram etc, are the income sources of **the Rockefeller group.**

A similar reality to Afghanistan took place in Myanmar on February 1, 2021. The Rockefeller family has taken power in this country.

Turkey has been a colony of Rothschilds from A to Z since 1909. Despite the 5 military coups they have carried out since 1950, **the Rockefeller group failed** to take Turkey over from the Rothschilds.

The USA, Donald Trump and his administration, who left Afghanistan on August 31, 2021, put an end to the Christian US soldiers being free soldiers **to Zionism and Jews and their deaths for no reason.**

The US has 800 bases and war zones on earth, in the oceans and in space, similar to the base in Afghanistan.

These bases and wars are funded **by the US people, their soldiers, taxes, and labor.**

Undemocratic military spending is the reason why US citizens are struggling to make ends meet despite great wealth.

The Christian USA, Donald J Trump and his administration **have started to dry** the 7000-year-old Rothschilds and Rockefeller **swamp** on earth with their decisions similar to Afghanistan.

The Rothschilds-Rockefeller struggle, in which the Christian USA has lived for nearly 200 years, **is now active in every country** on earth with all its might.

Nations that understand the Christian USA and its struggle well will understand much better what is **going on in their own country.**

How do the Rothschilds and Rockefeller **families penetrate a country and nation?**

The biggest capital of the Rothschilds and Rockefeller families **is to prepare the state and government managers in the target country** and bring them to power.

These groups **have no other business** than preparing state and government administrators and are not interested in other work. For these preparations, work begins **at least 50-100-200 years ago.**

It takes an average human family 100-150 years **to reach a fortune of 100,000 USD.**

For Jewish families, this period is at most one day. Money is not a problem in the life of Jews.

On average, **300-400 Jewish families** are enough to take over all institutions and organizations in a country. Jewish families without money problems **will take all the corners and not let the nations breathe.**

These 300-400 families will mature for at least 100-200 years and take their place in the society. They will not be seen in society **like white stones in rice.**

Most people don't know **that their best friend is a Jewish traitor, thief, murderer, Rothschilds and Rockefellers poodles.**

This is the essential rule of the game.

The greatest capital of Rothschilds and Rockefellers **is people's love of money and authority, greed, arrogance, selfishness and bad morality.**

The rest is very easy.

The Taliban is a false Messiah and Mahdi movement.

The Taliban is a real Dajjal (Antichrist) movement.

The Taliban are no different from **Adnan Oktar,** the fake Mahdi, who occupied the agenda of Turkey for 40 years and **claimed to be the Mahdi.**

The Prophet Muhammad warned all humanity to beware **of the frauds and destruction of false Messiahs and Mahdis.**

What **good will come to humanity** from people whom the Prophet Muhammad called false and dishonest **?**

Throughout history, false Messiah, Mahdi, and spiritual leaders **have claimed to be descendants** of Abraham, Moses, David, Jesus, and Muhammad. These people claim that they are shepherd-rulers **and the rest of the people are sheep and cattle.**

The false Messiah, Mahdi, and spiritual leaders **try to become rulers of people with empty promises that have no basis and no proof.**

Where are the descendants of the murderers who tried to kill and killed the Abraham, Moses, David, Jesus, Muhammad and Ali **?**

Those who claim that their ancestry is based on the prophets also know very well the ancestry of the prophet killers and companions **living today.**

They need **to prove** to people **where and who they are :**

Descendants of Nimrod, the commanders **who captured Abraham to burn him,** the soldiers and the workers who carried wood for his fire **;**

The lineage of Pharaoh and his soldiers ;

The descendants of the Jews who complained about Jesus to the Roman emperor and governor, the soldiers who captured them, **the executioners** who hammered nails into their hands and feet ;

The descendants of those **who (try) murdered** Muhammad, Ali, Hasan, Hussein and all the companions.

We expect spiritual leaders and the Taliban, who claim to be descended from the prophets**, to prove their claims to humanity.**

We expect spiritual leaders and the Taliban **to introduce humanity to the living descendants of the murderers** who killed prophets and companions throughout history.

There are two Taliban.

i) Honest, sincere and Muslim Afghan citizens,

ii) Zionist, Jewish, Freemason, Traitor, Rothchilds and Rockefeller **poodle Afghan citizens.**

The Muslim Afghan people have to know the **Zionist and Jewish Afghans very well.**

Zionist and Jewish Afghans :

i) He has no love or respect for the Afghan people, state and flag.

ii) They hate the Afghan people.

iii) Their duty is to control the Afghan people at all times, to poison or accidentally kill Afghans **who are strong enough to rival them.**

There are approximately 200 Rothschilds and 200 Rockefeller families in Afghanistan. **Hamid Karzai is a Jew.** It is possible to count hundreds and thousands of examples like these.

Zionism and Jews mostly use **the hadiths of the Mahdi** to infiltrate the Islamic world.

It is Jewish art to bring watermelon peels to the mind of a donkey.

Jews find naive, ignorant, greedy Muslims and deceive them as **"You are the Mahdi, the Messiah, you will rule the whole world and you will own the earth."**

Jews are disguised as Mahdi, Messiah, Imam and spiritual leaders **in the Islamic world.**

The Taliban is Afghanistan's FETO. False Mahdi and Muslims, **like Fetullah GULEN, rule the Taliban.**

Fetullah GULEN is a fake Mahdi, freemason and Jew working for Rockefeller and the Zionist CIA.

Fetullah GULEN is a terrorist.

Terrorists such as Fetullah GULEN rule Afghanistan and the Taliban.

The first duties of Muslim Afghans **:**

i) To save their country from the Zionists, Jews and Freemasons who have invaded their country.

ii) To choose honest and reliable international partners for the development of Afghanistan.

Muslim Afghans:

i) They have to stay away from **the European Union. The European Union** is a political and economic terrorist organization from A to Z.

It is European Zionism and Jews who have been exploiting and killing the people of Afghanistan for centuries. Europe has been a Rothchilds, Rockefeller and Vatican colony **for thousands of years.**

ii) They have to stay away from China. The Chinese people are the slaves of the **CCP of the Chinese Communist Party.** CCP is a Rothschilds and Rockefeller partnership.

Zionism, Nazis, and Jews had to move from the United States, their 200-year-old world capital, in 2008. The people of **the USA have awakened and forced to flee the country to the evil establishments**.

The Chinese people will be slaves and free soldiers for the victory of Zionism and the Jews, just as **in the history of Europe and the USA.**

The Chinese people should be very careful about the **CCP policies** of the Chinese Communist Party.

The European Union and China own the Taliban.

The Afghan rulers of the Taliban will sell the Afghan people **to the European Union and China.**

Afghan people should be very careful about whoever among the Taliban strongly advocates cooperation with the European Union and China.

There is no doubt that **these people were Jews.** The Taliban's cooperation with the European Union and China **will never bring freedom and independence to the Afghan people.**

It is not possible for the Afghan people to find the peace and tranquility they seek with the cooperation of **the European Union and China.**

iii) The best choice of the Afghan people for political and economic development will be **to act under the guidance of the USA, Russia, Turkey and Pakistan.**

The USA, Russia and Turkey are the three leading countries in the world that **have cleared the Zionists and Jews from the state administration**. There are very strong preparations in this regard in Pakistan.

iv) The Afghan people cannot get rid of the Taliban, Zionism, Jews and Freemasons **without making democracy and republican elections.**

The best example for the Afghan people is **the Republic of Turkey and its democracy.**

We have no doubt that the Afghan people, who have overcome great difficulties throughout history, will overcome this difficult period **in the most successful way.**

As the family of humanity, we declare that we stand with our Afghan brothers with all our might.

In the name of humanity, **we wish the Afghan people success** on their path to full independence and freedom.

We greet Afghanistan and the Afghan people on behalf of humanity with love, respect and heartfelt affection.

May Allah protect you and help you.

My Dear One's

As you know, I asked you to be ready. **For what ?** For my **Turkish Got Talent** competition.

In the 2011-2012 season, I applied to be a competitor for **Turkish Got Talent.** I participated in the qualifiers 6 times, I took the stage in the qualifiers 5 times.

But I failed to appear on television **as a contestant** by passing the eliminations.

Many young friends who organize the qualifiers are also the preliminary jury. To be a competitor, **the recommendation of the jury is sufficient.**

I always lost the qualifiers **4-5, 5-6, 3-5 etc.** Young jury friends constantly **quarreled among themselves**. After all, I was not a competitor.

The play I staged (was) **is the best talent in the history of Got Talent Competitions. (for me)**

It broke my heart not to be a competitor with such a play and talent. I have been suffering from not being a competitor **for ten years.**

I want to try my luck again to be a competitor in the 2021-2022 season.

I expect a big support noise from you in order to be a competitor.

I have great faith that you will watch **me as a contestant in Turkish Got Talent this season.**

Doors established **Interest is Haram Party** in Turkey.

Doors invite every nation to establish an "Interest is a Sin Party" in their country.
Doors are launching a campaign to establish a **Interest is a Sin Party** for every state and nation in the world.

Democracy is the most powerful political institution for solving people's problems and improving their well-being. Political Parties are the soul of politics.

For the last 200 years, political parties, whose names are Republic, Democrat, People, Justice, Peace, Freedom, Development, Independence, Equality, Worker, Labor, Trust, etc., **have been very weak in conveying their truth messages to people.**

None of these Parties make money for people.

None of these parties have given people **freedom, peace and justice.**

None of these parties have been able to end the slavery and exploitation system in the world.

Interest is a Sin Party - It is a political movement that tells everyone about 7000 years of human history in just 5 words.

Interest is a Sin Party - It is a political movement that ends mankind's 7000 years of suffering and troubles with 5 words.

Interest is a Sin Party - It is a political movement that breaks down the 7000-year-old slavery and exploitation order of Satan, Zionism, Vatican and Jews in just 5 words.

Interest is a Sin Party- is the political movement that wiped out the Federal Reserve and all Central Bankers, Interest and 13 Families, including Rothschilds and Rockefeller, in just 5 words.

We all know that it is very difficult for Christians, Muslims and honest people **to win elections and stay in power for a long time.**

Interest is a Sin Party - a political movement that destroys all the satanic and masonic castles and headquarters.

Interest is a Sin Party- It is a very powerful political movement that gives Christians, Muslims and honest people election and keeps them in power forever.

The Vatican has targeted Russia and Ukraine in order to start the Third World War and enslave humanity forever. On behalf of humanity, we would like to thank **Dear Presidents Vladimir Putin and Volodymyr Zelensky,** who did not allow the Vatican, Satanist and Zionist powers to start the Third World War.

Those who insist, **"Let's fight, let's fight, we must fight, we have no choice but to fight, we must definitely go to war"** to the heads of state and their army commanders are the Freemason agents of the Vatican, Rothschilds and Rockefellers. These freemasons are people who have sold their states and nations to Zionism for war, **1-5-10-50-100 Million USD.....etc.**

Pakistan-India, India-China, China-Japan, China Taiwan, North Korea-USA, Turkey-Israel and those who want war in similar **tension points** are **freemasons who have sold their countries and citizens** to Vatican, Rothschilds and Rockefeller.

It is essential for the World Rulers to be careful and alert **to such traps of Vatican and Zionism.**

On behalf of Humanity, **we thank** the presidents, armies, rulers and citizens of the world **who act with common sense and wisdom.**

NATIONALIZATION
DECLARATION
OF
EXCHANGES

All Exchanges in the world have been Nationalized in the name of Humanity.

Stock Exchanges and their managers are the greatest thieves on earth.

Stock Exchanges are **much bigger thieves than Central Banks on earth.**

What good are the stock exchanges like New York, London, Frankfurt, Tokyo etc. that we see on TVs every day? Have we ever thought?

The thief enters your house, steals your property and goes.

In the stock exchanges, **you go to the thieves' houses and you donate your goods to the thieves.**

Because thieves are tired of entering houses and **have developed technologies** that are **much less risky.** These technologies are called **Stock Exchange.**

The owners of the world stock exchanges are **Vatican, Rothschilds, Rockefeller Families.**

What is the stock market ?

Your bank steals your money and gold.

The stock market steals your deeds.

The Stock Exchange is a Bank where deeds are collected.

People in the class of sheep, cattle and camels think only of themselves. They are the smartest people in the world. They believe that there **are no intelligent people** in the world other than themselves.

A person who invests in the Stock Exchange and the Bank and belongs to the sheep, cattle and camel classes calculates **how much dividend and interest he/she will earn.**

A person belonging to the Prophet's Ethics (Good Morality) class, **how much money do 8 billion people have in banks? What's going on** with this much money? He/ she thinks.

In Anatolia it is said that "the dog works for the bone, the Patriot for the state".

In Anatolia, it is said that "even if the camel went to Hejaz for forty years, it would not be a pilgrim."

Stock markets are thieving gangs and mafias that steal entire factories in a country.

How does the stock market work ?

For example, you have a 100-decare farm.

This is also your factory. As a farm, you need money.

i) The Exchange offers you to collect 100 USD from the public and **pay 0-2% dividends annually for a lifetime.**

This offer is spoken into the farm owner's ear.

The exchange will advertise itself by distributing a 100% dividend for the **first 1-2 months (sometimes 7-15 days)** to shareholders who will invest in your farm.

10 -100 Farmers who hear this news will come to the Stock Exchange **in a hurry.**

ii) The Stock Exchange receives 10% of the title deeds from the farmer against the farmer's 100 USD earnings.

The farmer has had a capital of **98-100 USD per year from nothing.**

The Stock Exchange tells the Farmer that his **10% title always belongs to him,** that he can always buy his share, which is worth 10 USD, and he has no loss. Because the farmer has 98-100 USD.

This is the Broker's lie. Lying and fraud is Jew's greatest capital.

iii) If the farmer purchases 10% of his shares and wants to exit the Exchange, the Stock Exchange **will request 1000 USD from the Farmer.**

Farmer, who starts to work with the Stock Exchange, **can never leave the Exchange.**

iv) The farmer grows his business with 98-100 USD. By selling 50% more shares in total, it becomes **a much bigger and more valuable business.**

v) If the share rate exceeds 50% according to the Exchange laws, the Exchange is entitled to manage the Business.

vi) At the end of the game, the farmer **becomes a worker in his farm.** This is what the Jews call "return". The aim of the 7000-year-old Vatican Zionist plans is to take away all people's property and freedom.
After all, Mankind will be Satan's cheap workers and soldiers.
In this game Central Banks **are the throne** of these plans, and Stock Exchanges **are the crown.**

vii) Stock Exchange- Vatican, Rothschilds and Rockefeller become the owner of that business.

For example, all Japanese brands and title deeds belong to the Vatican, Rothschilds and Rockefeller. Toyota, Honda, Mitsubishi, Nissan, Suzuki, Yamaha, Komatsu, Kawasaki, Sumitomo, Toshiba, Sony, Hitachi, Sanyo, JVC etc.

8 billion people are nothing but herds of sheep, cattle and camels **in the eyes of Zionism and Judaism.**

The Japanese state and people **do not have a single penny to spend other than their salaries.**
Similar tables **are valid for the whole world**, especially USA, Europe and China.

90% of the World Stock Exchanges are owned by the Vatican, Rothschilds and Rockefeller families. **10% shares are in the hands of people.**
The 10% shares held by humans are nothing more than feed poured in front of sheep, cattle, and camels.

All of the Stock Exchanges in the world have been nationalized in the name of Humanity. Shares held by sincere and honest people will be paid for their value.
All stock markets in the world will be closed and abolished.

The shares stolen by the Vatican, Rothschilds and Rockefeller from the people **will be returned to their owners.**

We call the period when Humanity gained economic independence as **"Complete Independence".**

In the period of **"Complete Independence"** of Humanity (Reset, Gesara, Nesara, Event…) sincere and honest people will not have the slightest economic loss.

BITCOIN and CRYPTOCURRIENCIES

Do not invest in any cryptocurrency. Cryptocurrency is a Vatican, Rothschilds, and Rockefeller **scam.**

Crypto money is the project of seizing 90% of the money that humanity has accumulated in banks in the last 100 years. Those who buy cryptocurrency **will lose 90 percent of their money and wealth.**

What do you earn when you invest in crypto money? What do you get?

Such a trade in Anatolia is called "selling drum dust, minaret shadow, buying drum dust and minaret shadow".

People should stay away from all cryptocurrency markets and fraudsters such as Bitcoin, Ethereum, Litecoin, Namecoin, etc. The biggest capital of fraud markets is **that people are very prone to sheep herd psychology.**

On April 20, 2021, a cryptocurrency fraudster collected USD 2.0 billion from 391 thousand people in Turkey and fled to Europe. Of course all of these 391 thousand **people belong to the sheep, cattle and camel class.**

Similar dangers apply to all countries of the world. It is the Vatican and Masons who give this mind to these people. The money is collected in the Vatican as usual. This is the meaning of the sentence **"All roads lead to Rome".** All the money, gold, silver, copper, platinum, etc. in the world are collected in Rome. There is an underground city, 30km below the Vatican, larger than New York City.

David Rockefeller is the dominant owner of crypto money and markets. The Vatican, Zionism, Judaism, and Jews are best described in David Rockefeller's words.
Here is the life lesson and advice **David Rockefeller** gave to the masons and his students.

"The best money is made when people's blood flows in the streets".

David Rockefeller

"The best justice is achieved when Jews are beheaded in the streets."

WORLD BELIEF SYSTEMS
CHRISTIANTY and ISLAM

Religions are universally the **largest sociological structures.** There is no greater sociological structure in the universe than religions, including science. Science may not be in every home. **But religion enters every home and heart.**

Religion is God's greatest message in the universe.

Christianity and Islam, which are true religions, fill the shortcomings of other religions and correct their mistakes. The 7000-year-old End Times that is happening on planet earth today is the most valuable period in the history of the universe.

As of the 21st century, **there are 21 dominant religions in the world. Numerous sects** belonging to these religions are also active.

In order to understand the planet Earth in the 21st century: What would the state of Humanity be **if Christianity and Islamic religions were not on earth ?** It would be the best approach to ask.

7000 years of human history is the sociological, economic, political, cultural, military, chaos and consequently an eternal slavery program **prepared by Satan.**

This program of chaos and slavery is universal.

The entire universe is threatened by exploitation, destruction, and enslavement by the **technologically superior races.**

Planet Earth and Humanity have successfully destroyed **Satan's 7000-year-old order of exploitation, destruction and enslavement.**

What is the secret of this success?

The secret to this success **is galactic aid, support, churches and mosques.**

The secret of this success is the guidance and leadership **of Christian and Muslim Scholars to Humanity.**

The ability of every race in the universe to destroy the exploitation, destruction and slavery of the evil races **depends on their understanding of Christianity and Islam.** The liberation of humanity from exploitation, destruction and slavery is the **liberation of the entire universe from slavery.**

What are the solutions offered by other religions other than Christianity and Islam for the salvation of humanity?

Religions other than Christianity and Islam **have no positive offer to humanity** other than slavery and submission to the Satan.

What is a Christian ? What is a Muslim ?

Christian and Muslim literally means teacher and engineer.

Christians and Muslims are people who work as teachers and engineers by taking God's books, prophets and teachings **as a guide and reference.**

Christian, Muslim teachers and engineers are people who reject the teachings of the Devil as follows. **1x1 = 11, 2x2 = 22, 3x3 = 33, 4x4 = 44, 5x5 = 55....**

The religion that God proposes to humans and galactic races is like mathematics.

The measure of Christian, Muslim teachers and engineers is God's books, prophets and their teachings.

Christian, Muslim teachers and engineers measure the past, present and future with **the religious art of God and are never wrong.**

TUBA TREE

Why did the prophets work as shepherds?

One of the professions of prophets is being a shepherd.

Prophethood is also the art of "I tell you my daughter, you understand, my bride."

Shepherds own and protect three types of animals.

1. Sheep, Ram, Goats and similar: **Sheep class**

2. Cow, Ox, Bull, Deer, Bison, Lama and the like: **Cattle Class**

3. Camel, elephant and the like: **Camel Class**

Humanity is divided into four classes in terms of its capacity to understand God and the truth of creation.

The feature of these classes is to believe in only one God, who created the universe out of nothing.

These classes represent goodness and are positive.

1. (0.25) Sheep Class: Has knowledge at primary school level.

2. (0.50) Cattle Class: Has knowledge of middle school and high school level.

3. (0.75) Camel Class: Has knowledge at university, master and doctorate level.

4. (1.0) Class of Prophets' Ethics (Good Morality): the owner of divine wisdom and knowledge

Humanity is divided into four classes in terms of its capacity not to understand God and the truth of creation.

The feature of these classes is not to believe in only one God, who created the universe from nothing.

These classes represent evil and are negative.

1. (- 0.25) Sheep Class: Has an ignorance at the primary school level.

2. (- 0.50) Cattle Class: Has an ignorance at the secondary school or high school level.

3. (- 0.75) Camel Class: He has an ignorance at the university, master, and doctorate level.

4. (- 1.0) Devil's Morality (Bad Morality) Class: He is the owner of theft, murder, destruction, slavery and evil sciences.

If we arrange **this table on Cartesian Plane with 0-1 unit interval** -1.0 -0.75 -0.5 -0.25 (0) 0.25 0.5 0.75 1.0, the resulting graphic is the Tuba Tree. The X coordinate is time (t), the Y coordinate is the 0-1 unit interval.

The Tuba Tree is a chart showing humans and galactic races, soul grade and spiritual class to which they are included.

The Tuba Tree is a spiritual map showing where humans and galactic beings are located. Everyone can easily find their place on this chart.

The sheep, cattle and camel classes are briefly referred to as **the sheep and cattle classes.**

In God's eyes, positive sheep, cattle and camel classes are **no different from** negative sheep, cattle and camels.

These classes are born, they go to school, work, market, hospital, match and vacation, they watch television from morning to evening. They marry, grow old and die.

Classes of sheep, cattle and camels **do not work with Noah** in shipbuilding. They refuse to board Noah's Ark.

Spirits who worship God and take responsibility for the development and growth of God's religion **are promoted to the class of Prophets and Good Morals.**

Spirits that do not believe in God, do not take responsibility, imply and claim that they are God, **fall into the pit of the Devil's Morality (Bad Morality)**

EVERY YOUNG GIRL AND FREEMASON
SHOULD READ
THE DOORS IDEA

Jews are prostitutes of Satan. Freemasons are prostitutes of Jews.
Jews are commodity of Satan. Freemasons are commodity of Jews.

Freemasons are people who know everything **but do not know what Freemasonry is.**

Masonic lodges, buildings, halls, gardens on earth are Jewish brothels.

In these places, not only the human body but also the soul, honor and chieftain are bought and sold.

JEW=Freemason= **Bülent ERSOY**=**LGBT**
LGBT=**Kerimcan DURMAZ**= I'll teach you how to be a bitch
Kerimcan DURMAZ=**Kemal KILIÇDAROĞLU**= I'll teach you how to be a bitch

Who is Satan **?** What is Satan **?**

Satan is biggest Pimm. Satan is biggest Pimm who sells Humans.

Satan is biggest Pimm who sells Humans and Galactic Races. (Races : is in the meaning of Galactic Sipiritual Beings).

Satan is biggest thief, killer and destroyer.

Satan who tries to enslave humans, races and souls forever.

There are two kinds of Satan in God's creation and laws.

There are two kinds of Satan in God's creation and laws.

1. Satan is a total evil spiritual program in soul which directs, drifts humans and races into bad moral, wrong behavior and sins.

2. Satan is a Human or a Race who carries no Good Moral in his or her soul.

Every human and a Galactic Beings is half angel and half Satan.

Satan claims to knows eveything. **To feel know everything easily traps Souls** to declare themselves as God and to be owner everything.

Satans are proud of themselves to know everything.

To know everything other than **-God-** is to know nothing.

One who claims and acts as to know everything other than **-God-** is called **"Abu Jahl"** which means **"Father of Ignorants".**

The end of **Abu Jahls** is very clear in God's Laws.

Satan and their every corporations have pyramidal management structures like Freemasonry. In Freemasonry, the last one carries the **previous one on his back.** There is no equality in Satanism and Freemasonry. In Satanism and Freemasonry, **the most equal are those at the top.**

All human beings and galactic beings are equal in God's laws. This law is called **"Sırat-ı Müstakim"** and it means **the straight path.** In the laws of God, no one carries each other on his back.

Masons are people who sell their nation and state to the Vatican, Satan and Zionism.

Judaism and Freemasonry **is a contract of theft** and the division of theft property. Earth and similar planets in the universe are very rich and very large. Every street and corner of the world can only be reached by organizations such as Judaism and Freemasonry. Everyone will do their duty and get their rights **from the wealth stolen from innocent people.**

Freemasons are people who sell themselves and their souls to the Vatican, Rothschilds, and Rockefellers **in order to have great offices.**

The aims of the masons from this sale are to seize the kingdom, queenhood, principality, princessship, president, prime minister, minister, deputy, chief of staff, governor, mayor, association, foundation, trade union, banks, chambers of industry and commerce, etc.

Masons are like white stones in rice. They are never visible. **But they always break a lot of teeth, hearts and heads.**

Jews are the bosses of all masons on earth. The 5-year-old Jew is more senior than an 85-year-old Mason and is his boss.

Freemasonry is 33 degrees and is like 33 stair steps.

The degree of Masons depends on their being dishonest, traitor, mean, evil, thief and murderer. As the Masons are dishonest, treacherous, evil, thief and murderer, their rank rises. **In other words, the degrees of masons rise with ignorance and stupidity.**

33 stair steps are approximately 7 meters high. The living area that Vatican and Satan recognized as height and width in life to Jews and Masons is at most 7 meters. This distance is the same as the distance and right to life **that the owner has given a poodle.**

Not everyone can be a Mason. Freemasonry is an organization open to the well-educated people of the nations and their senior families.

Freemasonry's purpose is not to make masons rich and distinguished. On the contrary, it means discovering open-minded, well-educated and high-level families before themselves, taking control and confining them to a volume of 7 cubic meters.

The Vatican, Rothschilds, and Rockefeller know that if they cannot identify well-educated people and high-level families in time and make **poodle,** they **will become huge competitors to them** and their organization **in the future.**

The highest Freemasonry degree a US president can emerge from is 28th degree. **Adnan Oktar** became a 33rd degree mason in a year. Because he is a very good pimp.

Judaism and Freemasonry are slavery. Money, gold, silver, property, high-ranking officials, etc., are **heroin and cocaine that the Vatican and Satan drugged Jews and Masons.**

There is no equality, freedom and independence in the order of the Vatican and Satan.

The simplest algebra rule says that **to find the unknown (truth)** requires as many equations as the number of unknowns. If there are four unknowns as **X, V, Y, Z** you need at least four equations. In three or less equations **you will not find the unknowns and the truth.**

Satanism is a large number of unknown and few equations.

The Vatican and Satanism are an evil system **doomed to not know and to perish in insolvency.**

The fate of the Jews and Masons is the same as the fate of the Vatican and Satan.

This destiny is to go to the bottom of hell like Pharaoh, to be a disgrace and a museum item forever.

DOORS
INVITE
IRAN TO BE A MUSLIM COUNTRY

Iran is not a Muslim country. The Shia Iranian people are not a Muslim people.

Doors invite **Iran to be a Muslim** country and the Shiite Iranian people **to be a Muslim people.**

Shia is a Jewish religion. Shia is the Judaized religion of Islam.

According to Shia, Islam 1x1 = 11, 2x2 = 22, 3x3 = 33, 4x4 = 44, 5x5 = 55…. is a form of religion. Buildings and bridges built in this way will definitely collapse one day. There is no addition, subtraction and division in Iranian Shia mathematics. It is only through multiplication that only that much distance is taken in life.

The problems that the Iranian State and its nation have experienced as of 2021 are the **result of this type of mathematics.**

Shia is a Vatican religion. Iran has been a slave and free soldier of the **Vatican and Jews for 1000 years.**

Islam is the worst enemy of the Vatican and imperialism on earth. The Vatican wages a civil war by dividing its enemy into two and makes a nation enemies.

Vatican makes its enemies fight their enemies. **Iran has not fired a single arrow and bullet at the Vatican, Zionism and Jews in its last millennium history.** Iran has no war with imperialism in its history.

Iran is a country that only fights and kills Muslims. Iran has always been the free soldier and army of the Vatican in the liberation war that humanity has waged against imperialism for the last thousand years. Iran looks like an enemy to Humanity.

The aim of Iran is to conquer the religion of Islam **with the Shia philosophy** and to become the leader of Islam. The purpose of the Vatican is to make Iran the leader of the religion of Islam. Iranian Shia philosophy is an understanding **that ignores the basic principles of Islam such as Omer, Osman, Abu Bakr and Ayse.**

Iran's aim is to conquer the Middle East first and then the entire Islamic world with the Shia philosophy. **This is not a serious state policy but a cheap dream.**

The Vatican and Israel are killing Muslims in all Islamic geography, especially in Iraq, Syria, Lebanon and Yemen, **using Iran.**

The photographs given by Pope Francis, who visited Iraq for the first time in history, together with **Iraqi Shiite leader Ayatollah Sistanî,** describe very well **who the real owner of Iran is.**

In these photos, **Pope Francis told Ayatollah Sistani**, "We paid you a lot of money, why don't you kill more Muslims, Christians and innocent people "? **he asks for an answer.**

Shia can find 10-% 80% supporters in every Islamic country. **The distance that Shia can take and travel within Islam for a thousand years is not more than 10%.** Iran Shia philosophy can find a place for itself in every Islamic country with different names. Iran Shia philosophy has found a ground in Turkey called **Alevism and Bektashism.**

Alevism and Bektashism are not Islam. Alevism and Bektashism do not belong to Islam.

Alevis and Bektashis are not Muslims. It is a political discourse to say that Alevis and Bektashis are Muslim. **Political discourses have no meaning or value in the word of God.**

The qibla of Alevi and Bektashism **is not the Kaaba but Vatican.** Alevis and Bektashis are the soldiers of the Jewish army that the Vatican has recruited from Islam.

All the Shia members in the world, whether they know it or not, are citizens of the Vatican and Israel. **They are also the soldiers of the Israeli army who died and killed for free.** All of the leaders of the Shiite organizations that Iran supports on earth are **Vatican, Zionist CIA, Rothschilds, Rockerfeller, Israel Mossad Agents and Freemasons.**

Iranian Spiritual leader Ayatollah Ali Khamenei is a Jew and a Vatican, Zionist CIA, Israeli Mossad agent.

Like Jewish Presidents Süleyman Demirel and Ahmet Necdet Sezer in Turkey, Iranian spiritual leader **Ayatollah Ali Khamenei** is also a Jew, Vatican, Zionist CIA and Israeli Mossad agent.

Hasan Nasrallah, the leader of the Lebanese Hezbollah, is a Jew. And he is an agent for the Vatican, the Zionist CIA, and the Israeli Mossad.

The Iranian Revolutionary Guards army is a Vatican, Zionist CIA, Rothschilds, Rockefeller and Israeli Mossad army. The task of the Iranian Revolutionary Guards is not to protect Iran, **but to permanently enslave it.**

Iran is not a Republic but a theocratic dictatorship. The theocratic dictatorial regime of Iran will soon collapse and fall.

The Iranian army is also an Armenian army like in Syria. The people of Iran should be very careful about the crypto Armenians who are coiled into the Iranian army. **Armenians are the second largest terrorist nation on earth, after the Jews.** If there were no Jews on earth, Armenians would have taken their places.

Regime change in Iran will take place in a democratic way. The Iranian State and its people **will never give an opportunity to the Vatican and Zionism, who dream of a civil war in Iran.**

As the Republic of Turkey and Doors Idea, **we declare that** we will always stand by the friendly and **Muslim Iranian people in their democratic struggle.**

As the Republic of Turkey and Doors Idea, we declare to the world that we will not allow any civil war and terror destruction projects that the Vatican, Zionist CIA, Rothschilds, Rockerfeller, Mossad and the Israeli army **have dreamed of against the Iranian State and its people.**

I would like to thank **Iran's President Hasan Rouhani and Foreign Minister Cevat Zarif,** who sent me messages and conveyed their love to the Doors Idea and I wish them success in their political life.

CREATION
(4)

God created the universe. Who created God ? This question is a Jewish project designed to keep people away from religion.

The brains of humans and races are not programmed to understand what, who and how God is. It is an empty pursuit for people and races to try to understand what kind of being God is.

Understanding that God exists and is one is an axiom. Mathematics is based on axioms. Axiomas are unquestionably the simplest propositions. A = A, something is the same as itself. **There is no logic in denial and rejection of axiomas** that are built upon benefiting from the blessings of mathematics.

It is the beginning of the road to accept that **God is One, Unique, and a power and creator that does not need anyone.** Starting to walk is half the way to finish.

God is a force that creates trillions of universes in a pinhole.

We and all of the races in the universe live in just one of the trillions of universes **that exist in a pinhole.** All of God's laws that are valid in this universe are also valid in other universes.

There is no concept of time, space and size for God's laws. The universes that exist outside of us **are called parallel universes.** All the universes we know and do not know revolve **on God's laws, 4 books, prophets and their teachings.**

Cosmos are all existing universes.

Every human and galactic race is a part of God. **The purpose of these pieces is to return to the source, God.** It is possible for souls to turn to God by possessing all the attributes of God. The soul grade of those who succeeded in returning to God and being one is (+1). This degree is the rank of prophets and those who follow their way. The human and galactic soul that reaches this degree has the right to organize and live the life they want. **This applies indefinitely to those who qualify.**

A universe is built on 12 technological levels. 12th level is the highest technological level. 12 families rule the universe.

The reason why the number 12 is frequently mentioned and indicated in the book of God and in the teachings of the prophets is to draw attention to this fact.

In the universe, the bads destroy and the good fixes. This structure is necessary for the balance of good and evil.

One of the biggest fundamental mistakes of people is that they believe that **they will have a perfect life after death**. This belief is briefly "I lived in hell in this world, I will go to heaven when I die". No. You will go back to where you came from and continue life where you left off. A hadith expresses this fact as follows. **"How you live, you die, how you die, you will be resurrected".**

Life is like a city bus and metro ride for weak souls. **No red or green carpets are laid in front of anyone** getting off the city bus or subway.

God is Rahman. Rahman is a mother's love and affection for her baby. God loves every human and galactic beings he has created much more than a mother. **God is Rahim. Rahim,** is like a mother lion protecting her cub.

If you kill a human and a galactic beings for no reason, a horde of lions surround you and **it is impossible to get out of this circle.**

God created all galactic beings in the universe from **a parent like Adam and Eve.**

Galactic beings in the universe are the offspring of **a powerful father like Adam and a beautiful mother like Eve.**

The universe is built on goodness and beauty. The cruelty and enslavement ambition that exists in the universe is the result of underestimating and ignoring the existence of God.

If you say that "God is One", There is no god but Him, and God says "My servant is One, I exist for Him/Her".

The greatest wealth for human beings and galactic beings is to know that God is a servant and a part of it.

The real power and strength for human beings and galactic beings is to know that God is a servant and part of it.

Zionism and Freemasonry offer people 7 cubic meters of living space. On the other hand, God offers people and galactic beings who believe in him, to have the leadership and property of all universes we know and do not know.

The spirit of human and galactic beings has 4 basic characters.

Good-Good, Good-Bad, Bad-Good and Bad-Bad.

Recep Tayyip Erdoğan was a person of **Good-Bad class.** It took time to prove this process. This is the main reason for the delay in Turkey.

Life is an invitation **to be in the Good-Good class.**

My Dear One's

Do not be upset because of the delay in Turkey. **Do not worry about myself.** Everything is very good and fine in Turkey.

Every square centimeter of **Turkey is under the control of the Turkish state and me.** The Turkish State has the power to kill 200,000 Zionists, Jews and Freemasons who have been coiled in Anatolia for centuries in an hour.

We have been waiting these days for centuries. We have been preparing for these days for a full century. **These days are holidays and weddings for us**.

As of May and June 2021**, the Turkish state will begin to pull the ears of Zionists, Jews and Masons.**

Do not miss the ear pulling shows in Turkey.

My Precious One's

As you have witnessed for the last 2.5 years, we have shared with you all the information, documents, regulations and laws **necessary for the freedom of humanity and a fully independent world economy.**

Mankind has won the material and spiritual war that it has fought for freedom and a fully independent world economy.

From this point on, **our task will be to announce and herald this victory to the people.**

My Precious One's

The first thing I will do as **Halil Coşkun Beyoğlu** is to have **Mr. Donald J Trump** return to **his presidency**, which he won with 75%.

This duty is not only mine but all responsible people. I am also one of these people.

Mr. Donald Trump will most likely have returned **to his Presidency by June 15, 2021.**

My Dear One's

In the last few years, I have received news that in-depth research has been done **to find +18 videos and photos about me.** I would like to help people who do this type of research about me, as well as everyone else.

I have 3 +18 videos that I uploaded on the internet on 22.10.2020 and **one +18 photo** on my website. You can share these videos and photos with anyone you want.

My websites and Doors-News Intellectuals are all about mind and intelligence. It is not open to everyone. **I am very sorry that I will not help you in this matter.**

I would like to thank everyone who watched the +18 videos on my website and followed my love story and fantasy texts.

My Dear One's

Let's make a big noise.

Let's **bring back our money and property** stolen from us in the last two centuries.

Let us support Mr. Donald J Trump's return to the White House and his post as President.

This Heart loves you very much

See you soon

God bless you all

With my love and respect

My Dear One's

As you have observed, **the big picture is completed** with great speed. We **place the last pieces** of the puzzle one by one.

This process is necessary for the facts to be **fully understood.**

I know you are very tired, in great pain and bored. There are many questions you want to ask. How, when, what is happening, **how long will we wait ?**

There were no cameras, microphones, and videos in the 7000-year history of prophets. We all read **this magnificent history** from the Bible and history books.

Today, we are all living witnesses of the events described **in the Bible and the Qur'an.**

We thank our Lord who brought us together with these great blessings.

Intellectual work is fun for road builders, long and boring for travelers.

My Dear One's

As you know, I haven't had the chance **to chat and talk with you today.**

I want to have my first conversation with you, **even in writing.**

Let **Love** be the subject of **our first conversation.** Say what **?**

Then Let's go

What is Love?

3. Love is embracing the Himalayan mountains and **taking them home.**

2. Love is money. Does not like **to be spent.**

1. Love is Light. It starts with **red** and ends with **purple.**

My Dear One's

For me, Love, is You.

This heart loves and misses you all.

God bless you all.

DOORS
INVITE UKRAINE and RUSSIA
TO THE PEACE TABLE

Dear President Volodymyr ZELENSKY

As humans, our **biggest mistake** is not to check and look for third parties before wars.

Almost every war on our planet throughout history **has been scripted by an invisible enemy.** Humans have been **victims and losers** of all their wars with each other. The **war machine** is a very powerful **money machine** for the third party.

Our states, governments and peoples are ruled by beings who live in the human body **but are not human.** Most of our closest friends working in the government are not human beings, **but biological robots that work for the Vatican in the human body.**

Money is a universal value. **Humans are traded in the sheep and cattle** class on our planet Earth.

Battlefields are marketplaces where Satan can make money.

This is a very brief summary of **why Ukraine and Russia are on the brink of a major war in 2021.**

According to the New World Order, a Third World War like the First World War and the Second World War must be started and ended.

Our planet is ruled by Nazis, especially controlled and **directed by the black-robed Vatican Rabbis.** The Vatican always **has at least 200,000 Nazis** available in each country. (For a population of 50 million)

Adolf Hitler(s) and his mentality did not die. Like many armies in the world **Ukraine Army is a Nazi controlled and owned army.**

People should know that **war** is our worst enemy.

The first person to say **"Yes"** to a possible war between humans **is the first to lose.**

The 2021 Ukraine and Russia war will be **another Nazi and Russian war,** just like the Second World War.

Of course the Vatican is not **on the world stage as the Vatican.** The Vatican walks and lives in **masks such as NATO, UN, IMF, World Bank, WHO, Red Cross, European Union, USA, and recently China.**

Starting World War III in the Middle East was one of the credible plans of the Nazis-NATO between 2000 and 2020.

Vatican City (NATO) has made very strong plans to launch the 3rd World War, Turkey with war with Russia. **On November 24, 2015,** the Turkish Air Force shot down **a Russian Su-24 jet** on the Syrian border **for almost no reason.** For a few days tension escalated and relations reached the breaking point.

Turkish Government made a deep research and realized that was not a Turkish Air Force decision. To shot Russian Jets for fake reasons and start third world war **was a NATO operation.** The soldiers who shut the Su-24 were **Vatican-NATO agents traitors in Turkish Army Uniforms.**

The Turkish government apologized to Russia for this heartbreaking incident. Then, as everyone observed a very strong **relationship was established between Russia and Turkey.**

The First World War, World War II, the Vietnam Wars, and most of the wars began **with fake scripts written by the Vatican and Nazis.**

A war between Russia and Ukraine **will be ignited by the spark of the Nazis and Ukrainian masked Vatican agents in the Ukrainian army.**

This is **a basic classic Vatican-Nazi principle** for starting wars between people.

Every country has to be very careful about **the invisible Vatican Nazi armies** that have been placed in their own armies **with centuries-old plans.**

Dear President Volodymyr ZELENSKY

The Ukrainian Army **is not a national Army** and **is not led by Ukrainians. The Ukrainian Army is a Nazi controlled army.**

We have a great history hidden from all of us as humanity. **This history is not a movie, science fiction, or a joke; it is the truth itself.**

Russia is the first country in the world to break the evil Vatican-Nazi invasion. **A great deal of research and wisdom** is needed to break Nazi invasions in a country in the 1990s and early 2000s.

Vladimir Putin and his administration know everything about the secret history of humanity and our planet.

Vladimir Putin and his administration established a state policy to cleanse and destroy all satanic, evil and Nazi forces in Russia and its neighbors. **This policy is a true and correct state policy.**

To remain silent towards the occupation of countries such as Crimea, Ukraine, Georgia, Belarus, Latvia, Estonia, Lithuania etc by Vatican and Nazis **means to approve the invasion of Russia.**

Most countries and governments **do not know anything about the reality** of the deep state or cooperate with them in secret..

The policies of Vladimir Putin's administration and state are **not to invade neighboring countries, but to inform and awaken them.** If it fails and is impossible to awaken neighboring peoples and governments, **it is natural that military solutions will become necessary.**

If someone **is a source of great problems**, they cannot be a source of solutions and **happiness for humanity.**

Government policies need to be based on **correct mathematical and engineering principles.** Every country and government **should carefully study** the hidden history of Humans and the realities of our planet.

In 2021, there are 3 countries in the world that destroyed the 7000-year-old Vatican Rabbis curse and the New World Order **enslavement mentality.**

These are Russia, Turkey and the United States. These three countries have begun working as one Nation for the freedom of Humanity.

We believe this seed collaboration will take place worldwide.

Dear President Volodymyr ZELENSKY

Ukraine has not been a free country for centuries. Ukraine and Ukrainians are slaves **of the Vatican,** like many states and people around the world. The Ukrainian **people and army are free soldiers** of the Vatican **ready to die for nothing** like the **German people** in the First and Second World Wars.

Dear President Volodymyr ZELENSKY

Do not trust NATO. NATO is the world's largest military **terrorist organization** that invades and enslaves nations **with lies of defense.**

Do not trust the European Union. The European Union is the world's largest political terrorist organization that **invades and enslaves nations with political lies.**

Do not accept NATO generals in your country, government and army. **NATO Generals** are Humanity's **greatest fools,** marching timber and wood.

Do not accept any political cooperation and military warfare material assistance from **Joe BIDEN(s) and his administration.**

As Sons and Daughters of Adam and Eve, we **invite** our Ukrainian brothers and sisters to the peace table **to discuss everything with Vladimir Putin and his administration.**

This Heart loves you all very much.
God bless you all
See you soon in Ankara

My Dear One's

As you all know, the **7000-year-old** Satanic, Zionist Interest and Central Banks slavery mentality has been **demolished, destroyed and ruined globally in 2020.**

Second step is :

i) As humans, **we are closing our accounts** in all evil and Zionist banks around the world.

ii) We **collect all our bank accounts, money and power** in our National Banks.

You are invited

to our interest-free and national banking campaign

that we started

around the world.

Turkey has a **powerfull National Banking System** which is controlled and run by Turkish Republican State and Government especially after 2002.

Halkbank, Ziraat, Vakıfbank, Emlakbank ... is managed **by the sons and daughters of Adam and Eve.**

The Republic of Turkey is a state free from evil forces. In recent years, all secret zionist and evil forces that have settled in our state have been **destroyed and purged by the Turkish Nation.**

The transition into a **total interest free National Banking System** will be very easy in Turkey.

Countries that do not have an adequate National Banking System **will be very successful** in establishing their National Banking Systems **in a very short time.**

Turkish National Banks will be the pioneer and catalyst for the transition to interest-free and national banking systems **globally in the spring and summer seasons of 2021.**

Turkish National Banks will invite millions of customers to their own banks. During this invitation process, our national banks will direct people to **Doors Information** to persuade people.

These efforts will greatly accelerate the recognition of **DOORS at home and abroad.**

My Dear One's

The clock works healthily and vigorously on behalf of the Sons and Daughters of Adam and Eve.

As you all feel deeply, the bell is about to ring for all of us.

This Heart loves you and misses you so so so much.

God bless you all

DOORS
WILL NOT ALLOW
JOE BIDEN(s)
FOR
THE U.S. PRESIDENCY
(3)

U.S. PRESIDENTIAL CANDIDACY OF JOE BIDEN(s)
IS ILLEGAL AND VOID.

THE NOVEMBER 3, 2020 ELECTIONS
WERE CANCELED
BY
DOORS.

NOVEMBER 3 2020 ELECTIONS
WILL BE REPEAT.
(3)

Doors will not allow **Joe BIDEN** for the U.S. Presidency

Why ?

***** **Joe BIDEN** is the **second most famous Pimp** in the world.

The US constitution does not say that the US presidential candidate must be **one of the most famous Pimps in the world.**

US citizens can find unlimited evidence on social media **about the second most famous Pimp in the world.**

Dear President Donald J TRUMP

You are the Moses of this time.
The Great American People are your **children of Israel.**
God's people and the 8 billion people on earth are **your Red Sea.**

Every constitution in the world is written by Rabbis **in the Vatican.** Every constitution in the world is **demonic legal slavery texts** arranged **according to Zionist laws.**

The first condition of enslaving a country and nation is to dictate a Zionist and satanist constitution to that nation. This is what has been done **in the history of constitutions.**

A constitution that secretly advocates slavery would make things easier on **the road to slavery.**

The American constitution is a slavery plan and map **prepared in the Vatican.**

The High Courts are small **Vatican City found in every country** in the world. All presidents and members of the High Courts **are high ranking Rabbis.**

Like many institutions and organizations, **Supreme Courts** are the largest **secret terrorist organizations** in a country.

These institutions are **the legal masked mafia designed** to overthrow democratic governments in a country **without causing conflicts or coups.**

God's People are the greatest teachers in the Universe(s).

It is not for anyone in the universe to teach law, justice and constitution to human beings.

The constitution of man **is the word, books, prophets and teachings of God.**

We measure every constitution, law and word by the word of God.

We tear all kinds of Zionist arrangements that do not conform **to the word of God.**
Vatican constitutions say that heads of state must change every four years. How many times have the owners of **Central Banks changed in the last 250 years ?**

Law is not justice.
Law is written and lined documents required for justice. Just as the law can provide one hundred percent justice, it can kill one hundred percent.
Justice is the foundation of the State in the laws of God.

Dear President Donald J TRUMP

The oath to be held on January 20 has no constitutional validity.
Joe Biden(s) will go as they come.
Joe Biden(s) is a biological garbage dump.
The place of the garbage is clear.

You are the winner of the 3 November 2020 election. **You are the legal President of the USA.**
Don't bind yourself to the evil sentences the Vatican makes in the US constitution. There is no law that terrorists cannot leave the **White House** after January 20, 2021. **Joe Biden(s)** will be sent from the White House **before or after January 20.**
The Red Sea is waiting for Joe Biden(s).

Dear President Donald J TRUMP

I pray for You, Your Family, Friends, the United States of America and the US Army who love Jesus Christ.
I am confident that you will celebrate the electoral victory you and the American people have won as soon as possible.
This heart loves you very much, It will never leave you alone.
See you at the exit of the Red Sea.
God bless you all

CREATION
(1)

God created the universe(s). God created the Djinn. Djinns are conscious beings in physical and spiritual bodies. God chose a group of Djinn and named them **Humans.**

There are many common questions in the universe **that do not have satisfactory explanations by all races.**

God did not answer some universal puzzle-type questions **to connect all races to Planet Earth.**

God chose Humans to teach and explain **the unanswered questions of all races in the universe.**

Being a race, group, or Human, other than God, **does not mean** privilege, honor, nobility and royal privilege **of another race.** God chose Humans as a messenger **to teach his laws, principles, and wisdom.**

We choose our fruits and vegetables in the greengrocer. The chosen tomatoes, potatoes, and cucumbers are not the **chosen ones,** the nobles **and the masters of humanity.**

The most frequently asked question in the entire universe, Who are we? Why were we created? Where did we come from and Where are e Going?

What is the purpose of creating people and races?

God answered all these questions **in Quran in Surah Zariyat verse 56 as*:* "I have created Djinns and humans just to know me and to worship me."**

God is the greatest Boss.

This means that God invites all Humans and Races, all kinds of professionals, workers, technicians, clerks, teachers, and engineers to work in his company, **to reconstruct the planets and the universe.**

The Universe and Planets will be physically and spiritually constructed **by God's** workers, technicians, officials, engineers, and teachers.

God first created spirits. God covered the souls with physical bodies. Every soul is a part of God.

All races have very similar and dissimilar characteristics of different physical bodies. Physical bodies are different, **but the soul is the same in all races.**

God sees the spirits, not the physical bodies of the races.

The physical body dies, but the soul lives forever. The physical bodies of the races are like a few pages of information. But spirits are like books and libraries.

The soul **is a type of energy** that includes the physical bodies of the races.

The eyes of the physical body are the **mind. Logic** is the letters, sentences and elements of the mind.

Mind creates sciences and technologies.

The physical eye is not enough to understand **reality** and **read the universe(s).**
The spiritual eye is the true eye and mind for understanding **truth** and **reading the universe(s).**

Humans and races to have a spiritual mind:

i) He must believe and worship **One God.**
ii) Examine and learn **God's Word and Books.**
iii) Study and learn the words and teachings of **God's Prophets.**
iv) Study and learn the teachings of the **God's People of churches and mosques,**
v)should stop watching **Satanist mainstream media** MSM, t.v. sets and demonic social media platforms. **The evil media are the enemies of people, not friends.**

"Tell me your teacher and I will tell you who you are"

God created souls according **to the principle of opposites on two grounds.**

Like good-evil, faith-blasphemy, eternal-mortal, scholar-ignorant, fellow-enemy, faithful-traitor, free-slave, trust-betrayal, righteousness-deceit, good deed-sin, light-dark, truth-lie, true-false, positive-negative, hot-cold, heavy-light, high-low etc, etc

The principle of opposites is a vital requirement when creating souls for three reasons.
i) Opposites create energy for operating systems.
ii) Humans and races learn faster by comparing items.
iii) For free will.

Free will is essential for souls to rise, evolve and descend.

Every soul has a total grade.

Each soul has a value between -1 and +1 (-1……0……+1).
This is the vertical axis. The horizontal axis is time (t).

-1 Satan and His Wife, 0 Atheists, +1 Adam and Eve

Every good, attitude is a positive grade - every evil, sin is a negative grade.

Adam and Eve Souls is an eternal civilization creator.

Satan and His Wife Souls is the creator of a cruelty-based civilization with an expiration date on it.

The Atheistic Spirit claims and teaches people that “there is no God and religions destroy life.

Atheists reject the Word of God, His Prophets, His Books, God's People and teachings, and all the facts of religion.

When an **Atheist** says, **"There is no God,"** we realize that they have the greatest wisdom that **no one else in the universe has.**

When **an Atheist says** "There is no God," we understand and expect that **they will prove their claim to us.**

When an Atheist says "There is no God" **means "I know everything"** (you know nothing, you are ignorant, go to hell!)

"If An Atheist Knows Everything", We invite **Atheists** to answer all the questions **that all university professors will ask.**

When a body dies, the soul takes its new body and place according to **its total grades.**

If you have enough worship for God **in your Soul Account,** free will, will always choose the right options and **make the right decision.**

If there is not enough worship for God **in your Soul Account,** free will, will always choose the wrong options and **make the wrong decision.**

By worshiping God, **souls must be recharged every day**, just like cell phones and every electrical device.

CREATION and END TIME(S)
(2)

The Milky Way Galaxy is the heart of the universe. **Planet Earth** is the heart of the Milky Way galaxy.

God created the universe(s) according to the principles of opposites. The battle of Good and Evil is the main struggle frame of the universe(s).

The End Time(s) is the most special time in the history of the Universe when God taught everything to his souls.

This period is 7000 years. 7000 (+, - 30) years before (2020).

The last 200-100-50 years are the end periods of the **End Time.**

7000 years ago there were **no Jews on Planet Earth.**

There are countless Jewish groups throughout the universe.

Judaism is an universal imperialist enslavement tool program.

Jews are slaves of advanced races.

Earth Jews are the slaves of Draconian race(s).

Jews are universal evil group of peoples.

Most of the planets in the universe have life and civilizations **like planet Earth.** Planet Earth has been **battling evil forces for 7000 years.**

The war of good and evil that has been going on for 7000 years on Planet Earth is staged on almost many planets in the universe. Most battles are won by the advanced evil races and end with the enslavement **of the weaker races.**

Suppose you are an advanced race and you **need a planet like planet Earth** for raw materials, minerals, and geostrategic location.

But you **cannot land on planet Earth** due to high daylight radiation, unsuitable atmosphere, and oxygen levels. What should you do? These and

similar problems are fundamental universal problems for all advanced races.

You need a group of people who work for you to enslave the planet.

This type of treacherous group of people is called the Jews.

You cannot force people or races **to do anything.** At this point, you need to choose your partners (slaves) using advanced brainwashing and mind control programs. **These programs are built on the weakest points of humans and races,** such as possessing everything, being rich and famous, holding the highest posts and ranks, greed, selfishness, contempt, desire for privilege, and so on.

Rabbis are the **Master Mind** of Jews.

Master Mind's greatest offer and reward to the Jews is to own the entire planet at the end of the game.

Trading (to sell and buy!!!) is the main characteristic of the Jews.
Jews are the group of peoples who sell their souls to advanced races.
Jews are the groups of people who sell their own race to other races.
Jews are creatures that sell their planets to other races.

Rabbis cannot persuade honest people to be Jews.

To be Jewish the soul must be **stupid and treacherous.**

The advance races must choose garbage souls to establish a Jew community.

Jews are chosen people of their masters.

Jews are people chosen by their masters. Rabbis have heralded the Jews that they **are a chosen people.**

Jews are proud of **to be chosen people. Jews** pride themselves on being **stupid, treacherous, and having garbage spirits.**

The enslavement of humans **- the sons and daughters of Adam and Eve -** and Planet Earth **began 7000 (+, - 30) years ago (2020).**

You cannot rule the world from Alaska, Argentina, South Africa, Austrailia, Japan, Sweden and Canada.

To rule the world, you have to settle in the middle east region, which is the center of the world.

The physical body of humans and races is a vessel.

Soul is a form of energy and can **easily be transferred** from another body to a body.

This is called **Walk-in Technology.**

Walk in Technology is one of the oldest arts of living by entering the **bodies of other races.**

Jewish Rabbis, Vatican Black Popes, Popes and Cardinals are **Engineers and Agents** of **Orion Draconians** in **human bodies.**

Their mission is to establish a Global Evil State and **enslave Humanity** forever at the end of 7000 years.

They called this global government the New World Order. **Jerusalem** has been named the capital of the Evil Empire.

The First Temple site was chosen as the Rabbis' headquarters and parliament building.

The Zion Protocols are one of the Books of Evil that are maps, guides, and programs for the enslavement of races.

Evil : Satan, Books of Evil and Rabbis **Good;** Adam, God's Books, and People of God battle began **7000 years ago.**

Rabbis began **selecting garbage spirits from** around the world and **brought them to the Middle East.**

These garbage spirits are called **Jews** and they are proud to be **chosen people.**

Jews were enrolled in mind control and brainwashing programs called education. **Jews do not like abel but cain.** Jews pride themselves on being the descendant of the killer Cain. This is only one of the results of **brainwashing techniques.**

Rabbis began educating Jews under the guidance of the **Talmud, Zohar, and Zion Protocols.**

***The early teachings were: **"The Jews are the kings of Men".**
*Non Jews are not human beings and **are animals** that live in the human body.
*__Non Jews are slaves of Jews.__
*The Jews **will own the entire Planet Earth** and rule the Non Jews as **slaves forever.**

The purpose of the Rabbis' early teachings was to hold, unite, and dissolve garbage spirits together and **prevent the disintegration of Jewish communities.**

These four evil fundamental principles became the eyes and minds of the Jews. Jews were **blinded by Rabbis and enslaved.**

According to these mind control and brainwashing programs, the Jews were convinced that their state, **whose capital was Jerusalem,** and the entire Planet Earth, would " someday" be their own.

This someday dream will come true after 7000 years.

This is a brief summary of the **beginning periods** of the 7000 year end times.

Peoples with wisdom and strong financial resources develop **much faster.**
It takes a long time to have wisdom and strong financial resources in social life.**Freed from this burden**, the Jews were always ready to move fast across the earth.

The Jews were ready to infiltrate any society and government for their masters. The Jews had learned to be invisible and leave almost zero evidence in their destruction. They started stealing **in the Middle East, killing and destroying people and societies.**

Rabbis are atheists and pagans by nature. They don't believe in God. But faith is a supreme power to bring people together. Rabbis created countless Idols to control Humans.

God **reacted to this demonic and Jewish destruction** and began to send his messages and messengers.

7000 years ago, the first message God gave people to people **was to believe in one God, his words, his messengers.** The next message is that they fight evil to take responsibility, **to become one nation and one voice.**

The average people's indifference to God's religion and books makes it difficult for the Prophets.

Every prophet worked **as a shepherd** by God's command. The shepherding of the prophets gives very serious messages to people. **The average people** who do not care and take responsibility for God's commands are sheep and cattle in the eyes of God.

After the **Flood of Noah,** the messages of God and his prophets became more visible and understandable.

All the animals responded to Noah's invitation to the ark, but most of the people did not.

The purification of Noah's Flood was a great victory for believers to unite people against evil as **one nation and one voice.**

Noah's Flood killed all rabbis, Jews, non-believers and all less believers.
After the flood, the demonic deep state launched Plan B, using rabbis and Jews as it had originally.

Abraham's sons, grandchildren, Ishmael, Isaac, Jacob, their 12 sons, their miracles and teachings made God's People a great force against evil mind control invasion.
In this age, the **People of God** became **"One nation and One Voice"** as believers in the **One God** for the **first time in its history.**

God honored the believers for their great achievements and said that he called this nation **"Israel,"** which means the **Prince of God.**

During these times, the **People of God** completely destroyed the pagan mentality of the Rabbis. The Rabbis lost all their physical and spiritual foundations and fortresses.

Rabbis are liars. The rabbis continued to lie and started disinformation. The rabbis **began to spread the lie** that **the Jews** were the descendants of **Abraham, Isaac, Jacob and their 12 sons** throughout the Middle East.

Rabbis believe that if you tell a lie a thousand times it will be true.

The People of God never believed these great lies that the Jews were the descendants of Abraham, Isaac, Jacob, and their 12 sons.

Rabbis and Jews continue to infiltrate every country and corner for 4000 years, using the lies of **Abraham's descendants as masks.**

Moses, the Torah, the ten commandments, the crossing of the **Red Sea, miracles,** and the return to the homeland, raised the power of **being a State with Jerusalem as the capital** of the People of God.

The corruption of the Torah and the word of God, based on the Tamud, Zohar demonic books, began in this period.

After the wars and miracles of David and Solomon, the People of God established **their first State, with Jerusalem** as its capital, after 5000 years of struggle.

The imperialist building-synagogue of the Rabbis was demolished and the first parliament building, which we call the **First Temple,** was built by **Solomon in Jerusalem.**

People of God's State and its parliament **First Temple** became a great power against **Rabbis** and **New World Order** agenda.

David and Solomon's State was a democratic state which means peoples love their leaders and accepted them as their **Presidents.**

David and Solomon's State treasury was very rich and run the economy without any **financial** and **Interest** tranny.

The Rabbis organized the Jews. Jews corrupted the **First Temple** in the directory of demonic books such as human trafficking, victimization, torture, drug dealing, usury, money laundering, banking, black market and financial transgender. Jews are Rabbis' brooms and hand tools.

The Rabbis organized the Babylonian puppet dictator **King Nebucadnezzar** and **the first State and Parliament building** of the People of God was destroyed in **586 BC.**

Jesus Christ and the New Testament were a new great force and threat to the Rabbis and New World Order agenda. 30-70 A.D

The Rabbis organized the Roman puppet dictator **Emperor Titus,** and the first state and parliament building of the People of God was destroyed for the **second time in 70 A.D.**

The Third Temple, which Eziekel told in his prophecy, **was built by Caliph Omar in 638 A.D. called Al Aqsa Mosque.**

The "People of God" destroyed the **evil invasion in Jerusalem for the third time.** The Democratic State of David and Solomon is rebuilt.

Dome of the Rock - **Qubbat As-Sakhrah** was built near Al Aqsa Mosque in 691A.D as a new parliament building by order of the **Umayyad Caliph Abd al-Malik.**

Dome of the Rock - Qubbat As-Sakhrah is one of the greatest symbols of victory for **the sons and daughters of Adam and Eve.**

Nimrod(s), Pharaoh(s), Goliath(s), Titus(s) etc. They are the Rothschilds of their time who were the puppets **of the Rabbis.**

Rothschilds and Jews are planning and dreaming of building **a synagogue** on the **Dome of the Rock,** which they call the **Third Temple.**

The Third Temple will symbolize the completion of the Rabbis **enslavement** of Humanity and Planet Earth.

The **"People of God"** are on **duty 24/7.**

The sons and daughters of Adam and Eve will not allow to create prison planets on Earth and in the Universe.

ISRAEL

What is Israel ? Who is Israel ?

Israel in a 7000-year perspective :

1.Israel **:** is Planet Earth.

2.i) It is the **"People of God"** who believe in One God, his prophets, his books, teachings and **take responsibility** for Humanity.

ii) They are people who work for the freedom and sovereignty of the people and the **Planet Earth.**

3. From a more specific point of view, **Israel** has been **all Christians and Muslims** throughout history.

4. Open the most special view : People of Israel, according to Scripture, is the **Turkish people,** the Nation of Israel is the **Republic of Turkey.**

The Old Testament, New Testament and Quran tell us how the Planet Earth will shape in 7000 years to come, and especially at the End Time. There are many scriptures about the events of the End Times **regarding the final structure of the world.**

A scripture in Israel-Rabbis Bible says **: Genesis 12:2 : "**I will make of you a great nation and I will bless you ; I will make you great and you shall be blessing **"**

These verses describe **a nation and a people** who will fight for the **Independence of Humanity** more than any other nation and people on earth. **This is the Turkish nation.**

According to the scriptures: God promised Abraham and his descendants, a nation, a land to the people of Israel, the fall of Israel, the salvation of the national Israel, the landing, a new country, the capital Jerusalem (city of peace), Israel's restoration, the new Jerusalem, the third temple, the home of Israel, the land of Israel, the great national Israel are some of the titles of the events that will take place in 7000 years, especially in the end times of 200-100-50 years.

Throughout history, **the concepts of Israel**, the People of Israel, **Children of Israel,** Israelis and Jews have been a very complex puzzle for people to set the pieces correctly.

There are(were) many questions **about Jews** that we do not have satisfactory answers. This environment of uncertainty prevents establishing a healthy and fair policy for the world, especially the Middle East.

People of Israel =Turkish People , Nation of Israel = Rebuplic of Turkey.

These are biblical truth about Israel, people of Israel, children of Israel, Israelites and Jews.

The Scriptures: **i) Ezekiel 37: 1-13 ii) Ezekiel 38: 1-39: 16** clarifies all the gray questions.
These verses tell about the **Turkish People** and **Turkish States** in history.
Ezekiel 38: 1-39: 16, tells **the invasion of Gog and Magog** in the end times in **Turkey (Israel).** This invasion attack took place on **July 15 2016** under the command of Rabbis, NATO, Jesuits and Freemasons.

Turkish Army is 2230 years old and has destroyed countless evil forces in its history .

Ottomans never call themselves **"Ottoman Empire".** Ottoman Empire is a Zionist term. The official name of the Ottomans is **Devlet-i Aliyye** and it means the **continuation of the State of David and Solomon.**

The Turkish people and armies **have been the best servants of humanity** throughout **its history.**

Turkish people have been hosting millions of refugees, especially since 2011. Turkish armies and government forces have destroyed countless evil forces, terrorist organizations and saved millions of christians, muslims and innocent people from the persecution of the Jews.

People of Israel **: is Turkish people,** A nation **: is Turkish nation,** Promised land **: is Anatolia,** Fall of Israel : **fall of Ottomans,** Salvation of national Israel **: Turkish independence war 1920-1923, 1938-2002(**destruction of jewish and satanic governmantal invasions**)** , regathering into land **: returning of Ottoman citizens into Anatolia,** A new born country : **Turkish Republic 29.10.1923** A new capital

Jerusalem**: is Ankara** -Jerusalem means **"city of peace". M.K.Ataturk's** universal policy **: Peace at home, Peace at world (Rev.21:10-15 Rev 3:12)** Glorius national Israel **: is Turkish Rebuplic**

After **632 AD,** the birth of **Islam and Arab civilization** began to destroy **Satanic Empires.**

The Arab Islamic conquests have been the worst destruction the **Rabbis** have seen in the last 6200 years.

Rabbis organized the **Mongol Armies,** and the **Mongol Invasions** destroyed the Islamic and all humanitarian forces around the world between **1200 and 1300 AD.**

In 2008, **the Rabbis** left the **US** and **settled in China.** The Chinese were completely enslaved by the **Chinese Communist Party CCP.**

Members of the **Chinese Communist Party are not Chinese,** they are **Rabbis** living in **Chinese bodies.**

As in history, the **Chinese Communist Party CCP** is preparing **a second Mongol Invasion** that will come around the world between 2000-2100.

The Chinese must be very careful when preparing their national policies.
The Chinese should not be a cheap and free soldier **for the Chinese Communist Party CCP** like the Mongolian people in history.

Humanity must carefully research and study the **Mongolian Invasions** and their consequences to better understand the 2021-2121 date.

The Mongolian Invasions of 1200-1300 AD **were the Gog Magog invasions.**

Who are the Jews?
According to Jewish beliefs **:**

The Jews reject Adam. Jews do not agree to be sons and daughters of Adam. Jews hate Adam.
Satan **is the father** of the Jews.
Jews do not know Satan like Christians and Muslims do.
Jews love and respect Satan just as Christians love **Jesus Christ** and Muslims love **Muhammad.**

Jews were created from **Satan's sexual relationship with Eve.**

The Goyims were created **from the sexual relationship of Adam and Eve.**

(Goy singular, Goyim plural)
Goy means **Animal (Goyim** plural **) Goyim=Gentiles in english**

These are the first laws of **the constitution of being Jewish.** With mind control programs, the rabbis **isolated** and **enslaved the Jews** from the Humans and made them useful tools **for their dirty work.**

JEW IS A JEW
HERE ARE THE RESULTS :

A Brief Review of Talmud :

" Non –Jews were born only **to serve us.**Without that, they have no place in the world-only to servet he People of Israel…**This is servant..**That's why he getsa long life,to work well fort his Jew.. why are gentiles needed **?**They will work,they will plow,they will reap ; and **we will sit like an effendi(master) and eat**… That is why gentiles are created. **"**

*Non-Jew is not human. They are monsters, animals and ugly creatures.

* Whoever disobeys the rabbis deserves death and is punished by boiling in pus in Hell. **Erubin 21**

*All goyim children are animals. **Yebamoth 98a**

*All Goyim girls are scum. **Abodah Zarah 3b**

*If a Jew finds a goyim's lost property, he does not have to return it. **Baba Mirza 24 a**

*If a goy hits a Jew he must be killed. **Sanhedrin 58b**

*If a Jew kills a goy, he cannot be sentenced to death. **Sanhedrin**

*If a Jew steals a goy's property, he will have it. **Sanhedrin 57 a**

*Eating with a goy is the same as eating with a dog. **Tospoth Jebamoth 84b**

*Even the best goyim must be killed. **Saferin 15**

*Do not save a goyim who is in danger of death; show him zero mercy. **Hikkot AkumX1**

*When the Messiah comes, each Jew will have 2800 slaves. **Simeon Haddersen 56 D**

*It is an essential sacrifice worship that Christians should be killed. **Zohar, Shemoth**

*Yahweh created non-Jews in the form of humans. Jews cannot serve animals and creatures. Non-Jew is an animal in the form of human beings. It is doomed to serve the Jew day and night. **Midrash Talpiotp.225L**

*Keeping in touch with a goy with our religion relations is like killing all Jews. If they learn what we teach about the Goyim, they will kill us in front of everyone. **Libbre David 37**

*A Jew can do whatever he wants to a goy woman. It is his right to treat it as a piece of meat. **Hadarine,20,Choszen hamiszpat 348**

*A Jew may inflict violence on a goy girl, but cannot marry her. **Gad.Shas2.2**

*Every day a Jewish man should be thankful that Yahweh did not make him woman, goy, and slave. **Hikkot Akum X1**

*The Jew must swear perjury when a goy asks whether our books contain something against them. **The Book jare Dia 17**

*What a Goyim who studies the Talmud and Torah deserves **is death,** because **it was written for us,** not for him. This is the legacy left to us.

*In the eyes of those who believe in Talmud, all non-Jews are atheist.

* A Jew to shed goy blood is the same as to worship Yahweh.

In Jews, ancestry continues **from the mother.** The Rabbis say, "You always know who the mother is, but this is not true for the father."

Jewish mothers believe that intelligence genes are passed from mother to child.

Jewish mothers believe that for 7000 years they have brought the most intelligent people!!! to humanity.

Jewish mothers are always very happy and **proud of their achievements.**

In reality, **Jewish mothers** pride themselves on being **a walking terrorist and prostitute factory.**

Jews are a group of souls boasting their landfill genes that have not changed for 7000 years.

The Jew is a Jew. This is the only correct sentence in Jewish history.

The secret of success for people is understanding Jews and Judaism.

Jews are coronaviruses. You can see animals, plants, stones, but not microorganisms. You can see bacteria in manual microscopes, but you need **an electron microscope to see viruses.**

Electron microscopes are **churches and mosques** for Human Beings.
Within 7000 years, the Jews were carried to every corner of the planet by the Rabbis. All over the world, Jews do **every task the Vatican delivers.**

Rabbis, Judaism, **Jews, Talmud, Zohar, Zion Protocols** and **Deep States,** Satan's evil arts will be taught to our children from primary school to universities.

Young people **should know their enemies** very well. Young people should know how Jews mined their near and distant future.

In his famous speech **Addressing the Turkish Youth** in 1927, **Ataturk** warned the Turkish youth against the traps **of Jews and imperialism** for the next 100 years.

Rabbis tortured and persecuted Jews for centuries, **driving them to every corner of the world.** Rabbis have loaded the Jews with grudge, hatred, anger, and revenge for centuries.
Jews are a people full of hatred, revenge and anger towards non-Jews.

The Rabbis forbade Jews **from marrying non-Jews**. The aim of the Rabbis with this prohibition is to prevent the dissolution and extinction of the Jews Slaves.

Jews are a people who know and **introduce themselves as lions.** There is no animal that does not consider itself a lion. What **Jewish lion's roar** has humanity heard for 7000 years **?**

God created the Jews, and by looking at the **Jews, he created sewer rats.**
Sewer and Evil Arts **is the paradise of the Jew.**

Wherever there is evil, there is the Jew; wherever there is a Jew, there is evil.

Immorality is the Morality of the Jew.

Jews are a people who paint their **mother and sell them to her-his father.**

It is said that good Jews are good people and evil, Zionist Jews are bad Jews, this **is untrue and a political speech.** Good Jews are the air, earth, soil and fire of the Satanic Jews**. Jew is a Jew.**

A Jew can not be Good. Good can not be a Jew.

Jews are thieves. Jews are a terrorist nation from A to Z. Jews are **prophet murderers.**

Jews have no history. The Jews mask the history of God's People, owning their trauma and persecution, and masking their crimes.

There is no history of thieves, killers, rats and parasites.

The thief is the king of the Earth **until the host awakens.**

These are universal sociological and psychological **scientific facts** about Judaism and Jews in **races libraries for billions of years.**

CORONAVIRUS

The half-life of genetically and biologically modified viruses to return to their original form is maximum 2-3 months. Genetically and biologically modified viruses **cannot carry their aggressive nature** for more than **12-18 months.**
The half-life of large modified organisms such as fruit flies is 2-3 years.

Quarantine, isolation, hygiene, use of masks and antibiotics are the main **measures to overcome** these types of viral infectious diseases.

HQC -Hydroxychloroquine- is the perfect cure of coronovirus. Coronavirus(es) types of viruses have thick fat cell walls. Waterbased based antiboitics are not effective to these sort of microorganisms. **HQC** easily penetrates **fat cell walls and destroy all viruses in a very short time.**

All epidemic diseases that we have seen throughout history as humanity are **economic** and **biological weapons** produced in the laboratory by Rabbis.

Black plague, tuberculosis, typhoid, pneumonia, sars, mers, ebola, AIDS, meningitis, hepatitis, cholera, scarlet fever, measles are some of the **economic and biological weapons.**

These epidemics are preparing for the big pharmaceutical industries **to gain 8 billion customers.**

You cannot make money from a simple cold.

Epidemics **take customers to** big pharmaceutical industries.

For big pharmaceutical industries cancer, autism, stroke, parkinson, alzhemier, diabetics, all kinds of neorological and heart diseases are much **better than simple colds.**

Designed for big pharmaceutical industries, **the coronavirus is the king of all epidemics in history.**

Big pharmaceutical industries knows that the coronavirus epidemic has nothing on their agenda. Rabbis rub their hands awaiting 8 billion potential cancer customers who will come through **vaccination programs.**

Bill Gates, Anthony Fauci, and George Soros and many are Rabbis in plain clothes who work hard for **vaccination programs** all over the world.

Rabbis=Nazis=Pagans=Atheists

The Vatican is the Rabbinic school. **Pope Francis is a Rabbi and a Nazi.** Vatican cardinals are Rabbis and Nazis. **Pope Francis and the Vatican Cardinals** pray to God and Jesus Christ for the success of Bill Gates, Anthony Fauci, George Soros and their friends.

My Dear One's

Vaccines are Mark of the Beast
Vaccines are medium and long term poisons.

Do not accept **Vaccination Programs** that will be offered to you during pandemic periods.

Big pharmaceutical industries **Vaccines are full** of complex genetic, electronic, biological, physical and chemical toxins.

Pfizer, Moderna, Biontech, Sinovac and the like are the legs of the same Demonic Octopus.

Genetically and biologically modified viruses draw bell curve. **Zero Top zero.**

We are at the peak of the coronavirus epidemic as of **1.1.2021.**
After this date, the cases **will begin to decrease at the rate of increase.**

Compare two vaccinated and unvaccinated cities.
We will see the same results come. After this date, coronaviruses that have been genetically and biologically modified **will begin to return to their original form.**

All high-degrees freemasons were ordered to advertise the coronavirus vaccine **in the autumn**. Nobel prized artists, scientists, presidents, prime ministers, politicians, journalists, artists, showmen, athletes, celebrities etc, etc **share photos of being vaccinated.**

The coronavirus **will start to die naturally** in the body. The big pharmaceutical demons will become the heroes **!!!** of eight billion people and will be on television **to receive applause.**

This is the plan. Let's be careful.

Throughout history, **a great terrorist and theft organization** has been recognized **as a state by your head of a group.**

ADAM & EVE
ECONOMY TEACHINGS
ANTI INTEREST ECONOMY
(AI ECONOMY)

How can States and Governments **get rid of the** Economic and Financial System based on **Interest-Center and Private-Banking slavery ?**

How can States and Governments establish the **Anti-Interest - Central and Private Banking** Economics and Financial System **?**

It is the duty and right of Democratic States and Governments to create, print and control money.
Private individuals and companies cannot create, print, or control the **Money-Monetary System of Nations.**
No other power in the people is greater than the Democratic State.
The Democratic State is a reflection of "God" on earth.
Nobody can go against God and His Laws.
Interest-based Money and Banking Systems are prohibited by God's Laws.
Interest and Usury is the biggest economic sin.

To tear down and ruin
Interest- Central and Private Banking Systems:

1. States need Anti-Interest Laws in their Constitutions.
States and Governments should establish their **National Banks and Banking Systems.**
i-Every citizen over the age of 18 must be a **"True Taxpayer" for the Ministry of Finance**
ii-Every True Taxpayer, company, business and institutions must pay **20% (twenty percent) tax** for their monthly and annual earnings.
iii-States and Governments will pay taxpayers **10% - "Tax Refunds**" - Tax **Refunds -** within the next 15-30 days or months.
Tax Refunds will be paid and sent to the **"National Banking Accounts"** of citizens and taxpayers only.
Every citizen, taxpayer, **corporation, enterprise and institution** should choose and support **the National Banking and Financial Systems** for their benefits.

Tax Refunds are true **Anti-Interest Tools** for Democratic States and Governments.
Tax Repayment is Anti-Interest Law.

No citizen, taxpayer, company, business or institution earns money from Interest and does not work with Private Central Bank Cartels.

2. State and Governments double, triple, ten, one hundred and so on. **The taxes should take:**
i-Money earners and people working with Interest-Private-Central Banking Companies.
ii-buying, selling, home, car, fuel, gas, electricity, communication, education, travel, justice, export, import etc. to all Government Services.
Citizens and Taxpayers who choose **National Banking Services** will not be exempt from extra tax fees.
"Receiving Taxes" is another Anti-Interest Law.

3. It is very easy for Private and Central Banking Companies to earn and collect money **from States and Governments.**
Because States and Governments are afraid to tell people ”**there is no money”**
Borrowing and delaying debt at much higher interest rates are the primary preferred financial policies of States and Governments.
States and Governments are buying **$ 1.0 Billion** today and paying **$ 2.0 Billion** to **Money Changers-Bankers** tomorrow.
Interest-based Central-Private Banking is a negative system that creates mountains of debt every hour, day, month and year.
Match Taxpayers and **Money Changers** around a table and tell **Money Changers** "Go and get your money - **$ 2.0 billion** - from real debtors and taxpayers."
Pairing debt holders and taxpayers with Central-Private Banking Cartels is another **Anti-Interest Law.**

4. Teaching and Informing People about Central-Private Banking and Interest Illusions is another powerful **Anti-Interest Law.**

For Example : 1-10% interest income = 100% corona virus or cancer

Enlightened People, States and Governments can easily Nationalize Private-Central Banking and Interest Cartels **with Referendum Solutions.**

Rothschilds and Partners 13 Families spent all their money to kill and enslave the People who were the biggest customer and the source of money for them.

We protest as people and do not receive any products and services from the Rothschilds, 13 Families and their hundreds, thousands of **Companies, Corporations and Institutions.**

FEDERAL RESERVE
CENTRAL BANKS-PRIVATE BANKING CARTELS
(1)

Central Banks-Private Banking = Theft = Imperialism = Slavery

How Do Central Banks -Federal Reserve- Work?

1. 1,10,100 in the Morning... etc. Tons of paper, newsprint come to FED printing facilities.
In the Afternoon, these papers are **1, 10, 100, 1000... etc. Billions of USD**
That's it.
Suppose you do the same things **!!!**
Then you need wars, terrorism, chaos, riots, tv sets, football, fashion, Hollywood, music, cigarettes, alcohol, drugs, etc. **and**
A lot of Idiots in every corner
Politics, governments, television programs, newspapers, magazines, universities, companies, institutions, social media, etc. to mask, cover and avoid focus,
"Hey! What are you doing here"?
Many Fools trying to teach people during these periods will be very useful **:**
"Black is the best White color"
States and Governments are the best clients of **Central-Private Banks.**
States and Governments have endless needs.
Central Banks sell their Money (newsprint) to **States and Governments** at
1-10% -100% Interest.
States and Governments give Central Banks **"Bonds"** Rothschilds for **Cash.**
At Night these papers are **2, 20, 200, 2000 ... etc. Billions of dollars**
Tomorrow this cash will be in the accounts of Rothschilds Banks.
These interest-based financial system wheels are spinning like this forever.Thanks to this bad financial system, States and Governments always have Cash.But the Rothschilds Banks accumulate **"Bonds"** in their hands that enslave States, Governments and People.
States, Governments have millions of **never-ending** payments, billions of dollars every minute, every hour, day and week, etc.This picture is the same for every country in the world.

Dear President Donald J. TRUMP

We thank you as people
Mr. President Donald J. TRUMP and His Management

Nearly 250 Years of US Financial Bullying
Terminated by You and Your Administration.
Satanist, Zionist, Rothschilds owner
Federal Reserve
It was fully nationalized in March 2020.

There is no satanist, Zionist, Rothschild owner **MSM,** it cannot make this historical news public.

FEDERAL RESERVE, the great terror organization in the world, was **destroyed and nationalized.**

The expropriation of **FEDERAL RESERVE** is the first valuable step in opening the Gates for **Interest-Free Economy and Financial System on Earth**.

The US Treasury, Citizens and Taxpayers have to pay **4200 Trillion USD** for "Bonds" to arrive.

Mr. President Donald J. TRUMP

i) Do not pay **-Any Cent- "Money Changers"** for these **"Bonds".**

What did the **USA,** Citizens and Taxpayers buy and receive in exchange for **4200 trillion US dollars of debt? !!!**
ii) Check "Bond Holders": If Real and Honest Persons, Pay.

FEDERAL RESERVE
CENTRAL BANKS-PRIVATE BANKING CARTELS
(2)

Central Banks-Private Banking = Theft = Imperialism = Slavery

How Do Central Banks -Federal Reserve- Work?

Central Banks and Private Banking Cartels **have two main Nutrition Sources.**

1. Money and financial needs of State and Governments.
2. Satanist and Zionist **"Tax Laws"** infiltrating the State Financial Systems.

Came to Turkey in 1936, an **Economist** named **Fritz Neumark** and prepare the Turkish Tax Law in 1950. !!!
Fritz Neumark was the Satanist-Zionist Rothschilds Agent.

A Nation has four sources of income tax.
1. Workplaces and Store **Owners 2.** Government Officials **3.** Workers **4.** Retirees

Each group of citizens has to pay cash tax to the Ministry of Finance Cashiers.
Provides **4x25 USD, 100 USD Tax income.**
100 units of tax revenue is enough for the State and Governments.
With these Fair Taxation Laws, States and States no longer need to borrow high Interest-Bearing Money from Central Banks.

Economist Fritz Neumarks' mission is to destroy "Money Changers" - **Fairness and Justice** - to force them to take money from the Rothschilds and **their Puppet Friends.**

Economist Fritz Neumark wrote the Turkish Tax Laws and told the Turks **:**

i) 1. Businesses and Shop Owners will pay their taxes and labor taxes to the Cashiers of the Ministry of Finance in cash.

ii) 2. Government Officials 3. Workers 4. Retirees:

125 USD Your Salary, You Have Wages
and
25 USD advance tax paid
fees when you receive your salary.
"Here is your **125 USD** salary and wages
You have already paid your **25 USD tax at source** ".
Receiving salary and wages**-at the same time- = Paying Tax !!!**
according to this devilish, zionist mentality.

Government Officials - Workers - Pensioners **:**

Do not go and get to know the Ministry of Finance Cashiers and buildings throughout their lives.
Government Officials, Workers and Pensioners do not pay **"Any Percentage Tax"** to their countries.
"You have paid all your taxes in full, to the last penny and on time,"
Economist Fritz Neumark told government officials, workers and retirees.

Government officials, workers and retirees **are very happy** and **proud to pay nothing** and **pay everything.**

These Satanic, Zionist Tax Laws **:**

Collect **25 USD** instead of **100 USD**
forces States and Governments to fall on the knees of Rothschilds Central and Bankings to receive **75 at 75 +75 Interest = 150 USD**

These Satanic, Zionist Tax Laws **:**
Fundamentals of the **Informal Economy**
It forms the basis of non-transparent **Black Budget Economies.**

As human beings, we must break these devilish and Zionist curses of enslavement **as a True Taxpayer.**

Becoming a Real Taxpayer
Government Officials, Workers and Retirees:

1. Write and create Invoices for every penny of income, such as Businesses and Shopkeepers.
2. They must be registered with the Ministry of Finance, obtain a tax number and **be a real taxpayer** such as Businesses and Shop Owners.

3. You should **stop being an angel** and **pay nothing** for the satanist and Zionist mentality.
4. Go to the Ministry of Finance offices and pay taxes **such as Businesses and Shop Owners.**

3 November 2020 Elections
It has been the most important political Event in the **US** and **Human History** since **1776.**

The United States has a great mission for **Humanity** on Earth, which is mentioned in prophecies, signs and symbols in the Bible and the Word of God.

After **9/11,** we see a great awakening in the US public opinion, which was a great message to the USA, Humanity and Planet Earth.

Dear US Citizens

9/11 was organized by evil spirits mainly concentrated in **Democratic Party.**
Do not vote for the **Democratic Party and Joe BIDEN.**

The Democratic Party is a NAZI Party that occupied the USA after the Second World War.

Voting for the **Democratic Party and Joe BIDEN is a 9/11.**

Voting for the **Democratic Party and Joe BIDEN** will be **another 9/11.**

Voting for the Democratic Party and Joe BIDEN means **to demolish and destroy Humanity** like the Twin Towers in **9/11.**

Voting for the Democratic Party and Joe BIDEN means to destroy and ruin **Christianity, Christians, Churches, Pastors, Priests, the Bible and the Word of God, as it did in 9/11.**
The people of God never had the evil, Zionist Agenda and evil spirits like **Joe BIDEN (s)**

Who is the US Democratic Party and Joe BIDEN(s)?
(1)

The Democrat Party and Joe BIDEN(s) are NAZIs who immigrated with **"Paperclip Operations"** after World War II and occupied the **USA.**

In the November 3, 2020 elections, US citizens **will decide** for their President **between Donald J. TRUMP and Adolf HITLERs like Joe BIDENs**

The USA has become a **superpower** in the world after the Second World War.
Ancient Sumerians, Egypt, Babylon, Rome, and the Empires of Great Britain were some of the **superpowers** on Earth before the United States.
The superpower that sounds great is indeed the greatest enslavement organization and **enemy for God's People throughout history.**
The mission of the superpowers is to make preparations to enslave the Human race, **such as cattle and sheep,** using all the resources in the target country.
The superpowers who enslave, kill and torture people in every age are the greatest enemies of **Humanity.**
The main feature of Super Powers is stealth and invisible **like Thieves.**
Superpowers showed themselves to Humanity in World War I, World War II and /911.
These are very experienced !!! superpowers are the same noble families who **killed millions of Christians and people** want to **complete their mission** to win the November 3, 2020 election.

George H-W Bush(s), Bill-Hillary CLINTON(s), Barack OBAMA(s) and Joe BIDEN(s)
FEMA prepared facilities as Concentration Camps, Bulk Coffins, Incinerators, Clamped Wagons and Guillotines **to kill 300 Million US citizens.**
These operations failed and were destroyed **by Donlad J.TRUMP and Friends in the 2016 Election.**

Democratic Party and Joe BIDEN (s) – Mission is WW III if the **NAZIs** come to power in the 2020 elections.

They will try to activate the World War III scenarios.

Who is USA Democratic Party and Joe BİDEN(s) ?
(2)

All vital US government offices occupied **by NAZIs** such as CIA, FBI, NSA, Pentagon and US Army after **WWII.**
Europeans became a great resource for **NAZIs** in their entire history until the **WWI.**
After the Second World War, **NAZIs** began to play their **European role in the United States.**
World War II is not over for the NAZIs, they are **fully active to realize** their Imperialist Agenda all over the world.
NAZIs have been **expanding their domination circles** such as cities, countries, continents, planets **for the last 7000 years.**
The USA was the biggest occupation **of the NAZIs.**

The great awakening of the American people after the **JFK assassination** and **9/11, NAZIs** forced themselves to migrate and settle in another Headquarters Country and Continent **for safe work.**

As always, **the NAZIs staged a fake** economic crisis in 2008 to cover up **their thefts.**
NAZIs stole tens of trillion dollars of **American People** and immigrated to **CHINA.**

After 2008, CHINA became the new center of **NAZIs.**
CHINA and the Chinese must be very careful about the **occupation of the NAZIs in their country.**

CHINA and the Chinese will be the **new free human resources and soldiers of NAZIs** such as Europe and the USA in history.

The NAZIs thought **CHINA** was a very large and secret country that they **can rule the world.**

The NAZIs prepare the **CHINA and the Army** to attack their enemies in every corner of the world.

As free soldiers the Chinese will die **for the NAZI agendas** like the Europeans, the people of the USA **and the rest of the world.**

In the 7000 era, **NAZIs** placed **Joe BIDEN(s) and Hillary CLINTON(s)** in every corner of the world.

Not only the **US,** but also **Humanity** must be very **careful with :**

Joe BIDEN(s) and **Hillary CLINTON(s)**

in their **own countries.**

Who is USA Democratic Party and Joe BİDEN(s) ?
(3)

Dear American Citizens

George H-W **Bush(es),** Bill **CLINTON(s),** Hillary **CLINTON(s)** Barack **OBAMA(s)** and **Joe BIDEN(s)**

There are many **"Friends"** all over the world just like themselves.
They finance all of their bad art mainly through Drugs and Human trafficking.
They are the world's largest drug traffickers, and especially cocaine and heroin producers.

Bush(es), CLINTON(s), OBAMA(s) and **Joe BIDEN(s)**
are the sipiritual fathers, mothers, founders of terorist organizations especially **in Middle East.**

All wars and conflicts in **Middle East** are orchestrated by **Joe BIDEN(s).**

Joe BIDEN(s) is one of the greatest **Christian killers** in Middle East.

Joe BIDEN(s) and his **"Friends"**

Joe BIDEN (s) and "Friends" have killed thousands of **Christians** in the last 40 years.

Joe BIDEN (s) essentially have two "Friends" groups. **Zionist Jews** and **Zionist Armenians** masquerading as **"Kurds".**

Zionist Armenians are the best **"Friends and Slaves"** of the Zionist Jews who do their dirty work.

Zionist Jews dream and work for a great State of Israel **in the Middle East and half of Anatolia.**

All terrorist organizations in the Middle East, especially the world, are **Israel's secret armies.**
Israel is the largest terrorist state in the world that **killed** people in the last **7000 years.**
The second terrorist state in the world is Armenia.
Joe BIDEN(s) and **the zionist Armenians** founded and financed many terrorist organizations in Europe and the Middle East.

PKK, YPG, PYD are the best known **Armenian terrorist organizations.**

Armenians infiltrated the **innocent Kurdish people** and introduced themselves to the world as **"Kurds".**

Jews and Armenians are using **innocent Kurdish young boys and girls** as terrorists for their evil Middle East Agenda.

Working together, Zionist Jews and Armenians destroyed the Ottoman Empire and killed hundreds of thousands **of Christians in Gallipoli in 1915.**

Nothing has changed today.

Zionist Jews and Armenians have gathered thousands of **Christians from 89 countries** to the Middle East in the last 40 years and **killed many of them.**

PKK terorist organization is established by **Joe BIDENs** in the leader of an **Armenian called Agit Agopyan**. Agit Agopyan masked and introduced himself as a "**Muslim Kurd" "Abdullah Öcalan"**

YPG and PYD are terrorist organizations and others names of **PKK** mainly located in Syria and Iraq.

YPG and PYD were established by Armenian **Mazlum Kobani** who is a student of **Agit Agopyan-Abdullah Öcalan**

Zionist Jews and Armenians are very active and well organized in Turkish politics and institutions.

The PKK terrorist organization was founded **by Joe BIDENs** under the leadership of an **Armenian named Agit Agopyan.**

Agit Agopyan disguised himself as **"Muslim Kurd" "Abdullah Öcalan"**

PKK operates as YPG and PYD in Syria and Iraq.

YPG and PYD were founded by Armenian **Mazlum Kobani,** a student of Agit Agopyan-Abdullah Öcalan.

Zionist Jews and Armenians are very active and well **organized in Turkish politics and institutions.**

HDP - Peoples Democratic Party - introducing themselves as democratic movement of the **Kurdish people in Turkey.**

As a matter of fact, **HDP is a completely Zionist Armenian terrorist organization** that **lies to** the Turkish people and the world and claims to be **Kurdish.**

HDP Presidents
Selahattin Demirtaş, Figen Yüksekdağ, Pervin Buldan, Mithat Sancar and thousands of others **are Zionist Armenians.**
These people lie to the Turkish people, the world, **and claim to be Muslims and Kurds.**

CHP-Republican Public Party- infiltrated and invaded in 1938 is a totally **Rothschilds owned** satanist ,zionist political terorist organization.

CHP President
Kemal Kılıçdaroğlu

is a **Zionist Armenian and Rothschilds puppet**, lies to the Turkish people and claims to be a Muslim.

CHP President
Faik Öztrak,
is the hidden President of CHP a zionist Jew Rothschilds puppet

Ahmet Ünal Çeviköz, Selin Sayek Böke, Canan Kaftancıoğlu and thousands of others are **Zionist Jews** those who have at least **200 years Young Turks and Union Progress roots.**

For over 40 years he has played the roles of Jewish, Christian and Muslim **messaiah.**
He staged a coup in Turkey on **15 July 2016, killing 250 people and injuring 2000** people.
He controls over **100 Million people** in more than 160 countries.
He **lives in Pennsylvania,** USA for more than 20 years.

Dear American Citizens

Why is this information given?

Very experienced terrorist organizations based in the Middle East: **FETO-Fetullah GÜLEN Terror Organization**, **PKK, PYD, YPG** and the like **infiltrated** the USA due **to a civil war.**

They have great preparations and cooperation with terrorist organizations such as **ANTİFA.**

Dear American Citizens

Electronic and postal voting is not a Fair and Safe system for transparent **Democratic Elections.**
Electronic and postal voting is an unfair, insecure, evil, Zionist and evil agenda.
Electronic and postal voting was prepared by Satanic and Zionist forces to **overturn the Election Results.**
99% 2020 Donald J. Trump victory will be announced **as 1%.**
1% 2020 Joe BIDEN defeats will be declared **as DEMs** victory.
By using current electronic and postal voting

Have no doubts about coming new !!! 2020 9/11.

Fair, safe and transparent Democratic Elections are classic legacy systems.
Fair, safe and transparent Democratic Elections are the classic old systems that contain ballot boxes, millions of neutral observers and official documents signed by wet pen.

Electronic electoral devices and systems are the greatest frauds and illusions in the history of Democracy.

150-160 million votes by mail will be counted by **100-200 officers !!!**

Do you believe these stories and expect fairly honest results on November 3rd 2020 elections **?**

HIS FRIENDS AND ADMISTRINATION

Dear President Vladimir PUTIN

We highly appreciate **President Vladimir PUTIN, Her Friends and the Administration's** Humanitarian efforts and policies **towards the freedom and sovereignty of humanity.**

The Russians are the people who **suffered most in Human History** from the attacks of the **Hidden Enemy** of Men.

Humans were surrounded, invaded and enslaved by hidden, invisible, enemies. This **is not a science fiction,** it is a big fact.

The Enemy has **advanced artificial intelligence programs** to enslave Humanity under One Government, Military and Financial Organizations.

These programs need 7000 years to complete their cycle.
7000 years later, Humans will be ruled by the **Totalitarian Socialist Communist One World Government called the New World Order.**

The completion of this cycle is approximately **2000-2030.**
Some chapters of the Four books of God and the teachings of the Prophets are explanations and warnings of these universal wicked programs.

The enemy conducted the biggest enslavement experiment in Russia and Asia on October 1, 1917.

The prospects are that this experiment will burst and become an act of enslavement for the whole world.
Socialism and Communism are Imperialist Bad Art that suffers the most for people.

Russians are democratic people in their history.

The enemy invaded and enslaved Russia and the Russian People on October 1, 1917, was the invasion and enslavement of Humanity.

By 2020, the Enemy tries to invade Humanity and wants to complete the enslavement cycle that started **on October 1, 1917.**

The Russians are the people **who have suffered** the most from the attacks of the **Imperialist Evil Arts in Human History.**

The enemy invaded and enslaved Democratic Russia and the Russian People on October 1, 1917.

After the October 1, 1917 invasion and enslavement, the Enemy began to present **Democratic Russia and the Russian People as a Socialist and Communist Creative and Export Country.**

Russia and the Russian People are Not a Socialist and Communist Creative and Export Country.

October 1, 1917 invasion and enslavement became a great movement of **division and separation** for Humanity.

Division and Separation is Humanity's greatest enemy.

Partition and Separation after the October 1, 1917 invasion and enslavement was a **Domino effect** for Humanity.

Russia and the Russian People have been introduced **as a socialist-communist creator, exporter and enemy of humanity.**
Russians began to be accused of being enemies of humanity.
The Russians have come to be accused of being the worst enemy of the **United States.**

To all these accusations the Russians said, "We fought **side by side with** the **Americans** against the **Nazis and Adolf Rothschild** for the freedom of humanity."

Adolf Hitler is a Rothschild and grandson of Solomon Rothschild.

Adolf Hitler is the masked and fake name of **Adolf Rothschild.**
Adolf Rothschild is one of the greatest terrorists in human history who emerged **as Adolf Hitler in World War II.**

Adolf Hitler is a Jew, not a German. **Only one Jewish heart and soul kills** Jews and people by burning them in garbage kilns.

Adolf Hitler's daughter **Angela Merkel** works hard to realize her father's dream of a Totalitarian Socialist Communist One World Government.

The occupation of October 1, 1917 and the Second World War became the greatest division of Humanity in History.
Humanity is divided into two artificial camps, Eastern and Western Democratic and Communist.
As the creator, owner and exporter of Socialism and Communism, the Russians are **accused of the biggest lies in Human history.**

The United Nations, NATO, IMF, World Bank, WHO and many similar companies founded **by Rothschilds** are terrorist organizations.

NATO is the largest Terrorist Organization in the world to occupy its members in **peacetime.**

Russians have problems with these organizations, **especially with NATO.**

Russian and American people should understand that the Rothschilds make the most money by creating **polarizations.**
Ship-sized missiles mean ship size bills on tables.

The Russian and American Politicians and Armies should coexist at the Christian base, not at military bases.

This is the unique solution to get rid of all problems **of the Western World.**

Dear President Vladimir PUTIN

We know that **President Vladimir Putin his Friends and Administration** worked hard to break the cursed Zionist Rothschild occupation in Russia.

The occupation of October 1, 1917 was the enslavement **of Russia** and also **of Humanity.**

But **Russia's Christian roots** did not give the enemy a chance to complete their **demonic Agenda.**

The freedom of Russia is also the freedom of Humanity.

Dear President Vladimir PUTIN his Friends and Administration

works for **Russia and Humanity** with a spirit of freedom.

The **freedom of Russia** is also the **freedom of Humanity.**

We appreciate and support

FOR
2020

Dear President Donald J.TRUMP

Democracy, Freedom, Sovereignty and Free Will are vital common denominators of **Humanity.**

The USA is the biggest and leader of Democracy in the world and in the last 250 years.

The USA and the American People have become a **Lighthouse** for Humanity in the dark times **since July 4, 1776.**

Our world is not as big as we think. It's like a village where we live.

Our leaders know this fact very well.

The people of the world **must know this truth** as the world leaders.

Democratic Elections -without the manipulation of Puppet Players- **are Humanity's great chance** for freedom and domination.

US democratic elections are important not only for the American people, **but for all of us.**

It is the duty and responsibility of many people on earth to pursue the democratic elections of the United States, **for their personal, corporate and total success.**

This fact, habit is more or less the same for every democratic election. **Every Human** should have at least a **global view of the world** for humanity.

It's always better **to be part of the solution,** to be a problem, and to be a problem.

Donald J. TRUMP, Friends and Government is the true spirit of US Democracy.

We know very well that **Donald J. TRUMP and His Friends** are fully fighting against **Totalitarian Socialist Imperialism and its Evil Arts.**

The Freedom and Sovereignty of the USA is the freedom and sovereignty of Humanity.

The success and strength of **Donald J. TRUMP and Friends** 2020: It is the success and strength of Humanity.

Dear President Donald J.TRUMP

DOORS Soul won 15 Elections with great success and **became the first PARTY** in each of them in Anatolia in the last 17 years.

As an engineer, **"I (Halil Coşkun BEYOĞLU)** want to work for **Donald J. TRUMP and Friends** 2020 Election Campaign.

We will focus on the **7000-year Big Picture.**

I hope and know that we will have complete success in the 2020 Election. **Prophets are also the "Heads" of Humanity.**

The presidents of our world must love and obey the **"Word of God".**

The Word of God and the Prophets suggest and recommend:
2x2 = 4 3x3 = 9 4x4 = 16 5x5 = 25 …… mathematics and engineering type.
Satan, Zionist and Evil recommends and empowers them:
2x2 = 22 3x3 = 33 4x4 = 44 5x5 = 55

2x2 = 222 3x3 = 333 4x4 = 444 5x5 = 555 etc. Mathematics and engineering types.

We know very well that Donald J. Trump and his friends love **Word of God and Jesus Christ.**

We know very well that Donald J. Trump and his friends recommend:

To humanity **2x2 = 4 3x3 = 9 4x4 = 16 5x5 = 25 ……** mathematics and engineering type.

My Dear One's

DOORS will be announced to the public in the coming days and announced by the **Turkish Media.**

Please be in fine settings for this period.

Long-loaded **Turkish News** is about local politics. Full English translation will be enabled very soon.

However, it is important to give a summary of the available downloads.

The Middle East has been the main battleground between **Good and Evil** throughout history.
Last millennium Anatolia and Turkey has been the center of this war.

Turkey was fully occupied by Zionist forces after **Mustafa Kemal Atatürk** passing away in 1938.

The zionist and satanist occupation was completely destroyed by the **Democratic Turkish Nation** and the **AK Party government** getting fully power in 11/3/2002.

Mustafa Kemal Atatürk is the founder and sole owner of the **CHP (Republican People's Party).**

CHP was a great force **against Evil** between **1923-1938.**

The CHP was occupied by Fascists, Communists, Socialists, Theocrats, Satanists and Zionists and **was severely corrupted.**

The Turkish people have never given power to the **Satanist CHP** and other corrupt political parties for 64 years, but they cannot get rid of the coalition ruptures until 11/3/2002 elections.

In the last thousand year, Anatolian governments have ruled the state completely faithful to **God's Word and Commandments.**

This is why **Evil** has not been able to resist democratic opposition for more than 64 years after a thousand year of the **Word of God Momentum.**

The 11/3/2002 elections have been the cornerstone **of the last 64 years.** This year the **AK Party** - **Justice and Development Party** - was established and came to power completely.

Recep Tayyip ERDOĞAN, the founder of the AK Party, has been a loyal person to the **Word of God and his books since childhood.**

Recep Tayyip ERDOĞAN is the leader who is in the way of the Prophets (pbuh) Adam, Abraham, Moses, David, Jesus Christ and Muhammad with all his heart.

Recep Tayyip ERDOĞAN is a leader who works not only for his own country but also for the good of all Humanity, regardless of his religion, sect, color, belief, idea.

Recep Tayyip ERDOĞAN is the best leader of **Turkish Political History,** who best seized the legacy of **ATATÜRK's** democracy, republic and humanitarian ideas.

There are many misinformation and disinformation about our President **Recep Tayyip ERDOĞAN** in fake media organizations around the world. Fake media and Zionist institutions around the world are trying to introduce our President **Recep Tayyip ERDOĞAN** as a dictator like puppet leaders.

Recep Tayyip ERDOĞAN responded with great success by winning 14 democratic elections in 17 years and became the First Party.

Recep Tayyip ERDOĞAN is one of the most successful leaders in the World Democracy History.

Those who are nothing like a dot, like a dust partical, lecturing and insulting continuously to **Our President Recep Tayyip ERDOĞAN** in their rooms.

We are inviting these people to democratic halls and fields for **to learn** if they are greater than **a dust partical** or valuable **than a bullshit.**

After **"ONE MUNITE"** at the **Evil 2009 Davos Rally**, Zionists and Satanists attacked **President Recep Tayyip ERDOĞAN** with at least 120,000 domestic and foreign forces under **NATO** command on **15 July 2016 at 20:00.**

It was signed in 2013 saying "You will see the fall of an Empire soon" and the finger waved.

Evil, Zionists and Satanists attacked with all their might and False Prophets, False Messiahs and Antichrists on the night of July 15, 2016.

My Dear One's

The coup, attack and invasion order given by the Zionists and Satanists to NATO on July 15, 2016 was the **Armageddon War,** which was prophesied between the **Sons and Daughters of Abraham** and the **Sons and Daughters of Satan.**

The Battle of Armageddon lived more than 16 hours in the Anatolian mountains and hills, especially in **Ankara and Istanbul.**

During this war and hours, **the Turkish Army and Forces** took the Zionist and Satanist Babies in **"One Minute"** and knocked them over.

It's our job and duty to overthrow Empires, not animal babies.

If you plan to attack the **Turkish Army and Forces**, you should think twice, twenty times better.

I have been an **AK Party** member and engineer for **over 14 years.**

President Recep Tayyip ERDOĞAN is my best friend and we work hard together for a better World and the Word of God.

My precious One's

This heart loves you so so so much
You are the Stars and Light of the Heaven
